The Digest is published by the Legislative Reference Bureau. It is prepared for print through the computer services of the Legislative Information System and is printed by the Legislative Printing Unit.

The format of the Digest includes synopses of bills and resolutions pending in the House of Representatives and the Senate and indices by statute reference, subject matter, and sponsor.

Provides that the Department of Commerce and Community Affairs shall implement the provisions of the Act. Provides that an insurance company that qualifies as a certified investor shall earn a vested credit against State privilege taxes equal to 100% of the investor's investment of certified capital, of which 10% may be taken in any taxable year. Provides that the aggregate amount of certified capital for which privilege tax credits shall be allowed for all certified investors shall not exceed the amount that would entitle all certified investors to take aggregate credits of \$30,000,000 per year. Amends the Illinois Insurance Code to provide that the amount of the credit earned under the Certified Capital Company Act may be deducted from a company's privilege tax liability. Effective immediately.

FISCAL NOTE (Department of Insurance)

Includes within the Act's provisions for an affiliate of a certified capital company or insurance company a person that owns, whether through rights, options, convertible interests, or otherwise, or has the power to vote 25% (now 10%) or more of the outstanding voting securities. Provides that a qualified distribution or payment for reasonable costs and expenses may not be made directly or indirectly to a certified investor. Adds

to requirements of a qualified debt instrument that the instrument must have an annualized internal rate of return (calculated using the purchase price of the qualified debt instrument, all payments of principal and interest, and all future tax credits projected to be received) not to exceed 3.5% over the then current yield of the most recently issued 10-year U.S. Treasury security. Makes other changes.

SENATE AMENDMENT NO. 4.

Repeals the Non-Support of Spouse and Children Act and creates the Non-Support Punishment Act. Lists 4 levels of failure to pay support for a spouse, ex-spouse, or child from refusal to provide support (Class A misdemeanor for first offense; Class 4 felony for second or subsequent offense), to willful failure to comply with a support order for longer than 6 months or in an amount greater than \$1,000 (Class A misdemeanor for first offense; Class 4 felony for second or subsequent offense), to leaving the State to evade paying support for over 6 months or in an amount greater than \$1,000 (Class 4 felony), to willful failure to comply with a support order for longer than one year or in an amount greater than \$3,000 (Class 4 felony). Provides for sentencing under the Unified Code of Corrections and fines of up to \$25,000. Reinserts many provisions of the Non-Support of Spouse and Children Act regarding proper procedure and payment re-

quirements and adds new provisions related to this. Amends other Acts containing a reference to the Non-Support of Spouse and Children Act to add a reference to the Non-Support Punishment Act or change the reference to the Non-Support Punishment Act as appropriate. Effective October 1, 1999.

SENATE AMENDMENT NO. 1

Makes exceptions to the application of the Act for persons whose support order was entered by default. Provides that restitution shall be ordered in an amount equal to the total unpaid support obligation as it existed at the time of sentencing and any amounts paid by the obligor shall be allocated first to current support and then to restitution ordered and then to fines imposed.

New Act

Creates the Day Labor Services Act. Provides that day labor service agencies shall post a list of all employers that are seeking day laborers and provide a detailed description of the work. Contains requirements concerning notices, meals, transportation, safety equipment, clothing, accessories, payment of wages, and other matters. Provides that day labor service agencies shall register with the Department of Labor and pay a registration fee. Provides for adoption of rules by the Department and for penalties for violations of the Act or rules. Effective January 1, 2000.

SENATE AMENDMENT NO. 1.

Provides that descriptions of work shall be provided upon request. Deletes language requiring notices to be given in specified languages, and adds language requiring the Department of Labor to recommend that day labor service agencies (in counties with a population of 500,000 or more) employ personnel who can effectively communicate information to day laborers in specified languages. Makes other changes.

SENATE AMENDMENT NO. 2.

Deletes provisions requiring a day labor service agency to post a list of all employers seeking day laborers. Inserts provisions requiring a day labor service agency to give a day laborer, upon request, a statement concerning the work to be performed, the wages offered, the destination of the person employed, the terms of transportation, and whether a meal and equipment is provided. Prohibits a day labor service agency from sending any day laborer to any place where a strike, a lockout, or other labor trouble exists without first notifying the day laborer of the conditions.

SENATE AMENDMENT NO. 3.

Deletes provisions concerning notices to day laborers. Provides that, when a day labor service agency sends one or more persons to work as day laborers, the day labor service agency shall, upon request by a day laborer, provide to the day laborer a statement containing the following items: "Name and nature of the work to be performed", "wages offered", "destination of the person employed", "terms of transportation", and whether a meal and equipment is provided, either by the day labor service or the third party employer, and the cost of the meal and equipment, if any. Provides that no day labor service agency may send any day laborer to any place where a strike, a lockout, or other labor trouble exists without first notifying the day laborer of the conditions. Provides that the Department of Labor shall recommend to day labor service agencies that those agencies employ personnel who can effectively communicate the above information to day laborers in Spanish, Polish, or any other language that is generally used in the locale of the day labor agency. In references to "temporary labor", "temporary assignment", and "temporary work", deletes the word "temporary".

