The information contained in calendar year 1990 issues of the Digest is limited to those bills and resolutions that were still alive after legislative action in the 1989 calendar year.

The full bill history of those bills and resolutions that were finalized in 1989 has been dropped from the 1990 calendar year issues; only the final action will be carried.

Again, the 1989 calendar year Final (Issue #17) contains all information on all legislation which was pending before the legislature during calendar year 1989 and is the last issue that contains the full bill history on legislation that received final action during 1989. That issue, Issue #17 (1989), should be retained.

This Digest is being published by a computerized process through the cooperative efforts of the Legislative Reference Bureau and the Legislative Information System.

The format includes synopses of the legislation pending in the House of Representatives and the Senate and indices by statute reference, subject matter, and sponsor.

The Digest is a weekly publication during the time the General Assembly is in Session. It is available by subscription through the Legislative Reference Bureau, for \$55.00 per calendar year.

(Ch. 122, par. 30-15.10 and new par. 30-15.10c)

Amends the Higher Education Student Assistance Law in The School Code. Provides for discharging the recipient of a guaranteed student loan from the obligation to repay up to 50% of the loan based on the recipient's completion of an undergraduate math or science program and ensuing employment as a math or science teacher in secondary schools.

FISCAL NOTE (State Scholarship Commission)

Based on FY 1988 data about cumulative loan indebtedness and number of seniors, and the number of undergraduate education degrees awarded, we project that in FY 1988, there were approximately 300 students who had GSL loans and graduated from college with a cumulative loan debt of \$7,000. It's also important to note that schools reported math and science education majors are increasing as the demand has become greater. Similarly, the promise of scholarships and loan forgiveness has and could be expected to inflate these figures.

(Ch. 120, par. 1200, formerly par. 1214, and par. 1201)

Amends the Mobile Home Local Services Tax Act. Excepts from the definition of "mobile home" structures resting on piers (instead of with wheels, tongue and hitch removed) and connected to water and sewerage facilities or a well and septic system; also excepts structures attached to another structure so that the resulting structure may no longer be legally transported on wheels. Effective January 1, 1990, and applies to tax years beginning after December 31, 1989.

FISCAL NOTE (Dept. of Revenue)

Both the mobile home local services tax and the property tax are local funding sources, and as a result, SB 201 would not affect State revenues.

FISCAL NOTE, AS AMENDED (Dept. of Revenue)

The Department does not have available information about the amount of mobile home sales. As a result, we cannot determine the fiscal impact of this bill. However, it would result in reduced revenues to the State.

(Ch. 122, pars. 10-22.6, 24-24, 26-12 and 34-19; new par. 34-19.01)

Amends The School Code. Limits expulsion of 16 year old and younger students. Requires school districts to establish an in-school suspension program, and to designate a school for the attendance of pupils whose chronic misbehavior is so outrageous as to negate mere suspension. Establishes in-school suspension and disciplinary attendance center assignment procedures, prescribes general staff and program requirements. Provides that parents or guardians of pupils who receive disciplinary attendance center assignments shall participate in meetings with school officials, social workers and counselors. Provides that certain minors whose parents or guardians fail to attend such meetings shall be deemed neglected minors.

STATE MANDATES ACT MAY REQUIRE REIMBURSEMENT TO LOCAL GOV'TS.**FISCAL NOTE (State Board of Education)**

Estimated staff costs for in-school suspensions are: Chicago \$809,720 and downstate \$2,777,600.

FISCAL NOTE (State Board of Education)

This estimate does not account for the fact that some current suspensions may already be in-house suspensions and therefore not result in additional cost. The State Board of Education does not have access to the type of suspensions being used by districts and is unable to estimate this factor. The estimated fiscal impact does not include any costs associated with related services which may be provided during suspensions.

¹ Fiscal Note Act may be applicable.

Deletes reference to: Ch. 122, par. 10-22.6

Adds provision for in-school suspensions and assignment to an intensive supervision attendance center for students under 16 years of age when such students exhibit a chronic, severe disciplinary problem and disruptive behavior. Creates the Plastic Container Tax Act. Imposes a tax of 5¢ on the initial sale in Illinois of certain nonbiodegradable plastic containers, to be administered by the Dept. of Revenue, with proceeds deposited into the Solid Waste Management Fund. Exempts certain medical containers.

