Amends the Abused and Neglected Child Reporting Act, the Children and Family Services Act, and the Juvenile Court Act. Requires the Department of Children and Family Services to provide services to children and families to prevent the placement of children in substitute care, and to reunite children with their families, when the need for placement or continued separation could be cured or obviated by the provision of suitable permanent housing to the child and family. Authorizes the court to order the Department to provide services in proceedings concerning alleged neglected, abused, or dependent minors.

FISCAL NOTE (Dept. of Public Aid)

The number of families who will apply is unknown, but as an example, for every 100 families that do apply, the estimated fiscal impact for a 12-month period will be \$728,400. The proposed language does not state that an applicant/family must be a recipient of public assistance to be eligible. Unless this condition is included, the fiscal impact to the Department could become enormous.

HB-0410 ROTELLO - HARTKE.

(Ch. 139, pars. 39.26 and 121)

Amends the Township Law of 1874. For townships whose annual appropriations, exclusive of road funds, are \$200,000 or more, requires that an annual audit of township funds be made within 6 months (now, 30 days) after the close of each fiscal year. Requires that a copy of a township's annual audit be filed with the county clerk within 7 months (now, 90 days) after the end of the township fiscal year. For townships whose annual appropriations, exclusive of road funds, are less than \$200,000, provides that audits by an appointed independent auditing committee do not fulfill the obligation of the town electors to order an audit at the annual town meeting. Makes grammatical changes.

Provides that an employer or other payor shall pay withheld support on the same day the employee or other obligor is paid (instead of within 10 days of the date the employee or other obligor is paid). Provides that the employer shall pay \$100 to the obligee for each week (or fraction thereof) that the obligee or public office is paid after the obligor is paid.

HOUSE AMENDMENT NO. 1.

Changes penalty from \$100 per week to \$100 per day.

HOUSE AMENDMENT NO. 2.

Provides that an amount withheld by a payor shall be considered paid on the date it is mailed by the payor or on the date that delivery or an electronic funds transfer has been initiated by the payor.

SENATE AMENDMENT NO. 1.

Imposes the penalty if a payor knowingly fails to pay a withheld amount within 3 business days after income is paid to the obligor (rather than if a payor fails to pay a withheld amount on the same date income is paid to the obligor). Creates a presumption that a failure to pay is knowing if it occurs on more than one occasion. Provides that a civil action to collect the penalty may be brought against the payor "in favor of the obligee".

(Ch. 23, par. 2053)

Amends the Abused and Neglected Child Reporting Act. Defines an abused child as one who is exposed to drugs from birth to 5 years of age. HB-0586 PRESTON AND HOFFMAN, M.

(Ch. 23, par. 2053)

Amends the Abused and Neglected Child Reporting Act. Provides that although a child is not considered abused or neglected solely because the parent or other responsible person depends upon prayer alone for the care or cure of a disease the Department of Children and Family Services can still investigate instances of reported abuse or neglect. Also provides that a court can order medical treatment for a child whose parent depends upon prayer alone for the care and treatment of a disease. Makes technical corrections.

HOUSE AMENDMENT NO. 1.

(New Act)

Creates the Aborted or Miscarried Fetus Disposition Act. Effective immediately.

HOUSE AMENDMENT NO. 1.

Provides for the disposition of remains of fetuses by cremation or burial or, if not possible, as directed by the Director of Public Health.

STATE MANDATES ACT FISCAL NOTE, AS AMENDED

In the opinion of DCCA, HB-612, as amended by H-am 1, constitutes a service mandate for which reimbursement of 50% to 100% of increased costs to a unit of local government is required.

No estimate of the amount of reimbursement, if any, that might be required is available.

FISCAL NOTE (Dept. of Public Health)

Costs would be incurred by either facilities, persons seeking abortion procedures or persons having a miscarriage as a result of passage of this legislation. Because of ambiguity in this legislation, it would be impossible for the Dept. to estimate the costs to those entities.

