105 ILCS 5/18-8.05

Amends the School Code. Provides that the Available Local Resources of a grant-eligible district, as a component of the formula by which that district's general State aid is computed, shall be determined using an equalized assessed valuation of the district's taxable property that reflects the limitations placed by the Property Tax Extension Limitation Law on the growth in district property tax revenues. Effective July 1, 1999.

HOUSE AMENDMENT NO. 1.

Replaces provisions concerning the calculation of the Extension Limitation Equalized Assessed Valuation of a school district. Provides instead that, for the 1999-2000 school year, the Extension Limitation Equalized Assessed Valuation of a school district shall be equal to the product of the district's 1996 Equalized Assessed Valuation and the district's Extension Limitation Ratio and, for the 2000-2001 school year and each school year thereafter, shall be equal to the product of the last calculated Extension Limitation Equalized Assessed Valuation and the district's Extension Limitation Ratio.

FISCAL NOTE (State Board of Education)

Increased cost for General State Aid would be in excess of \$60 million in FY2000.

STATE MANDATES NOTE (State Board of Education)

Same as SBE fiscal note.

SENATE AMENDMENT NO. 1.

Provides that the term "Preceding Tax Year's Tax Extension" means the product of the equalized assessed valuation utilized by the County Clerk in the Preceding Tax Year multiplied by the Operating Tax Rate instead of the limiting rate. Provides that for the purposes of calculating general State aid for the 1999-2000 school year only, if a school district experienced a triennial reassessment on the equalized assessed valuation used in calculating its general State financial aid apportionment for the 1998-1999 school year, the State Board of Education shall calculate the Extension Limitation Equalized Assessed Valuation that would have been used to calculate the district's 1998-1999 general State aid. Provides that this amount shall equal the product of the equalized assessed valuation used to calculate general State aid for the 1997-1998 school year and the district's Extension Limitation Ratio. Provides that if the Extension Limitation Equalized Assessed Valuation of the school district is less than the district's equalized assessed valuation utilized in calculating the district's 1998-1999 general State aid allocation, then for purposes of calculating the district's general State aid pursuant to these provisions, that Extension Limitation Equalized Assessed Valuation shall be utilized to calculate the district's Available Local Resources. Provides that the amount of general State aid allocated to a school district for the 1999-2000 school year meeting the requirements of these provisions shall be increased by an amount equal to the general State aid that would have been received by the district for the 1998-1999 school year by utilizing the Extension Limitation Equalized Assessed Valuation less the general State aid allotted for the 1998-1999 school year. Provides that this amount shall be deemed a one time increase and shall not affect any future general State aid allocations.

CONFERENCE COMMITTEE REPORT NO. 1.

Recommends that the House concur in S-am 1.

Recommends that the bill be further amended as follows:

Increases the amount of general State aid allocated to a school district having a majority of its equalized assessed valuation in any county except Cook, DuPage, Kane, Lake, McHenry, or Will for the 1999-2000 school year if certain conditions are met.

Amends the Downstate Teacher Article of the Illinois Pension Code. Reduces the contribution required for certain persons to receive the augmented 2.2% retirement annuity rate. Changes the provision establishing the 2.3% unaugmented rate for certain persons having at least 30 years of service, to bring the provision into conformance with constitutional nonimpairment requirements. Extends the early retirement without discount option to 2005 and makes changes relating to the employer contribution under that option. Effective immediately.

PENSION NOTE (Pension Laws Commission)

Reducing the upgrade cost would increase TRS accrued liability by \$8 to \$12 million; increase in contributions would be very small. Extending the early retirement option would not increase accrued liabilities, but would cause annual State costs:

FY2000	
Statutory Phase-in	\$ 0.9 million

- 40 ILCS 5/16-133.2 from Ch. 108 1/2, par. 16-133.2

Amends the Downstate Teacher Article of the Illinois Pension Code. Reduces the contribution required for certain persons to receive the augmented 2.2% retirement annuity rate. Changes the provision establishing the 2.3% unaugmented rate for certain persons having at least 30 years of service, to bring the provision into conformance with constitutional nonimpairment requirements. Extends the early retirement without discount option to 2005 and makes changes relating to the employer contribution under that option. Effective immediately.

