HOUSE AMENDMENT NO. 1.

Adds reference to:
30 ILCS 805/8.25 new

Deletes everything. Creates the Fire Department Promotion Act. Requires municipal fire departments and fire departments operated by a fire protection district to make promotions in accordance with the Act. Requires the preparation and publishing of promotion lists. Sets components that may be included in the promotion process. Sets requirements for written examinations, the award of seniority points, the award of ascertained merit points, subjective evaluations, and the award of veterans' preferences. Sets penalties for violations of the Act. Preempts home rule. Contains other provisions. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

STATE MANDATES NOTE, H-AM 1

(Department of Commerce and Community Affairs)
In the opinion of DCCA, HB 1689 (H-am 1) creates a personnel mandate for which reimbursement of 100% of the increased costs to units of local government is required under the State Mandates Act. An estimate of the increased costs to units of local government is not available at this time. However, HB 1689 (H-am 1) amends the State Mandates Act to require implementation of its provisions without reimbursement.

HOME RULE NOTE, H-AM 1

(Department of Commerce and Community Affairs)
HB 1689 (H-am 1) contains language stating that a home rule or non-home rule municipality may not administer its fire department promotion process in a manner that is inconsistent with the Fire Department Promotion Act. This is a limitation on the concurrent exercise by home rule units of the powers and functions exercised by the State. Therefore, in the opinion of DCCA, HB 1689 (H-am 1) pre-empts home rule authority.

 Affairs (DCCA), HB 1704 does not meet the definition of a State mandate under the State Mandates Act.

Amends the School Code. For grades 6 though 8, requires a public school to include in its curriculum a science lab that uses microscopes, scales, and scientific weights.

FISCAL NOTE (State Board of Education)

It is unclear how many schools currently provide a curriculum that meets this requirement. The State Board currently has a Scientific Literacy Program that provides grants for such equipment and certainly schools have substantial resources in general state aid, the ADA Block Grant and other programs to provide such equipment.

30 ILCS 805/8.25 new

Amends the Cook County Article of the Illinois Pension Code to provide that pensions calculated under the special formula for members of the county police department shall be based on (1) the average salary for the highest 12 months (rather than 4 years) within the last 10 years of service or (2) salary on the last day of service as a member of the county police department, whichever is greater. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

PENSION NOTE (Pension Laws Commission)

HB 1724 would increase the accrued liability of the Cook County Employees' Fund by an estimated \$9.9 million. The annual payment needed to amortize the estimated increase in unfunded liability over 40 years is \$0.8 million. The estimated annual increase in normal cost is \$0.3 million. Therefore, the estimated increase in total annual cost is \$1.1 million, or 0.11% of payroll. Annual costs will increase commensurate with payroll.

Deletes everything after the enacting clause. Provides that State officials or agencies must provide payment for goods and services, out of funds appropriated for that purpose, within 60 days after receipt of a proper bill or invoice (now, after approval), and provides for penalty interest if payment is not issued (now, made or mailed) within that time frame. Defines the term "a proper bill or invoice". Provides that unless otherwise provided by rule of the State Comptroller or the Department of Central Management Services, each agency has 21 days to review each bill or invoice and notify the vendor of any billing defect. Provides that the vendor must correct the defect within 5 business days after receipt of the notice, and extends the time payment is due if correction is not made within the 5-day period. Makes other changes.

SENATE AMENDMENT NO. 1.

Removes the requirement that a State agency review a bill or invoice within 21 days after receiving it and that the agency notify the vendor of a defect in the bill or invoice within 21 days after receiving it. Removes the schedule for the vendor's submission of a corrected bill or invoice. Provides that a State agency must review each bill or invoice in a timely manner and notify the vendor of a defect as soon as possible after discovering the defect. Makes the bill effective immediately for the purpose of promulgating rules for its implementation and effective July 1, 2002 for all other purposes.

605 ILCS 5/4-508.1 from Ch. 121, par. 4-508.1

Amends the Illinois Highway Code. Provides that when the Department of Transportation conveys to the Illinois State Toll Highway Authority an interest in land, rights or other property acquired in connection with a federal-aid project that ceases to exist, the Department must receive compensation equal to the fair market value of the interest conveyed (instead of no compensation), to be deposited into the Road Fund.

- STATE DEBT NOTE (Economic and Fiscal Commission)
HB 1738 would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.
- FISCAL NOTE (Illinois State Toll Highway Authority)
It is the understanding of the Authority that the cost of properties acquired by IDOT associated with potential Tollway Authority projects is \$51 million. Until these parcels have been appraised for their current fair market value, there is no way of determining the true fiscal impact of HB 1738.
- FISCAL NOTE (Department of Transportation)
The Department paid a total of \$51 million for the parcels remaining to be transferred to the Toll Highway Authority. It can be assumed that the current fair market value will likely be greater than \$51 million, but until appraisals are completed the fair market value is indeterminate.

40 ILCS 5/17-119	from Ch. 108 1/2, par. 17-119
30 ILCS 805/8.25 new	

Amends the Downstate and Chicago Teacher Articles of the Illinois Pension Code. Allows retirement without discount at any age which, when added to the number of years of the member's total creditable service, equals at least 85. In the Chicago Teacher Article, makes the initial annual increase in retirement annuity begin to accrue from the date of retirement rather than the 61st birthday. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

PENSION NOTE (Pension Laws Commission)

According to TRS, HB 1739 would increase the accrued liability of TRS by an estimated \$1.0 billion. The estimated increase in FY 2002 total annual costs is \$2.5 million, or 0.10% of payroll. From 2010 through 2045, it is estimated the required employer contribution would increase from 17.20% to 19.48%, or 2.28% of payroll. This percentage of payroll amounts to increased employer contributions of \$193.9 million in FY 2010, and will grow commensurate with payroll. According to the Commission's actuary, HB 1739 would increase the accrued liability of CTRS by \$117.9 million, and the annual cost by 0.66% of payroll. As the employer (the Chicago Board of Education) is not required to contribute to the Fund when the funded ratio is above 90%, no additional employer contributions would be required for several years. The Chicago Teachers' Pension Fund currently has a funded ratio of 96.7%, and the ratio is expected to stay above 90% until FY 2018.

New Act

5 ILCS 80/4.22 new

30 ILCS 105/5.545 new

Creates the Home Inspector Licensing Act. Requires a person to possess a home inspector's license in order to inspect a home, advertise or hold himself or herself out as a home inspector, provide inspection reports, or advise a homeowner with regard to a home inspection. Creates criminal penalties for violation of this Act. Sets out guidelines for application and renewal of a Home Inspector's license. Requires licensure of home inspection education providers and approval of courses. Creates the Home Inspector Administration Fund. Creates a Home Inspector Advisory Board. Amends the Regulatory Sunset Act and the State Finance Act. Effective immediately.

FISCAL NOTE (Office of Banks and Real Estate)

Projected costs associated with the new licensing program for FY03 are \$201,838, and for FY04 are \$213,533. Licensing would start effective 1/1/03. An estimated 1,000 home inspectors would be licensed. A separate fund would be established. Start-up funding would come from a transfer of \$150,000 from the Real Estate License Administration Fund on 7/1/02 with payback in succeeding years. There would be a one-time establishment fee of \$150 per each new license. Licenses would be for 2-year terms with a fee of \$250 per year.

HOME RULE NOTE (Dept. of Commerce & Community Affairs)

HB1805 contains language stating that pursuant to Article VII, Section 6, subsection (h) of the Illinois Constitution of 1970, any power or function set forth by the Home Inspector Licensing Act is an exclusive State power or function and shall not be exercised concurrently, either directly or indirectly, by any unit of local government. Therefore, in the opinion of DCCA, HB1805 pre-empts home rule authority.

HOUSE AMENDMENT NO. 1.

Redefines "home inspection" and "residential real property". Defines "person". Changes the list of persons exempted from the licensure requirements of the Act. Requires an entity to obtain a license if it acts as or uses the title of home inspector. Provides that a person who practiced as a home inspector prior to the effective date of this Act may take the examination without having successfully completed the required classroom hours provided that he or she meets the list of requirements. Adds to the grounds for disciplinary action. Provides for the renewal of home inspector licenses for entities. Makes other changes.

40 ILCS 5/16-133.3	from Ch. 108 1/2, par. 16-133.3
40 ILCS 15/1.6 new	

Amends the State Employee and Downstate Teacher Articles of the Illinois Pension Code. Provides an early retirement incentive program for certain State employees with at least 8 years of membership service. Requires the Pension Laws Commission to report on the net savings or cost of the program. Requires the State to fund the program through separate contributions made in fiscal years 2004 through 2010. Amends the State Pension Funds Continuing Appropriation Act to guarantee those contributions through continuing appropriations. Amends the State Finance Act to restrict personal service contracts with these early retirees. Requires the lump sum payment for unused vacation and sick leave to be separate from the final payment of salary and requires the use of specified withholding rates. Provides that a lump sum payment payable to a person who terminates State service during June of 2002 or 2003 may be paid during the lapse period from either the expiring appropriation or the appropriation for the next fis-

cal year. Provides that in fiscal year 2004 the General Assembly shall not fund the vacated positions at more than 85% of the rate of compensation payable at the time of retirement. Effective immediately.

PENSION NOTE (Pension Laws Commission)
 Assuming 7,392 members (approximately 35% of those eligible) retire early, it is estimated the accrued liability of SERS would increase by \$611.5 million. Required employee contributions are expected to total \$41.6 million. Therefore, the increase in accrued liability the State would be required to amortize is estimated to be \$569.9 million. HB1849 requires the State to contribute \$90 million to SERS and \$1 million to TRS in FY03 to amortize the increase in accrued liability, and requires the remainder of the accrued liability to be amortized in 6 equal installments, beginning in FY04. The Commission's actuary estimates annual payments to be \$105.4 million.

40 ILCS 5/14-110 from Ch. 108 1/2, par. 14-110

Amends the State Employee Article of the Illinois Pension Code. In the provisions granting alternative formula credit for service as an inspector with law enforcement powers under Section 4 of the Narcotic Control Division Abolition Act, expands the provisions to include service during the years 1991 through 1995 by an inspector with law enforcement powers under that Section who was employed by the Department of Public Aid rather than the Department of State Police. Requires the person to pay to the System before retirement an amount equal to the difference between the employee contributions actually paid for that service and the amounts that would have been contributed if the applicant had contributed at the rate then applicable to persons with the same social security status earning eligible creditable service, plus regular interest. Effective immediately.

PENSION NOTE (Pension Laws Commission)
 The fiscal impact of HB 1850 is expected to be very small as only one individual is affected.

HB-1865 REITZ.

65 ILCS 5/7-1-1

from Ch. 24, par. 7-1-1

Amends the Illinois Municipal Code. In provisions setting forth the conditions for annexation of property to a municipality that is separated from the municipality by a forest preserve district (except in counties with a population of more than 500,000 but less than 3,000,000), deletes provision that the property may be annexed only if the annexing municipality can show that the forest preserve district creates an artificial barrier preventing the annexation and that the location of the forest preserve district property prevents the orderly natural growth of the annexing municipality. Deletes provision that the deleted text is declaratory of existing law and shall not be construed as a new enactment.

115 ILCS 5/4.5 rep.

Amends the Illinois Educational Labor Relations Act. Repeals provisions added by Public Act 89-15 that establish prohibited subjects of collective bargaining between an educational employer whose territorial boundaries are coterminous with those of a city having a population in excess of 500,000 and an exclusive representative of the employees of that educational employer. Also eliminates language added by that Public Act that prohibits educational employees employed by the Chicago school district from engaging in strikes for an 18-month period beginning on the effective date of that Public Act and that prohibits payment of compensation to employees participating in a prohibited strike. Effective immediately.

FISCAL NOTE

(Illinois Educational Labor Relations Board)

The fiscal impact of this bill is speculative, but not anticipated to be substantial based on prior experience with Section 4.5 of the Act per the Chairman of the Illinois Educational Labor Relations Board. However, if enacted into law resulting in any increase in workload, IELRB will require additional resources to timely process the resulting cases.