(Ch. 127, par. 133b11)

Amends the State Property Control Act. Requires the Director of Central Management Services, upon receiving a request from a municipality under 5,000, to transfer to the municipality a surplus State motor vehicle for use by the municipality for a period of not more than 2 years. FISCAL NOTE (CMS)

State Surplus Property relies on the proceeds from the sales and the sales and actions of these vehicles for up to 50% or \$503,400 of their operating budget. The surplus property program would be operationally-defunct within one year to 18 months since the vehicles would not be available for resale. All other state agencies would also feel the fiscal impact of this bill since they rely on the services of the State Surplus Property Section to provide them with office furniture, computer equipment, etc.

HB-1024 OBRZUT - GIGLIO - BLACK.

(Ch. 122, par. 106-4.1)

Amends the Public Community College Act. Replaces the provision which authorizes waiver of out-of-district or out-of-state tuition for a student who is employed by an entity within the district and enrolled in a course provided under contract between the employing entity and the community college, with a provision authorizing a waiver of that tuition for a student who is employed at least 35 hours per week by an entity located in the district.

FISCAL NOTE (Ill. Community College Board)
 Since the language is permissive and the type of applicants and dollar amounts may vary from college to college, ICCB cannot project a fiscal impact. The applicants would still be paying at least in-district tuition, so fiscal impact would probably be minimal.

SENATE AMENDMENT NO. 1.

Provides for waiver of out-of-district or out-of-state tuition for students who either are employed at least 35 hours per week by an entity in the district or who are enrolled in a course provided under a contract for services between the employing entity and the community college.

Amends the Environmental Protection Act to require new regional hazardous waste facilities to undergo local siting review by every municipality (other than Chicago) located within 5 miles of the proposed site. Effective immediately.

HOUSE AMENDMENT NO. 1.

Provides an absolute right for any person to attend and be heard at any hearing of the Pollution Control Board on a regulatory or permit matter.

FISCAL NOTE (EPA)

The siting provision would result in additional siting hearings before units of local government as well as the Pollution Control Board. However, in many cases, the costs of such hearings are borne by the developer of the proposed facility, in the form of siting application fees. Therefore, the fiscal impact at the local level would be minimal. To the extent that this proposal would result in additional appeals to the Pollution Control Board, hearing costs would increase. To the extent that hearing costs are recovered from the parties to the appeal, the net impact to the State would be reduced.

HB-1297 HICKS - CURRAN - WOOLARD - BRUNSVOLD - PHELPS.

(Ch. 127, par. 141)

Amends the State Finance Act to provide that money remaining in special funds in the State treasury at the end of the State fiscal year be transferred to the General Revenue Fund, unless otherwise provided by law.

FISCAL NOTE (State Comptroller)

The fiscal impact of HB 1297 cannot be reliably determined.

FISCAL NOTE (Dept. of Public Aid)

HB-1297 would have a negative impact on the Domestic Violence Shelter and Services Fund, the Assistance to the Homeless Fund, the Social Service Block Grant Fund, and the Local Initiative Fund.

FISCAL NOTE, REVISED (Dept. of Public Aid)

HB-1297 would affect the Domestic Violence Shelter and Services Fund, the Immigration Reform and Control Fund, and the Local Initiative Fund.

¹ Fiscal Note Act may be applicable.

FISCAL NOTE (Dept. of Alcoholism and Substance Abuse)
Mandating a year-end close-out for Juvenile Drug Abuse Fund would result in a reduction in services totaling \$154,195 due to insufficient receipts collected. Other impact would be to limit cash available to pay numerous grantee agencies. Receipts into the Youth Alcohol and Substance Abuse Fund are expected to be made in August causing some delay in making awards and dispersing funds. Close-out of the first 2 years under the Drunk and Drugged Driving Prevention Fund resulted in \$275,076 being transferred back into GRF, thus limiting the Dept's. ability to fund services in FY91.