HOUSE AMENDMENT NO. 1.

Provides that "day labor" does not include labor or employment of a professional or clerical nature. Eliminates criminal penalties for violations of the Act.

105 ILCS 5/18-8.05

Amends the School Code. Provides that the Available Local Resources of a grant-eligible district, as a component of the formula by which that district's general State aid is computed, shall be determined using an equalized assessed valuation of the district's taxable property that reflects the limitations placed by the Property Tax Extension Limitation Law on the growth in district property tax revenues. Effective July 1, 1999.

SENATE AMENDMENT NO. 1.

Replaces provisions concerning the calculation of the Extension Limitation Equalized Assessed Valuation of a school district. Provides instead that, for the 1999-2000 school year, the Extension Limitation Equalized Assessed Valuation of a school district shall be equal to the product of the district's 1996 Equalized Assessed Valuation and

the district's Extension Limitation Ratio and, for the 2000-2001 school year and each school year thereafter, shall be equal to the product of the last calculated Extension Limitation Equalized Assessed Valuation and the district's Extension Limitation Ratio.

SENATE AMENDMENT NO. 2.

Provides that the term "Preceding Tax Year's Tax Extension" means the product of the equalized assessed valuation utilized by the County Clerk in the Preceding Tax Year multiplied by the Operating Tax Rate instead of the limiting rate.

SENATE AMENDMENT NO. 3.

Provides that for the purposes of calculating general State aid for the 1999-2000 school year only, if a school district experienced a triennial reassessment on the equalized assessed valuation used in calculating its general State financial aid apportionment for the 1998-1999 school year, the State Board of Education shall calculate the Extension Limitation Equalized Assessed Valuation that would have been used to calculate the district's 1998-1999 general State aid. Provides that this amount shall equal the product of the equalized assessed valuation used to calculate general State aid for the 1997-1998 school year and the district's Extension Limitation Ratio. Provides that if the Extension Limitation Equalized Assessed Valuation of the school district is less than the district's equalized assessed valuation utilized in calculating the district's 1998-1999 general State aid allocation, then for purposes of calculating the district's general State aid pursuant to these provisions, that Extension Limitation Equalized Assessed Valuation shall be utilized to calculate the district's Available Local Resources. Provides that the amount of general State aid allocated to a school district for the 1999-2000 school year meeting the requirements of these provisions shall be increased by an amount equal to the general State aid that would have been received by the district for the 1998-1999 school year by utilizing the Extension Limitation Equalized Assessed Valuation less the general State aid allotted for the 1998-1999 school year. Provides that this amount shall be deemed a one time increase and shall not affect any future general State aid allocations.

Amends the State aid formula provisions of the School Code. For the 2000-2001 school year and each school year thereafter, provides that if more than 50% of the real property equalized assessed valuation for a school district is from residential property, then the real property equalized assessed valuation shall be adjusted by subtracting from the real property value as equalized or assessed by the Department of Revenue for the district a specified percentage of the residential property amount of the real property equalized assessed valuation.

SENATE AMENDMENT NO. 1.

Reduces (by 50%) the specified percentages of the residential property amount of the real property equalized assessed valuation that are subtracted from the real property value as equalized or assessed by the Department of Revenue. Requires the extension of real property taxes for a school district whose real property equalized assessed valuation has been adjusted under these provisions to be abated by the county clerk in which the school district is located by an amount that reflects the difference between the amount of State aid the school district has received during the immediately preceding calendar year and the amount of State aid the school district would have received during the immediately preceding calendar year if the district's real property equalized assessed valuation had not been adjusted as provided under these provisions.

Amends the Metropolitan Water Reclamation District Article of the Illinois Pension Code. Decreases the duty disability benefit from 75% to 50% of salary for new employees and delays payment until final adjudication of the issue of compensability under the Workers' Compensation Act or the Workers' Occupational Diseases Act. Provides for termination of both duty and ordinary disability benefits if the disabled employee (i) fails to follow medical advice, (ii) refuses to authorize the Board to examine his or her medical and hospital records, or (iii) fails to provide complete information relating to other employment. Expands application of the workers' compensation offset to benefits other than disability benefits and child and surviving spouse annuities and provides that interest shall not be considered in certain calculations. (Article XIII, Section 5 of the Illinois Constitution may prevent these benefit reductions and limitations from applying to current or former members.) Also provides for an increase in the child's annuity, the minimum retirement annuity, and the minimum surviving spouse annuity. Allows conversion of a surviving spouse's term annuity into a minimum surviving spouse annuity. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

New Act

Creates the Automated External Defibrillator Act. Provides for training, maintenance, and oversight requirements concerning automated external defibrillators. Provides that the Illinois Department of Public Health shall adopt rules concerning training requirements for the use of automated external defibrillators, maintain incident reports on automated external defibrillator use, conduct annual analyses of all related data, and adopt rules to carry out its responsibilities under the Act. Creates an exemption from civil liability for certain parties.