FISCAL NOTE (State Board of Education)

This bill has no fiscal impact. If enacted, it will likely result in higher costs for Chicago School District #299, since items now prohibited from collective bargaining will be placed back on the negotiating table and anti-strike provisions are repealed.

HB-1898 BUGIELSKI – BURKE – CAPPARELLI.

40 ILCS 5/5-168 from Ch. 108 1/2, par. 5-168

Amends the Chicago Police Article of the Illinois Pension Code to increase the multiplier used to calculate the maximum allowable pension tax, from 2.00 to 2.26. Effective immediately.

PENSION NOTE (Pension Laws Commission)

HB1898 would significantly increase the annual employer contributions to the Fund. In FY 1999, the City of Chicago made employer contributions of approximately \$125.1 million, using a property tax multiplier of 2.00. If a property tax multiplier of 2.26 had been in effect that year, the employer contributions generated by the tax levy would have totaled approximately \$141.4 million.

Creates the Parental Notice of Abortion Act of 2001 and amends the Medical Practice Act of 1987. Provides that a person may not knowingly perform an abortion on a minor or on an incompetent person unless 48 hours notice has been given to an adult family member of the minor or incompetent person. Provides for exceptions to the notice requirement, and provides a procedure for obtaining a judicial waiver of the notice requirement. Requires a minor's consent to an abortion, except in the case of a medical emergency. Requires the Department of Public Health to make certain reports. Provides for disciplinary action against a physician who willfully fails to provide the required notice before performing an abortion on a minor or on an incompetent person. Provides

that the unauthorized signing of a waiver of notice or the unlawful disclosure of confidential information is a Class C misdemeanor. Repeals the Parental Notice of Abortion Act of 1995 and rerepeals the Illinois Abortion Parental Consent Act of 1977 and the Parental Notice of Abortion Act of 1983. Effective immediately.

CORRECTIONAL NOTE (Department of Corrections)

There would be no fiscal or corrections population impact.

JUDICIAL NOTE (Administrative Office of the Illinois Courts)

The bill would neither increase nor decrease the number of judges needed in the State.

STATE DEBT NOTE (Economic and Fiscal Commission)

HB 1900 would not change the amount of authorization for any type of State-issued or State-supported bond, and therefore, would not affect the level of State indebtedness.

STATE DEBT NOTE, H-AM 4 (Economic and Fiscal Commission)

Same as previous note.

FISCAL NOTE (Department of Commerce and Community Affairs)

HB 1900 will not incur a fiscal impact on DCCA. According to information provided by Cook County Hospital, the legislation would incur administrative costs to report data to the Department of Public Health. Furthermore, additional costs would be incurred in providing notice to a parent or guardian regarding an abortion. The amount of the fiscal impact on Cook County Hospital cannot be determined at this time. It should be noted that other local government-administered hospitals could also incur additional costs under HB 1900 if abortions are made available at their facilities.

STATE MANDATES NOTE (Dept. of Commerce and Community Affairs)

In the opinion of DCCA, HB 1900 creates a local government organization and structure mandate for which reimbursement is not required, and a service mandate for which 50% to 100% of the increased costs to units of local government is required.

An estimate of the increased costs to local governments is not available.

HOUSE AMENDMENT NO. 4.

Deletes all references to incompetent persons. Adds a grandparent, sibling, step-sibling, aunt, or uncle to the list of persons who are "adult family members". Provides for notice to clergy as an alternative to an adult family member.

BALANCED BUDGET NOTE (Bureau of Budget)

Since HB 1900 is not a supplemental appropriation bill, the Balanced Budget Note Act is inapplicable.

SENATE AMENDMENT NO. 1.

Replaces everything with the provisions of HB1900 as introduced. Creates the Parental Notice of Abortion Act of 2001 and amends the Medical Practice Act of 1987. Provides that a person may not knowingly perform an abortion on a minor or on an incompetent person unless 48 hours notice has been given to a parent, step-parent, or legal guardian of the minor or incompetent person. Provides for exceptions to the notice requirement, and provides a procedure for obtaining a judicial waiver of the notice requirement. Requires a minor's consent to an abortion, except in the case of a medical emergency. Requires the Department of Public Health to make certain reports. Provides for disciplinary action against a physician who willfully fails to provide the required notice before performing an abortion on a minor or on an incompetent person. Provides that the unauthorized signing of a waiver of notice or the unlawful disclosure of confidential information is a Class C misdemeanor. Repeals the Parental Notice of Abortion Act of 1995 and rerepeals the Illinois Abortion Parental Consent Act of 1977 and the Parental Notice of Abortion Act of 1983. Effective immediately.

Creates the Clean Election Act and amends the Illinois Income Tax Act and the State Finance Act. Limits amounts of contributions that may be made to candidates for the Offices of Governor and Lieutenant Governor. Requires candidates to maintain an election fund bank account. Provides that qualified candidates may receive matching funds from the State. Creates the Clean Election Fund and provides for the deposit of certain moneys into that Fund. Requires certain reports to be filed with the State Board of Elections. Requires the State Board of Elections to audit campaign accounts. Allows the Board to investigate violations of the Act. Sets penalties for violations of the Act. Provides that the Act is repealed on June 30, 2009. Provides for a voluntary check-off system to permit taxpayers to designate \$5 of their income taxes to be used for that purpose. Contains other provisions. Effective immediately.

FISCAL NOTE (State Board of Elections)

It is estimated that approximately \$150,000 for new hires will be needed by the Board to implement HB 1913. Several variables present difficulties in developing a firm assessment of costs. Items such as the number of candidates participating, the number of complaints filed, the number of investigations conducted and the number of audits required will affect initial and long-range costs.

HB-1916 SOTO – DELGADO.

40 ILCS 5/17-149 rep.
 30 ILCS 805/8.25 new

Amends the Chicago Teachers Article of the Illinois Pension Code. Repeals the Section providing for the cancellation of the pension of a retired teacher who is re-employed as a teacher for more than 100 days per year. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

PENSION NOTE (Pension Laws Commission)

According to the Fund’s actuary, the fiscal impact of HB 1916 is estimated to be minimal, as the number of pensioners who have the annuity suspended by working more than 100 days is small. HB 1916 allows retirees to teach full time without having the retirement annuity suspended.

HB-1927 DELGADO - MCKEON - FEIGENHOLTZ - BASSI - COWLISHAW, MCCARTHY, SOTO AND ERWIN.

105 ILCS 5/2-3.25g from Ch. 122, par. 2-3.25g

Amends the School Code. Makes changes concerning the waiver or modification of School Code mandates and State Board of Education rules. Requires a copy of the published notice of a public hearing concerning a school district's application for a waiver or modification to be included with the district's waiver or modification request. Requires the Board to disapprove a request under certain circumstances. Changes the dates before which the Board must file reports with the General Assembly. Reduces the period of time an approved waiver or modification from a physical education mandate may remain in effect and adds requirements for renewal of the waiver or modification, with the period of time and requirements for renewal depending on the reason the waiver was requested. Effective immediately.

HOUSE AMENDMENT NO. 1.

Requires a school district making application for a waiver from or modification to a physical education mandate to provide baseline data in the application to show how

well its students are meeting State learning standards in physical development and health. Makes changes to the period of time the waiver or modification may remain in effect and the requirements for renewal of the waiver or modification.

FISCAL NOTE (State Board of Education)

HB 1927 amends the way that waivers or modifications of law may be provided, particularly with regard to the daily physical education requirement. It does not increase costs but may affect savings that districts seek from existing legal mandates education requirement. It does not increase costs but may affect savings that districts seek from existing legal mandates.

To the extent it makes such cost savings more difficult to get approved, it could have a negative fiscal impact on a district.

It is too speculative to predict which school districts may seek waivers and which may be for the purpose of cost savings.

FISCAL NOTE, H-AM 1 (State Board of Education)

The one specific cost imposed by HB 1927, with H-am 1, is the requirement to provide baseline data on how well students meet the State learning standards in physical development and health. The cost of an assessment tool to provide such data is likely to be minimal, less than \$1,000 per district.

STATE MANDATES NOTE, H-AM 1 (State Board of Education)

Same as SBE fiscal note, with H-am 1.

HOUSE AMENDMENT NO. 2.

Increases the period of time certain physical education mandate waivers and modifications are effective.

HB-1970 MOORE – ACEVEDO – MENDOZA – O'CONNOR, DELGADO, MULLIGAN AND BRADLEY.

815 ILCS 505/2N from Ch. 121 1/2, par. 262N

Amends the Consumer Fraud and Deceptive Business Practices Act. Replaces the provisions concerning retail transactions or negotiations in a language other than English. Provides that if a person conducts a retail transaction or negotiations related to a retail transaction resulting in a written contract with a consumer in a language other than English, then the retailer must have the consumer sign a form that states whether the consumer used an interpreter other than the retailer or an employee of the retailer in conducting the transaction or negotiations. Allows the continued use of substantially similar forms that were in use before January 1, 2002. Retains the provision of current

law that these provisions do not apply to credit card transactions. (Current law requires a person conducting a retail transaction or negotiations in a language other than English to give the consumer an unexecuted copy of a contract or written agreement in that other language before entering into the contract or agreement.) Effective immediately.

SENATE AMENDMENT NO. 1.

Makes the amendatory provisions applicable to retail transactions or negotiations conducted in a language other than English (rather than to retail transactions or negotiations resulting in a written contract in a language other than English).

SENATE AMENDMENT NO. 2.

In provisions concerning circumstances in which a consumer uses an interpreter other than the retailer or an employee of the retailer, adds a form for the interpreter to state his or her name and other information. Eliminates a requirement that an interpreter sign the form signed by the consumer. Requires that the forms used in connection with a retail transaction or negotiations in which the retailer or an employee acts as interpreter be in the English language if a language that cannot be written is used in the retail transaction or negotiations. Makes other changes.

Amends the Election Code. Provides that the State Board of Elections shall prepare and print a voters' pamphlet containing candidate portraits and statements and explanatory statements of and arguments supporting and opposing public questions. Sets the requirements for material that may be included in the voters' pamphlet. Provides for the review of material to be included in the pamphlet. Provides that the Board may charge fees for the inclusion of material in the pamphlet. Provides that a county may prepare, print, and distribute a county voters' pamphlet for any regular election. Contains other provisions.

FISCAL NOTE (State Board of Elections)

Based on the cost to the Secretary of State for the printing and distribution of the 1998 General Election Constitutional Amendment blue pamphlet (\$1,500,000 for 12 page pamphlet), it is estimated that the Board would require \$2-\$3 million per election to prepare, edit, index and distribute a State Voter's Pamphlet to all post office mailing addresses in Illinois. The requirements to produce a county voters' pamphlet would have minimal fiscal impact on the operations of the Board.

New Act

Creates the Access to Health Care Planning Act. Establishes the Bipartisan Health Care Reform Commission with members appointed by the Governor and legislative leaders. Provides for public hearings and a report by the Commission. Requires a preliminary report by January 1, 2003 and a final report by January 1, 2005. Effective immediately.

FISCAL NOTE (Department of Public Health)

The Department of Public Health cannot determine the fiscal impact of this legislation at this time.

HOUSE AMENDMENT NO. 1.

Replaces everything after the enacting clause. Creates the Access to Health Care Planning Act. Provides that the State of Illinois shall implement a health care plan that provides access to a full range of preventive, acute, and long-term health care services. Deletes provisions creating the Bipartisan Health Care Reform Commission and gives its duties to the Department of Insurance. Provides that the Department of Insurance shall hold public hearings and report to the Governor and General Assembly. Requires a preliminary report by January 1, 2004 and a final report by January 1, 2006. Effective immediately.

STATE DEBT NOTE, H-AM 1

(Illinois Economic and Fiscal Commission)

HB 1984, as amended, would not affect the bonding authorization of the State, and, therefore, has no direct impact on the level of State indebtedness.

FISCAL NOTE, H-AM 1 (Department of Insurance)

HB 1984, with H-am 1, would create an additional estimated fiscal impact of approximately \$1.9 million for the Department. Associated costs would include: travel expenses to conduct the requisite public hearings, hiring of expert/technical staff, office space, printing and supply needs. This estimate would change based on the need for professional contractual services like actuaries and/or the need for other services.