FISCAL NOTE (Dept. of Rehabilitation Services)
If HB-1297 is enacted, the Dept. will be deprived of approximately \$1,000,000 to \$1,750,000 in spending authority. Loss of uncommitted/unexpended funds at the end of a FY will result in not being able to meet planned financial obligations for the entire fiscal year and a loss of federal matching funds between \$4 and \$7 million.

FISCAL NOTE (DENR)
HB 1297 would negatively impact several funds of the Dept.
FISCAL NOTE (Dept. of Financial Institutions)
If HB 1297 were applied to the State Pension Fund and the Credit Union Fund, the Dept. would suffer severe cash flow deficiencies which would bring operations to a standstill; abandoned property now held in perpetuity by the State for its rightful owners would instead be used to fund general State operations; any fee credits owed to credit unions would be eliminated.

FISCAL NOTE (Dept. of Professional Regulation)
The Dept. expects total balances from all funds it oversees to be spent down by an estimated \$1.7 to \$2 million by the close of FY91. Any reduction of fund balances would directly affect the Dept's. ability to fund programs in future years. Loss of any part of balances would force GRF in future years to maintain the programs.

FISCAL NOTE (Dept. of Public Health)
If remaining amounts had been transferred to GRF at the end of FY90, there would have been a loss of \$7 million.

HOUSE AMENDMENT NO. 1.

Deletes substantive changes and replaces with a stylistic change.

FISCAL NOTE (DENR)
Fiscal impact as of 6/30/91 to the Dept. from HB 1297 would include: \$7.4 million - Solid Waste Management Fund
\$1 million - Public Utility Fund
\$900,000 - Horse Racing Tax Allocation Fund
\$700,000 - Used Tire Management Fund
\$460,000 - Build IL Bond Fund
\$100,000 - Build IL Purposes Fund
\$331,000 - Exxon Oil Overcharge Fund
\$215,000 - Hazardous Waste Research Fund
\$928,000 - IL Industrial Coal Fund
\$756,000 - Natural Resources Information Fund
\$86,000 - Solid Waste Management Revolving Loan Funds

Several clean coal projects could be cancelled since they are funded from the Coal Development Fund (from bond sales).

FISCAL NOTE (DCMS)
If all revolving fund balances were to be transferred to GRF each year, an appropriation would be needed for approximately \$20 million in seed money, plus funds for outstanding liabilities. HB-1297 would negatively impact the Deferred Compensation Plan Fund.

SENATE AMENDMENT NO. 1.

Deletes reference to: Ch. 127, par. 141

Adds reference to: New Act, Ch. 1, par. 1107; Ch. 127, new par. 141.299

SENATE AMENDMENT NO. 2. (Tabled June 25, 1991)

Deletes reference to: Ch. 127, new par. 141.299

Adds reference to: Ch. 127, par. 63b13.27 and 148-1

Amends the State Finance Act and the Civil Administrative Code. Requires DCMS to establish an Office of State Travel Management and appoint a Director of that Office to coordinate travel by State officers and employees. Provides for oversight by the Governor's Travel Control Board. Requires the Office to report to the Governor and the General Assembly by January 1, 1993. Deletes language creating the Bond Board Fund.

HB-1321 STEPAN - JONES,SHIRLEY - FLOWERS - WHITE AND JONES,LOU.
(Ch. 40, par. 510)

Amends the Marriage and Dissolution of Marriage Act. With respect to a substantial change in circumstances that must be shown to support modification of maintenance or support, provides that there is a rebuttable presumption of such a change upon a showing that at least 3 years have elapsed since the last support order was entered and the income of the obligor has changed so that application of the support guidelines would result in higher or lower support payments than previously ordered. Allows either party (rather than just the obligor) to show that previous payment amounts remain justified.

