The Digest is published by the Legislative Reference Bureau. It is prepared for print through the computer services of the Legislative Information System and is printed by the Legislative Printing Unit.

The format of the Digest includes synopses of bills and resolutions pending in the House of Representatives and the Senate and indices by statute reference, subject matter, and sponsor.

The Digest is published periodically during the time the General Assembly is in Session. It is available by subscription through the Legislative Reference Bureau for \$55.00 per calendar year.

A synopsis contained in the Digest does not purport to be an analysis of the bill described. It is intended to give only sufficient information concerning the subject matter so that the reader may determine whether he or she is interested in examining the bill to determine its full content and effect.

105 ILCS 235/15-25

Amends the State Aid Continuing Appropriation Law. Makes the Law applicable to fiscal year 2004 and each fiscal year thereafter. Provides that if the General Assembly fails to make Common School Fund appropriations to the State Board of Education in fiscal year 2004 and in each fiscal year thereafter sufficient to fund the general State aid, supplemental general State aid, and supplementary grants in aid provisions of the State aid formula, the Law shall constitute an irrevocable and continuing appropriation from the Common School Fund of all amounts necessary for those purposes. Removes a provision that provides for the Law's repeal on June 30, 2003. Effective immediately.

SENATE FLOOR AMENDMENT NO. 1

Provides that the continuing appropriation language applies beginning in fiscal year 2003 (instead of fiscal year 2004).

FISCAL NOTE (S-AM1) (State Board of Education)

The preliminary data used during the final budget discussions is very close to the final data received in July and the continuing appropriation is therefore a small percentage of the GSA appropriation. As an example, the FY03 difference is less than 1% off (\$21.8 M of the over \$3 B GSA appropriation).

New Act

Creates the Equal Pay Act of 2003. Provides that no employer may discriminate between employees on the basis of sex by paying wages solely on the basis of the employee's gender. Prohibits retaliatory discharge or discrimination against an employee on the basis of the employee's use of the Act and provides for penalties for violations of the Act, including a Class B misdemeanor for retaliatory discharge or discrimination by the employer. Provides that the Director of Labor shall administer and enforce the Act. Provides that every employer subject to the Act shall preserve specified records for not less than 3 years. Provides that every employer covered by the Act shall post a notice summarizing the requirements of the Act. Provides that the Department of Labor shall conduct ongoing outreach and education efforts concerning the Act.

SENATE COMMITTEE AMENDMENT NO. 2

In provisions creating an exception to the prohibition against discriminating between employees on the basis of sex where the payment is made under a differential based on a factor other than sex, provides instead that the exception applies if the differential is based on a factor other than (i) sex or (ii) a factor that would constitute unlawful discrimination under the Illinois Human Rights Act. Changes the amount of the civil penalty for violating the Act, and replaces the criminal penalty with specified civil relief for the employee. Prohibits discharging or discriminating against any employee because that employee has consulted counsel in connection with instituting any proceeding under the Act.

FISCAL NOTE (Department of Labor)

Administration of the Act would require the addition of one Equal Pay Officer, one Statistical Research Specialist II, one Research Economist, and one Executive I (outreach). The Department would also need additional monies for printing costs associated with the required postings. The fiscal impact is as follows: Equal Pay Officer \$40,000; Statistical

Research Specialist II \$50,000; Rresearch Economist \$55,000; Executive I \$35,000; fringes \$45,200; contractual services (6 months legal research) \$50,000; travel \$18,500; commodities \$3,000; printing \$15,000; equipment \$6,000; EDP equipment \$6,000; telecommunications \$3,000. Total cost \$326,700.

SENATE FLOOR AMENDMENT NO. 3

Provides that the Act may not be construed to require an employer to pay, to any employee at a workplace in a particular municipality, wages that are equal to the wages paid by that employer at a workplace in another municipality to employees in jobs the performance of which requires equal skill, effort, and responsibility, and which are performed under similar working conditions.

STATE MANDATES FISCAL NOTE (S-AM 2) (Illinois State Board of Education)

Senate Bill creates a personnel mandate for school districts in that it requires additional insurance coverage for employees. The State Mandates Act is not amended so local school districts would not have to comply unless the state reimbursed them. If the cost is less than \$1,000 per district or less than \$50,000 across all school districts, schools would have to comply and bear the cost. It is unclear how much such additional coverage may cost.

STATE MANDATES FISCAL NOTE (Illinois Community College System)

Under the State Mandates Act, a "State Mandate" means any State-initiated statutory or executive action that requires a unit of local government to establish, expand, or modify its activities in such a way as to necessitate additional expenditures from local revenues. Each community college is considered a unit of local government. This bill requires colleges to comply with the Act, and at this time, the ICCB believes that the colleges are non-discriminating on the basis of sex, and therefore, this mandate would require little or no additional costs to the colleges. There also is estimated to be little or no cost to the ICCB.

SENATE FLOOR AMENDMENT NO. 4

Provides that the Act may not be construed to require an employer to pay, to any employee at a workplace in a particular county (rather than a particular municipality), wages that are equal to the wages paid by that employer at a workplace in another county (rather than another municipality) to employees in jobs the performance of which requires equal skill, effort, and responsibility, and which are performed under similar working conditions.

SENATE FLOOR AMENDMENT NO. 5

Provides that an employee may recover in a civil action the entire amount (rather than the amount) of any underpayment and may collect interest, and the employee's recovery shall be "as necessary to make the employee whole". Provides that an action shall be brought within 3 years from the date the employee learned of the underpayment (rather than within 3 years from the date of the underpayment).

STATE MANDATES FISCAL NOTE (S-AM3) (Dept of Commerce and Community Affairs)

SB2 as amended by SAM3, creates both a due process mandate and a local government organization and structure mandate. No State reimbursement is required due to the imposition of either type of mandate under the State Mandates Act.

New Act

30 ILCS 105/5.595 new

Creates the Senior Citizen Prescription Drug Discount Program Act. Provides that the Program shall be administered by the Department of Central Management Services to enable eligible senior citizens to purchase prescription drugs at discounted prices and that the Department shall (i) enroll eligible seniors into the Program, (ii) enter into rebate agreements with drug manufacturers, either itself or through an agent, and (iii) reimburse pharmacies for the cost of providing discounts using the proceeds from the manufacturer rebate agreements. Eligible seniors are persons who are Illinois residents and who are 65 years of age or older. Establishes a prescription pricing formula. Sets guidelines for the rebate agreements. Establishes application requirements for seniors and eligibility requirements for pharmacies. Requires the Department to adopt rules. Amends the State Finance Act to create the Senior Citizen Prescription Drug Discount Program Fund into which rebate payments and enrollment fees shall be deposited. Provides for an initial transfer from the General Revenue Fund into the Drug Discount Program Fund of \$27,000,000 to be repaid to the General Revenue Fund out of rebate payments. Effective July 1, 2003.

SENATE COMMITTEE AMENDMENT NO. 1

Deletes everything after the enacting clause. Reinserts the bill as introduced but makes the following changes: (1) includes disabled persons as covered under the Program; (2) uses a preferred drug list rather than the Federal Supply Schedule; (3) requires the Department of Central Management Services to issue a request for proposals for bidders interested in administering the Program; (4) establishes the basis for entering into prescription pricing agreements between the Department and the Program administrator; (5) adds language concerning the obligations of Program administrators; and (6) makes other changes. Effective July 1, 2003.

FISCAL NOTE (Department of Central Management Services)

An initial GRF transfer of \$1 million into the Senior Citizen and Disabled Persons Prescription Drug Discount Fund would be needed to pay for start-up costs, including 24 new staff, until enrollment fees are sufficient to pay for ongoing costs. Ongoing annual administrative costs are estimated to be approximately \$23.4 million. Assuming one-third of eligible seniors and persons with disabilities enroll, the program would serve approximately 1,160,000 enrollees. Annual enrollment fees of \$25 per enrollee would result in revenues totalling approximately \$29 million per year. This amount would be sufficient to cover ongoing administrative costs. A GRF transfer of \$27 million into the Senior Citizen and Disabled Persons Prescription Drug Discount Fund is required during the start-up period to facilitate program reimbursements to pharmacies. The bill anticipates sufficient revenues being received from manufacturer rebate agreements to reimburse pharmacies timely and

includes a provision for automatic transfer of these start-up funds back to the GRF. However, we believe there will likely be insufficient rebate revenues to return the \$28 million start-up cash to the GRF, or to compensate participating pharmacies.

SENATE FLOOR AMENDMENT NO. 3

Deletes everything after the enacting clause. Reinserts the provisions of Senate Amendment No. 1, with changes as follows. Provides that the reimbursement to pharmacies shall be subject to available funds and shall be equal to the difference between the amount paid by the eligible senior or disabled person under the program and (i) the average wholesale price minus 12% for brand name drugs, single-source generic drug products, and, for a period of 6 months, newly-released generic drug products and (ii) the average wholesale price minus 35% for generic drugs, but only if the amount paid by the eligible senior or disabled person is less than these amounts. Limits the amounts to be deposited into the Senior Citizens and Disabled Persons Prescription Drug Discount Program Fund to annual enrollment fees and other amounts to be allocated to the Department (excluding amounts to be used for compensation of pharmacies). Removes language authorizing the transfer of \$27,000,000 into the Fund. Establishes specific items that must be included in the report on the program. Makes other changes. Effective July 1, 2003.

SENATE FLOOR AMENDMENT NO. 4

Provides that language prohibiting the program administrator from using funds generated from rebates, discounts, administrative fees, or other fees to promote its mail order pharmacy operation or that of an affiliate does not, however, limit the participation of an Illinois-licensed pharmacy under the Act if that pharmacy provides prescription drugs by mail order.

35 ILCS 5/212

Amends the Illinois Income Tax Act. Removes language that terminates the earned income tax credit with taxable years ending on or before December 31, 2002. Exempts the credit from the sunset requirements. Effective immediately.

FISCAL NOTE (Department of Revenue)

Eliminates the repeal date for the earned income tax credit. This would extend the earned income tax credit indefinitely. Senate Bill 4 would have a negligible impact on the Department of Revenue. However, this credit represents a loss of tax revenues to the State of Illinois. For tax year 2001, the earned income tax credit totaled approximately \$44 million.

HOUSE AMENDMENT NO. 1

Beginning in 2003, requires the excess credit to be refunded to the taxpayer, but not counted in determining eligibility for means-tested benefits. Provides that refunds authorized by this amendatory Act are subject to the availability of funds from the federal Temporary Assistance for Needy Families Block Grant and the State's ability to meet its required Maintenance of Effort.

40 ILCS 5/2-119.2 new

Amends the General Assembly Article of the Illinois Pension Code. Provides that the total retirement annuity, including any automatic, one-time, or other increases in that annuity, shall not ever exceed 100% of the participant's highest salary for annuity purposes. Applies only to a person who first becomes a participant on or after the effective date. Effective immediately.

PENSION NOTE (Pension Laws Commission)

The fiscal impact of SB 14 has not been calculated. As the bill limits the post-retirement annual increases of certain future members and retirees, SB 14 would have a positive fiscal impact over the long term.

FISCAL NOTE (State Retirement Systems)

This bill would generate savings, but because of the constitutional provisions, it would only apply to new participants and savings would be deferred until after fiscal year 2025.

Amends the Criminal Code of 1961. Exempts from an eavesdropping violation, electronic recordings made of a custodial interrogation of an individual by a law enforcement officer at a police station or other place of detention in investigations for homicide and certain sex offenses. Amends the Code of Criminal Procedure of 1963 and the Juvenile Court Act of 1987. Provides that statements made by a suspect at a custodial interrogation at a police station or other place of detention in investigations for homicide and certain sex offenses are presumed inadmissible unless electronically recorded. Provides that the presumption may be overcome by a preponderance of the evidence that the statements were voluntary and reliable based upon the totality of the circumstances. Provides exceptions. Amends the Illinois Police Training Act. Provides that the Illinois Law Enforcement Training Standards Board must conduct a training program for police officers on the methods and technical aspects of electronic recording of interrogations. Amends the Illinois Criminal Justice Information Act. Provides that the Illinois Criminal Justice Information Authority, from appropriations made to it for that purpose, shall make grants to local law enforcement agencies for the purpose of purchasing equipment for electronic recording of interrogations. Amends the State Mandates Act. Exempts provisions of the bill from the reimbursement requirements of the State Mandates Act. Some provisions take effect immediately.

SENATE COMMITTEE AMENDMENT NO. 1

Deletes all. Reinserts the provisions of the bill with changes. Eliminates provisions relating to the defense attorney reviewing copies of the recording. Permits the recording of the custodial interrogation to be digitally recorded. Eliminates the requirement of recording in sex offense cases. Permits statements that were not recorded to be admitted into evidence to rebut a witness called by the defendant.

SENATE FLOOR AMENDMENT NO. 2

Deletes all. Reinserts the provisions of the bill as amended by Senate Amendment No. 1 but deletes reference to sexual offenses. Also provides that an electronic recording of a statement by the minor or accused during a custodial interrogation is confidential and exempt from public inspection.