STATE MANDATES NOTE, H-AM 1

(Illinois Department of Commerce and Community Affairs)

In the opinion of DCCA, HB 1984 with H-am 1 does not create a State mandate under the State Mandates Act.

Amends the Illinois Public Aid Code. Provides that the Medicaid program may include reimbursement for behavioral health services and mental health services. Authorizes the Department of Public Aid to provide for the services of persons licensed as a clinical psychologist, clinical social worker, or clinical professional counselor in supplying medical assistance. Prohibits the Department's rules from requiring that services for a specific Medicaid recipient provided by a licensed clinical psychologist, licensed clinical social worker, or licensed clinical professional counselor be recommended by a physician. Effective immediately.

HOUSE AMENDMENT NO. 1.

Deletes reference to:
305 ILCS 5/5-5

Deletes amendatory provisions (i) adding behavioral health services and mental health services to the list of medical services that may be covered under Medicaid and (ii) authorizing Medicaid reimbursement for those services if they are performed by persons licensed under the Medical Practice Act of 1987.

STATE DEBT NOTE H-AM 1 (Economic and Fiscal Commission)
HB 1985, as amended by House Amendment 1, would not change the amount of authorization for any type of State-issued or State-support bond, and, therefore, would not affect the level of State indebtedness.

FISCAL NOTE (Department of Public Aid)

The bill would allow for payment directly to clinical psychologists, social workers or professional counselors. These provider types are not currently recognized by the Department. While the language is permissive, if these providers participate, the Department estimates the fiscal impact to be between

\$17 and \$23 million annually.

HB-2100 MOORE – HOWARD – WAIT – DART – FRANKS.

625 ILCS 5/3-821

from Ch. 95 1/2, par. 3-821

Amends the Illinois Vehicle Code. Provides that the fee for a certificate of title for a vehicle purchased for \$1,000 or less, except for an all-terrain vehicle or off-highway motorcycle, is \$25.

FISCAL NOTE (Department of Transportation)

The fiscal impact of HB 2100 is impossible to determine at this time. Although the bill changes the fee, it does not specify how the dollars are to be distributed. A literal reading of the statute suggests that the Park and Conservation Fund would continue to get \$2, but the Road Fund would only get \$23 (less than half of the current \$48) while the Motor Vehicle License Plate and General Revenue Funds would get nothing. The statute could also be interpreted to give \$2 to the Park and Conservation Fund, \$11 to the Road Fund and \$4 to the Motor Vehicle License Plate Fund, and only \$8 (1/6 of the current amount) to the Road Fund.

FISCAL NOTE (Office of Secretary of State)

The fiscal impact cannot be determined because the Secretary of State does not receive information on the cost of a vehicle when executing a title transfer.

 40 ILCS 5/14-110 from Ch. 108 1/2, par. 14-110
 40 ILCS 5/15-134.6 new

Amends the Illinois Pension Code. Authorizes a current or former State Policeman to transfer to the State Employees' Retirement System up to 12 years of creditable service accumulated under IMRF for service as a civilian employee of a municipal police department or under SURS for service as a university police officer. Requires payment of the difference between the amounts transferred to the System and the amounts that would have been contributed, plus interest. Effective immediately.

PENSION NOTE (Pension Laws Commission)

The fiscal impact of HB 2101 cannot be determined because the amount of service credit that would be transferred is unknown.

It is estimated to be minor, as the transferred and required employee contributions are intended to offset most of the increase in the accrued liability.

35 ILCS 105/3-5 from Ch. 120, par. 439.3-5
 35 ILCS 110/3-5 from Ch. 120, par. 439.33-5
 35 ILCS 115/3-5 from Ch. 120, par. 439.103-5
 35 ILCS 120/2-5 from Ch. 120, par. 441-5

Amends the Use Tax Act, the Service Use Tax Act, the Service Occupation Tax Act, and the Retailers' Occupation Tax Act. Replaces the current exemption for new or used automatic vending machines that prepare and serve hot food and beverages and replacement parts for these machines with an exemption for machines and parts for machines used in commercial, coin-operated amusement and vending business if a use or occupation tax is paid on the gross receipts derived from the use of the commercial, coin-operated amusement and vending machines. Effective immediately.

FISCAL NOTE (Department of Revenue)

Retailers operating commercial, coin-operated vending businesses are required to register each vending machine with the Dept. of Revenue. Currently, there are approximately 120,000 of these subcertificates in circulation. Assuming a replacement rate of 10%, approximately 12,000 vending machines are replaced each year. If these machines cost between \$2500 and \$5000 each, the loss in State and local sales tax revenues would be \$1.9 to \$3.8 million.

STATE MANDATES NOTE, H-AM 1 (State Board of Education)

HB 2157 (H-am 1) appears to create a personnel mandate. The State Board of Education is unable to calculate the exact cost of the mandate or the increase in actuarial liability of the Chicago Teacher Retirement System. While this legislation clearly creates a State mandate, it is specifically exempt from the reimbursement provisions of the State Mandates Act.

Amends the School Code. Creates the Professional Teacher Standards Board consisting of 15 members appointed by the Governor to administer the Article of the School Code governing the certification of teachers and other certificated school personnel and the approval of teacher and administrator preparation programs. Gives the Professional Teacher Standards Board all powers and duties currently exercised by the State Board of Education and the State Teacher Certification Board with respect to administration of the certification and program approval process, and abolishes the State Teacher Certification Board. Authorizes the Professional Teacher Standards Board to employ an Executive Director and such other staff members as are necessary to exercise its powers and duties and carry out its functions. Provides that a Standard Certificate may be renewed based on proof of professional development (instead of on proof of continuing education or professional development). Makes other changes. Effective July 1, 2002.

FISCAL NOTE (State Board of Education)

The current State Teacher Certification Board and teacher certification process costs approximately \$3.2 million directly plus \$1.1 million in indirect costs. The general transfer of the basic function should not require additional funds if the new Board operates as efficiently as the current system. However, it is unlikely that a significant portion of the indirect costs will become direct costs as a new support system is developed outside the SBE to duplicate those provided under the current system. It is too speculative to estimate the changes this may have on the certification process and teacher

requirements and therefore the potential for additional costs at the school district level.

New Act

Creates the Mortgage Certificate of Release Act. Provides that an officer or duly appointed agent of a title insurance company may, on behalf of a mortgagor or a specified person, execute a certificate of release and record the certificate of release with the recorder, with certain restrictions. Provides that a certificate of release and the appointment of an agent must be executed, acknowledged, and provide certain information. Provides that, for purposes of releasing the mortgage, a certificate of release containing the required information and statements and properly executed is prima facie evidence of the facts contained therein, is entitled to be recorded with the recorder, and operates as a release of the mortgage described in the certificate of release. Provides that a title insurance company recording a certificate of release that has actual knowledge that the information and statements contained therein are false is liable to the mortgagee for actual damages sustained.

HOUSE AMENDMENT NO. 1.

Adds reference to:
765 ILCS 905/2 from Ch. 95, par. 52

Deletes everything. Reinserts the bill as introduced with changes. Limits the definition of mortgage to an interest in "one-to-four family residential" real property and provides that trust deeds are not included. Requires written payoff statements. In the title

insurance provisions, changes “agent” to “agent or agents”. Amends the Mortgage Act to provide that mortgages may be released of record as provided in the Mortgage Certificate of Release Act.

SENATE AMENDMENT NO. 1. (Senate recedes May 21, 2002)

Provides that a notice of intention to file a certificate of release must state that if the mortgagee or mortgage servicer does not provide notice to the title insurance company or title insurance agent that the amount received for a payoff was inadequate, within 60 days of the receipt of payoff of the loan secured by the mortgage, a certificate of release will be delivered for recording to the recorder of each county in which the mortgage is recorded. Provides that a title insurance company may create an instrument, executed by an officer of that company and acknowledged in the same manner as a deed, appointing one or more title insurance agents authorized to issue certificates of release under this Act. Provides that the instrument shall designate the county or counties in which it is to be effective and shall be recorded with the recorder in each of those counties, either as an original instrument or by recording a copy certified by the recorder of one of the counties.

SENATE AMENDMENT NO. 2. (Senate recedes May 21, 2002)

Deletes reference to:

765 ILCS 905/2

from Ch. 95, par. 52

Provides for a standard notice of intention to file a certificate of release form. Provides that the Mortgage Certificate of Release Act is repealed on January 1, 2004. Provides that a title insurance company may create an instrument executed by an officer of the company and acknowledged in the same manner as a deed, appointing one or more title insurance agents, authorized to issue certificates of release under the Mortgage Certificate of Release Act. Provides that the notice of intention to file a certificate of release shall state that if the title insurance company or title insurance agent does not receive from the mortgagee or mortgage servicer or their successor in interest either a release or a written objection to the issuance of a certificate of release, a certificate of release will be delivered for recording to the recorder of each county in which the mortgage is recorded. Provides that the notice of intention shall include a copy of the closing statement or HUD-1 form and the payoff check or a copy of it, or copy of the wire transfer order. Provides that the notice of intention to file a certificate of release shall be sent by certified mail, return receipt requested, with postage prepaid, or by other receipted delivery service no sooner than the day of closing and no later than 30 days after receipt of payment. Provides that the notice shall be delivered to the location identified in the payoff statement or as otherwise directed in writing by the mortgagee or mortgage servicer or their successor in interest. Provides that within 90 days after receipt of the notice of intention to file a certificate of release, the mortgagee or mortgage servicer or their successor in interest may issue a release or may object in writing to the issuance of a certificate of release, and by doing so shall prevent the title insurance company or title insurance agent from executing and recording a certificate of release under the Act. 735 ILCS 5/15-1406 new

Amends the Mortgage Foreclosure Article of the Code of Civil Procedure. Provides that, if a mortgagor of a single family residence experiences a temporary or permanent loss of employment because of a layoff, lockout, or strike and the employment had been the primary source of income of the mortgagor's household, the mortgagor may notify the mortgagee of those facts, the mortgagee may require the mortgagor to supply verification, and the mortgagor shall then supply verification. Provides that the mortgagee not then initiate or proceed with an action to foreclose on the mortgage or declare a default. Provides that the mortgagor shall make monthly interest and escrow payments, and when the mortgagor again becomes employed or one year has elapsed since the mortgagor or mortgagors began making monthly interest and escrow payments, the mortgagor shall resume regular monthly payments of principal and interest and shall remit additional monthly sums in equal monthly amounts that will pay in full, over a 6 month period, all principal that was unpaid during the loss of employment. Contains provisions concerning failure to comply, court stays, and applicability.

FISCAL NOTE (Office of Banks and Real Estate)

HB 2227 has no fiscal impact on the Office of Banks and Real Estate. Financial entities (mortgagees) would lose compound interest from delayed principal payments for up to an 18-month period. The Office of Banks and Real Estate is unable to calculate the fiscal impact on financial entities, because of unknown variables.

HOUSING AFFORDABILITY NOTE

The proposed bill does not identify at what point in time the borrower may/shall notify the lender of his/her loss of employment. As such, the financial impact on the lender cannot be determined. Both lenders and insurance companies will assume a higher degree of risk in making mortgage loans under this bill's provisions. To compensate for potentially higher losses, lenders may likely charge higher interest rates and insurance companies may establish higher premiums for mortgage insurance. In both cases, these can only be assumed but cannot be predicted or calculated with any degree of accuracy.

Amends the Code of Criminal Procedure of 1963. Deletes a requirement that physical evidence be preserved subject to a continuous chain of custody. New Act
 20 ILCS 405/405-195 new
 30 ILCS 105/5.545 new

Creates the Senior Citizen Prescription Drug Discount Program Act. Provides that the Program shall be administered by the Department of Central Management Services to enable eligible senior citizens to purchase prescription drugs at discounted prices and that the Department shall (i) enroll eligible seniors into the Program, (ii) enter into rebate agreements with drug manufacturers, either itself or through an agent, and (iii) re-

imburse pharmacies for the cost of providing discounts using the proceeds from the manufacturer rebate agreements. Eligible seniors are persons who are Illinois residents and who are 65 years of age or older. Establishes a prescription pricing formula. Sets guidelines for the rebate agreements. Establishes application requirements for seniors and eligibility requirements for pharmacies. Requires the Department to adopt rules. Amends the State Finance Act to create the Senior Citizen Prescription Drug Discount Program Fund into which rebate payments and enrollment fees shall be deposited. Provides for an initial transfer from the General Revenue Fund into the Drug Discount Program Fund of \$27,000,000 to be repaid to the General Revenue Fund out of rebate payments. Amends the Department of Central Management Services Law of the Civil Administrative Code of Illinois. Provides that the Department shall establish a Prescription Drug Purchasing Policy Office to determine and implement strategies for best price purchasing practices for State agencies that pay for prescription drugs by direct purchase or by other arrangements. Effective July 1, 2001.