FISCAL NOTE (Dept. of Public Aid)

¹ Fiscal Note Act may be applicable.

³ Fiscal Note Act and Pension System Impact Note Act may be applicable.

Loss of federal matching funds to IV-A due to non-compliance could be \$4-\$8 M (1%-2% 1st year), \$12-20M (2%-3% 2nd year) and \$24-\$40 M (3%-5% 3rd year). Approximately \$40 million would be lost for IV-D administrative expenditures.

HOUSE AMENDMENT NO. 1.

Deletes provisions creating a rebuttable presumption. Provides that, with respect to modification of a child support, it shall not be necessary to show a substantial change of circumstances if (1) at least 3 years have elapsed since the last order for support was entered, and application of the support guidelines specified in Section 505 results in higher or lower support payments than previously ordered; or (2) a child covered by the support order is to be named as a beneficiary of a health insurance plan that is available to the party ordered to pay support through an employer or other group coverage.

FISCAL NOTE, AS AMENDED (Dept. of Public Aid)
 Costs for implementing HB-1321 will be absorbed within current resources. The review and modification of Child Support orders has the potential to incrementally increase collections by \$4 million annually. The Dept. also estimates an additional \$.5 million in IDPA Medical savings should be attained during FY92 from the establishment of Medical Support orders.

SENATE AMENDMENT NO. 1.

Deletes provision that would have waived the need to show a substantial change in circumstances for the modification of a child support order if 3 years had elapsed since the last order for support had been entered and the statutory guidelines would establish amounts different than the amounts specified in the last order.

A \$100,000 FY92 approp. would be required for initial organization and operations of the FCA. This amount is considered a loan; FCA would be responsible for repayment within 3 years.

FISCAL NOTE, AS AMENDED (DCMS)

 PUBLIC ACT 87-0755 Effective date 92-01-01

HB-1565 HICKS - GRANBERG.

(Ch. 23, par. 5-5.2)

Amends the Public Aid Code. Provides that as a matter of State policy the Department of Public Aid shall utilize a uniform payment cycle for long-term care providers. Requires IDPA to establish a payment cycle on a calendar month basis for long-term care providers by July 1, 1991. Effective immediately.

FISCAL NOTE (Dept. of Public Aid)

This bill would shift \$15.1 million in Long Term Care payments from FY'92 to FY'93. The first provision, which would require equal treatment of all Long Term Care (LTC) provider types, would have no fiscal impact to the Department. The second provision, which would establish a one cycle billing system, would have a one-time cashflow impact on the Department. This impact will change as payment cycles change. The total cost for systems changes would be approximately \$57,000.

GOVERNOR'S MESSAGE

Recommends that the Department of Public Aid shall establish uniform billing cycles (rather than payment cycles) for certain long-term care providers. Provides that the cycles shall be established by July 1, 1992 (instead of July 1, 1991).

Creates the Hydroelectric Power Utilization Act and amends the Public Utilities Act. Provides that electric utilities shall purchase electricity generated by limited producers of electricity at the municipal wholesale rate. Defines terms. Effective immediately.

HOUSE AMENDMENT NO. 1.

Changes the definition of "municipal wholesale rate" to the average price paid by a municipality for electricity for its own use, excluding street lighting and pumping service. Changes the definition of "limited producer" by restricting it to a hydroelectric facility and providing that the development rights may be held jointly by municipalities and others. Removes from the definition of "municipality" the limitation that it shall have received certain hydroelectric development rights. Provides that amounts paid by an electric utility to a limited producer for hydroelectric power shall be deemed prudently incurred costs passed to consumers as cost of fuel or purchased power adjustments.

HOUSE AMENDMENT NO. 2.

Adds reference to: (Ch. 96 1/2, new par. 8203.1))

Adds requirement that limited producers pay 10% of their gross revenues to the Department of Energy and Natural Resources for deposit into the Coal Technology Development Assistance Fund. Amends the Illinois Coal Technology Development Assistance Act to reflect the additional deposits. Provides that electric utilities shall use power generated by limited producers to displace power generated by using nuclear fuel and non-Illinois coal before displacing power generated by using Illinois coal.