SENATE AMENDMENT NO. 1.

Changes the definition of “trained AED user” by including persons who have completed instruction in accordance with the standards of a nationally-recognized organization such as the American Red Cross or the American Heart Association.

SENATE AMENDMENT NO. 2.

Provides that a “physician licensed to practice medicine in all its branches”, rather than a “licensed physician” or “prescribing physician”, is considered a trained AED user and is exempt from certain civil liability. Provides that certain oversight responsibilities shall be exercised by a EMS system hospital (instead of a licensed physician). Makes other changes.

HOUSE AMENDMENT NO. 1.

Deletes language concerning exemptions from civil liability. Inserts language providing that an individual or entity providing training in the use of automated external defibrillators is not liable for civil damages resulting from acts or omissions, except for willful or wanton misconduct, involving the use of AEDs if the requirements of the Act are met.

Changes the date the new system of teacher certification is required to be implemented from July 1, 1999 to January 1, 2000. Requires the State Board of Education and the State Teacher Certification Board to establish a procedure for renewing Standard Teaching Certificates and standards for certificate renewal, and adds requirements concerning professional development activities. Requires a Standard Teaching Certificate, whose holder is employed and performing services in an Illinois public or State-operated elementary school, secondary school, or cooperative or joint agreement with a governing body or board of control in a certificated teaching position or a charter school, to be maintained Valid and Active through certificate renewal activities. Requires a Valid and Active Standard Teaching Certificate holder to develop a certificate renewal plan for satisfying continuing professional development requirements, which must be approved by a local professional development committee. Requires a local professional development committee to issue and forward recommendations for renewal or nonrenewal of Standard Teaching Certificates to the appropriate regional superintendent of schools. Requires the holders of Master Teaching Certificates to meet the same requirements and follow the same procedures as holders of Standard Teaching certificates. SENATE AMENDMENT NO. 3.

Replaces a paragraph relating to appointment of a local professional development committee.

STATE MANDATES NOTE (State Board of Education)
 Teacher Supply and Demand Report--Costs to gather and analyze data could be partially offset by funds received from certificate application fees. ... Regional Professional Development Review Committees--Cost is currently unknown. ... Institute Fund--Amounts collected would probably not be enough to defray all expenses of regional professional development review comm. and necessary technological improvements. ... Additional Powers of State Teacher Certification Board--No fiscal impact. ... Subject Endorsement on Certificates--Merging of fees into a single fund would approximate \$36,000 annually. Applicants would not experience any change in fees paid. State Treasurer would not receive approx. \$36,000 annually for deposit into GRF ... Temporary Employment Authorizations--Will allow applicants to begin employment earlier. ... Grades of Certificates--If the current 20 Master level teachers in Ill. are required to renew at 10-yr. intervals, rather than 7-yr. intervals, fiscal impact would be negligible. ... Administrative Certificates; Resident Teacher Certificates; Illinois Teacher Corps - Regionally Accredited Institutions--Reduces cost and time needed to obtain certificates for persons from accredited institutions. ... General Supervisory Endorsement--No fiscal impact. ... Substitute Certificates--No fiscal impact. ... General Certificate--No fiscal impact. ... Printing of Seal-Signature-Credentials--Approximately \$600,000 in revenues would be diverted from GRF. Fees would not be raised. ... Renewal of Certificates--Implementation costs are unknown. ... Fees Required for Registration --No fiscal impact anticipated. ... Fee for Duplicate Certificates--Approximately \$18,400 would be diverted from GRF. ... School Service Personnel Certificate--No fiscal impact. ... Board of Examiners-Certificates-Examination--No fiscal impact.

750 ILCS 5/513 from Ch. 40, par. 513

Amends provisions of the Illinois Marriage and Dissolution of Marriage Act authorizing a court to order parents to make contributions for a child's educational expenses before or after the child has attained majority. Makes provision for an accounting of the use of the funds if they are paid directly to the child or a parent. Provides that those orders shall be based on the necessary expenses associated with attending an in-State public institution and shall terminate when the child receives a baccalaureate degree or reaches age 23, whichever occurs first. Provides that support shall not be payable for any period during which the child ceases to be enrolled as a student during any period of 6 consecutive months, and that the court may deny an award of educational support if the child has repudiated the supporting parent without reasonable cause. Provides that an order shall be terminated or adjusted if the child's lifestyle is extravagant or involves excessive cost or expense and that an order shall be terminated if the child's academic performance falls below specified standards.

