

**Health conditions in the occupied Palestinian  
territory, including east Jerusalem, and  
in the occupied Syrian Golan**

**Amendment proposed by Israel to draft decision contained in  
document A77/B/CONF./1**

New paragraph

26. Calls for the immediate and unconditional release of all hostages held in Gaza, including children, women and older persons, and condemns the use, by armed groups, of health facilities, including hospitals and ambulances, that endangers the civilian population.