SENATE FLOOR AMENDMENT NO. 4

Provides that the presumption of inadmissibility of a statement made by a suspect at a custodial interrogation applies only to statements made by a suspect at a custodial interrogation at a police station or other place of detention.

FISCAL NOTE (S-AM 1 & 2) (Dept of Commerce and Community)

SB 15 does not impose requirements on DCCA. In regard to the provisions of this bill that authorize the Illinois Criminal Justice Information Authority to issue grants for the purchase of electronic recording equipment, the fiscal impact to local law enforcement agencies is anticipated to be positive. However, the grant program is subject to appropriation, and an amount has not been allocated in the State Budget.

FISCAL NOTE (State Police)

The most inexpensive way to be in compliance would be to use only audio tape to record interrogations/confessions. However, to equip every officer with appropriate (evidentiary quality) audio equipment, stock supplies, create an evidence inventory system, and then to train officers on use, application, and legal obligations of electronic recording could cost as much as \$500,000. If the application was limited to investigations only, the cost of implementation could be significantly reduced. A more expensive, but significantly more effective, application of this law would be to use a blend of audio/video recording. The Illinois State Police would have to create interrogation rooms throughout the state and these costs could easily add an additional \$500,000 to the costs.

Creates the Tax Delinquency Amnesty Act. Provides that the Department of Revenue shall establish a tax amnesty program for delinquent taxes required to be collected by the Department to run for a period from October 1, 2003 though November 30, 2003 and to cover any taxable period ending prior to July 1, 2002. The Department shall not collect any interest or penalties on those taxes or pursue the taxpayer either by civil suit or criminal prosecution for those taxes if amnesty is granted to the taxpayer. Excludes taxpayers who are a party to any criminal investigation or to any pending civil or criminal litigation concerning the tax liability. Requires the Department to adopt rules. Provides that the money collected under the amnesty program (except for personal property tax replacement income tax collected) shall be deposited as follows: (i) one-half into the Common School Fund; (ii) one-half into the General Revenue Fund. Amends the Uniform Penalty and Interest Act. Provides that, if a taxpayer eligible for the amnesty program fails to satisfy the tax liability

during the amnesty period, then the interest or penalty or both imposed by the Department on that tax liability shall be imposed in an amount that is 200% of the amount that would otherwise be imposed. Effective immediately

SENATE COMMITTEE AMENDMENT NO. 1

Provides that the amnesty program excludes motor fuel use taxes. Removes language requiring the Department to prepare amnesty tax return forms. Changes the amnesty period from October 1, 2003 through November 30, 2003 to September 1, 2003 through November 15, 2003. Removes the requirement for an application for amnesty and provides that the taxes covered by the program include any taxable period ending after June 30, 1983 and prior to July 1, 2002 (now, no earliest date). Prescribes how voluntary payments may be made. Requires 2% of the money collected under the Act to be deposited into the Tax Compliance and Administration Fund and, subject to appropriation, used by the Department to cover costs associated with the administration of the Act. Makes other changes.

FISCAL NOTE (S-AM1) (Department of Revenue)

The Department estimates that SB 18 would generate between approximately \$120 million and \$230 million. Because it is extremely difficult to predict how taxpayers will react to amnesty, the department has made a number of assumptions. The estimate is an order of magnitude only, and as was the case in 1984, the vast majority of revenue will be an acceleration of tax the Department would ultimately collect.

725 ILCS 5/113-8 new

Amends the Code of Criminal Procedure of 1963. Provides that before the acceptance of a plea of guilty, guilty but mentally ill, or nolo contendere to a misdemeanor or felony offense, the court shall advise the defendant in open court that if the defendant is not a citizen of the United States conviction of the offense for which the defendant has been charged may have the consequences of deportation, exclusion from admission to the United States, or denial of naturalization under the laws of the United States.

SENATE COMMITTEE AMENDMENT NO. 1

Deletes the requirement that, before accepting an alien defendant's plea of guilty, mentally ill, or nolo contendere, to a misdemeanor or felony offense, the court shall allow the defendant additional time to consider the appropriateness of the plea in light of the defendant's advisement by the court that conviction of the charged offense may have immigration consequences for the defendant; and that, if the defendant is arraigned on or after the effective date of the Act, and the court fails to make that advisement to the alien, and the alien shows that conviction of the offense the defendant pleaded guilty to may have the immigration consequences for the defendant, the court shall, on the

defendant's motion, vacate the plea of guilty, guilty but mentally ill, or nolo contendere, and enter the plea of not guilty. Deletes the requirement that, in the absence of a record of that advisement by the court, the defendant shall be presumed not to have received the required advisement. Deletes the language providing that, if the defendant is arraigned before the effective date of this Act, a court's failure to provide this advisement does not require the vacation of judgment and withdrawal of the plea or constitute grounds for invalidating a prior conviction; but the court has the discretion to vacate a judgment and permit a defendant to withdraw a plea; and that at the time of the plea no defendant shall be required to disclose his or her legal status to the court.

35 ILCS 120/2-10 from Ch. 120, par. 441-10

Amends the Use Tax Act, the Service Use Tax Act, the Service Occupation Tax Act, and the Retailers' Occupation Tax Act. Extends the partial exemption from the taxes imposed by these Acts on gasohol to December 31, 2013 (now ends on July 1, 2003), gradually reducing the partial exemption to zero after December 31, 2013. Partially exempts E85 blend fuel and bio-diesel blend fuel in the same amount and according to the same schedule as gasohol. Provides that if, at any time, the tax under these Acts on gasohol, E85 blend fuel, and bio-diesel blend fuel is imposed at 1.25%, then the partial exemption of the tax on those items does not apply during that time. Effective immediately.

FISCAL NOTE (Department of Revenue)

Because the incentive on gasohol will be slightly reduced, we believe that this will cover the cost of the new incentives for other biomass fuels, which would make this legislation revenue neutral.

FISCAL NOTE (Department of Transportation)

No impact on the federal highway funds coming to Illinois.

35 ILCS 105/3-44.5 new
35 ILCS 505/2 from Ch. 120, par. 418

Deletes everything after the enacting clause. Reinserts the provisions of the bill as introduced with some changes, including changes in the percentage of proceeds exempt from taxation. Replaces the definition of "bio-diesel blend fuel" with definitions for "biodiesel" and "biodiesel blends" and replaces the definition for "E85 blend fuel" with "majority blended ethanol fuel". Provides for certain exemptions for gasohol, majority blended ethanol, 100% biodiesel, and biodiesel blends. Amends the Motor Fuel Tax Law to provide that "diesel fuel" is any fuel (now, petroleum product) intended for use or offered for sale as a fuel for engines in which the fuel is injected into the

combustion chamber and ignited by pressure without electric spark. Provides that the changes made by this amendatory Act take effect if and only if both Senate Bill 1212 and House Bill 46 of the 93rd General Assembly become Law. Effective immediately.

210 ILCS 87/1

Amends the Language Assistance Services Act. Makes a technical change in a Section concerning the short title.

SENATE COMMITTEE AMENDMENT NO. 1

- Deletes reference to:
- 210 ILCS 87/1
- Adds reference to:
- 210 ILCS 87/10
- 210 ILCS 87/15
- 210 ILCS 87/16 new
- 210 ILCS 87/17 new
- 210 ILCS 87/18 new

Replaces everything after the enacting clause. Amends the Language Assistance Services Act. Makes the provisions of the Act mandatory rather than discretionary. Provides for administration

and enforcement of the Act by the Department of Public Health. Provides that the Department of Public Health shall develop a complaint system. Provides that a violation of the Act is a business offense.

FISCAL NOTE (S-AM1) (Department of Public Health)

The only costs we could estimate would be associated with the new mandatory nature of the law and the potential for increased complaints that could be received. We cannot estimate the potential for additional complaints related to the changes in this legislation. Complaint investigations in hospital settings require a minimum of 2 certified surveyors and generally take 2 days on average to conduct and write up. Personnel Services costs for a surveyor average \$82,000 per year. Without additional information the estimate of costs associated with this legislation would require a total of 1 FTE at the \$82,000 annually.

HOUSE AMENDMENT NO. 1

Adds reference to:

210 ILCS 87/19 new

Further amends the Language Assistance Services Act. Provides that the Department shall establish a complaint system or utilize an existing Department complaint system. Provides guidelines for the complaint system. Provides that, if the complaint is not resolved informally, then the Department shall serve a notice of violation of this Act upon the health facility. Provides that, if the Department finds that a health facility is in violation of this Act, the health facility may submit to the Department, for its approval, a plan of correction. Provides for penalties for violations of an approved plan of correction. Provides that the Illinois Administrative Procedure Act shall apply to all administrative rules and procedures of the Department under the Act and that the Administrative Review Law shall apply to and govern all proceedings for judicial review of final administrative decisions of the Department under the Act.

110 ILCS 70/36n-5 new

Amends the State Universities Civil Service Act. Allows an employer to make an extra-help appointment to any position for work that the employer attests to be casual or emergent in nature and that meets certain conditions. Provides that an extra-help position may be utilized for a maximum of 900 hours of actual work in any consecutive 12 calendar months. Provides that after an extra-help position has accrued 900 consecutive hours, the appointment shall become a permanent, status appointment with benefits within the limits established for comparable service in a status position. Provides that an extra-help employee who becomes a status employee shall receive seniority for all hours worked as an extra-help employee and seniority shall be applied in the same manner as for employees in status positions. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 1

Provides that the employer's review of the status of the extra-help position shall be made available for public inspection. Provides that after an extra-help position has accrued 900 consecutive hours within a calendar year, the position shall not be refilled, except by a qualified status employee (instead of the extra-help appointment becoming a permanent, status appointment with benefits after the extra-help position has accrued 900 consecutive hours and the extra-help position being terminated and not reestablished until at least 6 months time has elapsed). Provides that the employer shall not create new extra-help positions in the same classification to circumvent the intent of the amendatory provisions. Provides that upon working 900 hours, the extra-help

appointee shall not resume employment in another extra-help position in a place of employment until at least 12 months have elapsed (instead of prohibiting the resumption of employment in an extra-help appointment at a place of employment until 30 calendar days have elapsed). Provides that within any place of employment, an employer shall, prior to eliminating a status position, first eliminate any positions being filled by an extra-help appointee in the same classification.

New Act

Creates the Public Service Accountability Act. Sets out the requirements for privatization contracts between contractors and State agencies. Provides for the monitoring and enforcement of privatization contracts. Establishes fines and prison sentences for a violation of certain Sections of the Act. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 1

Makes changes in the definitions of "State agency" or "agency", "discrimination or retaliation", "person", "public record", and "privatization contract". Requires every bid for a privatization contract to contain details concerning certain positions in which the bidder will employ any person pursuant to the contract and for which the duties are substantially similar to the duties performed by a regular agency employee. Contains provisions concerning the inclusion of comparable health insurance, pension contributions, or the cash value of those benefits and a prevailing wage rate in the minimum compensation requirements for privatization agreements. Provides that every privatization contract shall outline the liability of the parties for failure to meet the disclosure requirements of either the Freedom of Information Act or the Public Service Accountability Act (now, just the Freedom of Information Act). Contains provisions concerning the duties of a State agency to employee organizations representing employees affected by a proposed privatization contract. Requires the employee organization to submit any amendments to a collective bargaining agreement relevant to the proposed privatization contract within 35 working days prior to the final day for the agency to receive sealed bids. Provides that the agency's public designation of the bidder to which it proposes to award a privatization contract must include certain disclosures and certifications (now, just disclosures) and provides that a bidder who does not satisfy those disclosure and certification requirements shall not be awarded a privatization contract. Makes other changes.

SENATE COMMITTEE AMENDMENT NO. 3

Deletes everything. Re-inserts the original provisions but changes the definition of "privatization contract" to exempt certain contracts from the provisions of the Act. Provides that a privatization contract means certain contracts that result in the reduction in force of at least one permanent, classified employee. Makes other changes. Effective immediately.

FISCAL NOTE (S-AM 1 & 3) (Bureau of the Budget)

On reviewing this legislation, the Bureau has determined that the legislation does not propose that the Bureau receive or expend any appropriation, or collect any revenues specified by the legislation. As such, there is no Fiscal Note impact for this bill.

SENATE FLOOR AMENDMENT NO. 5

Makes changes concerning the definition of "privatization contract". Removes provisions requiring State agencies to solicit competitive sealed bids for privatization contracts based upon a written statement of the services to be provided under the contract and requiring the agency to publish the statement in the State register not later than 30 days prior to the dates on which bids are due. Removes provisions concerning the details required to be included in a bid for a privatization contract.

SENATE FLOOR AMENDMENT NO. 6

Makes changes concerning the types of contracts to which the Act shall not apply.