PENSION NOTE (Pension Laws Commission)

Reducing the upgrade cost would increase TRS accrued liability by \$8 to \$12 million; increase in contributions would be very small. Extending the early retirement option would not increase accrued liabilities, but would cause annual State costs:

FY2000	
Statutory Phase-in	\$ 0.9 million
Unramped Phase-in	\$ 7.6 million
FY2010

305 ILCS 5/4-1.6b new

Amends the Illinois Public Aid Code. Provides that the Department of Public Aid shall pay to families receiving cash assistance under the Temporary Assistance for Needy Families Article an amount equal to either two-thirds of the monthly child support collected or the amount of monthly child support collected and required to be paid to the family pursuant to administrative rule, whichever is greater. Provides that the child support passed through to a family pursuant to these provisions shall not affect the family's eligibility for assistance or decrease any amount otherwise payable as assistance to the family under the TANF program until a family's non-exempt income and child support passed through to the family equal the federal poverty level, at which point cash assistance to the family may be terminated.

HOUSE AMENDMENT NO. 1.

Deletes everything. Reinserts language similar to the bill as introduced, but provides that the child support referred to is current monthly support and provides that the point at which assistance may be terminated is when the family's gross income from employment, non-exempt unearned income, and the gross current monthly child support collected on the family's behalf equals or exceeds 3 times the payment level for the assistance unit rather than when the family's non-exempt income and the child support passed through equal the federal poverty level.

FISCAL NOTE, H-AM 1 (Department of Public Aid)

HOUSE AMENDMENT NO. 3.

40 ILCS 5/15-140.1 new

Amends the State Universities Article of the Illinois Pension Code. Provides for an additional payment to persons receiving a retirement or survivor annuity, equal to half the monthly benefit, to be paid on the December 31 next following a fiscal year in which the System's investment return is at least 190% of the prescribed rate of interest determined for that year by the Board. Effective immediately.

PENSION NOTE (Pension Laws Commission)

There is no increase in accrued liability, but there is a cost that cannot be determined from the loss of reinvestment opportunities. If these provisions had been in effect since 1970, SURS would have distributed benefits in 10 of the last 26 years (37% of the time). Distribution on December 1, 1997 would have totaled \$17.5 million, 250% of the investment return assumption.

Amends the Code of Criminal Procedure of 1963. Provides that a defendant charged with stalking or aggravated stalking may be held in custody during a continuance of a hearing on whether the defendant may be denied bail if the defendant has been previously convicted of kidnapping.

HOUSE AMENDMENT NO. 1.

Provides that the hearing provisions relating to denying bail to a defendant who is charged with stalking or aggravated stalking also apply to a defendant charged with kidnapping or aggravated kidnapping.

CORRECTIONAL NOTE (Department of Corrections)

There will be no fiscal or prison population impact.

CORRECTIONAL NOTE, H-AM 1 (Department of Corrections)

SENATE AMENDMENT NO. 1.

Deletes reference to:

725 ILCS 5/110-6.3

Adds reference to:

725 ILCS 5/111-3

from Ch. 38, par. 111-3

730 ILCS 5/5-5-3

from Ch. 38, par. 1005-5-3

730 ILCS 5/5-5-4

from Ch. 38, par. 1005-5-4

730 ILCS 5/5-8-1

from Ch. 38, par. 1005-8-1

730 ILCS 5/5-8-2

from Ch. 38, par. 1005-8-2

Deletes everything. Amends the Code of Criminal Procedure. Provides that, in all cases in which the death penalty is not a possibility, if an alleged fact (other than the

fact of a prior conviction) is not an element of an offense but is sought to be used to increase the range of penalties for the offense beyond the statutory maximum that could otherwise be imposed for the offense, the alleged fact shall be included in the charging instrument or provided to the defendant through a written notice before trial, submitted to the trier of fact as an element of the offense, and proved beyond a reasonable doubt. Provides that failure to prove the fact beyond a reasonable doubt is not a bar to a conviction for commission of the offense, but is a bar to increasing, based on that fact, the range of penalties for the offense beyond the statutory maximum that could otherwise be imposed for the offense. Provides that nothing in the new provisions requires the imposition of a sentence that increases the range of penalties for the offense beyond the statutory maximum that could otherwise be imposed for the offense if the imposition of that sentence is not required by law. Provides that a charge may be amended to make the charge comply with the new provisions. Amends the Sentencing Chapter of the Unified Code of Corrections. Provides that, if a sentence is vacated on appeal or on collateral attack due to the failure of the trier of fact at trial to determine beyond a reasonable doubt the existence of a fact (other than a prior conviction) necessary to increase the punishment for the offense beyond the statutory maximum, either the defendant may be re-sentenced to a term not to exceed the maximum or, if the State files notice of its intention to again seek the extended sentence, the defendant shall be afforded a new trial. Effective immediately.

