(Ch. 122, par. 18-8)

Amends the School Code. In the State aid formula provisions governing distributions based on the Chapter 1 weighting factor applicable in a school district with an ADA of at least 50,000, requires the district plan for meeting the educational needs of disadvantaged children to be submitted by July 15 (instead of December 1) of each year, requires State Board action on the plan within 60 (instead of 30) days, and provides for district amendment of approved plans pursuant to State Board rules.

**HOUSE AMENDMENT NO. 1.**

Requires the Chicago school district to submit by December 1 of each year a separate report of its Chapter 1 expenditures for the prior year together with any modifications to its current expenditure plan for meeting the educational needs of disadvantaged children. Requires the district to take remedial or corrective action in the current or following year if it is determined that the district has used State aid provided by application of the Chapter 1 weighting factor to supplant rather than supplement noncategorical and other required categorical funding, or if it is determined that the district has contravened the required distribution of previously non-targeted State aid so provided by adjustments in the amount of other funds appropriated by the district for attendance centers. Provides for withholding of affected funds if the district fails to report or provide notice of remedial or corrective action in a timely manner.

**HOUSE AMENDMENT NO. 2. (House recedes June 30, 1991)**

For the 1991-92 school year, keeps the required allocation and use of targeted assistance provided for Chicago attendance centers under the State aid formula (by application of the Chapter 1 weighting factor) at the 1990-91 school year level and pushes back the remainder of the phase in applicable to the allocation and use of such assistance by one year. Authorizes the use of .2% of that portion of State aid provided by application of the Chapter 1 weighting factor for inservice training for local school councils and members. Authorizes reappropriation by the district for general purposes during fiscal year 1992 of Chapter 1 funds that were allocated to, but not expended by an attendance center during the 1990-91 school year. Effective July 1, 1991.

(Ch. 122, pars. 3A-1, 6-2 and 18-8, new pars. 6-22 and 6-23; Ch. 127, new par. 141.299)

<sup>1</sup> Fiscal Note Act may be applicable.

Amends The School Code and the State Finance Act. Authorizes an educational service region income tax, subject to prior referendum and a maximum rate of .5%. Provides for collection of the tax by the Department of Revenue and for payment of the tax into the Statewide Educational Service Region Income Tax Fund pending distribution of the tax to school districts within the educational service region on a per capita allocation basis. Limits use of the funds so received by school districts to capital improvement purposes, subject to backdoor or front door referendum, depending upon the amount of capital improvement expenditure involved; and provides for use of such funds for debt service or operations and maintenance purposes if the funds are not used for capital improvements. If the funds are used for operations and maintenance purposes, requires a corresponding abatement in the district's tax levy for such purpose. Excludes consideration of the abatement in computing the district's operating tax rate for State aid formula purposes. Effective immediately.

**SENATE AMENDMENT NO. 1.**

Adds reference to: (Ch. 122, new pars. 34-64.1 and 34-64.2)

Deletes the provisions exempting the educational service region income tax from withholding requirements. Within multicounty educational service regions, provides for the levy of the tax only on a county by county basis rather than within the multicounty educational service region as a whole. In the Cook County educational service region provides for the levy of the educational service region income tax separately, within that part of the region excluding Chicago and within the City of Chicago.

#### **SB-0497 LUFT AND FAWELL.**

(Ch. 120, pars. 439.3-5, 439.33-5, 439.103-5, and 441-5)

Amends the State occupation and use tax Acts. Provides for an exemption from tax under the Acts if any portion (now, all) of the proceeds of a mandatory service charge on a customer's bill for purchase and consumption of food and beverages is turned over to employees who would have received tips if no service charge was imposed on those proceeds.

#### **FISCAL NOTE (Dept. of Revenue)**

The Department of Revenue believes SB 497 goes beyond the scope of existing law in exempting service charges from a customer's bill. Therefore, SB 497 could have a considerable negative impact on State and local sales tax revenues.

#### **SENATE AMENDMENT NO. 1.**

Deletes substantive provisions of the bill. Provides for an exemption from tax under the State use and occupation tax Acts to the extent that proceeds of a mandatory service charge on bills for food or beverages are turned over as tips to the employees who would have received tips had there been no service charge.

#### **FISCAL NOTE (Dept. of Revenue)**

Senate Bill 497 would have a negative impact on State and local sales tax revenues.