FISCAL NOTE (Department of Central Management Services)

Increased expenditures would fall into two categories of costs, administrative and claim. The estimated increase in administrative costs is approximately \$1,800,000, including hiring 23 staff and start-up costs of \$1,000,000. A contract with a Prescription Benefit Manager (PBM) to assist with the administration of this Program is estimated to cost \$4,600,000 which would be covered by the seniors individual annual contribution to cover administrative costs. The claims cost is an estimated \$62 million that CMS will have to pay to pharmacies to make up the difference between the Federal Supply Schedule (FSS) price and the Average Wholesale Price minus 10% (AWP-10%) and would not be recovered through negotiations for rebates because of the lack of control over drug purchases. The approximate total impact on CMS is \$68.4 million of which \$4.6 million would be recovered.

FISCAL NOTE (Department on Aging)

This bill has no fiscal impact on this Department.

STATE MANDATES NOTE (Dept. of Commerce & Community Affairs)

In the opinion of the Department of Commerce and Community Affairs (DCCA), HB 2236 does not create a State mandate under the State Mandates Act.

HOME RULE NOTE (Dept. of Commerce & Community Affairs)

The legislation does not contain language indicating a pre-emption of home rule powers and functions. Therefore, in the opinion of DCCA, HB 945 does not pre-empt home rule authority.

HB-2237 NOVAK.

220 ILCS 5/16-107.5 new

Amends the Public Utilities Act. Provides that an electric utility must establish a “net metering” pilot program for its retail customers that own and operate a solar or wind electrical generating facility with a capacity of not more than 40 kilowatts located on the customer’s premises and intended to offset part of the customer’s electrical requirements. Requires a separate pilot program for residential and business customers. Provides that the electric utility must report the results of the pilot program to the Commerce Commission by July 1, 2002. Requires the Commission to provide a summary and an analysis of the reports to the General Assembly by September 1, 2002. Effective immediately.

HOUSE AMENDMENT NO. 1.

Provides that an electric utility that has conducted a net electrical energy metering pilot program for either its residential or business customers, or both, and the pilot program was initiated before the effective date of this amendatory Act, need only file a report of the results of the program with the Commerce Commission.

625 ILCS 5/18c-7401 from Ch. 95 1/2, par. 18c-7401

Amends the Illinois Vehicle Code. Provides that the Illinois Commerce Commission must order the installation of stop signs at all railroad grade crossings not equipped with automatic flashing lights or gates. Requires the Commission to charge the cost of the

signs to the Grade Crossing Protection Fund. Provides that the responsible highway authority must install and maintain the signs in accordance with the Commission's order. Provides that failure to stop at a stop sign at a railroad crossing is a petty offense, and a third or subsequent violation within one year of the first violation is a Class C misdemeanor. Effective immediately.

FISCAL NOTE (Department of Transportation)

While HB 2239 does provide for the Grade Crossing Protection Fund to cover the cost of the stop signs, no provision is made for maintenance costs. Further, the Manual on Uniform Traffic Control Devices recommends the installation of stop ahead signs. The Department estimates that the cost for the stop ahead signs at all crossings will total \$1.025 million. HB 2239 makes no provision for the payment of any of the costs associated with these signs. It appears that the highway authority would be responsible for these expenditures.

105 ILCS 230/5-5

Amends the School Construction Law. Provides that for the purpose of calculating the grant index, school districts are grouped into 2 categories to compute equalized assessed valuation per pupil in average daily attendance, one category using average daily attendance in grades kindergarten through 8 and the other category using average daily attendance in grades 9 through 12. Effective immediately.

FISCAL NOTE (State Board of Education)

HB 2255 has no fiscal impact. Rather, it redistributes funds among types of districts. Generally, it "takes" from elementary and secondary districts and "gives" to unit districts. Thus, the State share of a project will be greater for some districts and less for others. To the extent that the total "cost" is a net increase to the State it is within the context of a zero sum system. The school construction program is statutorily limited by the amount of bonds that can be issued to make the grants. Thus, the result is not additional State cost but fewer projects.

STATE MANDATES NOTE (State Board of Education)

The change is effective upon HB 2255 becoming law provided that the grant index for grants not yet made in FY01 and FY02 shall be the greater of the current definition and the one provided in the bill. The effect of HB 2255 is to equalize the ADA of unit districts with that of elementary and secondary districts generally.

Amends the Court of Claims Act and repeals the State Lawsuit Immunity Act. Provides that the Court of Claims is abolished and that the Court of Claims shall transfer to the Circuit Courts all cases pending before the Court of Claims. Provides that other statutory references to the Court of Claims shall be construed as references to the Circuit Court. Effective immediately, except some portions take effect on July 1, 2002.

FISCAL NOTE (Court of Claims)

The fiscal impact on the Court of Claims would be the elimination of all funding to the Court of Claims. The Court of Claims expended \$48.7 million in FY 2000. Grant expenditures to pay awarded claims totaled \$47.5 million, \$39.2 million of which was GRF. Elimination of the Court of Claims would increase the amount of claims paid by the State of Illinois. The amount of the increase is unknown. The Circuit Court and the Attorney General's Office may be fiscally impacted by this legislation.

JUDICIAL NOTE (Administrative Office of the Illinois Courts)

There will be a significant increase in judicial workloads as a result of this bill. HB 2256 will increase the number of judges needed in the State, however, it is not possible to determine the number of additional judges needed, because the degree to which the bill would increase litigation against the State of Illinois is unknown.

from Ch. 24, par. 8-3-1

Amends the Illinois Municipal Code. Amends the provision governing the manner of levying and collecting taxes to require that on or before the last Tuesday in December each year the corporate authorities ascertain the total amount budgeted for and additional amounts deemed necessary for corporate purposes to be provided for by the tax levy for the nex fiscal year (instead of requiring the corporate authorities to ascertain the total amount of appropriations legally made or budgeted for an any amount deemed necessary to defray additional expenses and liabilities for all corporate purposes to be provided for by the tax levy "of that year"). Also eliminates the requirement that the levy ordinance contain the same details as the annual appropriation or budget ordinance, requiring instead that the ordinance specify the amount and purpose of the sums to be levied.

Deletes reference to:
720 ILCS 5/29D-55 new

Deletes new provisions relating to asset freeze orders. Provides that certain provisions relating to exceptions to eavesdropping violations and orders authorizing interception of private communications when no party has consented to the conversation in investigations of violations of the new terrorism offenses are inoperative on and after January 1, 2005. In the definition Section of the new terrorism Article added to the Criminal Code of 1961 adds a definition of "substantial damage". Provides that in the new offenses relating to terrorism, limits references to "terrorist acts" to those defined in the new terrorism Article. Provides that whenever it appears that there is probable cause to believe that any person used, is using, is about to use, or is intending to use property in any way that constitutes or would constitute a violation of the new terrorism offenses, the Attorney General or any State's Attorney may make an ex parte application to the circuit court to freeze or seize all the assets of that person and, upon a showing of probable cause in the ex parte hearing, the circuit court shall issue an order to freeze or seize all assets of that person.

SENATE AMENDMENT NO. 3.

Adds reference to:
720 ILCS 545/7 from Ch. 38, par. 84-7

In the Solicitation for Charity Act and the Charitable Trust Act, provides for the forfeiture of assets of a charity if the person knowingly uses the charitable assets in furtherance of a terrorist act. Provides that there must be a showing of probable cause rather than a reasonable suspicion of a violation of terrorism offenses or of the Solicitation for Charity Act or the Charitable Trust Act before the Attorney General may seize assets of the charity. Provides that there must be a finding of a violation by a court after a hearing before the charity may be permanently enjoined from soliciting funds. In the new Article of the Criminal Code of 1961 relating to the new terrorism offenses, provides that an investigation for violation of these offenses may not be initiated or continued for activities protected by the First Amendment to the U.S. Constitution. Provides that an application for an order approving the previous or continuing use of an eavesdropping device must be made within 48 hours of the commencement of the use.

730 ILCS 5/5-5-3

from Ch. 38, par. 1005-5-3

Amends the Unified Code of Corrections. In a provision requiring certain offenders who have been convicted at least 3 times of a Class 2 or greater class felony to be sentenced as Class X offenders, deletes a requirement that 2 of the felonies must have occurred in Illinois. Provides that a person sentenced as a Class X offender pursuant to that provision is not eligible to apply for treatment as a condition of probation as provided in the Alcoholism and Other Drug Abuse and Dependency Act. Effective immediately.

SENATE AMENDMENT NO. 1.

Further amends the Unified Code of Corrections. In a provision requiring certain defendants convicted at least 3 times of a Class 2 or greater Class felony to be sentenced as Class X defendants, deletes the requirement that the first 2 convictions be Class 2 or greater Class felonies. Provides, instead, that the defendant shall be sentenced as a Class X defendant if he or she is convicted of a Class 1 or 2 felony, after having been twice convicted in any state or federal court of an offense that contains the same elements as an offense now classified in Illinois as a Class 2 or greater Class felony.

HB-2303 BURKE – COULSON.

225 ILCS 2/20.1 new
225 ILCS 2/50

Amends the Acupuncture Practice Act. Provides that guest acupuncturists who are not licensed under the Act may lecture, demonstrate, or hold clinics for continuing education or training for acupuncture associates or scientific acupuncture foundations. Provides that the guest acupuncturist may not open an office, appoint a place to meet patients, receive calls from patients, or otherwise engage in the practice of acupuncture outside of the lectures, clinics, or demonstrations. Limits the amount of time that the guest acupuncturist may perform the lectures, clinics, or demonstrations to a maximum of 6 months. Provides that this Act does not prohibit a person from administering acupuncture treatment as part of his or her educational training at a State approved course or as a graduate student at a school of acupuncture in a postgraduate review course that does not exceed 6 months in duration. Effective immediately.

FISCAL NOTE (Department of Professional Regulation)
The Department does not expect HB 2303, in its current form, to have a significant financial impact on the agency. Any impact would be from the loss of new application revenue if the guests are not required to have an Illinois acupuncturist license. At this time DPR is not able to provide a reasonable figure for the number of guests per year and therefore unable

to derive a cost figure.

HOUSE AMENDMENT NO. 2.

Replaces everything after the enacting clause. Reinserts the bill as introduced with the following changes. Provides qualifications for guest instructors of acupuncture, one of which is possession of a guest acupuncturist permit issued by the Department. Permits an unlicensed graduate of a school of acupuncture to apply acupuncture techniques while (i) participating in a postgraduate training program, (ii) participating in a review course in preparation for taking the National Certification Commission for Acupuncture and Oriental Medicine examination, or (iii) participating in a State-approved continuing education course offered through a State-approved provider. Provides that students and other unlicensed persons may not open an office, appoint a place to meet private patients, consult with private patients, or otherwise engage in the practice of acupuncture beyond what is required in conjunction with their education.

FISCAL NOTE, H-AM 1 (Department of Professional Regulation)

The Department currently anticipates the financial impact on the Department to be approximately \$3,000 if the new license category has about 10 requests.

Amends the Illinois Pension Code to allow investigators for the Office of the Attorney General to transfer credits for up to 12 years of prior service as a police officer, sheriff's law enforcement employee, or municipal conservator of the peace from certain other pension funds; requires payment of the difference in employee and employer contributions. Effective immediately.

PENSION NOTE (Pension Laws Commission)

The fiscal impact of HB 2312 cannot be determined, as the amount of service credit that would be transferred is unknown. It is estimated to be minor as the transferred and required employee contributions should offset most of the increase in accrued liability.