SENATE AMENDMENT NO. 2.

Permits the State on motion prior to trial to provide written notification when it seeks an enhanced sentence.

SENATE AMENDMENT NO. 3.

Deletes the changes made by Senate Amendment 2. Provides that nothing in the speedy trial provisions of the Code of Criminal Procedure of 1963 precludes a written notification by the State if it seeks an enhanced sentence in a non-capital case for factors other than a prior conviction.

HOUSE AMENDMENT NO. 1.

New Act

Adds reference to:

625 ILCS 5/18b-112 new

Deletes everything. Amends the Illinois Vehicle Code. Provides that a person may not interchange a vehicle that is in violation of federal motor carrier safety regulations to a motor carrier or driver. Provides that an operator must be reimbursed for fines, penalties and repairs incurred pursuant to an out-of-service order under certain conditions by an equipment provider. Provides for a fine for each violation. Effective January 1, 2000.

SENATE AMENDMENT NO. 1.

Further amends the Illinois Vehicle Code in a Section dealing with intermodal trailer, chassis, and safety, by redefining "equipment provider". Provides that if certain defects are discovered, a rebuttable presumption existed that the defects were present at the time of the interchange. Provides that if the equipment provider fails to reimburse the operator within 30 days, the operator has a civil cause of action against the equipment provider.

GOVERNOR'S AMENDATORY VETO MESSAGE

Recommends that the bill be amended to provide that the operator has the duty (rather than the right) to inspect the vehicle; to provide that the operator is entitled to reimbursement for only those fines related to equipment defects specified in this Section; to eliminate language providing that the operator is entitled to reimbursement of fines and expenses relating to a citation "whether the operator is found guilty or not"; to provide that the Section is not to be applied, construed, or implemented in a manner inconsistent with or in conflict with federal safety regulations; and to change the effective date from January 1, 2000 to July 1, 2000.

ment in a succeeding fiscal year (before payment of current claims for that succeeding fiscal year) if the amount appropriated in a fiscal year is insufficient to provide for full reimbursement of all filed claims. Effective July 1, 1999.

FISCAL NOTE (State Board of Education)

With 22,089 FTE personnel claimed in FY99 at the \$8,000 level, now using 22% of average teacher salary of the prior year (median teacher salary for all teachers for 1997-98 is \$41,494) it is estimated that \$201,643,412 would be needed rather than the \$176,712,000 of FY99. Acknowledging the \$50 million in personnel reimbursement needed for noncertificated employee reimbursement, it is estimated an additional \$23 million over the FY99 prorated level is needed. The FY2000 projection for full funding for all 6 special education line items (extraordinary, orphanage, personnel reimbursement, private tuition, summer school and transportation) as of December, 1998 is estimated at \$863,100,000.

Provides for a voluntary check-off system to permit taxpayers to designate \$5 of their income taxes to be used for that purpose. Contains other provisions. Effective January 1, 2000.

FISCAL NOTE (State Board of Elections)

It is estimated that approximately \$150,000 (hiring of additional staff, hearing officers and court reporters) will be needed by the State Board of Elections to implement the requirements of HB 1776, as introduced. However, the presence of several variables presents difficulties in developing a firm

assessment of costs. Items such as the number of candidates participating, the number of complaints filed, the number of investigations conducted and the number of audits required will affect the initial and long-range costs.

FISCAL NOTE, H-AM 1, 2 (State Board of Elections)

Same as previous note.

FISCAL NOTE, H-AM 1,2,3 (State Board of Elections)

Same as previous notes.

JUDICIAL NOTE, H-AM 1,2 (Administrative Office of Ill. Courts)

This legislation would neither increase or decrease the number of judges needed in the State.

FISCAL NOTE, H-AM 1,2,3,4 (State Board of Elections)

Same as previous fiscal notes.

HOUSE AMENDMENT NO. 2.

Provides that the Clean Election Act is repealed on June 30, 2007.

HOUSE AMENDMENT NO. 3.