705 ILCS 35/2f-1 new
 705 ILCS 35/2f-2 new
 705 ILCS 35/2f-3 new
 705 ILCS 40/2 from Ch. 37, par. 72.42

Amends the Circuit Courts Act and the Judicial Vacancies Act. Adds 3 resident judgeships to the twelfth judicial circuit, 3 resident judgeships to the eighteenth circuit, and 4 resident judgeships to the nineteenth judicial circuit. Requires that the additional judgeships be filled beginning at the 2006 general election and prohibits appointments to fill those judgeships before the 2006 general election. Requires that by January 1, 2005, the General Assembly divide those circuits into subcircuits. Requires that the Supreme Court allot the additional judgeships and the other resident judgeships, as they become vacant (other than for election in 2004), to the various subcircuits to be filled by election until the appropriate number of resident judges is elected from each subcircuit. Requires the Supreme Court to determine by lot the numerical order of the subcircuits for the purpose of assigning resident judgeships to subcircuits.

SENATE COMMITTEE AMENDMENT NO. 1

Adds reference to:

- 10 ILCS 5/7-7
- 10 ILCS 5/7-8
- 705 ILCS 35/1
- 705 ILCS 35/2
- 705 ILCS 35/2a
- 705 ILCS 35/2b
- 705 ILCS 35/2f-4 new
- 705 ILCS 35/2f-5 new
- 705 ILCS 45/2

Deletes everything. Amends the Election Code, the Circuit Courts Act, the Judicial Vacancies Act, and the Associate Judges Act. Divides the 19th judicial circuit (Lake and McHenry) into the 19th (Lake) and the 22nd (McHenry) circuits beginning December 4, 2006. Adds additional judges in those circuits. Provides for the election of judges by subcircuit in the 19th circuit. Divides the 12th judicial circuit into 5 subcircuits. Adds resident judgeships and changes existing at large judgeships (when vacant) into resident judgeships to provide for the election of 2 judges from each subcircuit. Divides the 18th circuit into 6 subcircuits. Adds resident judgeships and changes existing at large judgeships (when vacant) into resident judgeships to provide for the election of 3 judges from each subcircuit. Makes other changes. Effective immediately.

JUDICIAL NOTE (S-AM1) (Admin Office of the Illinois Courts)

In all, the bill creates 14 new judgeships that will be first filled by election at the 2006 general election. It appears, however, that SB75 may also result in a reduction in the number of at large circuit judgeships. Currently, there are 8 at large circuit judges in the 12th circuit,

and 13 at large judges in the 18th circuit. The bill provides that 4 of the 8 in the 12th circuit are to be allotted for resident (subcircuit) judgeships, and 12 of the 13 in the 18th are to be allotted for resident (subcircuit) judgeships. Absent elections to fill vacancies in the at large judgeships that are not allotted for resident (subcircuit) judgeships, the non-allotted at large judgeships in the 12th (4 judgeships) and the 18th (1 judgeship) will be gradually eliminated. The timing of the reduction in the number of at large judgeships would depend on the occurrence of vacancies. SB75 will also have an impact on the total number of authorized associate judgeships. The total number of associate judgeships for the new circuits will be 27, an increase of one from the number authorized for the existing 19th circuit.

SENATE FLOOR AMENDMENT NO. 2

Adds reference to:

705 ILCS 35/2f-6 new

705 ILCS 35/2f-7 new

Deletes everything. Reinserts the provisions of the bill as amended by Senate Amendment No. 1 with the following changes: Divides the 3rd judicial circuit into subcircuits as follows: 8 subcircuits in Madison County and one in Bond County. Divides the 20th judicial circuit into subcircuits as follows: 8 in St. Clair County and one each in Monroe, Randolph, Pery, and Washington County. Provides that in the 12th judicial circuit 4 of the 8 at large circuit judgeships shall continue to be elected at large. Provides that in the 19th judicial circuit 4 of the 5 at large circuit judgeships shall continue to be elected at large. Makes other changes. Effective immediately.

FISCAL NOTE (S-AM1) (Admin Office of the Illinois Courts)

Based on the currently authorized salary for circuit judges, the annual salary expense for the 14 new judgeships will be \$1,904,644 and the cost for payment of the Medicare portion of Social Security will amount to an additional \$27,617 on an annual basis. The full annual expense will not be incurred until fiscal year 2008, since the new judgeships are not to be filled until after the 2006 general election. It appears that the fiscal impact of the bill will decrease in subsequent years due to amendatory provisions relating to at large judgeships. Absent elections to fill vacancies in the at large judgeships that are not allotted for resident (subcircuit) judgeships, the non-allotted at large judgeships in the 12th and 18th circuits will gradually be eliminated. Given a total of five at large judgeships that are not allotted to subcircuits, the fiscal impact of the bill will be reduced by \$680,230 for salary and \$9,863 for the cost of the Medicare portion of Social Security. In addition to 14 new judgeships, one additional associate judgeship will be added. Based on the currently authorized salary for associate judges, the annual salary expense for an additional associate judgeship will be \$126,747 and the cost of the Medicare portion of Social Security will be an additional \$1,838 on an annual basis. The full annual expense for the additional associate judgeship will not be incurred until fiscal year 2008, since the new judgeship will not be authorized until the new circuits are created on December 4, 2006.

HOUSE AMENDMENT NO. 1

Deletes reference to:

705 ILCS 35/2

705 ILCS 35/2a

705 ILCS 35/2b

705 ILCS 35/2f-3 new

705 ILCS 35/2f-6 new

705 ILCS 35/2f-7 new

Deletes everything. Amends the Election Code, the Circuit Courts Act, the Judicial Vacancies Act, and the Associate Judges Act. Divides the 19th judicial circuit into the 19th (Lake County) and 22nd (McHenry County) judicial subcircuits, effective December 4, 2006. Requires that by February 1, 2004, the General Assembly must divide the 19th, 22nd, and 12th (Will County) judicial circuits into subcircuits. In the 12th judicial circuit, adds one resident judgeship and converts 2 associate judgeships to provide enough resident judgeships. Provides that the Supreme Court shall fill the 12th circuit's additional resident judgeship by appointment until it is filled at the 2006 general election. Provides that the Supreme Court shall allot resident judgeships as they become vacant and that no resident judge must move to continue serving or to seek retention. Effective immediately.

LAND CONVEYANCE APPRAISAL NOTE (H-AM 2) (Dept. of Transportation)

As there are no parcels of land being conveyed in this bill, there are no appraisals to be filed by the Department of Transportation.

PENSION NOTE (H-AM 2) (Pension Laws Commission)

SB 75, as amended by House Amendment 2, may affect the employer contributions that must be made to the Judges' Retirement System. If the number of circuit and associate

judges is increased due to the passage of the bill, required employer contributions to JRS will also increase by an undetermined amount. If SB 75, as amended by House Amendment 2, does not increase the number of judges, there would be no fiscal impact for any public pension fund or retirement system in Illinois.

HOUSING AFFORDABILITY IMPACT NOTE (H-AM 2) (Housing Development Authority)

This legislation will have no fiscal impact on constructing, purchasing, owning, or selling a single-family residence.

STATE DEBT IMPACT NOTE (H-AM 2) (Economic and Fiscal Commission)

SB 75, as amended by House Amendment 2, would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

BALANCED BUDGET NOTE (H-AM2) (Bureau of the Budget)

Since this is not a supplemental appropriation bill, it is not possible to complete this note as requested.

STATE MANDATES FISCAL NOTE (H-AM2) (Dept. of Commerce and Community Affairs)

Does not meet the definition of a State mandate.

CORRECTIONAL NOTE (H-AM2) (Department of Corrections)

Corrections population impact is none. Fiscal impact is none.

HOME RULE NOTE (H-AM 2) (Dept of Commerce and Community Affairs)

In the opinion of DCCA, SB 75 (HA #2) does not pre-empt home rule authority.

FISCAL NOTE (H-AM2) (Administrative Office of the Ill. Courts)

SB75, as amended by HA2, expressly creates one new Resident (Subcircuit) Judgeship. Currently the 19th circuit has seven "at large" judges. A total of 12 at large circuit judges would be elected in the new 19th and 22nd circuits, a net increase in five circuit judges. SB75, as amended by HA2, would also result in the authorization of one additional associate judgeship. Based on currently authorized salary for circuit judges, the expense for a new resident judgeship in the 12th circuit will be \$136,046 and the cost for payment of the Medicare portion of Social Security will be \$1,973. The cost for five new circuit judgeships, based on the currently authorized salary for circuit judges, will be \$680,230 plus a cost of \$9,863 for payment of the Medicare portion of Social Security. Based on the currently authorized salary for associate judges, the expense for an additional associate judgeship will be \$126,747 plus a cost of \$1,838 for the Medicare portion of Social Security.

JUDICIAL NOTE (H-AM2) (Administrative Office of the Ill. Courts)

SB75, as amended by HA2, expressly creates one new Resident (Subcircuit) Judgeship. Currently the 19th circuit has seven "at large" judges. A total of 12 at large circuit judges would be elected in the new 19th and 22nd circuits, a net increase in five circuit judges. SB75, as amended by HA2, would also result in the authorization of one additional associate judgeship.

PENSION NOTE (H-AM3) (Pension Laws Commission)

If number of judges is increased contributions to JRS will also increase by an undetermined amount. If the number of judges does not increase, there will be no fiscal impact.

HOUSE AMENDMENT NO. 3

Adds reference to:

705 ILCS 35/2

Deletes everything. Reinserts the provisions of House Amendment No. 1 with the following changes: In the Circuit Courts Act, achieves the allotment of one resident judgeship to each of 5 subcircuits by requiring the Supreme Court to allot (i) one additional resident judgeship, (ii) 2 converted associate judgeships, and (iii) the first 2 vacancies occurring in any of the circuit's existing at large and resident judgeships.

BALANCED BUDGET NOTE (H-AM3) (Bureau of the Budget)

Since this is not a supplemental appropriation bill, it is not possible to complete this note as requested.

JUDICIAL NOTE (H-AM3) (Administrative Office of the Ill. Courts)

SB75, as amended by HA3, expressly creates one new Resident (Subcircuit) Judgeship. Currently the 19th circuit has seven "at large" judges. New Act

Creates the Illinois Equine Research and Promotion Act. Requires the University of Illinois Extension to conduct a referendum among Illinois equine owners as to the collection and use of an assessment on the purchase of commercial horse feed for research and promotion of the equine industry. If the referendum passes, requires appointment by an industry organization of an Illinois Equine Industry Research and Promotion Board to levy and determine the use of the assessment. Sets the assessment at \$2 per ton or 5 cents per 50-pound bag. Establishes procedures for the collection and refund of the assessment and for the Board's operations. Effective immediately.

FISCAL NOTE (Department of Agriculture)

Below is an itemization of expenses associated with conducting the equine referendum through local University of Illinois Extension offices. Assumptions associated with development of these expenses are also included.

ITEMIZATION OF EXPENSES

1.) Communications with counties to announce procedures, answer questions and post election follow-up (some counties always need to be called for results). This figure does not include any time for face-to-face meetings with sponsoring organization which may be necessary.

10 hours @ \$40 = \$400

2.) Local Extension office copying and mailing of press releases/announcements, return of ballots.

Average

cost \$10 x 100 offices = \$1,000

3.) Local office personnel time (copying/mailing announcements, overseeing balloting on election day, reporting results electronically and returning ballots for verification) 5 hours total @ \$15 per 100 offices = \$7,500

4.) Extension create a web-based, reporting form for counties to use to report results.

4 hours @

\$40 = \$160

SUBTOTAL \$9,060

5.) Indirect cost recovery \$906

TOTAL \$9,966

FISCAL NOTE (Illinois State Board of Education)

Senate Bill 99 creates a service mandate for local school districts, however, it is specifically exempt from state reimbursement under the State Mandates Act. The State Board of Education must prepare and make available to local school districts courses of instruction designed to satisfy the requirements made in SB 99. The State Board does not currently have staff to design such curriculum and will have to contract out for its development. A curriculum development contract and distribution could cost between \$100 and \$500 thousand. Parents currently have the right to review this curriculum, and because these changes may be controversial to some, local school districts may incur costs and time providing the information to an increased number of parents.

PENSION NOTE (Pension Laws Commission)

SB99 does not amend the Pension Code, therefore it has no fiscal impact on any public pension fund or retirement system.

20 ILCS 655/5.3

from Ch. 67 1/2, par. 608

Amends the Illinois Enterprise Zone Act. Provides that beginning in the calendar year 2004 and until December 31, 2008, a total of 5 additional enterprise zones may be certified by the Department of Commerce and Community Affairs.

FISCAL NOTE (Dept of Commerce and Community Affairs)

The fiscal impact is estimated to be \$1,500 to initially certify and monitor 5 new enterprise zones.

FISCAL NOTE (Department of Revenue)

It is impossible for the Department to determine the fiscal impact without knowing where the Enterprise Zones would be located. However, based on the current Enterprise Zones, the average cost to the State is \$750,000 per zone and \$500,000 per zone to local taxing districts. If businesses in the five new zones received State and local tax benefits at the average of existing zones, the cost would be \$3.7 million to the State and \$2.5 million to locals.