SENATE AMENDMENT NO. 1.

Deletes everything. Amends the Illinois Marriage and Dissolution of Marriage Act. Provides that if educational expenses are ordered payable, each parent and the child

shall sign any consents necessary for the educational institution to provide the supporting parent with access to the child's academic transcripts, records, and grade reports. Provides that the consents shall not apply to any non-academic records. Provides that failure to execute the required consent may be a basis for a modification or termination of any order entered under provisions regarding support for educational expenses. Provides that the authority under these provisions to make provision for educational expenses, except where the child is mentally or physically disabled and not otherwise emancipated, terminates when the child receives a baccalaureate degree. Adds the child's academic performance to the list of factors the court shall consider under these provisions.

 725 ILCS 5/109-1.5 new

Amends the School Code, the Juvenile Court Act of 1987, and the Code of Criminal Procedure of 1963. Requires a principal to place a student found to be knowingly in possession of a firearm in a school, on school property, or at a school-sponsored activity or event into the custody of a local law enforcement agency. Requires the law enforcement agency to sign a criminal complaint against the student. Provides that the student shall remain in custody at least until a psychological evaluation is completed. Requires the court to order the student to promptly receive a psychological evaluation to determine whether the student presents a risk to the physical safety of himself, herself, or others. If it is determined that the student presents a risk, requires the court to order that the student receive counseling and any other services to ameliorate that risk. Provides that a determination that the student presents a risk shall operate as an application for an order restraining the student from entering the property of the school from which he or she has been suspended or expelled as a result of possessing a firearm. Provides that the order restrains the student from entering the school, school property, a school-sponsored activity or event, or any location normally frequented by students of the school for the period during which the student is suspended or expelled. Effective immediately.

SENATE AMENDMENT NO. 1.

Deletes reference to:
 725 ILCS 5/109-1.5 new
 Adds reference to:
 725 ILCS 5/110-4 from Ch. 38, par. 110-4
 725 ILCS 5/110-10 from Ch. 38, par. 110-10

Deletes everything. Amends the School Code, the Juvenile Court Act of 1987, and the Code of Criminal Procedure of 1963. Requires school officials, in both public and private schools, to immediately notify a local law enforcement agency and the office of the principal in the event that they observe any person in possession of a firearm on school grounds. Provides that if the law enforcement agency determines that probable cause exists to believe that a minor committed the offense of unlawful use of weapons, the agency shall detain the minor for processing, which includes allowing the court to order a psychological evaluation and to issue a restraining order if certain conditions are met. Provides that a person is not bailable before conviction for possessing a firearm on school grounds if the court determines that the person's release would pose a

real and present threat to the physical safety of another. Provides that as a condition of a bail bond, for possessing a firearm on school grounds, a person is required to submit to a psychological evaluation and refrain from entering upon the property of the school. Makes other changes. Effective immediately.

HOUSE AMENDMENT NO. 1. (Tabled May 20, 1999)

Adds reference to:
720 ILCS 5/24-9 new
720 ILCS 5/24-9.1 new

Amends the Criminal Code of 1961. Creates the offense of unlawful storage of a firearm. Prohibits a person from negligently keeping a loaded firearm within any premises or vehicle that is under his or her control so that a child under 14 who is not supervised is likely to be able to gain access to the firearm, and the child gains access to the firearm and possesses, uses, or exhibits it either in a public place or in a negligent, suicidal, threatening, or assaultive manner. Establishes rebuttable presumptions. Penalty is a Class C misdemeanor for a first offense and a Class A misdemeanor for a second or subsequent offense. Requires a commercial seller of firearms to deliver a written warning to a purchaser of a firearm that it is unlawful, and punishable by imprisonment and a fine, for a person to store or leave a firearm in a place within the reach or easy access of a minor under 14 years of age. Penalty is a petty offense with a \$500 maximum fine.

FISCAL NOTE (State Board of Education)

Local governments and SBE should incur no increased expenditures or additional costs. SB756 does not specify who is to pay for the psychological evaluations, which would cost between \$500 - \$1,000 per student. Number of students is unknown.

225 ILCS 425/9

from Ch. 111, par. 2012

Amends the Collection Agency Act. Provides that certain agreements between a collection agency and a creditor to collect a debt shall be presumed prima facie reasonable.

FISCAL NOTE (Dept. of Professional Regulation)

There would be no measurable fiscal impact.