FISCAL NOTE (Dept. of Revenue)
Because the Dept. has no information on the number of plastic containers sold in Illinois, it is unable to provide an accurate estimate of the fiscal impact of SB-630. However, given the administrative complexity of the bill and fact that it creates a new tax, the Dept. estimates that the cost of administration will be \$3.4 million.

STATE MANDATES ACT MAY REQUIRE REIMBURSEMENT TO LOCAL GOV'TS.**STATE MANDATES ACT FISCAL NOTE**

In the opinion of DCCA, SB-896 creates a tax exemption mandate for which reimbursement is normally required. However, due to a statutory exception, no reimbursement of the revenue loss to units of local government is required. SB-896 causes an annual revenue loss for local governments which could be as much as \$22.5 million, depending upon certain conditions.

SB 896 would have no impact on State revenues. However, local

STATE MANDATES ACT MAY REQUIRE REIMBURSEMENT TO LOCAL GOV'TS.**STATE MANDATES ACT FISCAL NOTE**

In the opinion of DCCA, SB 906 constitutes a retirement benefit mandate for which reimbursement of the increased cost to a unit of local government is required. However, it should be noted that if the Genreal Assembly finds that the provisions of SB 906 are being made at the request of a unit of local government, and this is explicitly stated in the bill, no reimbursement is required. The estimated annual cost is \$2,846,538.

Amends the Public Utilities Act to create Article XV to provide for the Investor Owned Tollroad Utility Law. Allows the utility to use right-of-way properties for conveyance of pipelines and railroads, either directly or by subcontract and to acquire, use, operate and dispose of personal property. Provides for a project trust fund and State subscription of stock through tax revenues.

FISCAL NOTE (Commerce Commission)

Based on modest expectations of 1 or 2 applications a year for a toll road utility, a section of at least 5-7 professionals in various disciplines would be required at an estimated annual personal services cost of \$250,000 - \$350,000 to the ICC. In addition, the bill would possibly require the ICC to contract with engineering, architectural, and other professional firms for services rendered. The cost of such contracts is not known at this time, but is likely to be high.

Deletes reference to: Ch. 111 2/3, new pars. 15-110 and 15-114

Deletes from the Act the Project Trust Fund and State Subscription the exemptions from real property taxation and the provision whereby State police patrol the tollroad utility in relation to preserving the public peace and protection of persons and property and criminal enforcement. Amends the Higher Education Student Assistance Law within The School Code. Requires the Illinois Student Assistance Commission to award incentive grants to minority male education students on condition they teach 2 years in Illinois schools after graduation.

SB-1704 JACOBS.

(Ch. 24, new par. 10-3-12; Ch. 127 1/2, new par. 37.13e; Ch. 144, new par. 28d; and Ch. 85, new par. 2208.14)

Amends the Municipal Code, Fire Protection District Act, and University of Illinois Act. Allows firemen to have leave for work hours devoted to duties as an elected State officer of a statewide labor organization, provided that a replacement is found. Preempts home rule. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

STATE MANDATES ACT FISCAL NOTE

In the opinion of DCCA, SB-1704 constitutes a personnel mandate for which reimbursement of any increased cost to a local government would normally be required. However, SB-1704 amends the State Mandates Act to relieve the State of reimbursement liability. Due to the nature of the bill, the amount of cost created by SB-1704, if any, cannot be determined.

SENATE AMENDMENT NO. 1.

Defines "statewide labor organization" and "elected State officer". Requires that the replacement firefighter be qualified to perform the absent firefighter's duties. Limits leave to 20 shifts per year for 4 of the 9 elected state officers. Limits homerule preemption to leaves relating to performance of labor organization duties.

HOUSE AMENDMENT NO. 1.

Adds reference to: (Ch. 78, pars. 4.1 and 33.1)

Adds language prohibiting an employer from discharging, threatening, intimidating or coercing an employee because of the employee's jury service, and provides that an employer who violates these provisions is liable for damages, a civil penalty and attorney's fees, and may be enjoined from further violations. Provides that an employee who is improperly discharged may be reinstated and that his seniority and benefits shall be restored when his is reinstated.

HOUSE AMENDMENT NO. 2.

Removes provisions permitting "other appropriate relief" and civil penalties against an employer who violates the Act. Restores language providing that no employer shall be obligated to compensate an employee for time take off for jury duty.

HOUSE AMENDMENT NO. 3.