HB-2366 SMITH,MICHAEL.

40 ILCS 5/15-140.1 new

Amends the State Universities Article of the Illinois Pension Code. Provides for an additional payment to persons receiving a retirement or survivor annuity, equal to half the monthly benefit, to be paid on the December 31 next following a fiscal year in which the System's investment return is at least 190% of the prescribed rate of interest determined for that year by the Board. Terminates the benefit after the System's 2003-2004 fiscal year. Makes the benefit available only if the System's funding ratio is at least 90%. Effective immediately.

PENSION NOTE (Pension Laws Commission)

There is no increase in accrued liability associated with HB 2236 but there is a cost (that cannot be determined) as some investment returns that would normally remain with SURS to be reinvested would instead be paid out as benefits. This would increase State contributions over time by an amount that cannot be determined. The increase in annual contributions is estimated to be minor, as the 13th check could only be paid a maximum of 4 times (FY 2001 through 2004). According to SURS, if the provision that grants the 13th check had been in effect from 1971 to 1997, the benefit would have been paid in 10 of the last 26 years (37% of the time). SURS would have distributed \$19 million on December 1, 1998 due to a total return on investment assets equal to over 200% of the investment return assumption. SURS would not have issued a 13th check on either

December 1, 1999 or December 1, 2000.

New Act
30 ILCS 500/20-17 new

Creates the Illinois Living Wage Act. Provides that certain employers must pay employees a living wage rate that is set by the Director of Labor. Requires employers to provide continued employment to certain employees when a contract provides for the continuation of services currently provided by another contractor. Requires employers to post notice of employees' rights under the Act. Allows the Director to investigate violations of the Act. Sets penalties for violations of the Act. Prohibits retaliation against employees who exercise their rights under the Act. Amends the Illinois Procurement Code. Requires the procurement officer to determine the level of the State's vulnerability to labor unrest before issuing invitations for bids or requests for proposals for service contracts. Requires those bids and proposals to (i) include assurance of protection against labor discord and (ii) certify that the contractor will comply with the Illinois Living Wage Act. Provides that if during the duration of the contract, a contractor fails to comply with the Illinois Living Wage Act, the contract is voidable.

FISCAL NOTE (Department of Labor)

The Department would need additional staffing and monies for printing costs associated with the required postings. Costs associated with 4 new personnel total \$239,900.

STATE MANDATES NOTE (Dept. of Commerce and Community Affairs)

In the opinion of DCCA, HB 2382 creates a personnel mandate for which reimbursement of 100% of the increased costs to local governments is required, and a local government organization and structure mandate for which reimbursement is not required under the State Mandates Act. An estimate of the increased costs to local governments is not available.

HOUSE AMENDMENT NO. 1.

Changes penalty for retaliation from a Class A misdemeanor to a business offense with a maximum fine of \$2,500.

FISCAL NOTE, H-AM 1 (Department of Labor)

To effectively administer the Living Wage Act, the Department would need additional staffing and monies for printing costs associated with the required postings totalling \$239,900.

STATE MANDATES NOTE, H-AM 1

(Department of Commerce and Community Affairs)

Same as previous State Mandates note.

HOME RULE NOTE, H-AM 1

(Department of Commerce and Community Affairs)

HB 2382 (H-am 1) does not contain language indicating a preemption of home rule powers and functions. Therefore, in the opinion of DCCA, this bill does not preempt home rule authority.

BALANCED BUDGET NOTE, H-AM 1 (Bureau of the Budget)

Since this bill is not a supplemental appropriation bill, the Balanced Budget Note Act is inapplicable.

105 ILCS 5/18-4.4	from Ch. 122, par. 18-4.4
-------------------	---------------------------

Amends the School Code. Allows a tax-equivalent grant to be paid to a school district (other than the Chicago school district) if a United States military installation or base is located in the district.

FISCAL NOTE (State Board of Education)

It appears that both Scott Air Force base and the Great Lakes Naval base may own land within the boundaries of several school districts. At this point, SBE has been unable to determine exactly how many acres are owned by the federal government in each affected school district or the average value of an acre in each school district. Therefore, SBE has been unable to calculate the State cost of HB 2390.

STATE MANDATES NOTE (State Board of Education)

At this point, SBE has not been able to determine which districts this may apply to, the number of acres of land owned by the U.S. in military bases/installations, or the average value of an acre in each school district. Therefore, SBE has been unable to calculate a potential cost for the State.

HOUSE AMENDMENT NO. 1.

Makes a technical change.

STATE MANDATES NOTE, H-AM 1 (State Board of Education)

Assuming that each of the facilities owning land within the boundaries of Illinois school districts of less than 500,000 is completely within a single school district and the average value per taxable acre of the school district is the same as that of the county, the approximate cost of HB 2390 is \$600,035 as follows:

C.M. Price Support Center (Madison County)

Acres	686
Average value per acre	\$ 5,471
Acres times average value	\$ 3,753,106
0.50%	\$ 18,766

Great Lakes Naval Base (Lake County)

Acres	1,628
Average value per acre	\$ 59,129
Acres times average value	\$ 96,262,761
0.50%	\$ 481,314

Rock Island Arsenal (Rock Island County)

Acres	946
Average value per acre	\$ 5,650
Acres times average value	\$ 5,345,099
0.50%	\$ 26,725

Scott Air Force Base (St. Clair County)

Acres	3,278
Average value per acre	\$ 4,468
Acres times average value	\$ 14,646,104
0.50%	\$ 73,231

HOUSE AMENDMENT NO. 2.

Deletes everything after the enacting clause. Reinserts the contents of the bill with the following additions. Provides that the school district must have students residing on the military installation or base who are in attendance in the district. Provides that for fiscal year 2002 only, the district superintendent shall certify matters on or before September 15, 2001 or 30 days after the amendatory Act becomes law, whichever is later. Provides that the grants shall be appropriated for distribution from a separate line item. Provides that payments shall commence in fiscal year 2002. Adds an immediate effective date.

Also provides that, if the grantor fails to provide the grantee with a permanent index number of one of those documents, the grantor is liable to the grantee for property taxes and attorney's fees and that the liability continues until the permanent index number or document is delivered to the grantee. Provides that failure to provide the permanent index number does not invalidate the deed or instrument of conveyance. Provides that a receipt from the county assessor confirming that a proper application has been filed shall be deemed to be evidence of proper application for division.

Replaces everything after the enacting clause. Provides that insurers may not refuse to issue or renew certain policies of automobile insurance, fire and extended coverage insurance, and personal lines insurance solely on the basis of credit reports. Provides that if a credit report is used in conjunction with other criteria in making an underwriting decision, the credit report may not be based upon the race, income, gender, religion, or national origin of the applicant, and if the decision is a denial, the identity of the credit reporting agency must be disclosed to the applicant. Effective January 1, 2002.

SENATE AMENDMENT NO. 2.

With respect to a provision that an offer by an insurance company to write a policy through an affiliate does not constitute a refusal by the insurance company, removes a restriction on offering a policy through an affiliate that specializes in substandard risks.

SENATE AMENDMENT NO. 3.

Removes the requirement that an insurer inform an applicant or insured of the specific reasons for a denial and identity of the credit reporting agency when the denial is based upon a credit report. Requires the insurer only to inform the applicant or insured of the denial. Effective October 1, 2001.

- CORRECTIONAL NOTE (Department of Corrections)
There would be no population or cost impact to the Department.

In the opinion of DCCA, HB 2435 does not create a State mandate under the State Mandates Act.

Creates the Developmental Disabilities Services Act of 2001. Requires the Governor, with the assistance of the Secretary of Human Services, to appoint an advisory committee to develop a Developmental Disabilities Services Implementation Plan that will ensure compliance by the State with the federal Americans with Disabilities Act and the U.S. Supreme Court decision in *Olmstead v. L.C.* Specifies items that must be included in the implementation plan and specifies services that may be provided under the implementation plan. Repeals the Developmental Disabilities Services Law of the Developmental Disability and Mental Disability Services Act. Effective immediately.

HOUSE AMENDMENT NO. 1.

Deletes everything. Reinserts the provisions of the bill with several changes. Deletes reference to “developmental”. Provides that a “disability” is as defined in the Americans with Disabilities Act. Provides that services shall be provided under the Act to the extent appropriations are made available by the General Assembly for the programs and services indicated in the implementation plan. Effective immediately.

HOUSE AMENDMENT NO. 2. (Tabled April 4, 2001)

Replaces the definition of “disability” and adds definitions of types of disabilities. Changes references to “case coordination services” to “service coordination”. Provides

that family members and other representatives of the person with a disability must be allowed, encouraged, and supported to participate in planning and decision-making regarding the person's individual service plan, if the person with a disability consents to that participation. Deletes age as a factor, and makes other changes concerning nondiscriminatory access to services. Specifies certain items that must be included in the Department of Human Services' implementation plan with respect to comprehensive evaluations. Changes the date for the Governor's initial report to the General Assembly from October 1, 2001 to July 1, 2002, and requires subsequent plan updates and reports by July 1 (instead of March 1) of each year. Provides that initial implementation of the plan is required by July 1, 2003, and that the requirement of annual updates and reports expires in 2007, unless otherwise extended by the General Assembly. Makes other changes.

HOUSE AMENDMENT NO. 3.

Makes changes substantially similar to those made by H-am 2, except: (1) provides that a residential placement must be offered in the most integrated setting appropriate, instead of in the least restrictive setting possible; (2) provides that a person with a disability has the right to a transition plan developed and ready for implementation by no later than the school year in which the person reaches age 14, consistent with the requirements of the federal Individuals with Disabilities Education Act and Article XIV of the School Code (instead of developed and ready for implementation before the person's exit from school); (3) requires that vocational training lead to employment and re-employment in the most integrated setting appropriate to the individual (instead of simply lead to employment and reemployment); (4) requires that a due process hearing be before an impartial hearing officer (instead of simply before a hearing officer); (5) provides for an award of "prevailing" (instead of "reasonable") attorney's fees to a successful plaintiff in a formal administrative or judicial action; and (6) provides that the Governor's initial report to the General Assembly must include a report of related program and service improvements or expansions implemented since the effective date of the Developmental Disabilities Services Act of 2001.

Provides procedures for and restrictions on the administration of the Fund. Amends the State Finance Act to create the special fund in the State treasury. Effective immediately.

FISCAL NOTE (State Treasurer)

New Act
30 ILCS 105/5.545 new
Adds reference to:
15 ILCS 520/7

from Ch. 130, par. 26

Deletes everything. Amends the Deposit of State Moneys Act. Provides that the State Treasurer may accept a reduced rate of interest on deposits of State moneys from a financial institution if the institution agrees to (i) make home loans to Illinois citizens purchasing a home in Illinois in situations where the institution would not offer the borrower a home loan under the institution’s prevailing credit standards without the incentive of the reduced rate of interest on deposits of State moneys and (ii) refrain from commencing or pursuing foreclosure proceedings with respect to home loans of Illinois citizens who have failed to make payments on the home loan as a result of a temporary layoff or disability when under the institutions prevailing policies it would commence or pursue foreclosure proceedings without the incentive of a reduced rate of interest on deposits of State moneys. Effective immediately.

SENATE AMENDMENT NO. 2.

Further amends the Deposit of State Moneys Act. Allows certain interest income on deposits of State moneys to be used to secure up to 10% of (i) home loans in situations where the financial institution would not offer the borrower a loan under the institution’s prevailing credit standards without the incentive of a reduced rate of interest on deposits of State moneys and (ii) existing home loans that would be subject to foreclosure under an institution’s prevailing policies if it were not for the incentive of a reduced rate of interest on deposits of State moneys (instead of allowing the institution to pay a reduced rate of interest if it agrees to a plan to make those loans).