GOVERNOR'S AMENDATORY VETO MESSAGE

Recommends that the Department of Professional Regulation determine what constitutes a reasonable collection fee (instead of presuming that a contingency or hourly arrangement established under an agreement between a collection agency and a creditor to collect a debt is prima facie reasonable). Recommends adding language that provides that if a contingency or hourly fee arrangement (i) is established under an agreement between a collection agency and a creditor to collect a debt and (ii) is paid by a debtor pursuant to a contract between the debtor and creditor, then the fee arrangement is not in violation unless the fee is unreasonable.

Amends the State Finance Act and the Fire Protection District Act. Creates the Illinois Fire Distribution Fund. Requires fire protection districts to annually report to the Office of the State Fire Marshal the amount of funds the district realized from the tax levies during the preceding calendar year. Requires the Office of the State Fire Marshal to make grants from the Fund to fire protection districts. Effective immediately.

SENATE AMENDMENT NO. 1.

Further amends the Fire Protection District Act. Provides that grants made out of the Illinois Fire Distribution Fund by the State Fire Marshal are subject to appropriations.

FISCAL NOTE (State Fire Marshal)

FISCAL NOTE, H-AM 3 (State Fire Marshal)

Same as previous note.

HOUSE AMENDMENT NO. 3.

Further amends the Fire Protection District Act. Requires the State Comptroller and the State Treasurer to transfer an amount, not to exceed \$20,000,000, equal to the amount appropriated by the General Assembly for grants to fire protection districts under this amendatory Act from the General Revenue Fund to the Illinois Fire Distribution Fund each year (now, the State Comptroller and State Treasurer must transfer \$20,000,000 from GRF to the Illinois Fire Distribution Fund each year). Requires the State Fire Marshal to make grants out of the Illinois Fire Distribution Fund to fire protection districts in an amount not to exceed the amount transferred to the Fund each year.

Further amends the Illinois Health Facilities Planning Act. Requires the Health Facilities Planning Board to transcribe verbatim closed meetings. Requires the transcripts to be made available in certain circumstances.

STATE MANDATES NOTE, H-AM 1, 2
(Department of Commerce and Community Affairs)
This legislation does not create a State mandate under the State Mandates Act.

FISCAL NOTE, H-AM 1, 2 (Department of Public Health)
It is anticipated that SB 807 as amended will result in an estimated \$300,000 decrease in State revenues due to a reduction in the number of health care facility capital projects that will be subject to CON permit requirements. Total revenues collected from application processing fees have been averaging about \$1.9 million for the past two fiscal years. Based upon historical information, there could be a reduction in the application review and processing workload of 12% to 31% and a corresponding reduction in program revenues of 9% to 27%. Assuming a reduction in revenues of approximately \$300,000 per year, it would be necessary to reduce personal services expenses by elimination of 5-6 staff in various areas. In addition, other line item costs may need to be reduced.

STATE MANDATES NOTE, H-AM 9
(Department of Commerce and Community Affairs)
SB807 (H-am 9) creates a local government organization and structure mandate for which reimbursement of the increased costs to units of local government is not required under the State Mandates Act. An estimate of the cost to units of local government is not available.

HOUSE AMENDMENT NO. 9.

SB-1017 WEAVER,S - PHILIP.

New Act

Creates the Illinois Gaming Act. Creates a short title only.

FISCAL NOTE (Illinois Gaming Board)
 SB1017 has no fiscal impact.

FISCAL NOTE, H-AM 3 (Illinois Racing Board)
 This legislation would reduce State revenues annually by \$37.8 million. With the reduction of State revenues intended to be retained by the horse racing industry (\$21 million for purses), it is expected to generate substantial growth in wagering handle and State revenues beyond the year 2000.

HOUSING AFFORDABILITY NOTE, H-AM 3 (Housing Development Auth.)
 There will be no fiscal effect on the cost of constructing, purchasing, owning or selling a single family residence.

PENSION NOTE, H-AM 3 (Pension Laws Commission)
 Would not affect accrued liabilities or annual cost of any Ill. public pension fund or retirement system.

JUDICIAL NOTE, H-AM 3 (Administrative Office of Ill. Courts)
 No decrease or increase in number of judges needed.

FISCAL NOTE, H-AM 3 (Illinois Gaming Board)
 Estimated increase in total taxes is \$119.9 million. Of this projected increase, a net amount of \$14.6 million will be transferred to local communities and the balance of \$105.3 million will come to the State.

BALANCED BUDGET NOTE, H-AM 3 (Bureau of the Budget)
 Since this bill is not a supplemental appropriation bill, the Balanced Budget Note Act is inapplicable.

STATE DEBT NOTE, H-AM 3 (Economic and Fiscal Commission)
 SB 1017 would not affect the bonding authorization of the State, and, therefore, has no direct impact on the level of State indebtedness.

CORRECTIONAL NOTE, H-AM 3 (Dept. of Corrections)
 This legislation would have no fiscal impact or prison population impact on the Department.