FISCAL NOTE (Dept of Commerce and Community Affairs)

The fiscal impact of SB 133 is estimated to be \$1,500 to initially certify and monitor 5 new enterprise zones.

STATE DEBT IMPACT NOTE (Economic and Fiscal Commission)

This legislation would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

HOUSE AMENDMENT NO. 1

Provides that, beginning in calendar year 2004 and until December 31, 2008, one additional enterprise zone (instead of a total of 5 additional enterprise zones) may be certified by the Department of Commerce and Community Affairs.

105 ILCS 5/10-20.21a new

Deletes everything after the enacting clause. Amends the Illinois Vehicle Code. Deletes language providing that no person may drive a bus that has been chartered for the sole purpose of transporting students regularly enrolled in grade 12 or below to or from interscholastic athletic or interscholastic or school sponsored activities unless the person has a valid school bus driver permit in addition to any other permit or license that is required to operate that bus. Establishes requirements for obtaining a CDL school bus driver endorsement, including certain requirements that also pertain to school bus driver permits. Provides that the requirement of a CDL with a school bus driver endorsement (rather than of a school bus driver permit) does not apply to any bus driver employed by a public transportation provider authorized to conduct local or interurban transportation of passengers when the bus is not traveling a specific school bus route but is on a regularly scheduled route for the transportation of other fare paying passengers. Provides that a person may operate the type of chartered bus described if he or she is not disqualified from driving a chartered bus of that type and if he or she holds a CDL that is issued to him or her by any other state or jurisdiction in accordance with federal rules, is not suspended, revoked, or canceled, and is valid under federal rules for the type of vehicle being driven. Amends the School Code. Provides that the powers of school boards include the power to enter into contracts for this type of charter bus services. Provides that all contracts for these services must contain a clause that indicates whether or not all charter bus drivers providing services under the contract have the driver's license necessary to operate the type of bus that will provide the services, have submitted to fingerprinting and a criminal background check, and have submitted to a medical examination, including drug testing.

HOUSE AMENDMENT NO. 1

SB-0151 VIVERITO, J. JONES AND HUNTER.

New Act

Creates the State Budget Crisis Referendum Act. Authorizes a statewide referendum at the consolidated election in 2003 to seek the advice of the voters. Sets forth questions concerning a temporary increase in the State income tax to help solve the current State budget crisis. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 1

Provides that the first advisory question shall be stated as follows: Should the General Assembly and the Governor temporarily increase the Illinois income tax to help solve the current State budget crisis and avoid drastic cuts in State support for public education and essential health care services?

FISCAL NOTE (S-AM 1) (State Board of Elections)

Senate Bill 151, as amended with Senate Committee Amendment #1, would have a minimal fiscal impact on the operations of the State Board of Elections. However, it would have major fiscal impact on each election authority in the State of Illinois (of which there are 110). For example, in Lake County alone, with the use of optical scan equipment, it would cost approximately 27c a ballot to add this question. They are expecting approximately 400,000 ballots to be cast. In addition, absentee balloting began on February 20th (40 days prior to the election); the money and manpower needed to call in all persons, across the state, who have already filed absentee would be of gigantic proportion. Election Authorities would need to begin the reprinting process as soon as possible. However, they have no guarantee that even if they went to print, that this legislation would make it out of both Chambers and on to the Governor's desk and signed by the date of the election, April 1st.

FISCAL NOTE (S-AM 1) (Dept of Commerce and Community Affairs)

SB 151 (SA# 1) will not incur a fiscal impact on DCCA. According to information compiled by the State Board of Elections, the legislation would have a significant fiscal impact on each of the 110 election authorities in Illinois.

SENATE FLOOR AMENDMENT NO. 2

Changes the date of the referendum from the 2003 consolidated election to the 2004 general primary election. Changes the repeal date from July 1, 2003 to July 1, 2004.

FISCAL NOTE (S-AM 1) (Dept of Commerce and Community Affairs)

SB 151 (SA #1) will not incur a fiscal impact on DCCA. According to information compiled by the State Board of Elections, the legislation would have a significant fiscal impact on each of the 110 election authorities in Illinois.

55 ILCS 5/5-1024 from Ch. 34, par. 5-1024

Amends the Local Government Debt Reform Act. Defines "revenue source" to include any public building commission (PBC) lease rental base alternate tax levy. Defines "limited bonds" to include PBC leases and excludes other leases. Defines "public building commission rental base" as an amount equal to that portion of the extension for a taxing district for the 1999 levy year constituting an extension for payment of lease rentals under a PBC lease allocable to the retirement of bonds issued by the commission. Defines "public building commission lease rental base alternate tax levy" as a special purpose levy available to a unit of local government and authorized for the payment of limited bonds as a revenue source, which shall equal the PBC lease rental base less the amount of that base allocable to the payment of lease rentals under a PBC lease. Provides that a governmental unit is authorized to issue limited bonds payable from the debt service extension base or the PBC lease rental base, or both (now, payable from the debt service extension base only). Amends the Property Tax Extension Limitation Law in the Property Code. With respect to limited bonds and double-barrelled bonds issued under the Local Government Debt Reform Act, exempts from the tax caps in the taxing districts to which the law applied before the 1995 levy year special purpose

extensions made for payment of principal and interest on bonds issued concerning PBC leases. Amends the Public Building Commission Act. In provisions concerning tax levies for PBC lease rental payments, provides that the tax levied may relate to the amount necessary to pay the annual rent under the lease or the PBC lease rental base (now, related only to the amount necessary to pay the annual rent under the lease). Provides that taxes are not required to be levied or extended in excess of the allocated portion of a PBC lease rental base. Amends the Counties Code. Includes within the exception for taxes levied to pay annual rent payments due under a lease entered into by the county with a Public Building Commission, payments made from the PBC lease rental base. Excludes taxes levied allocable to the PBC lease rental base tax levy and taxes levied to pay principal of and interest on limited bonds. Effective immediately.

105 ILCS 5/14-7.03 from Ch. 122, par. 14-7.03

Amends the School Code. In a Section concerning reimbursement for special education classes for children from orphanages, foster family homes, children's homes, or State housing units, provides that if a child who was eligible to receive services under that Section is adopted and that child continues to receive support services from the Department of Children and Family Services, then the child shall continue to be eligible to receive services under that Section. Effective July 1, 2003.

FISCAL NOTE (State Board of Education)

There are currently over 66,000 records on file at DCFS of which 6,600 were in "subsidized home of guardian" and over 3,400 were eligible for special education services under Sec. 14-7.03 (5% of total records). Assuming 5% of the 6,600 children in "subsidized home of guardian" were eligible for special education services under Sec. 14-7.03 and were shifted to Sec. 14-7.02 and assuming the average Sec. 14-7.03 claim is \$10,842, the shift in cost to the state would be over \$3.5 Million.

70 ILCS 1205/5-1 from Ch. 105, par. 5-1

Amends the Park District Code. Provides that in counties with a population greater than 3,000,000, the maximum rate at which a park district board is authorized to levy taxes for corporate purposes for any one year, exclusive of the amount levied for the payment of the principal and interest on bonded indebtedness of the district and taxes authorized by special referenda, shall, every 3 years, in the year following the general reassessment under applicable provisions of the Property Tax Code, be increased by .10%. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 2

Removes the provisions authorizing an increase every three years in the rate at which a park district board in a county with a population of greater than 3,000,000 may levy taxes and provides instead that the board is authorized to increase taxes for corporate purposes for any one year so long as the increase is offset by a like tax rate reduction in one or more funds. Provides that in no instance shall the increase exceed the extension limitation to which any park district is subject under the Property Tax Extension Limitation Law.

SENATE FLOOR AMENDMENT NO. 3

In language authorizing a park district board in a county with a population over 3,000,000 to increase taxes for corporate purposes for any one year if the increase is offset by a like tax rate reduction in one or more funds, makes the following changes: provides that the language applies only to a park district board lying wholly within one county; and provides that when the park district files its levy with the county clerk, it shall certify to the county clerk that it has complied with and is authorized to act under specified provisions of the Park District Code.

HOUSE AMENDMENT NO. 1

Removes language limiting the application of this provision only to counties with a population greater than 3,000,000.

GOVERNOR AMENDATORY VETO MESSAGE

Recommends that the bill be amended to provide that: (1) the taxes a park district board is authorized to increase are property taxes; (2) the offset to the increase must be by a like property tax levy reduction (now, a like tax rate reduction); (3) the reduction must be in the park district's funds (now, not specified whose funds); (4) in no instance shall the increase either exceed or result in a reduction to the park district's property tax extension limitation (now, in no instance shall the increase exceed the park district's property tax extension limitation).

105 ILCS 5/2-3.25d from Ch. 122, par. 2-3.25d

Amends the School Code. Requires the State Board of Education to implement and administer a student achievement improvement grant program to provide 2-year grants to school districts on the academic watch list and other school districts that have the lowest achieving students. Requires a school district to establish an accountability program in order to receive a grant. Requires a grant to be automatically renewed when achievement goals are met. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 1

Provides that the implementation and administration of the grant program is subject to appropriation.

FISCAL NOTE (State Board of Education)

The grants established by Senate Bill 207 are subject to appropriation through the State Board of Education. The FY04 State Board budget proposes to fund schools on the academic watch list through the Summer Bridges program, so funds have already been set aside for a similar purpose. Assuming 1,000 schools participate (1/4 of all schools) and a \$50,000 grant, the program will cost \$50 million.

GOVERNOR AMENDATORY VETO MESSAGE

Recommends requiring that the State Board of Education implement and administer the grant program from any moneys the State Board may have available for that purpose (instead of requiring implementation and administration of the grant program subject to appropriation).

New Act

Creates the Teacher Homebuyer Assistance Act. Requires the Illinois Housing Development Authority to establish and administer a program to provide down payment assistance to public school teachers who teach in low-performing challenge schools for purchasing residences within the school district. Provides that the assistance shall be in the form of a deferred payment, low-interest subordinate mortgage loan with a term not longer than the term of the first mortgage loan, with interest accruing at a rate of up to 5% per annum. Provides that if the borrower has continuously been a teacher for the 5-year period immediately following the date of recordation of the loan deed of trust, then repayment of the loan shall be forgiven and considered a grant. Provides that repayment of the principal and accrued interest is due and payable upon the occurrence of certain events.

FISCAL NOTE (Illinois Housing Development Authority)

Senate Bill 208 does not reference a funding level, and, without specific information regarding the scale and scope of the proposal, its fiscal effect on IHDA cannot be determined. There is also no appropriation or funding source identified within IHDA. Current programs under which such activities are eligible, the Affordable Housing Trust Fund and HOME, carry specific income eligibility by statute for households served by or benefiting from such programs.

Provides that moneys in the Fund may be used for expenses related to releases or threats of release of petroleum. Provides that the Environmental Protection Agency may recover costs incurred by it in response to releases or threats of release of petroleum. Amends the Response Action Contractor Indemnification Act. Provides that judgments subject to State indemnification (i) shall be paid by warrant solely out of funds available in the Response Contractors Indemnification Fund (rather than, when moneys in the Response Contractors Indemnification Fund are insufficient, allowing transfers of funds from the General Revenue Fund) and (ii) may not surpass \$100,000 (rather than \$2,000,000) for a single occurrence. Provides that when there is at least \$100,000 (rather than \$2,000,000) in the Response Contractors Indemnification Fund at the beginning of a State fiscal year, State response action contracts during that fiscal year need not contribute to the Fund. Removes language requiring the transfer of \$1,200,000 from the Response Contractors Indemnification Fund to the Brownfields Redevelopment Fund on the first day of fiscal years 2004 and 2005. Provides that within 30 days after the effective date of this amendatory Act, the Comptroller and Treasurer shall transfer all moneys in the Response Action Contractor Indemnification Fund in excess of \$100,000 to the Brownfields Redevelopment Fund.

FISCAL NOTE (Environmental Protection Agency)

This would not impose any additional costs on the Illinois EPA. Revenues deposited into the Oil Response Fund could only come pursuant to court orders, cost recovery from responsible parties, gifts, or supplemental environmental projects; no fees would be involved with the new fund.

Amends the Cigarette Tax Act, the Cigarette Use Tax Act, and the Tobacco Products Tax Act of 1995. Provides that, beginning on January 1, 2004, a distributor may deduct the amount of bad debts from the tax imposed under these Acts. Provides that "bad debt" means the taxes attributable to any portion of a debt owed to the distributor that is related to a sale of cigarettes or tobacco products subject to tax under these Acts, that is not otherwise deductible or excludable, that has become worthless or uncollectible, and that meets other criteria. Effective immediately.

FISCAL NOTE (Department of Revenue)

The Department has no way to know what percentage of distributors' accounts are uncollectible. However, assuming 2% are uncollectible, the State would lose \$12 million per year.