HOUSE AMENDMENT NO. 3.

Provides that the term "municipal wholesale rate" means the total of general service charges typically applicable under an electric utility's filed rate sheets in the municipality where a limited producer is located.

SENATE AMENDMENT NO. 1.

Requires purchase of output from limited producers by electric utilities that can directly interconnect with the limited producer. HB-2012 DANIELS - WELLER - COWLISHAW - HASARA.

(Ch. 122, new par. 14-8.04)

Amends the School Code. Provides that secondary schools offering special education services and facilities shall include as part of their special education programs, a supported employment component for eligible handicapped children, 16 years of age or older, who elect to participate. Requires the State Board of Education, in consultation with the Departments of Central Management Services and Rehabilitation Services, to design and develop the supported employment services to be offered by school boards, and provides that such services shall coordinate with supported employee programs administered under the Supported Employees Act.

STATE MANDATES ACT MAY REQUIRE REIMBURSEMENT TO LOCAL GOV'TS.
HOUSE AMENDMENT NO. 1.

Provides that the supported employment component of special education programs shall include job experiences in integrated community settings. Includes

¹ Fiscal Note Act may be applicable.

Project CHOICES, parents and advocates of children with disabilities among those to be consulted by the State Board of Education in designing and developing supported employment services.

STATE MANDATES FISCAL NOTE, AS AMENDED (State Board of Ed.)

Assuming that all 36,000 eligible students elected to participate and the average caseload was 10, 3,600 job coaches would be required. With an average salary of \$20,000, the estimated cost of this legislation would be \$72 million. This is the maximum probable cost as a number of eligible students would not elect to participate.

HOUSE AMENDMENT NO. 3.

Restates and revises the substantive provisions of the bill as amended with respect to supported employment components that secondary schools which provide special education services and facilities are to include, as part of preparing the transition planning for disabled children 16 years of age or older, for eligible handicapped children who elect to participate.

SENATE AMENDMENT NO. 1.

Provides that the transition planning for disabled children 16 years of age or older shall include consideration of a supported employment component for those eligible handicapped children who are determined at an IEP meeting to be in need of the supported employment services that are offered (rather than for those eligible handicapped children who elect to participate in these services). Revises provisions relating to programs that the State Board of Education may consult with in designing and developing supported employment services for school boards.

Amends the Open Meetings Act. Restates the Act's policy, redefines "public body" to include corporate outgrowths and restates the topics that a public body may discuss in a closed meeting. Prohibits final action at a public body's closed meeting. Requires a 3/5, rather than majority, vote of a public body's quorum to close a meeting. Requires meetings to be accessible. Requires posting of an agenda 24 hours before a public body's regular meeting. Requires public bodies to tape record all closed meetings. Subjects minutes of a closed meeting to public inspection upon the public body's failure to review its need for confidentiality. Permits initiation of civil action for violation of the Act within 90, rather than 45, days of the closed meeting. Permits the court to fine each participant in an illegal closed meeting up to \$500.

HOUSE AMENDMENT NO. 1.

Deletes reference to: (Ch. 102, par. 41.02)

Replaces everything after the enacting clause with changes in the Open Meetings Act similar to the original bill but removes corporate outgrowth from the definition of public body. Removes certain disclosure requirements provided by the bill when closing meetings. Restores the Act's majority vote requirement to close a meeting. Requires a public body to certify that it has reviewed the need to maintain its closed minutes, rather than subjecting closed minutes to public inspection upon the body's failure to review. Restores the 45 day period after discovery of a violation by which a State's Attorney may initiate action. Grants to a member of a public body that held an illegal closed meeting the defense that the member objected to the meeting.