FISCAL NOTE, H-AM 3 (Economic and Fiscal Commission)
Overall impact to the State is estimated to be a loss of \$14.0 million. While the EAF would increase by \$58.6 million, a combination of GRF revenue loss along with GRF commitments would total \$72.6 million. Overall impact to local governments is estimated to be \$15.9 million.

STATE MANDATES NOTE, H-AM 1,2,3
(Dept. of Commerce and Community Affairs)
Does not create a State mandate.

HOME RULE NOTE, H-AM 1,2,3
(Dept. of Commerce and Community Affairs)
Does not preempt home rule authority.

FISCAL NOTE, H-AM 5 (Illinois Gaming Board)
No change from previous Ill. Gaming Board fiscal note.

STATE DEBT NOTE, H-AM 5 (Economic and Fiscal Commission)
No change from previous State Debt Note.

CORRECTIONAL NOTE, H-AM 5 (Dept. of Corrections)
No change from previous correctional note.

STATE MANDATES NOTE, H-AM 5
(Dept. of Commerce and Community Affairs)
No change from previous mandates note.

HOME RULE NOTE, H-AM 5
(Dept. of Commerce and Community Affairs)
No change from previous home rule note.

BALANCED BUDGET NOTE, H-AM 5 (Bureau of the Budget)
No change from previous balanced budget note.

LAND CONVEYANCE NOTE (Dept. of Transportation)
SB1017, H-am 5, contains no land conveyances for the State.

 40 ILCS 5/18-133 from Ch. 108 1/2, par. 18-133

Amends the Judges Article of the Pension Code. Provides that a judge who has attained age 60 and is eligible to receive the maximum rate of annuity may elect to have his or her contributions to the System based only on the increases in salary received by the judge on or after the date of the election, rather than the total salary received; does not apply to a judge who has previously elected to stop contributing, unless the judge has revoked that election. Extends the deadline for revocation to January 1, 2000. In the provisions relating to reduction of annuity due to retirement before age 60 with fewer than 28 years of service, reduces the early retirement penalty. Effective immediately.

PENSION NOTE (Pension Laws Commission)

The SB1020 provision that reduces the early retirement reduction would increase the accrued liability of JRS by \$372,000.

The increase in total annual cost is estimated to be 0.04% of payroll, or \$39,800 in the 1st year. The annual cost would increase commensurate with payroll.

Amends the Property Tax Extension Limitation Law in the Property Tax Code concerning the computation of the amount to be extended within a county with 3,000,000 or more inhabitants. Provides that in the first year after a municipality removes property from a redevelopment project area, "recovered tax increment value" means the amount

of the current year's equalized assessed value of the removed property over and above the initial equalized assessed value of that property. Amends the Governmental Account Audit Act and amends the Tax Increment Allocation Redevelopment Act in the Illinois Municipal Code. Requires a municipality to include in its fiscal year financial report to the Comptroller and in its fiscal year report to all overlapping taxing districts the redevelopment project areas it has administered, designated, or terminated. Further amends the Tax Increment Allocation Redevelopment Act in the Illinois Municipal Code. Provides that the amendatory provisions do not apply to a municipality that has set a public hearing before the effective date of this amendatory Act, but has not approved a redevelopment plan or project. Amends the provisions concerning a county with 3,000,000 or more inhabitants that uses an estimated installment procedure for collecting the redevelopment area taxes. Provides that the conditions placed upon municipalities to receive tax revenue for redevelopment project costs are effective only for those payments made by the county on or before December 31, 1999. Provides that the county may send a liability notice and seek a refund for an erroneous overpayment of tax revenue made to the municipal treasurer. Provides that the refund shall be limited to the amount of the overpayment. Makes other changes. Effective 60 days after becoming law.

Amends the State Mandates Act to require implementation without reimbursement. Makes other changes. Changes the effective date so that the provisions take effect on the first day of the third month after becoming law.

Defines "low-income families". Provides that the municipal power to utilize tax increment financing revenues for contiguous areas is limited to redevelopment project areas that are located within a municipality with a population of more than 100,000 established before the effective date of this amendatory Act.

HOUSE AMENDMENT NO. 2.

Deletes everything. Amends the Illinois Pension Code. In the State Employee Article, increases the alternative (State Police) retirement formula. Also increases the regular retirement formula for certain employees of the Department of Corrections and the Department of Human Services. Includes within the definition of "security employee of the Department of Human Services" certain employees who work at least 50% of their working hours at a security facility, thereby making them eligible for the alternative retirement formula. Allows certain persons to

participate in the System while employed by a statewide labor organization that represents members of the System; allows those persons to purchase credit for certain prior service. Provides that employees who are employed on an academic-year basis shall receive a full year of service credit for each academic year of service. Allows a person with at least 8 years of service to retire without penalty at any age which, when added to the number of years of creditable service, equals at least 85. Changes the service requirement for a discounted annuity at age 55, from 30 years to 25. Makes a corresponding change in a provision relating to automatic annual increases. Amends the Downstate Teacher Article to make similar changes with respect to certain teachers who have credits as State employees; also removes the age 55 limitation on calculation of the initial automatic increase. Effective immediately.