SENATE FLOOR AMENDMENT NO. 1

Deletes everything after the enacting clause. Amends the Cigarette Tax Act, the Cigarette Use Tax Act, and the Tobacco Products Tax Act of 1995. Provides that the Department of Revenue is authorized to issue credit vouchers for bad debts to applicants meeting certain requirements. Defines "bad debt" as the taxes attributable to any portion of a debt that is related to a sale of cigarettes subject to tax under the Acts that is not otherwise deductible or excludable for any tax purpose, that has become worthless or uncollectible within 60 days after the delivery of the cigarettes that are represented by a claim. Beginning on January 1, 2004, authorizes distributors to submit an application to the Department for a credit voucher in the amount of bad debts from the tax imposed under the Acts. Sets forth requirements for filing a claim. Provides for appeals of adverse decisions. Effective immediately.

30 ILCS 105/5.595 new

Amends the State Library Act. Creates the State Library Fund as a special fund in the State treasury. Provides that moneys received by the State Library from certain sources shall be deposited into the Fund and may, subject to appropriation, be used to increase the collection of books, records, and holdings; to hold public forums; to purchase equipment and resource materials for the State

Library; and for the upkeep, repair, and maintenance of the State Library building and grounds. Amends the State Finance Act to add the Fund. Effective January 1, 2004.

FISCAL NOTE (Office of the Secretary of State)

In the opinion of the Illinois State Library, the fiscal impact of SB 229 will be minimal. The only administrative costs would be to establish the Fund. Annually, the State Library receives approximately \$3,000 to \$4,000 in reimbursements for lost or damaged books from patrons of the State Library. These funds will be diverted from the General Revenue Fund to the State Library Fund to insure replenishment of library materials needed for State Library patrons.

Also repeals the Naprapathic Lien Act if House Bill 1205, which creates the Act, becomes law. Creates a lien, for health care professionals and health care providers who render any service in the treatment, care, or maintenance of an injured person, upon the injured person's claims and causes of action. Defines health care professionals and health care providers to include physicians, dentists, podiatrists, optometrists, naprapaths, clinical psychologists, physical therapists, hospitals, home health agencies, long-term care facilities, ambulatory surgical treatment centers, and emergency medical services personnel. Provides for the continued effectiveness of liens validly created under prior law. Provides that nothing in the Health Care Services Lien Act shall be construed as limiting the right of a health care professional or health care provider to pursue collection, through all available means, of its reasonable charges for the services it furnishes to an injured person. Amends the Attorneys Lien Act; provides that if the total amount of all liens under the Health Care Services Lien Act meets or exceeds 40% of the sum paid or due the injured person, then the total amount of all liens under the Attorneys Lien Act shall not exceed 30% of the sum paid or due the injured person. 105 ILCS 5/18-8.05

Creates the Local Option School District Income Tax Act and amends the School Code, the State Finance Act, the Illinois Income Tax Act, and the Property Tax Code. Authorizes school districts by referendum to impose an income tax on individuals resident of the district. Provides that with referendum approval, the income tax shall be levied at an annual rate, adjusted each year, that will produce for distribution to the district in each calendar year an amount equal to the corresponding 50% reduction that is required to be made in the annual extension of the real property taxes that are levied by the district against residential property for educational, operations and maintenance, and transportation purposes and that are collected and distributed to the district in the same calendar year in which the corresponding income tax revenues are distributed. Provides for a referendum repeal of the tax. Provides for the manner of levying and collecting the tax and for deposit of the income tax revenues in the educational, operations and maintenance, and transportation funds of the district in proportion to the respective amounts by which the taxes in those funds are abated. Provides for disbursement of the tax to school districts by the State Treasurer. Amends the Property Tax Extension Limitation Law to exclude from the definition of "aggregate extension" school district levies made to cover amounts lost because of the repeal of the local income tax for schools as formerly imposed by the district under the Local Option School District Income Tax Act. Amends the State aid formula provisions of the School Code. Provides that the adoption or failure to adopt a local income tax for schools and any disbursement of funds or any tax abatement required under the Local Option School District Income Tax Act shall not affect the computation or distribution of State aid for school districts. Effective immediately.

SB-0306 RONEN, MARTINEZ-GARRETT-TROTTER-OBAMA-HUNTER, COLLINS AND SANDOVAL.

305 ILCS 5/5-5.23 new

Amends the Illinois Public Aid Code. Provides that the Department of Public Aid shall provide Medicaid reimbursement for all prenatal and perinatal health care services that are provided for the purpose of preventing low-birthweight infants and reducing the need for neonatal intensive care hospital services. Requires a report to the General Assembly every 2 years.

SENATE COMMITTEE AMENDMENT NO. 2

Provides that prenatal and perinatal health care services may include comprehensive risk assessments for pregnant women, women with infants, and infants, lactation counseling, nutrition counseling, childbirth support, psychosocial counseling, treatment and prevention of periodontal disease, and other support services that have been proven to improve birth outcomes. Provides that the Department of Public Aid's reports to the General Assembly shall include an evaluation of how the ratio of expenditures for treating low-birthweight infants compared with the investment in promoting healthy births and infants in local community areas throughout Illinois relates to healthy infant development in those areas.

SENATE FLOOR AMENDMENT NO. 3

Replaces everything after the enacting clause. Reinserts the provisions of the bill as amended by Senate Amendment No. 2, with changes that include the following: (1) provides that the Department of Public Aid may (instead of shall) provide Medicaid reimbursement for prenatal and perinatal health care services; (2) adds promoting perinatal health as a purpose of providing Medicaid reimbursement; (3) requires the Department to develop a plan for prenatal and perinatal preventive health care and to present the plan to the General Assembly by January 1, 2004; and (4) adds an immediate effective date.

FISCAL NOTE (S-AM 1&2) (Department of Public Aid)

Although the language in the bill appears to be permissive regarding the specific services that will be covered, advocates appear to believe this bill will have a cost. Therefore, the Department assumes that additional services will be provided. The total estimated cost associated with SAM1 and SAM2 is \$21.5 million. This would not be federally matchable if limited to pregnant women or women with infants.

FISCAL NOTE (Department of Public Aid)

Senate Bill 306 has no fiscal impact on the Department.

FISCAL NOTE (Department of Revenue)

No fiscal impact.

FISCAL NOTE (S-AM1,2) (Dept of Commerce and Community Affairs)

No fiscal impact on DCCA. To the extent that the legislation affects local revenues, an assessment of the fiscal impact on local governments is not available.

STATE MANDATES FISCAL NOTE (S-AM 1) (Illinois State Board of Education)

This legislation does not constitute a State Mandate on local school districts.

FISCAL NOTE (SC-AM 1) (Illinois State Board of Education)

SB 334 does not appear to increase or decrease state revenues. To the extent that it increase or decreases local revenues, the bill will affect local school districts.

STATE MANDATES FISCAL NOTE (S-AM 1,2,3) (Illinois Community College System)

Under the State Mandates Act, a "State Mandate" means any State-initiated statutory or executive action that requires a unit of local government to establish, expand, or modify its activities in such a way as to necessitate additional expenditures from local revenues. Each community college is considered a unit of local government. This bill clarifies the difference between mobile homes and manufactured homes. Since a high percentage of community college operating budget comes from local property taxes, this change in assessments may affect local revenue receipts. An estimate of the change in revenues (either positive or negative) to the state's 48 colleges is not available at this time. There is no financial cost to the ICCB.

20 ILCS 605/605-865 new

Amends the Department of Commerce and Community Affairs Law of the Civil Administrative Code of Illinois. Allows the Department of Commerce and Community Affairs to establish, with the advice of members of the business community, a family-friendly workplace initiative. States that the Department may develop a program to annually collect information regarding the State's private or public eligible employers with 50 or fewer employees and private or public eligible employers with 51 or more employees in the State providing the most family-friendly benefits to their employees. Provides that the employers may be recognized with annual "family-friendly workplace" awards and a Statewide information and advertising campaign publicizing the employers' awards, their contributions to family-friendly child care, and the methods they used to improve the dependent care experiences of their employees' families. Effective immediately.

FISCAL NOTE (Illinois Community College System)

Under the State Mandates Act, a "State Mandate" means any State-initiated statutory or executive action that requires a unit of local government to establish, expand, or modify its activities in such a way as to necessitate additional expenditures from local revenues. Each community college is considered a unit of local government. This bill requires DCCA to collect family workplace information from state employers. Community colleges would be required to submit this information to DCCA. The only costs would be from information collection, and this is estimated to be minimal. There is no financial cost to the ICCB.

FISCAL NOTE (Illinois State Board of Education)

SB 374 will not have a fiscal impact on ISBE. To the extent that school districts are employers, this legislation would have a negligible fiscal impact.

FISCAL NOTE (Dept of Commerce and Community Affairs)

Senate Bill 374 is estimated to have a fiscal impact on the department, however a reliable estimate of that impact cannot be made at this time without additional information on the intended programmatic design and scope of the program.

Amends the Children and Family Services Act. Requires the Department, in consultation with the State Board of Education, to establish a child care provider training program to educate providers on healthy child brain development, risk factors for injury, and special needs. Requires the program to include appropriate referrals for intervention if a child is identified as needing special education or mental health treatment or is at risk of becoming involved in the criminal justice system.

SENATE COMMITTEE AMENDMENT NO. 1

Deletes reference to:

Adds reference to:

20 ILCS 1305/10-26 new

Deletes everything. Amends the Department of Human Services Act. Requires the Department of Human Services, through the Child Care Resource and Referral Program, to expand current education and training for child care providers to include training on certain topics related to healthy brain development and the identification of risk factors that indicate a child needs special education or mental health services. Allows the Department of Human Services to adopt any rules necessary to implement the expanded education and training program. Effective immediately.

FISCAL NOTE (Department of Human Services)

No fiscal impact.

FISCAL NOTE (SC-AMI) (Dept of Commerce and Community Affairs)

SCAMI does not pertain to DCCA and therefore does not impose a fiscal impact. Because the legislation does not identify who is responsible for expanding current education and training requirements, the extent to which SCAMI may impose a fiscal impact on units of local government which employ child care providers cannot be calculated by DCCA at this time.

Provides that a circuit court may not impose a probation fee in excess of \$25 per month unless: (1) the circuit court has adopted, by administrative order issued by the chief judge, a standard probation fee guide determining an offender's ability to pay, as promulgated and bi-annually updated by the Probation Division of the Administrative Office of the Illinois Courts; and (2) the circuit court has authorized, by administrative order issued by the chief judge, the creation of a Crime Victim's Services Fund, to be administered by the Chief Judge or his or her designee, for services to crime victims and their families. 105 ILCS 230/5-35

Amends the School Construction Law. Defines "school district" to include an administrative district, or governing board, of a special education joint agreement. Provides that a joint agreement shall be deemed eligible for a school construction project grant or debt service grant if one or more of its member districts satisfies the grant index criteria. Provides that the grant index shall not be used to calculate the amount of the grant the Capital Development Board provides to an eligible joint agreement. Provides that the amount of a school construction project grant for an eligible joint agreement shall be determined on a case-by-case basis, based on the needs of the joint agreement in its entirety. Effective July 1, 2003.

FISCAL NOTE (Capital Development Board)

SB 390 results in no fiscal impact to the Capital Development Board.

FISCAL NOTE (State Board of Education)

Senate Bill 390 neither increases nor decreases state expenditures. However, by expanding eligibility to cover special education cooperatives, it does not dilute the amount of school construction money that can be used by school districts. Districts may need to wait longer to receive school construction funds due to being placed lower on the priority ranking list. An exact fiscal impact is difficult to determine. However, SB 390 would make 70 special education cooperatives eligible for the school construction program.

SB-0392 WOOLARD.

35 ILCS 505/8 from Ch. 120, par. 424

Amends the Motor Fuel Tax Law. Provides that \$2,250,000 shall be transferred each fiscal year from the Motor Fuel Tax Fund to the Transportation Regulatory Fund (now, \$2,250,000 transferred in fiscal year 2003 and \$750,000 to be transferred in fiscal year 2004 and thereafter). Effective immediately.

FISCAL NOTE (Department of Transportation)

No fiscal impact on the Department's highway program funding.

FISCAL NOTE (Department of Revenue)

No fiscal impact.

SENATE FLOOR AMENDMENT NO. 1

Restores the transfers from the Motor Fuel Tax Fund to the Transportation Regulatory Fund to the amounts provided under current law, with the exception that \$2,250,000 shall be transferred in State fiscal year 2004 (now, \$750,000 transferred in State fiscal year 2004).

FISCAL NOTE (Commerce Commission)

SB 392 would have a positive fiscal impact in that it secures the continued transfer of \$2,250,000 each fiscal year from the Grade Crossing Protection Fund to the Transportation Regulatory Fund. Without this transfer, other sources of funding for this program would need to be identified, or the fees and taxes paid by the railroad industry toward support of this program (currently totaling approximately \$972,000) would have to be increased by over 300% to replace the amount transferred from the GCPF. The absence of funding would decimate Illinois' rail safety program and reduce by more than 60% the number of crossing safety projects that could be completed each each year.

FISCAL NOTE (Dept of Commerce and Community Affairs)

No fiscal impact.