For the Offices of Comptroller and Treasurer, changes the limit on qualifying contributions to \$50,000 and the limit on expenditures to \$300,000 per primary cycle and \$800,000 per election cycle.

HOUSE AMENDMENT NO. 4.

Allows candidates for the offices of Governor, Lieutenant Governor, Attorney General, Secretary of State, Treasurer, and Comptroller to receive qualified contributions of \$1,000 or less from individuals, corporations, and political committees (now, the contributions may be received from individuals and political committees). Allows candidates receiving matching funds to accept contributions from individuals, corporations, and political committees as long as the contributions are within the limits of the Act (now, candidates receiving matching funds may accept contributions from individuals and political committees). Provides that the report of the State Board of Elections to the General Assembly must set forth, among other things, the aggregate amount of contributions of \$1,000 or less (now, \$250 or less) received by the candidates and their principal campaign committees. Allows taxpayers to contribute to the Clean Election Fund through a voluntary check-off (now, taxpayers may contribute \$5 to the Clean Election Fund through the check-off).

Amends the Illinois Procurement Code. - 40 ILCS 5/7-174 from Ch. 108 1/2, par. 7-174
- 30 ILCS 805/8.23 new

Amends the Illinois Municipal Retirement Fund Article of the Pension Code. Provides for the payment of an annuity to the surviving spouse of a former employee who, on the date of death, meets the service requirements but not the age requirements for receiving a retirement annuity. Changes a provision relating to the calculation of employer contributions. Adds a second annuitant member to the Board and gives both annuitant trustees the right to vote on Board business. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

PENSION NOTE (Pension Laws Commission)

The only cost item in HB 2366 is granting a surviving spouse annuity to the surviving spouses of inactive members who meet service but not necessarily age requirements. It is estimated HB 2366 would increase the annual cost of IMRF employers by 0.5% of payroll for regular members and 0.12% of payroll for SLEP employees. This is an average cost for all employers and would vary among individual IMRF employers. Changing the amortization period from 32 to 30 years in 2006 would increase annual employer contributions but would not affect accrued liabilities.

HB-2492 MEYER – FEIGENHOLTZ – KOSEL – CURRIE – TENHOUSE, MC-GUIRE, CROTTY, REITZ AND MATHIAS.

New Act

Creates the Accessible Housing Demonstration Grant Program Act. Provides that the Illinois Housing Development Authority shall establish a demonstration grant program to provide grants to builders who build "spec homes" meeting certain accessibility standards for disabled persons. Creates the Task Force on Housing Accessibility which shall provide recommendations to builders regarding the types of accommodations needed in new housing stock for disabled persons including provisions on how to build homes that will retain their resale and aesthetic value. Effective immediately.

HOUSE AMENDMENT NO. 1.

Provides that the program shall be established subject to appropriation. Provides that the goal of the program shall be that at least 10% of all new spec homes within a development participating in the demonstration grant program meet the accessibility standards rather than that at least 10% of all new spec homes meet the accessibility standards. Provides that there shall be 7 rather than 5 members on the Task Force with the 2 additional members to be the executive vice president of the Illinois Association of Realtors or his or her designee and the executive vice president of the Home Builders Association of Illinois or his or her designee. Provides that the architect on the Task Force must have expertise and experience in designing accessible housing for persons with disabilities. In provisions that the recommendations by the Task Force shall include but not be limited to provisions on how to build homes that will retain their resale and aesthetic value, removes the "shall include but not be limited to" provision.

Replaces certain provisions concerning the use of moneys credited to the account of this State in the Unemployment Trust Fund under Section 903 of the Social Security Act with provisions allowing the use of those moneys as authorized by Section 903. Provides that, upon request, the Department of Employment Security may give a person (or his or her agent) a statement of benefits paid to the person during the 18-month period preceding the request. Provides that, in the case of a classification sanctioned by the United States Department of Labor and prescribed by the Director of Employment Security by rule, the contribution rate of each employer under that classification shall be the average contribution rate for that classification, and the contribution rates of certain employers under that classification are subject to specified limits. In provisions allowing the transfer of the experience rating record attributable to a distinct severable portion of an employing unit to a successor employing unit under specified circumstances, eliminates a requirement that the successor employing unit file reports giving notice of the transfer within 120 days of the transfer. Some provisions are effective immediately.