HOUSE AMENDMENT NO. 2.

In the list of topics for which meetings may be closed, includes performance and removal of public officers over whom the public body is given removal power, certain evidence presented in closed hearings to a quasi-adjudicative body, the recruitment of hospital professionals, and matters classified as confidential by the State Employees Suggestion Award Board. Removes requirement that a public body tape record its closed meetings. Eliminates requirement that the public body unanimously vote to certify the necessity of maintaining the confidentiality of closed meeting minutes. Requires that the fine for participation in an illegal closed meeting be imposed only for knowing participation and be deposited in the county's general fund.

(New Act)

Creates the Long Term Care Reimbursement Rate Act. Provides for the appointment by the Governor of a 9-member board to determine the rates at which nursing home care providers shall be reimbursed for services to recipients of medical assistance under the Illinois Public Aid Code.

FISCAL NOTE (Dept. of Public Aid)

This legislation could have a significant fiscal impact to the Department's long term care appropriations. If this board is comprised of any representative from the long term care industry, LTC rates would certainly increase which would cause IDPA to incur additional liability. An accurate estimate of the cost of this legislation is not possible given the unlimited number of changes this board could make to the current rate methodology.

STATE MANDATES ACT FISCAL NOTE

In the opinion of DCCA, HB 2085 may constitute a retirement benefit mandate for which reimbursement of the increased cost to units of local government is required. No estimate of the amount of reimbursement required is available, but is not expected to be substantial.

GOVERNOR'S MESSAGE

Recommends that the specified rights and benefits of a Guard or Reserve member shall be protected "for the duration of the emergency that led to his or her being called to active duty" (instead of "during any period of active duty").

(Ch. 127, par. 161)

Amends the State Finance Act to shorten the lapse period from 90 days to 60 days. Effective January 1, 1992.

FISCAL NOTE (Dept. of Public Aid)

In the last 5 years September lapse payments have averaged \$259,694. Currently, with limited monthly spending, it is likely the Dept. will need a September lapse just to deplete the FY'91 appropriation. In the future, as in the past, various circumstances may arise that would cause the Dept. to lapse money because of the shortened lapse period proposed.

HB-2443 BRUNSVOLD - HULTGREN AND NOLAND.

(Ch. 37, par. 72.2c; Ch. 38, par. 115-1 and rep. par. 106A-2)

Revises several Acts to conform their provisions to Illinois Supreme Court decisions holding those provisions to be unconstitutional, in whole or in part. (1) Amends Section 2c of the Circuit Courts Act to eliminate provisions authorizing the election of circuit judges from an entire circuit but requiring the judge to be a resident of a particular county within the circuit. Those provisions relating to the sixth circuit were held unconstitutional in *Thies v. State Board of Elections*, 124 Ill.2d 317 (1988). The bill also eliminates those provisions relating to the nineteenth circuit because they fall clearly within the scope of what the Supreme Court held to be unconstitutional. (2) Repeals Section 106A-2 of the Code of Criminal Procedure allowing the use of videotaped testimony of a child in sexual abuse and assault prosecutions. Section 106A-2 was held unconstitutional as a violation of the right of confrontation (cross-examination) in *People v. Bastien*, 129 Ill.2d 64 (1989). (3) Amends Section 115-1 of the Code of Criminal Procedure to eliminate the provisions attempting to give the State a right to refuse to consent to a defendant's waiver of a jury trial in certain types of prosecutions. That aspect of Section 115-1 was held unconstitutional in *People ex rel. Daley v. Joyce*, 126 Ill.2d 209 (1988), on the basis that a defendant's right to a jury trial includes the right to waive a jury without the consent of the State. The bill eliminates the unconstitutional language added to Section 115-1 by P.A. 84-1428 (the basis of the Supreme Court's decision) as well as language added by P.A. 85-463 that falls clearly within the scope of what the Supreme Court held to be unconstitutional.