#### **HOUSE AMENDMENT NO. 2. (House recedes July 18, 1991)**

Makes a stylistic change.

#### **CONFERENCE COMMITTEE REPORT NO. 1.**

Recommends that the House recede from H-am 2.

Recommends that the bill be amended as follows:

Deletes reference to: (Ch. 120, pars. 439.3-5, 439.33-5, 439.103-5, and 441-5)

Adds reference to: (Ch. 24, pars. 8-3-13 and 8-3-14; Ch. 85, pars. 1222, 1223, 1224, 1225, 1227, 1228, 1229, 1230; 1230.1, 1233, 1233.1, 1243.1, 1244, 1245, and 6019 and new par. 1233.2; Ch. 110, pars. 7-102 and 7-103; Ch. 120, pars. 439.9, 439.39, 439.109, and 442; Ch. 127, new pars. 141.299 and 144.25f)

Deletes everything. Amends the Metropolitan Pier and Exposition Authority Act and various other Acts with respect to the expansion of facilities by the Metropolitan Pier and Exposition Authority.

(Ch. 122, par. 10-17)

Amends the School Code. Changes the limits of the categories for the statement of financial affairs for certificated personnel showing annual fiscal year gross payments.

**HOUSE AMENDMENT NO. 1. (House recedes October 24, 1991)**

Adds reference to: (Ch. 122, par. 3-15.14)

Further amends the School Code. Provides that, at meetings of the board of control of joint educational cooperatives that are open to the public, members of the public and employees of the cooperative (the policy of which is set by the board of control) may comment or ask questions of the board. Provides that, if the board's meeting is during the school day, the president of the affected bargaining units or his designee shall be allowed to attend the meeting without loss of pay or benefits.

**FISCAL NOTE, AS AMENDED (State Board of Education)**

If bargaining unit presidents or designees are allowed to attend meetings without loss of pay or benefits and the meetings are held during the day, a substitute teacher may be required for the day or portion of the day that the meeting is held. This would require that the cooperative incur an additional cost of \$50-60 per day. However, as the cooperative board and/or director can choose whether to meet at night or during the day, the cooperative need not incur any additional cost.

**HOUSE AMENDMENT NO. 2. (House recedes October 24, 1991)**

Includes subcommittee meetings of the board of control that are open to the public among the meetings at which comment and questions from the public and employees of the cooperative are permitted and at which attendance without loss of pay or benefits by the president of affected bargaining units is permitted.

**CONFERENCE COMMITTEE REPORT NO. 1.**

Recommends that the House recede from H-ams 1 and 2.

Recommends that the bill be amended as follows:

Amends the Pension Code to rewrite and restructure Article 13, pertaining to the Metropolitan Water Reclamation District. Makes many substantive and administrative changes. Effective January 1, 1992.

**STATE MANDATES ACT MAY REQUIRE REIMBURSEMENT TO LOCAL GOV'TS.**

**PENSION IMPACT NOTE**

This bill may have a fairly significant financial impact on the system due to the increased early retirement benefit provisions and the extension of the optional benefit provisions.

**STATE MANDATES ACT FISCAL NOTE**

<sup>4</sup>In the opinion of DCCA, SB 777 constitutes a retirement benefit mandate for which reimbursement of the increased cost to a unit of local government is required. No estimate of the amount of reimbursement required is available, but it could be substantial.

**PENSION NOTE, CORRECTED**

Due to the extension of the optional benefit provisions:

Increase in accrued liability	\$12,000,000
Increase in total annual cost	\$ 1,565,000
Increase in total annual cost as % of payroll	1.82%

**STATE MANDATES ACT FISCAL NOTE**

In the opinion of DCCA, SB-777 constitutes a retirement benefit mandate for which reimbursement of the increased cost to a unit of local government is required. The estimated annual cost of reimbursement is \$1,565,000, plus some additional relatively minor costs. However, if the G.A. finds that the provisions of SB-777 accommodate a request of the unit of local government affected, and this finding is explicitly stated in the bill, no reimbursement is required.

(New Act)

Creates the Fund Education First Act. Requires that appropriations from general funds for educational programs for each fiscal year shall be at least equal to the sum of: (1) 50% of total new general funds available for spending from certain sources during that fiscal year, plus (2) the total amount appropriated from general funds for educational programs during the preceding fiscal year, subject to certain limitations and exceptions. Effective immediately.