Amends the Humane Care for Animals Act and the Criminal Code of 1961. Removes the penalties and prohibitions from the Humane Care for Animals Act and places them in the Criminal Code of 1961. In the Criminal Code provisions provides for enhanced penalties for a person who knowingly makes available any site, structure, or facility, whether enclosed or not, that he or she knows or should know is intended to be used for the purpose of conducting a dogfight or for knowingly manufacturing, distributing, or delivering fittings to be used in a dogfight. Provides for enhanced penalties for knowingly owning a dog for fighting purposes or for producing a fight between 2 or more dogs or a dog and human or for knowingly offering for sale or selling a dog bred for fighting if any of the following factors is present: (i) the dogfight is performed in the presence of a person under 18 years of age; (ii) the dogfight is performed for the purpose of, or in the presence of illegal wagering activity; or (iii) the dogfight is performed in furtherance of streetgang related activity as defined in Section 10 of the Illinois Streetgang Terrorism Omnibus Prevention Act.

CORRECTIONS NOTE (Department of Corrections)

There are no data to objectively estimate the impact of this legislation, but it is expected to be minimal. Each person sentenced to a Class 4 felony would serve seven months in pri-

son at a cost of \$11,400, and any Class 3 admission would serve twelve months in prison at a cost of \$19,543. Each admission would require the construction of one additional prison bed at a cost of \$43,864.

SENATE AMENDMENT NO. 1.

Further amends the Humane Care for Animals Act. Restores the penalties and prohibitions previously deleted from the Humane Care for Animals Act. Provides for enhanced penalties for a person who knowingly makes available any site, structure, or facility, whether enclosed or not, that he or she knows or should know is intended to be used for the purpose of conducting a dogfight or for knowingly manufacturing, distributing, or delivering fittings to be used in a dogfight. Provides for enhanced penalties for knowingly owning a dog for fighting purposes or for producing a fight between 2 or more dogs or a dog and human or for knowingly offering for sale or selling a dog bred for fighting if any of the following factors is present: (i) the dogfight is performed in the presence of a person under 18 years of age; (ii) the dogfight is performed for the purpose of, or in the presence of illegal wagering activity; or (iii) the dogfight is performed in furtherance of streetgang related activity as defined in Section 10 of the Illinois Streetgang Terrorism Omnibus Prevention Act. Amends the Criminal Code of 1961. Creates the offense of dog fighting, which mirrors the prohibitions and penalties in the Humane Care for Animals Act. In both the Humane Care for Animals Act and the Criminal Code of 1961, for offenses classified as felonies for a first violation, provides that the defendant is guilty if he or she knows (instead of knows or should know) that the animals or property involved are intended to be used for purposes prohibited by the Act and the Code.

In Cook County and the other counties that have elected to distribute money under Sections 27.5 and 27.6 of the Clerks of Courts Act, HB 2455 would decrease the amount of money distributed to local governments, the county general fund and the State. The specific amount of the decrease cannot be determined because the amount will depend on the amount of the fees imposed and the number of cases involved. 110 ILCS 520/15 new

Amends the Southern Illinois University Management Act. Requires the University to establish a hospitality industry training program at its facility located in East St. Louis, Illinois, subject to approval by the Board of Higher Education.

FISCAL NOTE (Southern Illinois University)

Program costs: If SIU-Carbondale expands its baccalaureate degree program in Hotel, Restaurant, and Travel Administration, there would be a one-time cost of \$300,000 and recurring costs of \$210,000. If SIU-Edwardsville offers two certificate programs on-site, there would be recurring costs of \$200,000.

Capital costs: Regardless of option, the capital costs for

implementing the proposed hospitality program in East St. Louis will entail a significant dollar investment, plus reoccurring operations and maintenance costs. Option 1, use of the existing East St. Louis Center Building, would have a one-time cost of \$15,000,000. Option 2, demolishing the existing building would cost \$1,000,000 and constructing a new facility on the same site would cost \$2,000,000. Option 3, constructing a new facility adjacent to the East St. Louis Higher Education Center, with internship requirements handled off-site in businesses located in the St. Louis Metropolitan region, would cost \$2,000,000.

HOUSE AMENDMENT NO. 1.

Allows the University to establish a hospitality industry training program (instead of requiring the University to establish the program, subject to the approval of the Board of Higher Education).

HB-2519 YOUNGE – JONES,LOU – JONES,SHIRLEY.

New Act

Creates the Katherine Dunham Performing Arts School Act. Establishes the Katherine Dunham Performing Arts School, to be located at the Rock (Hughes Quinn) School in East St. Louis, Illinois. Provides that the school shall admit students in grades pre-kindergarten through 12 and students seeking baccalaureate degrees who have been determined eligible to attend. Provides that the school shall be funded by federal grants and State appropriations. Provides that private contribution and endowment programs may be established. Provides that the school shall be governed by a board of trustees, who shall appoint a director to be the chief administrative officer. Lists the powers and duties of the board.

FISCAL NOTE (State Board of Education)

The school would be funded with State and federal funds and private contributions. It is difficult to determine a specific cost for such a program. It is unclear how large an institution this would be and what capital and equipment cost would be. It is unclear if students are to be housed at the school, similar to those at the Illinois Mathematics and Science Academy (IMSA) and other State schools. It is unclear what the State funding mechanism will be, if the school is eligible for general State aid and other State programs, or if it would be a stand alone appropriation. Using IMSA as a proxy, the annual general funds appropriation for 612 teachers and 1377 students is approxi-

mately \$15 million.

STATE MANDATES NOTE (State Board of Education)

HB 2519 does not establish a new mandate for school districts.

HOUSE AMENDMENT NO. 1.

Removes the provision that requires the Katherine Dunham Performing Arts School to be located at the Rock (Hughes Quinn) School.

HOUSE AMENDMENT NO. 2.

Provides that the performing arts school shall instead be an academy for performing, visual, and cultural arts, and makes changes to reflect this. Provides that teachers for the academy shall be selected from throughout the world (not just from throughout the State).

HB-2520 YOUNGE.

New Act

Creates the Empowerment Zone and Enterprise Community School Facility Act. Provides that the Department of Commerce and Community Affairs and the University of Illinois' Urban School Improvement Program shall implement an Illinois Empowerment Zone and Enterprise Community School Facility Improvement Program (EZ/EC program) to develop and demonstrate mechanisms to attract federal resources and private sector investments to administer the program and support the repair, renovation, and improvement of school buildings and facilities in communities designated under federal law or regulations as Empowerment Zones and Enterprise Communities. Specifies types of demonstration methods that employ federal EZ/EC incentives to leverage private investment in support of improving school buildings and facilities. Provides for implementation of the EZ/EC program in conjunction with schools in communities located in Chicago, East St. Louis, and Springfield. Effective immediately.

FISCAL NOTE (Dept. of Commerce and Community Affairs)

An estimate of the amount of contractual assistance required to implement and administer this program cannot be made at this time. Therefore, a reasonable estimate of the fiscal impact of HB 2520 on the Department cannot be made at this time.

HB-2523 MADIGAN,MJ – DELGADO – COLLINS, HOWARD, STROGER, MCKEON, SOTO, JONES,LOU, JONES,SHIRLEY, BURKE AND MURPHY.

105 ILCS 5/18-8.05

Amends the State aid formula provisions of the School Code. Increases the minimum amount of supplemental general State aid funds that a school district with an average daily attendance of 50,000 or more is required to distribute in accordance with certain requirements to \$293,000,000 (from \$261,000,000) for the 2001-2002 school year, with this amount being increased for each school year thereafter by the same percentage increase, if any, as the percentage increase in the amount of general State aid allotted to the district. Effective immediately.

HOME RULE NOTE (Dept. of Commerce and Community Affairs)

HB 2523 pertains to State aid allotted to school districts.

The legislation does not relate to a home rule unit of local government.

FISCAL NOTE (State Board of Education)

The Chicago Public Schools received approximately \$725.8 million in general State aid in FY01 of which approximately \$207.2 million was through the supplemental general State aid component. The statute already requires the Chicago Public Schools to distribute \$261 million of such "poverty" funds for these purposes, approximately \$54 million more than they receive. HB 2523 increases this distribution from \$261 million to \$293 million in FY02. This will obviously increase the Chicago Public Schools "subsidy" for this purpose by \$32 million.

STATE MANDATES NOTE (State Board of Education)

Sames as SBE fiscal note.

HOUSE AMENDMENT NO. 2.

Deletes everything after the enacting clause. Amends the School Code. Makes a technical change in a Section concerning the State aid formula.

HB-2531 DELGADO – FRITCHEY – SOTO – MILLER – DART, DAVIS, MONIQUE, YARBROUGH AND SCHOENBERG.

New Act

Creates the Short-term Loan Act. Requires applicants to provide public notice of the filing of applications for licenses and renewals. Requires a licensee to disclose all fees and interest charges on loans for all durations of loans made by the licensee. Requires licensees to disclose when renewing the license the number of loans made secured by title to a motor vehicle, the number of vehicle repossessions, the number of loans secured by post-dated checks, and the number of loans secured by post-dated checks that were defaulted. Requires licensees to disclose a toll-free telephone number for the Department of Financial institutions. Provides that the appraisal of motor vehicles that secure loans may not exceed the vehicle's "blue book" value. Requires licensees to provide debt management counseling information to defaulting borrowers. Provides that licensees may, but do not have to, issue loan proceeds by check. Prohibits additional charges for cashing instruments issued by the licensee. Imposes limits on origination fees for loans. Limits interest charges to an annual percentage rate not exceeding 40 percentage points over the prime rate. Authorizes a borrower to make partial payments at any time without charge. Provides that with respect to a check received as payment for a loan that is returned for nonpayment, a licensee may assess a fee only once regardless of how many times the check is redeposited and that the fee is the exclusive charge for late payment. Effective immediately.

FISCAL NOTE (Department of Financial Institutions)

HB 2531 would have a fiscal impact of at least \$225,000 to cover the cost of putting together a database to collect and store the statistical information coming to the Department. There would also be additional costs from HB 2531 to cover the costs of hearings. The Department estimates \$5,000 per hearing, but there is no way to determine the number of hearings that would result from this bill.

HOUSE AMENDMENT NO. 1.

Removes limit on finance charges. Removes restriction against locating a licensee near a college or university. Reduces from one mile to one-half mile the distance that a licensee location must be from wagering facilities. Provides that reports available to the public must be redacted to protect competitive practices or trade secrets. Eliminates criminal penalties for violations.

HB-2576 NOVAK – WINTERS.

415 ILCS 5/1 from Ch. 111 1/2, par. 1001

Amends the Environmental Protection Act. Makes technical changes in a Section concerning the short title.

STATE MANDATES NOTE, H-AM 3

(Department of Commerce and Community Affairs)

In the opinion of DCCA, HB 2576 (H-am 3) does not create a State mandate under the State Mandates Act.

HOME RULE NOTE, H-AM 3

(Department of Commerce and Community Affairs)

This legislation does not contain language indicating a pre-emption of home rule powers and functions. Therefore, in the opinion of DCCA, HB 2576 (H-am 3) does not preempt home rule authority.

HOUSE AMENDMENT NO. 3.

Deletes reference to:

415 ILCS 5/1

Adds reference to:

415 ILCS 5/4

from Ch. 111 1/2, par. 1004

Replaces everything after the enacting clause. Amends the Environmental Protection Act. Designates the Illinois Environmental Protection Agency as administrator of wetlands and erosion control programs under the federal Clean Water Act for the State of Illinois. Provides that beginning on the effective date, no other commission, agency, district, or other governmental entity has any authority to regulate wetlands or erosion control programs, except as may be delegated to it by the Agency or otherwise specifically granted by law. Effective immediately.

FISCAL NOTE, H-AM 3 (Environmental Protection Agency)

The U.S. Supreme Court held that the U.S. Army Corps of Engineers did not have the authority to regulate isolated wetlands under the federal Clean Water Act. Since isolated wetlands are no longer covered by the federal Clean Water Act, it is unclear what authority and responsibilities the Agency would be required to administer. Therefore, the Agency is unable to determine a fiscal impact.

Provides that a former member of the General Assembly Retirement System may transfer credits from the State Employees' Retirement System to GARS and may reinstate credits in those Systems that have been terminated due to acceptance of a refund. Also makes technical changes. Effective immediately.

PENSION NOTE, H-AM 1 (Pension Laws Commission)

The fiscal impact of HB 2703 (H-am 1) cannot be calculated, as it depends on the amount of service credit transferred. The fiscal impact is expected to be very minor.

