(Ch. 34, new par. 5-1071.1)

Amends the Counties Code to authorize counties to regulate vicious dogs by ordinance. Effective immediately.

HOUSE AMENDMENT NO. 1.

Provides that a "vicious dog" is an individual dog. Provides that regulation may not be in a manner that is specific as to breed.

HOUSE AMENDMENT NO. 2.

Adds reference to: (Ch. 8, par. 365)

<sup>1</sup> Fiscal Note Act may be applicable.

Deletes everything. Amends the Counties Code to provide that counties may regulate vicious and dangerous dogs in accordance with the Animal Control Act. Amends the Animal Control Act to require vicious dogs to be kept in an enclosure (rather than in an enclosure or on a run line), to provide for an investigation and written declaration to declare a dog to be a vicious dog, to provide that vicious dogs may not be classified in a manner that is specific as to breed, to allow for destruction of a vicious dog more than 7 days after an impoundment order that is not appealed, to allow inspection of the enclosure before a vicious dog is released, and to allow restitution to an owner when the court finds a dog is not a vicious dog.

**FISCAL NOTE, As Amended (Dept. of Agriculture)**

Since counties generally administer their own dog control programs, the Dept. of Agriculture's only expense would be for investigations and administrative hearings in those few counties that do not have an animal control program. Since we do not know the number of such cases, the costs will be minimal.

**GOVERNOR MESSAGE**

Recommends deletion of the provision allowing restitution to an owner when a court finds a dog is not a vicious dog.