**HOUSE AMENDMENT NO. 1.**

Adds reference to: (Ch. 122, new par. 18-1.1; Ch. 144, new par. 188.1)

Makes the changes proposed by the bill as introduced a goal rather than a mandated minimum funding formula. Also adds provisions amending the School Code and the Board of Higher Education Act. Subject to a hold harmless funding limitation, provides for a minimum funding level for elementary, secondary and higher education premised on a budgeting and appropriation formula that is based on anticipated general funds revenues and the ratio between educational and total general funds appropriations during the preceding fiscal year.

**FISCAL NOTE, AS AMENDED (State Board of Education)**

HB-19, as amended, does not require the G.A. to appropriate a specific amount over the prior year's appropriation. If the legislation had been in effect for FY92 budgeting, the Governor would have been required to submit a budget that was nearly \$300 million more. The G.A. would have been required to appropriate \$300 million more than it is currently considering.

**FISCAL NOTE (Board of Higher Education)**

HB-19 would require FY92 appropriations for higher education to equal \$1,827.6 M, an increase of \$172.2 M over FY91. The Gov's. budget for higher education is equal to FY91 appropriations. Therefore, the additional cost of HB-19 is \$172.2 M.

Amends the School Code. Beginning July 1, 1993 requires all paper and paper products then or thereafter purchased or used by any school board or public school or attendance center, or sold in any school supply store operated by or within any such school or attendance center to contain recycled materials. **STATE MANDATES ACT MAY REQUIRE REIMBURSEMENT TO LOCAL GOV'TS.

Provides that the rules and regulations adopted by the State Board of Education in coordination with the Depts. of Central Management Services and Energy and Natural Resources are to be those which the State Board deems necessary to assist school districts in carrying out (rather than those which the State Board deems necessary to carry out and enforce) the recycled paper and paper products provisions.

 (Ch. 23, par. 5005)

Amends the Children and Family Services Act. Requires the Department of Children and Family Services to provide certain documents upon placement of a child. Makes other technical changes.

**FISCAL NOTE (DCFS)**

Providing these documents is current practice of the Dept. when the child is placed by the Dept. However, normally a copy of the birth certificate is used rather than a "certified" one. If a copy is not permitted, there would be a cost of \$3 each for approximately 10,700 birth certificates each year. Total cost would be \$32,100.00.

**SENATE AMENDMENT NO. 1.**

Provides that documentation shall be provided within 8 working days of an emergency placement. Requires the Department of Children and Family Services to notify all the schools involved when a child is placed in a foster home or institution.

Amends the Abused and Neglected Child Reporting Act, the Children and Family Services Act, and the Juvenile Court Act. Requires the Department of Children

<sup>1</sup> Fiscal Note Act may be applicable.

and Family Services to provide services to children and families to prevent the placement of children in substitute care, and to reunite children with their families, when the need for placement or continued separation could be cured or obviated by the provision of suitable permanent housing to the child and family. Authorizes the court to order the Department to provide such services in proceedings concerning alleged neglected, abused or dependent minors.

**FISCAL NOTE (Dept. of Public Aid)**

The number of families who will apply is unknown, but as an example, for every 100 families that do apply, the estimated fiscal impact for a 12-month period will be \$728,400. The proposed language does not state that an applicant/family must be a recipient of public assistance to be eligible. Unless this condition is included, the fiscal impact to the Department could become enormous.

**FISCAL NOTE (DCFS)**

At estimated costs of \$600 per month per family (for 1200 families), plus \$300 one time expense (700 families), less foster care (120 kids), total estimated cost is \$8,428,080.

**HOUSE AMENDMENT NO. 2.**

Deletes reference to: (Ch. 23, pars. 2058.2 and 5005; Ch. 37, new par. 802-11.1)

Removes all changes to the Abused and Neglected Child Reporting Act and the Children and Family Services Act. Make various changes regarding the provision of services to families by the Department and the court. Prohibits a court from ordering the Department of Children and Family Services to provide or perform any services that are not otherwise required by law or court decree.

**FISCAL NOTE (Dept. of Public Aid)**

There is no fiscal impact from HB-318, as amended.

**SENATE AMENDMENT NO. 1.**