GOVERNOR AMENDATORY VETO MESSAGE

Recommends that the bill be amended to provide that \$750,000 shall be transferred from the Grade Crossing Protection Fund into the Transportation Regulatory Fund in fiscal year 2005 and each fiscal year thereafter, notwithstanding the changes made to this language by Public Act 93-32.

HOUSE AMENDMENT NO. 1

65 ILCS 5/11-74.4-10 from Ch. 24, par. 11-74.4-10

Deletes everything after the enacting clause. Reinserts the provisions of the bill as introduced and further amends the Tax Increment Allocation Redevelopment Act in the Illinois Municipal Code. Provides that the redevelopment project in the TIF District created by an ordinance adopted on (i) September 14, 1994 by the City of Alton, (ii) November 11, 1996 by the City of Lexington and (iii) November 5, 1984 by the City of LeRoy must be completed by December 31 of the 35th year (now the 23rd year) after the year in which the ordinance was adopted. Requires contracts entered into on or after the effective date of this amendatory Act to terminate no later than the estimated dates of completion of the redevelopment project and retirement of the obligations issued to finance redevelopment project costs, with some exceptions. Provides that the proceeds of contracts entered into prior to the effective date of this amendatory Act that are received by the municipality after the redevelopment project area has been terminated shall be deposited into a special fund of the municipality to be used for other community redevelopment needs within the redevelopment project area. With respect to a municipality adopting an ordinance or resolution providing for a feasibility study on the designation of an area as a redevelopment project area, provides that "feasibility study" means a preliminary report to assist a municipality to determine whether or not tax increment allocation financing is appropriate for effective redevelopment of a proposed redevelopment project area. Provides that prior to terminating a redevelopment project area a municipality must close the books and records of the redevelopment project area. Provides that all real or personal property and public improvements acquired by or for the municipality as a result of the redevelopment project and plan shall vest in the municipality when acquired and shall continue to be held by the municipality

after the redevelopment project area has been terminated. Provides that revenues received by the municipality from repayments of loans may be used to pay redevelopment project costs. Makes other changes. Effective immediately.

HOUSE AMENDMENT NO. 2

Defines "blighted area" to also mean any area within the boundaries of a redevelopment project area located within the territorial limits of the municipality where, if vacant, the sound growth of the redevelopment project area is impaired by the fact that the area, prior to its designation as a redevelopment project area, is subject to surface water that discharges from all or a part of the area and contributes to flooding within the same watershed, but only if the redevelopment project provides for facilities or improvements to contribute to the alleviation of all or part of the flooding.

HOUSE AMENDMENT NO. 3

Provides that the redevelopment project in the TIF District created by an ordinance adopted on April 3, 1991 or June 3, 1992 by the City of Markham must be completed by December 31 of the 35th year (now the 23rd year) after the year in which the ordinance was adopted.

SENATE COMMITTEE AMENDMENT NO. 1

Makes changes in the definition of "disabled person".

FISCAL NOTE (Department of Revenue)

The fiscal impact will be shouldered by local government taxing districts due to an increase in those who will qualify for the assessment freeze, thereby reducing the adjusted equalized assessed value of property. The first year, local taxing districts will realize a \$19 million decrease in property tax revenues statewide, which will continue to increase as property values increase from year to year.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

Due to the increase in people who will qualify for the assessment freeze, which will reduce the adjusted equalized assessed value of the property. The local taxing districts will realize a \$19 million decrease in property tax revenues statewide. This could lead to an increase in property taxes for those who do not qualify for the assessment freeze.

FISCAL NOTE (Commerce Commission)

No fiscal impact.

FISCAL NOTE (S-AM1) (Dept of Commerce and Community Affairs)

No fiscal impact on DCCA. Local taxing districts will incur a fiscal impact due to an increase in those who will qualify for the assessment freeze, thereby reducing the adjusted equalized assessed value of property. During the first year, the local taxing districts will have a \$19 million decrease in property tax revenues statewide.

STATE MANDATES FISCAL NOTE (Illinois Community College System)

Under the State Mandates Act, a "State Mandate" means any State-initiated statutory or executive action that requires a unit of local government to establish, expand, or modify its activities in such a way as to necessitate additional expenditures from local revenues. Each community college is considered a unit of local government. This bill will increase the number of property owners that will be allowed the Homestead exemption. Community colleges receive a substantial amount of their operating revenues through local property

taxes. An estimate of the decrease in revenues based on property taxes and EAV's is not available at this time. There is no cost to the ICCB.

Replaces the title and everything after the enacting clause. Amends the Illinois Insurance Code. Makes technical changes in a Section concerning the short title.

FISCAL NOTE (Illinois State Board of Education)

Senate Bill 475 creates a personnel mandate for school districts in that it requires additional insurance coverage for employees. The State Mandates Act is not amended so local school districts would not have to comply unless the state reimbursed them. If the cost is less than

\$1,000 per district or less than \$50,000 across all school districts, schools would have to comply and bear the cost. It is unclear how much such additional coverage may cost. The Department of Insurance or the Department of Central Management Services, which operates the state and several local government self insurance pools, may be able to provide an estimate.

Amends the senior citizens homestead exemption provisions in the Property Tax Code. Provides that beginning with assessment year 2003, for taxes payable in 2004, property that is first occupied as a residence after January 1 of any assessment year by a person who is eligible for the senior citizens homestead exemption must be granted a pro-rata exemption for the assessment year. The chief county assessment officer must adopt reasonable procedures to establish eligibility for the pro-rata exemption. Amends the Illinois Health Facilities Authority Act to create the financially distressed provider refunding bond program. Provides that the Authority may issue limited obligation bonds solely for the purpose of enabling a qualifying provider to refinance all or a portion of its outstanding indebtedness that was previously issued to finance or refinance the cost of a health facility (but not including working capital, accounts receivable, and operating expenses), if the debt to be refinanced meets certain criteria. Provides that a "qualifying provider" means a participating health institution that is either: (i) designated as a provider under the Critical Access Hospital program or (ii) demonstrates, to the reasonable written satisfaction of the Director of the Bureau of the Budget, that, for its last 3 fiscal years for which audited financial statements have been prepared, State funding accounted for an annual average of at least 40% of its operating revenues. Amends the State Finance Act to create the Financially Distressed Provider Credit Enhancement Fund. As soon as practical in fiscal year 2004, and each fiscal year thereafter, provides that moneys shall be transferred from the Tobacco Settlement Recovery Fund to the Financially Distressed Provider Credit Enhancement Fund equal to the debt service reserve requirement.

15 ILCS 505/16.5

35 ILCS 5/203

from Ch. 120, par. 2-203

Amends the Illinois Income Tax Act. Removes a provision that requires a taxpayer to add to federal adjusted gross income, to arrive at base income for Illinois income tax purposes, distributions from a qualified tuition program under Section 529 of the Internal Revenue Code other than distributions from the College Savings Pool or the Illinois Prepaid Tuition Program to the extent those distributions were excluded from income in arriving at federal adjusted gross income. Amends the State Treasurer Act and further amends the Illinois Income Tax Act to allow an income tax deduction for moneys contributed in the taxable year to the College Savings Pool, the Illinois Prepaid Tuition Program, or to any other qualified tuition program under Section 529 of the Internal Revenue Code (now, deduction limited to College Savings Pool contributions). Effective immediately.

FISCAL NOTE (Department of Revenue)

The Department is unable to determine the fiscal impact due to a number of unknowns. The Department cannot estimate the amount of distributions that would be made in any given year. The amount of money that would be contributed in a given year is also unknown. However, for every \$1 million worth of deductions, the State loses \$30,000.

SENATE FLOOR AMENDMENT NO. 1

Further amends the State Treasurer Act. With respect to the College Savings Pool, removes language providing that contributions to the College Savings Pool shall not be considered by the Illinois Student Assistance Commission, the State, or any agency thereof in awarding student financial aid.

Amends the School Code. Requires a public school to develop, establish, and implement a new teacher induction and mentoring program to assist new teachers in developing the skills and strategies necessary for instructional excellence, provided that funding is made available by the State Board of Education from an appropriation made for this purpose. For each new teacher participating in a new teacher induction and mentoring program, requires the State Board of Education to pay the public school \$1,200 annually for each of 2 school years, subject to appropriation. Provides that the State Board of Education may retain up to \$1,000,000 of the appropriation for purposes related to new teacher induction and mentoring programs. Includes provisions concerning program requirements and the evaluation of programs.

FISCAL NOTE (State Board of Education)

Senate Bill 533 creates a state service mandate and school districts would not have to comply unless the grants were funded by state appropriation through the State Board of Education. The FY04 State Board budget recommends \$11 million for a teacher mentoring and induction program. Assuming approximately 6,350 new teachers per year at \$1,200 each, the program would cost approximately \$7.6 million in the first year and approximately \$15 million for the second year and all future years.

Makes changes concerning program requirements. Removes the effective date provision.

On reviewing this legislation, the Bureau has determined that the legislation does not propose that the Bureau receive or expend any appropriation, or collect any revenues specified by the legislation. As such, there is no Fiscal Note impact for this bill.

FISCAL NOTE (S-AM 2 & 3) (Illinois State Board of Education)

The exact fiscal impact is difficult to determine. There will not be a fiscal impact to the State Board of Education. However, to the extent that school districts have minimum wage employees, there will be a fiscal impact to local school districts.

FISCAL NOTE (S-AM 2 & 3) (Dept. of Commerce and Com. Affair)

It should be noted that current statute (820 ILCS 105/14) states that establishment of a standard minimum wage does not interfere, impede, or diminish the right of employees to bargain collectively with their employees in order to obtain higher wages. Due to this factor, it is anticipated that the minimum wage established by individual units of local government will vary. Therefore, to the extent that SB 600 (SA #2, 3) affects local revenue, the fiscal impact of the legislation cannot be estimated at this time.

STATE MANDATES FISCAL NOTE (Illinois Community College System)

Under the State Mandates Act, a "State Mandate" means any State-initiated statutory or executive action that requires a unit of local government to establish, expand, or modify its activities in such a way as to necessitate additional expenditures from local revenues. Each community college is considered a unit of local government. This bill requires the minimum wage to increase to \$6.50 for employees over 18, and the Department of Labor to set the rate for employees under 18. An estimate of the total cost to the state's 48 colleges is not available at this time. There is no financial cost to the ICCB.

FISCAL NOTE (Department of Labor)

The fiscal impact is as follows: 2 compliance officers \$84,000; 1 administrative assistant \$35,000; fringes \$30,000; contractual services \$0; travel \$12,000; commodities \$1,500; printing \$10,000; equipment \$0; EDP equipment \$4,000; telecommunications \$1,000; TOTAL \$177,900.

SENATE FLOOR AMENDMENT NO. 5

Deletes provisions of the bill as amended setting forth the minimum wage for persons over 18 after January 1, 2004. Provides that, from September 1, 2003 through September 5, 2004, every employer shall pay each employee who is 18 years of age or older wages of not less than \$6 per hour. Provides that, on and after September 6, 2004, every employer shall pay each employee who is 18 years of age or older wages of not less than \$6.50 per hour. Effective September 1, 2003.

HOUSE AMENDMENT NO. 1

Deletes everything. Provides that, from January 1, 2004 through December 31, 2004, every employer shall pay each employee who is 18 years of age or older wages of not less than \$5.50 per hour. Provides that, on and after January 1, 2005, every employer shall pay each employee who is 18 years of age or older wages of not less than \$6.50 per hour. Deletes language providing that wages paid to employees may not be less than the federal minimum hourly wage. Effective January 1, 2004.

BALANCED BUDGET NOTE (H-AM1) (Bureau of the Budget)

Since this is not a supplemental appropriation bill, it is not possible to complete this note as requested.

HOME RULE NOTE (H-AM1) (Dept. of Commerce and Community Affairs)

Does not pre-empt home rule powers and functions.

STATE MANDATES FISCAL NOTE (H-AM1) (Dept. of Commerce and Community Affairs)

Creates a personnel mandate for which reimbursement of 100% of the costs to units of local government is required. To the extent SB600 affects local revenue, the fiscal impact cannot be estimated at this time.

FISCAL NOTE (H-AM 1)(Dept. of Labor)

The fiscal impact of SB 600, as amended by HA #1, is \$177,900.

SB-0620 E. JONES-HENDON-TROTTER.

35 ILCS 200/16-160

Amends the Property Tax Code. Provides that, in counties with 3,000,000 or more inhabitants, beginning with assessments made for the 1997 assessment year and ending with assessments made for the 2002 assessment year, in addition to the appeals for residential property of 6 units or less, the Property Tax Appeal Board shall hear appeals for all other property (now, there is no end date for when PTAB will hear appeals for property other than residential property of 6 units or less). Effective immediately.

FISCAL NOTE (Property Tax Appeal Board)

The fiscal impact, however, is difficult to estimate because the number of residential appeals in Cook County, which the PTAB would continue to hear under this proposal, has risen each of the last three years, especially from 2000 to 2001. The PTAB expects yearly increases in residential appeals once commercial and industrial appeals are phased out in 2003.