FISCAL NOTE, H-AM 1 (State Employees Retirement Systems)

It is not possible to determine the precise impact of HB 2703.

Since an individual transferring credit from SERS to GARS must pay the full employer and employee contributions, the resulting cost impact would be very minor.

HB-2740 SCULLY – MADIGAN,MJ – SCOTT – FEIGENHOLTZ – DAVIS,MONIQUE, CURRIE, LANG, HAMOS AND JONES,LOU.

705 ILCS 405/5-175 new
 720 ILCS 5/1-9 new
 725 ILCS.5/103-10 new

Amends the Juvenile Court Act of 1987, the Criminal Code of 1961, and the Code of Criminal Procedure of 1963. Adds a new Section to each of these Acts concerning videotaped confessions. Each new Section contains only a caption.

FISCAL NOTE, AMENDED (Criminal Justice Information Authority)

If HB 2740, as amended, becomes law, there is expected to be a significant impact on local police agencies. Grant funds necessary to purchase digital video and related equipment for all Illinois law enforcement agencies to tape custodial interrogations is estimated to be at least \$12.8 million. The Authority would administer these grant funds. Based on the Authority's experience with federal grant programs, 5% to 10% of grant funds are needed to properly administer a program. Basing administrative costs on the 5% figure, the Authority estimates that the cost to administer a grant program of this magnitude would be approximately \$640,000. Therefore, the total impact on local law enforcement agencies and the Authority would be approximately \$13.4 million.

Requires the Director of State Police to compile the data collected from the citations and forward it to the

New Act

Creates the Land Banking Beneficial Disclosure Act. Provides that no agreement or understanding of any kind may be made or entered into by any department or agency of the State of Illinois with a trustee or beneficiary of a land trust, when the land is intended for use as a correctional facility or for airport purposes, until the beneficial interests in the property or land trust have been fully disclosed in a written statement to the department or agency. Requires the disclosure statement to identify each beneficiary and define his or her interest. Requires the trustee to file the disclosure statement with the county recorder. Effective immediately.

FISCAL NOTE (Department of Transportation)

Passage of HB 3024 would require that land trust disclosures be recorded. This recording requirement would cause a small increase in Department expenditures, but the exact amount is indeterminate at this time.

LAND CONVEYANCE APPRAISAL NOTE (Department of Transportation)

HB 3024 includes no particular conveyance of property by the State, therefore, the filing requirement for an appraisal is not applicable.

STATE MANDATES NOTE

HOUSE AMENDMENT NO. 2.

Provides that the disclosure statement must be filed at least 30 days before the closing of the sale.

STATE MANDATES NOTE, H-AM 2

(Department of Commerce and Community Affairs)

Provides that neither the State nor any unit of local government may enter into any agreement or understanding for the use or acquisition of land that is intended to be used or acquired for airport purposes or for a correctional facility unless full disclosure of all

HB-3030 SCHOENBERG.

15 ILCS 520/22.5 from Ch. 130, par. 41a

Amends the Deposit of State Moneys Act. Permits the State Treasurer to deposit uncommitted State funds at reduced interest rates in Illinois financial institutions that agree to make loans to units of local government for specified infrastructure projects.

FISCAL NOTE (State Treasurer)

HB 3030 will have a financial impact on the State's revenues. A program in the State which already provides low rate loans for wastewater treatment or sewer and water lines averages about \$100,000,000 in new loans per year at 2.905%. For the program to be viable the Treasurer's Office would need to match that rate to the borrower. The decrease in revenue would be \$6,430,000 per year for each \$100,000,000 in outstanding loans. The Treasurer's Office cannot make an estimate of the activity of electrical system loans but based on current return rates, every \$50,000,000 in loans outstanding would be an annual decrease in revenues of \$3,215,000.

820 ILCS 315/3

from Ch. 48, par. 283

Amends the Law Enforcement Officers, Civil Defense Workers, Civil Air Patrol Members, Paramedics, Firemen, Chaplains, and State Employees Compensation Act. Provides that beginning on the effective date of the amendatory Act and until January 1, 2003, the death benefit paid to the person designated by a covered official or employee shall be \$118,000 (rather than \$100,000). Provides that beginning January 1, 2003, the death compensation rate shall be increased on January 1 of each year by an amount equal to 3% of the compensation amount payable for a death occurring in the previous year. Effective immediately.

FISCAL NOTE (Court of Claims)

The Court of Claims pays a \$100,000 death benefit to surviving spouse or other designated survivors of covered officials and employees (including law enforcement officials and firemen) who are killed in the line of duty. The Court awarded 6 claims (\$600,000) in FY 99, 7 claims (\$700,000) in FY 00 and, to date, 8 claims (\$800,000) in FY 01. The fiscal impact of the increase provided in HB 3033 would depend on the actual number of future claims. Each claim awarded would cost the State an additional \$18,000 and a greater amount, annually, each year after 12/30/02.

HOUSE AMENDMENT NO. 1.

Deletes everything. Reinserts the provisions of the original bill with changes. Changes the annual increase in the death compensation rate from 3% to a percentage based on the federal Employment Cost Index for state and local government workers in public administration.

HB-3052 FLOWERS – DAVIS,MONIQUE.

New Act

Creates the Notice to Health Carriers Act. Provides that the Department of Professional Regulation shall provide health carriers with notice of adverse decisions against a physician or other licensed healthcare professional. Authorizes health carriers to limit, restrict, suspend, or terminate an agreement with physicians and other licensed health care professionals under certain circumstances. Provides immunity for health carriers against causes of action by physicians or other licensed health care professional based upon actions taken in response to the notice of adverse decision. Effective immediately.

FISCAL NOTE (Department of Professional Regulation)

The Department expects HB 3052, in its current form, to have a financial impact on the agency. The disciplinary information is currently available on the agency's Internet web site at no cost to the inquirer. The Department also continues to sell a monthly subscription to mail or fax the monthly disciplinary report at a cost of \$48 per year. The maximum cost to DPR, assuming that all health carriers requested a mailed copy of the report provided at no charge from the agency, is \$62,640 per year (1,305 health carriers at \$48). If all health carriers instead accessed the information from the web site, there would be no additional financial impact to the agency.

STATE MANDATES NOTE (Dept. of Commerce & Community Affairs)

In the opinion of the Department of Commerce and Community Affairs (DCCA), HB 3052 does not create a State mandate under the State Mandates Act.

305 ILCS 5/12-4.11 from Ch. 23, par. 12-4.11

Amends the Illinois Public Aid Code. Requires the Department of Human Services to increase TANF grant amounts by 15% effective July 1, 2001 and again July 1, 2002. Requires the Department on January 1, 2004 and every 2 years thereafter to report to the Governor and the General Assembly concerning the adequacy of TANF grant amounts to meet families' subsistence needs. Effective July 1, 2001.

HOUSE AMENDMENT NO. 1.

Provides that effective July 1, 2002 and each July 1 thereafter, the Department of Human Services must increase TANF grant amounts by no less than the increase in the federal employment cost index for the preceding calendar year (instead of increasing the grant amounts, effective July 1, 2002 only, by no less than 15% above the amounts in effect on June 30, 2002).

FISCAL NOTE (Department of Human Services)

Increasing TANF grant amounts by 15% of the current payment level, beginning July 2001, would yield an annual cost of approximately \$32.4 million or \$39 monthly per case. This cost estimate is based on the current FY01 TANF caseload of 69,852 cases and the predominate family size of three. The additional increase of 15% in the following years (July 2002) built on the prior year's increase would yield an additional annual cost of approximately \$37.3 million or \$45 monthly per case. In addition, the Department would incur additional cost due to cases remaining on the caseload for longer periods of time.

Amends the Illinois Vehicle Code. Provides that the Secretary of State may issue a special restricted license for a period of 12 months to an individual using vision aid arrangements other than standard eyeglasses or contact lenses, allowing the operation of a motor vehicle during nighttime hours. Provides that the Secretary shall adopt rules defining the terms and conditions by which the individual may obtain and renew this special restricted license. Provides that all drivers must meet minimum requirements, including: possession of a valid driver's license; previous operation of a motor vehicle during daylight hours for a period of 12 months using vision aid arrangements other than standard eyeglasses or contact lenses; having a driving record that does not include any traffic accidents; and successful completion of a road test administered during nighttime hours.

HOUSE AMENDMENT NO. 1.

Amends the Telecommunications Article of the Public Utilities Act. Creates the Telecommunications Consumer Choice Law of 2001. Provides that all interconnection agreements between an incumbent local exchange carrier and any other telecommunications carrier must be filed with the Commerce Commission as a tariff. Allows any telecommunications carrier to order any offering from an interconnection agreement or any other tariff regardless of whether or not that telecommunications carrier has its own interconnection agreement. Establishes criteria for classification of a service as competitive. Prohibits alternative forms of regulation (non-ratemaking) for incumbent local exchange carriers that do not comply with structural separation requirements that require separate subsidiaries for the provision of competitive services. Removes exemption from the enforcement procedures applicable to certain Bell operating companies. Increases authorized penalties from \$30,000 to \$1,000,000. Imposes obligations upon incumbent local exchange carriers with respect to interconnection, collocation, and network elements of service. Provides for the repeal of the Telecommunications Article on July 1, 2007 rather than July 1, 2001. Amends the Illinois Antitrust Act. Provides that a violation of interconnection obligations by an incumbent local exchange carrier is a prima facie violation of the Act. Abolishes an exemption for certain telecommunications activities under the Public Utilities Act. Effective immediately.

735 ILCS 5/2-1306 new

Amends the Code of Civil Procedure to prohibit court orders and judgments from concealing public hazards or information concerning public hazards. Effective July 1, 2001, and applies to causes of action accruing on or after that date.

STATE MANDATES NOTE (Dept. of Commerce and Community Affairs)

In the opinion of DCCA, HB 3146 does not meet the definition of a State mandate under the State Mandates Act.

FISCAL NOTE (Department of Public Health)

It is not anticipated that HB 3146 will create a fiscal impact on this Department.

JUDICIAL NOTE (Office of the Illinois Courts)

HB 3146 may result in a minimal increase in judicial workloads.

However, the bill would neither increase nor decrease the number of judges needed in the State.

HOUSE AMENDMENT NO. 1.

Deletes reference to:
 10 ILCS 5/17-12
 10 ILCS 5/17-18
 10 ILCS 5/24-22

Deletes everything. Amends the Election Code. Permits election authorities to use in-precinct automatic tabulating equipment. Requires that such equipment have voting defect identification capability and that voter insertion of ballots must be required if such equipment is used. Authorizes the State Board of Elections, from appropriations for this purpose, to make grants to election authorities that apply for reimbursement of up to 100% of the cost of in-precinct automatic tabulating equipment. Makes other changes. Effective immediately.

HOUSE AMENDMENT NO. 2.

In the provisions requiring the use of voting defect identification capability, requires the counting equipment to be set to return an undervoted ballot to the extent the equipment has that capability.

HOUSE AMENDMENT NO. 3.

Adds reference to:
 10 ILCS 5/17-14 from Ch. 46, par. 17-14

Deletes everything. Reinserts the provisions of House Amendments Nos. 1 and 2 with the following changes: Corrects a technical error. Changes the State Board of Elections' grant program to include reimbursement of the cost of training an election authority's employees in the use of the in-precinct automatic tabulating equipment and to exclude reimbursement of any costs reimbursed or paid by federal funds. If the first fiscal year's appropriation is insufficient to fully fund all grants, requires that fiscal year's appropriation be shared pro rata by approved applicants and that each subsequent year's appropriation be shared pro rata by the previous year's or years' applicants whose approved costs remain unreimbursed and then shared pro rata by new applicants. Defines "in-precinct automatic tabulating equipment" and changes references from "in-precinct counting equipment" to "in-precinct automatic tabulating equipment". Provides that persons otherwise entitled to assistance marking their ballots may have assistance with inserting their ballots into in-precinct automatic tabulating equipment. Effective immediately.