FISCAL NOTE, H-AM 1 (State Retirement Systems)

SB 1047 will increase the SERS accrued liability by approximately \$492 million. The additional ongoing cost which will begin in FY 2010 is 1.3% of payroll, or approximately \$58 million.

40 ILCS 5/18-112 from Ch. 108 1/2, par. 18-112

Amends the Judges Article of the Pension Code. Allows a judge to establish credit for up to 3 years of service as a Special Assistant State's Attorney. Requires payment of employee contributions plus interest. Effective immediately.

PENSION NOTE (Pension Laws Commission)

The fiscal impact of SB 1048 cannot be determined, as the amount of service credit that would be established is unknown. There would be a fiscal impact as only employee contributions, plus interest (4%) from the date of first employment to the date of payment, are required.

30 ILCS 805/8.23 new

Amends the Cook County Article of the Pension Code. Allows a county correctional officer to establish credit for periods spent as an officer or employee of a labor organization that represents employees. Requires payment of employee and employer contributions plus interest; waives the employer contributions if application is made before July 1, 2000. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

PENSION NOTE (Pension Laws Commission)

The fiscal impact should be very minor, as only a small number of persons are likely to qualify to purchase the service credit. There would be a fiscal impact as employer contributions are not required if an application to purchase the service credit is received by the Fund between Jan. 1, 2000, and July 1, 2000.

PENSION NOTE (Pension Laws Commission)

The fiscal impact of SB 1051 cannot be calculated, as the amount of service credit that would be established with the reduced contributions is unknown. Provides that a teacher who holds a Master Certificate shall be deemed to meet State certification renewal requirements for the 7-year term of the teacher’s Master Certificate. Establishes the Illinois Teaching Excellence Program to provide categorical funding for monetary incentives and bonuses for teachers who are employed by school districts and who hold a Master Certificate.

HOUSE AMENDMENT NO. 1.

New Act

Creates the Automatic Contract Renewal Act. Provides that, if a written contract is subject to automatic renewal, the clause providing for automatic renewal must appear in the contract in at least 14-point bold type. Provides that, if a contract does not comply with the Act, the automatic renewal provisions are not enforceable by a party who prepared the contract or directed its preparation. The Act does not apply to any agreement to which the federal government, this State or another state, a unit of local government, or a school district is a party. The Act does not apply to a contract entered into before the effective date of the Act.

GOVERNOR'S AMENDATORY VETO MESSAGE

35 ILCS 505/8

from Ch. 120, par. 424

Amends the Motor Fuel Tax Law. Provides that, for administering the Illinois Commerce Commission's railroad safety program, \$1,500,000 shall be transferred to the Transportation Regulatory Fund each fiscal year through 2003 (instead of 1999) and \$750,000 shall be transferred to the Fund each fiscal year thereafter. Effective immediately.

FISCAL NOTE (Dept. of Transportation)

Fiscal impact is \$750,000 per year for 4 years or \$3 million, and would reduce the number of rail crossing projects by \$3 million from FY2000 to FY2003. This does not impact IDOT directly, but the grade crossing protection funding is a deduction for the Ill. Commerce Commission from the Motor Fuel Tax Fund.

SB-1103 MADIGAN,R - PHILIP - SHADID - BOWLES - LUECHTEFELD, WATSON AND DEMUZIO.

40 ILCS 5/1-113.5

Amends the General Provisions Article of the Pension Code. Allows a pension fund to appoint an investment adviser who is not registered under the Illinois Securities Law of 1953, if the adviser "meets any applicable requirements" of that Act. Effective immediately.

PENSION NOTE (Pension Laws Commission)

SB 1103 would have no fiscal impact on the accrued liabilities of any public pension fund or retirement system in the State.

HOUSE AMENDMENT NO. 1. (Tabled May 27, 1999)

Adds reference to:

40 ILCS 5/2-110	from Ch. 108 1/2, par. 2-110
40 ILCS 5/2-117	from Ch. 108 1/2, par. 2-117
40 ILCS 5/7-139.1	from Ch. 108 1/2, par. 7-139.1

Amends the General Assembly and IMRF Articles of the Pension Code. Until July 1, 2000, allows former members of the GA system to transfer credits from IMRF to the GA system. Allows the Attorney General to avoid paying the employer contributions on those transfers. Extends to July 1, 2000 the deadline for rescinding an election not to participate in the GA System. Effective immediately.