JUDICIAL NOTE (Administrative Office of the Illinois Courts)

Would neither increase nor decrease the number of judges needed in the state.

730 ILCS 5/3-7-2a from Ch. 38, par. 1003-7-2a

Amends the Unified Code of Corrections. Provides that the additional charge for commissary goods shall be up to 35% for tobacco products and 25% for non-tobacco products. Provides that the additional charge shall be based upon the amount necessary to cover wages and benefits of employees of commissaries who are covered by a collective bargaining agreement. Provides that 40% of the profits on sales from commissary stores shall be expended by the Department of Corrections for a special benefit of committed persons. Provides that the remainder must be used first to pay for wages and benefits of commissary employees covered by a collective bargaining agreement, and then to pay to costs of dietary staff. Prohibits the Department from entering into a contract with a private contractor or vendor to perform commissary services at a prison facility.

FISCAL NOTE (Department of Corrections)

Senate Bill 629 changes the Unified Code of Corrections, providing that 40% of the profits on sales from commissary stores shall be expended by the Department for the special benefit of committed persons. The remaining 60% of the profits, must be used first to pay for wages and benefits to employees covered under a collective bargaining agreement who are employed at commissary facilities of the Department, and second to Department dietary staff. Another provision increases the maximum profit for the sale of commissary goods up to 35% for tobacco products and 25% for non-tobacco products of the selling price of the goods. The Department would have \$2,733,264 in revenues to be expended elsewhere as long as current sales remained constant. This legislation would increase commissary revenues for the Inmate Benefit Fund by 11.6% over the profits experienced during FY01.

GOVERNOR AMENDATORY VETO MESSAGE

Recommends that 60% of the profits from sales from commissary stores must be deposited into the General Revenue Fund. Deletes provisions that these profits must be used first to pay for wages and benefits of employees covered under a collective bargaining agreement who are employed at commissary facilities of the Department of Corrections and then to pay the costs of dietary staff. Deletes the provision that the amount of the additional charges for goods sold at commissaries shall be based upon the amount necessary to pay for the wages and benefits of commissary employees who are employed at commissary facilities of the Department.

820 ILCS 305/11 from Ch. 48, par. 138.11
 820 ILCS 310/1 from Ch. 48, par. 172.36

Amends the Workers' Compensation Act and the Workers' Occupational Diseases Act. Provides that any injury to or disease or death of an employee arising from the administration of a smallpox vaccine to the employee as part of a voluntary inoculation program in connection with the person's employment or a governmental program or recommendation is deemed to arise out of and in the course of employment for all purposes under this Act. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 1

Provides that the new provisions apply to any vaccine administered to prepare for, or as a response to, a threatened or potential bioterrorist incident (rather than a smallpox vaccine only). Provides that the amendatory Act is declarative of existing law and is not a new enactment.

FISCAL NOTE (Department of Central Management Services)

CMS anticipates a significant fiscal impact if a state government employee suffers injury, disease, or death as a result of the administration of a smallpox vaccine. Potential costs could range up to several million dollars, depending on the employee's salary, age, and severity of case. Incidence rates are estimated at 1-52 reactions per million individuals. Approximately 40 state employees are currently eligible for smallpox vaccinations.

FISCAL NOTE (Illinois Industrial Commission)

After reviewing SB 632, the Illinois Industrial Commission is unable to project any fiscal impact due to the uncertainty of the number of workers choosing to be inoculated, and the frequency of resultant illnesses that may occur as a result of an inoculation.

FISCAL NOTE (S-AM 1) (Dept of Commerce and Community Affairs)

To the extent that SB 632 (SA #1) affects the revenue of every county, city, town, township, and incorporated village in Illinois, the fiscal impact of the legislation cannot be determined at this time. However, the legislation states that its provisions are declarative of existing law and are not a new enactment.

- 30 ILCS 330/5 from Ch. 127, par. 655
- 105 ILCS 230/5-60 new

Amends the General Obligation Bond Act and the School Construction Law. Increases by \$1,000,000,000 the amount of General Obligation Bonds authorized to be sold for grants to school districts for school improvement projects authorized by the School Construction Law. Distributes the increased authorization in year 8 of the schedule. Requires the State Board of Education to submit an annual capital plan to the General Assembly, based on the 5-year capital needs of school districts. Effective immediately.

FISCAL NOTE (State Board of Education)

Will increase the state cost for debt service on \$1 Billion in bonds and administrative costs to develop a capital plan for school districts. The amount of increased debt service will depend on the structure of the bonds and the interest rates of the bonds. Once \$1 Billion in bonds are issued, SB 634 will likely cost less than \$80 Million per year in debt service, the Bureau of the Budget could provide a more specific estimate. The administrative costs are relatively minor (less than \$500 thousand) compared to the cost of debt service, but may create a burden given recent and anticipated cuts to operations.

SB-0682 LIGHTFORD-TROTTER-HUNTER-COLLINS.

New Act

Creates the Illinois Family and Medical Leave Act. Contains provisions similar to those in the federal Family and Medical Leave Act of 1993, except that it applies to employers with 25 or more (instead of 50 or more) employees and some of the provisions of the Federal law pertaining to federal employees and federal matters have been deleted or changed. Effective 6 months after becoming law.

FISCAL NOTE (Department of Central Management Service)

The Department of Central Management Services anticipates no fiscal impact from this bill.

FISCAL NOTE (Illinois State Board of Education)

An exact fiscal impact is difficult to determine. To the extent that the provisions of the Act apply to local school districts, there will be a fiscal impact at that level. It is likely that employees of school districts will avail themselves to the provisions of this Act, which may require districts to hire a substitute teacher.

FISCAL NOTE (Dept of Commerce and Community Affairs)

It is anticipated that SB 682 will incur a fiscal impact or units of local government with 25 or more employees. However, to the extent that the legislation requires additional expenditures of local revenue, the fiscal impact cannot be estimated at this time.

from Ch. 38, par. 24-2

Amends the Criminal Code of 1961. Provides that that the statute that prohibits a person from possessing a device or attachment of any kind designed, used, or intended for use in silencing the report of any firearm and that prohibits the possession of a sawed-off rifle or shotgun, machine gun, and of certain bombs does not apply to a business entity that designs, develops, and manufactures ammunition and uses that device, attachment or weapon solely for the purpose of testing the ammunition for legitimate business purposes. Provides that the Department of State Police, upon proper determination, shall issue a certificate of exemption from the unlawful use of weapons provisions. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 1

Deletes the substance of the bill. Amends the Criminal Code of 1961. Provides that the unlawful use of weapons offense does not apply to or affect persons licensed under federal law to manufacture any device or attachment of any kind designed, used, or intended for use in silencing the report of any firearm, or ammunition for those firearms equipped with those devices, and actually engaged in

the business of manufacturing those devices or ammunition, but only with respect to activities that are within the lawful scope of that business, such as the manufacture, transportation, or testing of those devices or ammunition. Provides that this exemption does not authorize the general private possession of any device or attachment of any kind designed, used, or intended for use in silencing the report of any firearm, but only such possession and activities as are within the lawful scope of a licensed manufacturing business. Provides that during transportation, those devices shall be detached from any weapon or not immediately accessible.

HOUSE AMENDMENT NO. 1

Amends the Illinois Vehicle Code. Authorizes and establishes procedures for the statutory summary suspension of driver's licenses of persons who are stopped for DUI and who refuse to submit to preliminary breath or field sobriety tests. Provides that any person in control of a motor vehicle in this State shall be deemed to have given consent to performing field sobriety tests and to providing a breath sample for testing. Permits temporary impounding of vehicles in certain cases. Provides that after a statutory summary suspension has been imposed on a person who previously has never been convicted of or received a disposition of supervision for a DUI offense, the court may immediately grant the person a judicial driving permit, if the person also submitted to field sobriety tests before failing the test of breath or blood alcohol. Provides for a hearing and procedures for a person who has had his or her license suspended for a failure to submit to a breath screening or field sobriety test. Authorizes the Secretary of State to issue a restricted driving permit to a person who has had his or her license suspended for specified reasons if the person consents to a breath-alcohol ignition interlock device installed in his or her car. Amends the Unified Code of Corrections. Prohibits the court from assigning supervision to a defendant charged with driving a motor vehicle on a revoked or suspended license when the suspension or revocation was for violating the field sobriety test provision of the Vehicle Code if the defendant was convicted or assigned supervision within the last 10 years for driving on a revoked or suspended license. Creates the Electronic Attendance Act. Provides that members of public bodies may attend meetings by electronic means subject to certain rules and restrictions. Amends the Open Meetings Act to allow members of a public body to attend a meeting by electronic means. Requires certain notices by the public body when a member is attending by electronic means. Provides that a quorum of the members must be physically present for the public body to vote on the issuance of bonds or to hold a hearing required by law. Provides that no more than 2 members may attend the meeting from the same remote location. Allows a public body to adopt rules concerning attendance at meetings by electronic means.

SENATE FLOOR AMENDMENT NO. 1

Deletes reference to:
New Act

Deletes everything. Amends the Open Meetings Act. Re-inserts the original provisions of the bill but removes provisions creating the Electronic Attendance Act and inserts these provisions within the Open Meetings Act. Provides that, for meetings at which one or more members are present by electronic means, all locations at which the public may participate in the meeting must be disclosed in the agenda (instead of requiring disclosure of the location at which the electronic attendance will be received). Provides that, with limited exception, a member of a public body may not attend by electronic means more than half of the meetings of the public body in a calendar year.

HOUSE AMENDMENT NO. 1

Makes changes in the definition of "meeting". Provides that a member of a public body may attend a rescheduled meeting of the body by electronic means, subject to certain limitations. Provides that a member may attend a meeting of a public body by electronic means if the member is

absent from the territorial limits (instead of the district) of the public body for certain reasons. Provides that a member may not attend by electronic means more than half of the regularly scheduled meetings held by the public body in a calendar year. Requires a member wishing to attend a meeting by electronic means to notify the recording secretary or clerk of the public body of this intention. Provides that a member shall be considered present for purposes of determining a quorum and voting but provides that, if the body is (i) voting on an ordinance or resolution authorizing, approving, or providing for the issuance of certain bonds or (ii) conducting any hearing required by law, then any member attending by electronic means shall be considered absent for purposes of determining a quorum and voting.

GOVERNOR AMENDATORY VETO MESSAGE

Recommends that the bill be amended as follows: (1) provides that the agenda for a meeting of a public body at which one or more members are present by electronic means must disclose all locations at which members of the public may attend (now, must disclose all locations at which the public may participate in the meeting); (2) in provisions setting forth the parameters for attendance at meetings by members of a public body by electronic means, removes reference to emergency and special meetings; (3) provides that a member of a public body may allow a member of that body to attend the meeting by electronic means if certain conditions are met (now, a member of a public body may attend the meeting by electronic means if certain conditions are met); and (4) provides that a member of a public body that is conducting a hearing under certain provisions of the Election Code is not considered absent for purposes of determining a quorum and voting, even if the member is present only by electronic means.

Deletes everything after the enacting clause. Creates the O'Hare Modernization Act. Contains provisions concerning acquisition of property, condemnation, and jurisdiction over airport property. Preempts home rule powers. Amends the Archeological and Paleontological Resources Protection Act, the Human Skeletal Remains Protection Act, the Illinois Municipal Code, the Downstate Forest Preserve District Act, the Illinois Aeronautics Act, the Vital Records Act, and the Religious Freedom Restoration Act to provide that certain provisions of those Acts do not limit the authority of a municipality under the O'Hare Modernization Act. Requires the Department of Transportation to monitor the O'Hare Modernization Program and to report to the General Assembly. Amends the Code of Civil Procedure concerning the venue of certain actions and granting quick-take powers. Makes other changes. Effective immediately.

STATE MANDATES FISCAL NOTE (H-AM 1) (Dept of Commerce and Community Affairs)

SB 802 (HA #1) relates to the modernization of O'Hare International Airport, and permits the City of Chicago to exercise powers concerning the acquisition of property. However, the legislation requires that plans of local governments that may affect the modernization of O'Hare must be consistent with the O'Hare Modernization Program. This would include the plans of local governments that border the airport, and the legislation states that such plans are void if they are inconsistent with the O'Hare Modernization Program. Therefore, in the opinion of DCCA, SB 802 (HA #1) creates a local government organization and structure mandate for which reimbursement of the increased costs to units of local government is not required under the States Mandate Act.

HOUSING AFFORDABILITY IMPACT NOTE (H-AM1) (Housing Development Authority)

Insufficient information to determine a fiscal effect.

PENSION NOTE (H-AM9) (Pension Laws Commission)

No fiscal impact.

JUDICIAL NOTE (H-AM9) (Administrative Office of Ill. Courts)

Would neither increase nor decrease number of judges needed in the state.

HOUSING AFFORDABILITY IMPACT NOTE (H-AM9) (Housing Development Authority)

Insufficient information to determine a fiscal effect.

