
Universal Health and Preparedness Review

The Seventy-seventh World Health Assembly, having considered the consolidated report by the Director-General,¹

Decided:

(1) to take note of the reports of the Central African Republic,² Iraq,³ Portugal,⁴ Sierra Leone⁵ and Thailand⁶ made during the voluntary pilot phase of the Universal Health and Preparedness Review, including the voluntary pilot global peer review⁷ process meant to occur;

(2) to request the Director-General, in consultation with Member States, to continue developing the voluntary pilot phase of the Universal Health and Preparedness Review, including the voluntary pilot global peer review according to the report submitted to the Seventy-fifth World Health Assembly⁸ and feedback from Member States, without prejudice to the processes of the Intergovernmental Negotiating Body to draft and negotiate a WHO convention, agreement or other international instrument on pandemic prevention, preparedness and response and the Working Group on Amendments to the International Health Regulations (2005), building on existing mechanisms under and in support of the International Health Regulations (2005) in a manner complementary to and non-duplicative of existing modalities and evaluation tools and processes used by Member States, namely those in the International Health Regulations Monitoring and Evaluation Framework;