Amends the Election Code and the State Mandates Act. Requires a county clerk or board of election commissioners to provide a deputy registrar with additional voter registration application forms if the deputy registrar has no more than 5,000 (now, 200) such forms unaccounted for in the preceding 12 months. Requires a county clerk or board of election commissioners to accept an application for registration in another jurisdiction in the State and forward that application to the State Board of Elections, which shall record the application and forward it to the appropriate county clerk or board of election commissioners. Provides deadlines for forwarding applications. Requires the State Board of Elections to adopt rules concerning the acceptance and forwarding of applications. Requires implementation without reimbursement.

FISCAL NOTE (State Board of Elections)

HB 3149 would have minimal fiscal impact on the operations of the State Board of Elections. Any implementation costs could be absorbed within the regular operating budget.

HOME RULE NOTE (Department of Commerce and Community Affairs)

HB 2149 outlines procedures to be followed by county officials regarding voter registration applications. The legislation does not contain language indicating a pre-emption of home rule powers and functions. Therefore, in the opinion of DCCA, HB 3149 does not pre-empt home rule authority.

STATE MANDATES NOTE

(Department of Commerce and Community Affairs)

In the opinion of DCCA, HB 3149 creates a local government organization and structure mandate for which reimbursement of the increased costs to units of local government is not required under the State Mandates Act. In addition, the legislation amends the State Mandates Act to provide that reimbursement by the State is not required for the implementation of any mandate created by HB 3149.

HOUSE AMENDMENT NO. 1.

Changes from 200 to 500 the number of registration forms an election authority must provide to a deputy registrar with unaccounted forms in the preceding 12 months. Provides that an election authority receiving a voter registration for another election jurisdiction must forward the registration directly to the election authority of the other jurisdiction, rather than to the State Board of Elections.

STATE MANDATES NOTE (Dept. of Commerce and Community Affairs)
In the opinion of the DCCA, HB 3184 creates both a due process mandate for which no reimbursement is required, and a service mandate for which 50% to 100% of the increased cost to local governments would normally be required. Amends the IMRF Article of the Illinois Pension Code. Provides that an elected or appointed coroner or medical examiner may elect to participate in the Fund as a sheriff's law enforcement employee (SLEP). Allows conversion of prior service. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

PENSION NOTE (Illinois Pension Laws Commission)

The fiscal impact of HB 3205 cannot be determined, as the number of elected or appointed medical examiners who would

elect to be covered by the SLEP formula is unknown. Including additional employees under the SLEP formula would increase IMRF costs for their employers.

HB-3212 SCHOENBERG – MULLIGAN – OSMOND – DART, FRANKS, MATHIAS AND HOWARD.

New Act

Creates the Technology Development Act. Creates the Technology Development Fund as a special fund held separately by the State Treasurer and used by the State Treasurer to attract, assist, or retain quality technology businesses in Illinois. Permits the State Treasurer to make a one-time transfer to the Fund from the General Revenue

Fund in an amount not to exceed \$50,000,000. Permits the State Treasurer to deposit up to \$50,000,000 at reduced interest rates in financial institutions that use the moneys for development of technology initiatives in Illinois. Effective immediately.

FISCAL NOTE (Treasurer of the State of Illinois)

HB 3212 will create the Technology Development Fund and fund it with a transfer not to exceed \$50,000,000. Administrative costs are expected to be \$300,000. An estimate of the revenue generated from the fund is not possible at this time. It is possible the program could generate sufficient revenues over what would normally be earned in interest to offset the costs or could return less than normal.

HOUSE AMENDMENT NO. 1.

Requires that any venture capital firm's fund in which the State Treasurer invests must invest in technology businesses seeking to locate, expand, or remain in Illinois in an amount equal to or greater than the State Treasurer's investment. Limits the State Treasurer's investment in such a fund to 20% of that fund's total investments. Changes the maximum administrative expenses to be paid from the Technology Development Fund to \$200,000 per fiscal year.

SENATE AMENDMENT NO. 1.

Adds reference to:

15 ILCS 520/22.5

from Ch. 130, par. 41a

Deletes everything after the enacting clause. Creates the Technology Development Act. Authorizes the State Treasurer to establish the Technology Development Account, a limited portion of the Treasurer's investment portfolio that may be used for investments to attract, assist, and retain quality technology businesses in Illinois. Defines an Illinois venture capital firm as one with (i) a majority of its employees in Illinois or (ii) at least one managing partner domiciled in Illinois with significant investments in Illinois companies. Limits the State Treasurer's participation in a venture capital fund to 10% of the fund's investments. Limits the State Treasurer to investing one-third of the Account in any one year. Amends the Deposit of State Moneys Act. Authorizes the State Treasurer to invest State moneys in accordance with the Technology Development Act. Effective immediately.

Amends the Tax Increment Allocation Redevelopment Act and the Industrial Jobs Recovery Law in the Illinois Municipal Code. Provides that the report required to be sent by the municipality concerning its tax increment financing district or districts to the Comptroller shall be sent instead to the Department of Commerce and Community Affairs (DCCA). Provides that DCCA shall annually evaluate tax increment financing districts in Illinois using a cost-benefit analysis. For each tax increment financing district DCCA shall determine the increase in the assessed value of property in the district from the time the district was formed up to the date of the most recent report filed by the municipality and the amount of tax revenue foregone by each taxing district in which the tax increment financing district is located. Provides that DCCA shall determine, for all tax increment financing districts combined, the level of tax revenue generated within the districts at the time the district was formed and the tax revenue generated in the dis-

tricts at the time of the most recent reports submitted by the municipality. Requires DCCA to submit a report of this analysis to the municipality in which the tax increment financing district is located and to each taxing body affected by the tax increment financing district. Effective immediately.

Provides that the Task Force must investigate and determine the best methods to use to make the evaluations and must prepare and submit a report no later than June 30, 2002 containing its recommendations for the establishment of a system to evaluate the effectiveness of tax increment financing districts in Illinois. Provides that upon receipt of the Task Force's report the Department of Commerce and Community Affairs shall begin to implement the evaluation system recommended in the Task Force's report. Effective immediately.

215 ILCS 5/155.37 new

Amends the Illinois Insurance Code. Creates the Holocaust Victims Insurance Law. Requires the Department of Insurance to establish a toll-free telephone number to assist

persons seeking recovery of proceeds of an insurance policy issued to a Holocaust victim. Provides that insurers must expeditiously investigate claims under policies issued to Holocaust victims and allow claimants to meet a reasonable standard of proof pursuant to standards established by the Department. Requires insurers to allow claims irrespective of statute of limitations and notice requirements if the claim is filed within 10 years after the effective date of this amendatory Act. Authorizes a private right of action for damages caused by violations of the Law. Requires the Department to report to the General Assembly regarding insurers in this State that have a legal relationship with an international insurer that could have issued a policy to a Holocaust victim and claims related to Holocaust victims.

FISCAL NOTE (Department of Insurance)

The Department estimates that the costs associated with establishing a toll-free hotline would be approximately \$600 annually, including obtaining a new toll-free number, monthly phone charges, installation of the toll-free line, as well as installation and monthly charges associated with listing the number in a directory. In addition to these charges, there would be a cost associated with every incoming call received by the Department. The Department cannot estimate how many calls would be made to this hotline, and therefore, the Department cannot determine the cost of these calls.

HOUSE AMENDMENT NO. 1.

Deletes provision requiring the Department of Insurance to operate the toll-free telephone number in multiple languages. Requires an insurance company to ascertain whether it has a legal relationship to an international insurer that is a legal successor to an international insurer that issued a policy to a Holocaust victim. Provides that insurers can comply with the requirements of this amendatory Act by demonstrating compliance with an international commission on insurance claims by Holocaust victims.

HOUSE AMENDMENT NO. 1.

Adds reference to:
625 ILCS 5/6-105 from Ch. 95 1/2, par. 6-105

Further amends the Illinois Vehicle Code. Provides that a temporary license may be issued to an applicant if: he or she is applying for a non-photo driver’s license for religious reasons or as a result of facial disfigurement and is waiting for that application to be processed; he or she is prohibited by bona fide religious convictions from applying for a social security number, has made application for a driver’s license using a distinctive number in lieu of a social security number, and is waiting for that application to be

HB-3521 MORROW – HANNIG – SCHOENBERG – DAVIS, MONIQUE, FRITCHEY, FRANKS, DART, SCOTT, FLOWERS, GILES AND HOFFMAN.

30 ILCS 330/5 from Ch. 127, par. 655

Amends the General Obligation Bond Act. Includes the 2001 Illinois School Construction and Infrastructure Assistance Program in the Section concerning bond authorization for school construction.

STATE DEBT NOTE (Economic and Fiscal Commission)
 HB 3521 would not change the amount of authorization for any type of State-issued or State-support bond and, therefore, would not affect the level of State indebtedness.

HOUSE AMENDMENT NO. 1.

Adds reference to:
 30 ILCS 330/2 from Ch. 127, par. 652

Deletes everything. Amends the General Obligation Bond Act. Increases by \$500,000,000 the amount of bonds that may be issued to make grants for school improvement projects under the School Construction Law. Effective July 1, 2001.

STATE DEBT NOTE, H-AM 1 (Economic and Fiscal Commission)
 HB 3521 (H-am 1) would increase:
 General Obligation principal by \$500.0 million
 Potential General Obligation debt by \$908.1 million
 Annual debt service by \$ 36.8 million

BALANCED BUDGET NOTE, H-AM 1 (Bureau of the Budget)
 Since HB 3521 is not a supplemental appropriation bill, the Balanced Budget Note Act is inapplicable.

FISCAL NOTE, H-AM 1 (Bureau of the Budget)
 Assuming all of the authorized bonds are issued under prevailing interest rates, the impact would be approximately \$40,000,000 to \$50,000,000 GRF for each of the next 20 years.

STATE DEBT NOTE, ENGROSSED (Economic and Fiscal Commission)
 Same as previous State Debt Note.

Requires all goods purchased under the Code to be U.S.-made goods unless the cost of the U.S.-made goods exceeds the cost of other goods by 10% or more.

STATE MANDATES NOTE (Dept. of Commerce and Community Affairs)

In the opinion of DCCA, HB 3618 does not create a State mandate under the State Mandates Act.

FISCAL NOTE (Department of Central Management Services)

This legislation will affect the procurements made through the CMS Procurement Services Division and Bureau of Communication and Computer Services. Increased CMS administrative costs necessary to certify the content and origin of products, including 23 additional staff, would exceed \$1,645,644, of which \$1,594,517 would be needed annually. The state agencies purchases for products is approximately \$350,000,000. This legislation would also affect product purchases at universities and of constitutional officers not estimated here. This legislation could increase the spending up to 10%. So, the increased cost to the State of Illinois agencies for product purchases could approximate \$35,000,000 annually.

Amends the Illinois Municipal Retirement Fund Article of the Illinois Pension Code to authorize participation in the Fund by the employees of a charter school who are not eligible to participate in any other pension fund or retirement system established under the Code. Effective immediately.

PENSION IMPACT NOTE (Pension Laws Commission)

Employees of employers joining IMRF receive credit (without making contributions) for 5 years or 20% of service with the employer, whichever is less. Upon joining IMRF, a charter school would be required to make annual contributions to amortize the unfunded liability (over 10 years) created by employees' past service credit. The resulting increase in unfunded liability and associated annual costs cannot be determined, as the amount of outstanding service that would be granted to employees of charter schools is unknown. Allowing certain employees of charter schools into IMRF would not affect the accrued liability or annual cost of any other IMRF employer.

HB-3632 SCULLY - PARKE - DELGADO - MAY - CROTTY.

New Act

Creates the Fireworks Outdoor Advertising Act. Prohibits outdoor billboards advertising fireworks for sale. Restricts the concurrent exercise of home rule powers.

HOME RULE NOTE

(Illinois Department of Commerce and Community Affairs)
 A home rule unit may not regulate the outdoor advertising of fireworks in a manner less restrictive than the Fireworks Outdoor Advertising Act. This is a limitation on the concurrent exercise by home rule units of the powers and functions exercised by the State. Therefore, in the opinion of DCCA, HB3632 pre-empts home rule authority.

FISCAL NOTE

(Illinois Department of Commerce and Community Affairs)

HB 3632 does not incur a fiscal impact on DCCA or on units of local government.