HOUSE AMENDMENT NO. 2. (Tabled May 27, 1999)

Adds reference to:

40 ILCS 5/7-145.1

Amends the Illinois Municipal Retirement Fund Article of the Illinois Pension Code with respect to the optional plan of additional benefits and contributions for elected county officers and their survivors. Limits application of the special formula to service in an elected county office that the participant held for at least 8 years; provides for a refund of additional contributions if service in the office lasts less than 8 years. Changes the manner of calculating the salary upon which benefits are based; uses a 4-year average final rate of earnings and applies a separate rate for each qualifying office held. Allows a county to revoke its election to allow participation in the Elected County Officer program, except with respect to current participants.

HOUSE AMENDMENT NO. 3.

Deletes reference to:

40 ILCS 5/1-113.5
 40 ILCS 5/2-110
 40 ILCS 5/2-117
 40 ILCS 5/7-139.1

Adds reference to:

40 ILCS 5/7-145.1

Deletes everything. Amends the Illinois Municipal Retirement Fund Article of the Illinois Pension Code with respect to the optional plan of additional benefits and contributions for elected county officers and their survivors. Limits application of the special formula to service in an elected county office that the participant held for at least 8 years; provides for a refund of additional contributions if service in the office lasts less than 8 years. Changes the manner of calculating the salary upon which benefits are based; uses a 4-year average final rate of earnings and applies a separate rate for each qualifying office held. Allows a county to revoke its election to allow participation in the Elected County Officer program, except with respect to current participants. Effective immediately.

PENSION NOTE, H-AM 3 (Pension Laws Commission)

The fiscal impact of SB1103, with H-am 3, cannot be calculated. Allowing counties to revoke the election to participate would reduce the future cost to counties that elect to do so. Also, several provisions of the bill may limit future costs of the program by an amount that cannot be determined.

105 ILCS 5/27A-11

Amends the Charter Schools Law in the School Code. Provides that when the State Board of Education reverses a local school board's decision to deny, revoke, or not renew a charter, the State Board, not the local school board, shall provide the funding necessary to pay the costs of the charter school from a separate appropriation. Provides that the amount of State aid paid to the school district shall not be reduced because the State Board is providing the funding, and requires that days of attendance by pupils at the charter school be accredited to and counted by the school district in which those pupils reside for purposes of determining the average daily attendance of and State aid payable to that district. Provides that the funding, services, and time of payment shall be negotiated by the State Board and charter school. Provides that the amount of funding for a charter school after the first school year of operation is based on an average daily attendance figure for the charter school instead of the number of students residing in the school district who are enrolled in the charter school. Provides that these changes apply beginning June 1, 1998. Effective immediately.

New Act

Creates the Tobacco Product Manufacturer's Escrow Act. Provides that any tobacco product manufacturer (as defined in the Master Settlement Agreement entered into by the State of Illinois and leading tobacco product manufacturers) selling cigarettes to consumers within the State of Illinois on and after the effective date of this Act shall become a "participating manufacturer" and perform its financial obligations under the Master Settlement Agreement or place certain designated sums into a qualified escrow account to be used under the Settlement Agreement. STATE DEBT NOTE, H-AM 1 (Economic and Fiscal Commission)

This legislation would not affect the bonding authorization of the State, and therefore, has no direct impact on the level of State indebtedness.

BALANCED BUDGET NOTE (Bureau of the Budget)

Since SB 1310 is not a supplemental appropriation bill, the Balanced Budget Note Act is inapplicable.

STATE MANDATES NOTE, H-AM 1

(Department of Commerce and Community Affairs)

This legislation creates a tax exemption mandate for which State reimbursement of the revenue loss to units of local government is required. Due to the nature of the bill, no

estimate of the amount of reimbursement required is available.

HOME RULE NOTE, H-AM 1

(Department of Commerce and Community Affairs)

This legislation amends specific provisions of the statutes to state that the amendments are a denial and a limitation of home rule powers to tax. Home rule units affected are: home rule counties imposing sales taxes; home rule counties imposing the public safety sales tax; home rule municipalities imposing sales taxes; and home rule municipalities, if any, which have imposed motor fuel taxes specifically under the Section of the Municipal Code relating to motor fuel taxes.

FISCAL NOTE, H-AM 1 (Department of Revenue)

An earned income tax credit will cost the State an estimated \$261 million per year. Reducing the sales tax rate on motor fuel to 1.25% will cost approximately \$335 million per year, using average pump prices for 1999. Increasing the basic exemption to \$3000 will cost the State an estimated \$322 million per year. The total fiscal impact related to the taxes and programs administered by the Department of Revenue is estimated to be almost \$1 billion. The cost of the proposed changes to the Circuit Breaker and Pharmaceutical Assistance Program are indeterminate by the Department.