STATE DEBT IMPACT NOTE (H-AM 9) (Economic and Fiscal Commission)

SB 802, as amended by House Amendment 9, would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

CORRECTIONAL NOTE (H-AM 9) (Dept of Corrections)

There is no corrections population or fiscal impact on the Department.

HOME RULE NOTE (H-AM 9) (Dept of Commerce and Community Affairs)

In the opinion of DCCA, SB 802 (HA #9) pre-empt home rule authority. It should be noted that SB 802 (HA #9) amends the Archeological and Paleontological Resources Protection Act, Human Skeletal Remains Protection Act, Illinois Municipal Code, Downstate Forest Preserve District Act, Illinois Aeronautics Act, and Vital Records Act to provide that certain provisions of those Acts do not limit the authority of the City of Chicago to obtain a permit when acquiring property or otherwise exercising its powers under the O'Hare Modernization Act. Furthermore, section 96 of the legislation states that nothing in the Religious Freedom Restoration Act limits the authority of the City of Chicago to exercise its powers under the O'Hare Modernization Act to relocate cemeteries and graves.

STATE MANDATES FISCAL NOTE (H-AM 9) (Dept of Commerce and Community Affairs)

In the opinion of DCCA, SB 802 (HA #9) creates a local government organization and structure mandate for which reimbursement of the increased costs to units of local government is not required under the State Mandates Act.

PENSION NOTE (H-AM12) (Pension Laws Commission)

No fiscal impact.

FISCAL NOTE (H-AM 9)(Dept. of Transportation)

Senate Bill 802, as amended by HA #9 has no fiscal impact on the Department of Transportation.

FISCAL NOTE (H-AM 12) (Dept. of Transportation)

Senate Bill 802, as amended by HA #12 has no fiscal impact on the Department of Transportation.

LAND CONVEYANCE APPRAISAL NOTE (H-AM 9)(Dept. of Transportation)

As there are no parcels of land being conveyed in Senate Bill 802, as amended by HA # 9, there are no appraisals to be filed by the Department of Transportation.

LAND CONVEYANCE APPRAISAL NOTE (H-AM 12) (Dept. of Transportation)

As there are no parcels of land being conveyed in Senate Bill 802, as amended by HA # 12, there are no appraisals to be filed by the Department of Transportation.

BALANCED BUDGET NOTE (H-AM 12) (Dept. of Transportation)

Section 10 of the Balanced Budget Note Act requires the preparation of a Balanced Budget Note for supplemental bills. Since this House Bill is not a supplemental appropriation bill, it is not possible to complete this Note as requested.

JUDICIAL NOTE (H-AM 12) (Admin Office of the Illinois Courts)

Senate Bill 802, as amended by House Amendment No. 12, would neither increase nor decrease the number of judges needed in the State.

CORRECTIONAL NOTE (H-AM 12)(Dept of Corrections)

The changes in this legislation would have no impact on the Department.

HOUSING AFFORDABILITY IMPACT NOTE (H-AM 12)(Housing Development Authority)

The fiscal impact this legislation will have on a single-family residence cannot be determined at this time because it is not clearly stated how many homes will be acquired through sale, lease, or condemnation. It is assumed (using FAA rules) that compensation to homeowners is to be provided at fair market value as determined by an independent appraisal. House Amendment #12 provides no further clarification on factors which determine this bill's fiscal effect on constructing, purchasing, owning, or selling a single-family residence.

HOME RULE NOTE (H-AM 12)(Dept of Commerce and Community Affairs)

In the opinion of DCCA, SB 802 (HA #12) pre-empts home rule authority.

It should be noted that SB 802, as amended, includes provisions that amend the Archeological and Paleontological Resources Protection Act, Human Skeletal Remains Protection Act, Illinois Municipal Code, Downstate Forest Preserve District Act, Illinois Aeronautics Act, and Vital Records Act to provide that certain provisions of those Acts do not limit the authority of the City of Chicago to obtain a permit when acquiring property or otherwise exercising its powers under the O'Hare Modernization Act. Furthermore, section 96 of the legislation, as amended, states that nothing in the Religious Freedom Restoration Act limits the authority of the City of Chicago to exercise its powers under the O'Hare Modernization Act to relocate cemeteries and graves.

STATE MANDATES FISCAL NOTE (H-AM 12)(Dept of Commerce and Community Affairs)

In the opinion of DCCA, SB 802 (HA #12) creates a local government organization and structure mandate for which reimbursement of the increased costs to units of local government is not required under the States Mandate Act.

STATE DEBT IMPACT NOTE (H-AM 12)(Economic and Fiscal Commission)

SB 802, as amended by House Amendment 12, would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

405 ILCS 30/4.4 new

405 ILCS 30/4.5 new

Amends the Community Services Act. Provides that whenever any appropriation, or any portion of an appropriation, for any fiscal year relating to the funding of any State-operated facility operated by the Office of Developmental Disabilities within the Department of Human Services or any mental health facility operated by the Office of Mental Health within the Department is reduced because of any of the following reasons, those moneys must be directed toward providing other services and supports for persons with developmental disabilities or mental health needs: (1) closing of a State-operated facility; (2) reduction of the number of available beds in a State-operated facility; or (3) reduction in the number of staff at a State-operated facility. Provides for the appointment of a Funding Reinvestment Advisory Task Force to assist the Department of Human Services in implementing these provisions. Effective immediately.

FISCAL NOTE (Department of Corrections)

Senate Bill 808 proposes that whenever any appropriation for a State-operated facility or mental health facility operated by the Office of Developmental Disabilities within the Department of Human Services is reduced due to the closing of a State-operated facility, reduction of the number of available beds in a State-operated facility, or reduction in the number of staff at a Staff-operated facility, the moneys must be directed toward providing other services and supports for persons with developmental disabilities or mental health needs. This legislation makes no reference to the closing or reductions of any facilities operated by the Department of Corrections, nor are any Department staff assigned to the Funding Reinvestment Advisory Task Force. In addition, there are no new incarceration sanctions, enhanced incarceration penalties, or policy requirements for the Department of Corrections associated with this legislation. Therefore, there is no corrections population or fiscal impact on the Departments.

CORRECTIONAL NOTE (Department of Corrections)

This legislation makes no reference to the closing or reductions of any facilities operated by the Department of Corrections, nor are any Department staff assigned to the Funding Reinvestment Advisory Task Force. In addition, there are no new incarceration sanctions, enhanced incarceration penalties, or policy requirements for the Department of Corrections associated with this legislation. Therefore, there is no corrections population or fiscal impact on the Departments.

HOUSE AMENDMENT NO. 1

Provides that in determining whether any savings are realized from closure of a State-operated facility or a reduction in the number of units, available beds, or staff, sufficient moneys shall be made available to ensure that there is an appropriate level of staffing and that life, safety, and care concerns are addressed so as to provide for the remaining persons with developmental disabilities or mental illness at State-operated facilities. Provides that the plan for using any savings realized from such a closure or reduction must be shared and discussed with advocates, advocacy organizations, and advisory groups whose mission includes advocacy for persons with developmental disabilities or persons with mental illness. Removes provisions establishing a task force. Makes other changes.

30 ILCS 105/5.595 new

30 ILCS 105/6z-59 new

35 ILCS 200/15-55

70 ILCS 605/5-32 new

Deletes everything. Amends the Property Tax Code to exempt the lessee of each parcel of real property in Will County owned by the State of Illinois for the purpose of developing an airport from the payment of property taxes on that property. Provides that, through December 31, 2010, the Department of Transportation shall pay to the Will County Treasurer, from the Tax Recovery Fund (a new Fund created in the State Finance Act into which the State shall deposit all receipts from the lease of this property), on or before July 1 of each year, the amount of rent collected for each parcel during the previous year, which payment shall not exceed, for each parcel, the assessed tax amount for the 2001 property tax year (tax compensation). Amends the State Finance Act to create the Tax Recovery Fund. Effective immediately.

FISCAL NOTE (Department of Transportation)

To date from inception (3/7/02) IDOT has received in rental revenue \$197,694.23.

SENATE FLOOR AMENDMENT NO. 2

In the Tax Recovery Fund provisions in the State Finance Act, provides that "tax compensation" shall be determined in accordance with provisions in the Property Tax Code governing the taxation of State property that is leased to others. In the Property Tax Code, provides that annually the Will County Treasurer shall distribute a portion of the entire payment by the Illinois Department of Transportation to the Will County Treasurer out of the Tax Recovery Fund for each parcel to the corporate authorities of each taxing district in an amount equal to that taxing district's pro rata share of that parcel's 2001 property tax bill. Provides that the Will County Treasurer shall treat the annual payments as taxes for the limited purpose of distributing the payments in accordance with the Code.

FISCAL NOTE (S-AM1) (Dept of Commerce and Community Affairs)

No fiscal impact on DCCA. The extent of fiscal impact on local governments cannot be determined.

STATE MANDATES FISCAL NOTE (S-AM 1 & 2) (Illinois Community College System)

Under the State Mandates Act, a "State Mandate" means any State-initiated statutory or executive action that requires a unit of local government to establish, expand, or modify its activities in such a way as to necessitate additional expenditures from local revenues. Each community college is considered a unit of local government. Joliet Junior College receives operating revenues from local property taxes. This legislation provides that the State will compensate units of local government for property taxes that would have been collected before the State purchased the land in Will County for the development of an airport. The taxes paid by the State through 2010 will not exceed the assessment made in 2001. The amount that the State is able to pay toward the property taxes can be no more than is generated in leases. There is no estimate on the amount that Joliet Junior College may or may not lose with the transfer of this land to the State for development of an airport.

STATE MANDATES FISCAL NOTE (Illinois State Board of Education)

This legislation does not constitute a State Mandate.

Amends the Drug Paraphernalia Control Act and the Hypodermic Syringes and Needles Act. Authorizes a person who is at least 18 years of age to purchase up to 20 sterile hypodermic syringes or needles at a pharmacy without a prescription. Authorizes a pharmacist to sell up to 20 sterile hypodermic syringes or needles to a person who is at least 18 years of age. Provides that the Illinois Department of Public Health must develop educational materials regarding safer injection, HIV prevention, syringe disposal, and drug treatment and make copies of those materials available to pharmacists. Provides that pharmacists must make those educational materials available to persons who purchase syringes. Repeals the Section in the Hypodermic Syringes and Needles Act requiring a person who sells a syringe, needle, or instrument to keep a record of the sale. Effective immediately.

FISCAL NOTE (Department of Public Health)

The Department estimates the cost of developing, printing, and distributing education materials to pharmacists to provide to persons purchasing sterile syringes during the first year the bill is in effect to be \$93,800. Annual costs thereafter are estimated at \$83,800.

FISCAL NOTE (Department of Public Health)

The Department estimates the cost of developing, printing, and distributing education materials to pharmacists and developing guidelines to advise local health departments on disposal of used syringes and needles during the first year after the law is enacted at \$61,634. Annual costs thereafter are estimated at \$18,200. A public service administrator, together with a workgroup of representatives from interested organizations, would develop guidelines to advise local health departments on implementing syringe and needle disposal policies during the first 6 months after enactment. Costs for the public service administrator and contractual costs for pamphlet development would only be incurred during the first year of implementation.

JUDICIAL NOTE (Administrative Office of the Illinois Courts)

Senate Bill 880 would neither increase nor decrease the number of judges needed in the state.

FISCAL NOTE (Administrative Office of the Illinois Courts)

Based on a review of Senate Bill 880, as introduced in the House, it has been determined that the bill would have no fiscal impact on the judicial branch.

BALANCED BUDGET NOTE (Bureau of the Budget)

Section 10 of the Balanced Budget Note Act requires the preparation of a Balanced Budget Note for supplemental appropriation bills. Since this House Bill is not a supplemental appropriation bill, it is not possible to complete this Note as requested.

STATE DEBT IMPACT NOTE (Economic and Fiscal Commission)

Will not affect the level of State indebtedness.

STATE MANDATES FISCAL NOTE (Dept of Commerce and Community Affairs)

Under the State Mandates Act, a service mandate concerns the creation or expansion of governmental delivery standards, such as for public health. If enacted, the provisions of SB 880 Engrossed would require the 94 local public health departments in Illinois to implement syringe and needle disposal policies based on guidelines formulated by DPH. Therefore, in the opinion of DCCA, SB 880 Engrossed creates a service mandate for which reimbursement of 50%-100% of the increased costs to units of local government is required under the State Mandates Act. An estimate of the increased costs to local governments is not available.

HOME RULE NOTE (Dept of Commerce and Community Affairs)

SB 880 Engrossed does not contain language indicating a pre-emption of home rule powers and functions. Therefore, in the opinion of DCCA, SB 880 Engrossed does not pre-empt home rule authority.

CORRECTIONAL NOTE (Department of Corrections)

Senate Bill 880 amends the Drug Paraphernalia Control Act and the Hypodermic Syringes and Needles Act. A number of technical changes and definition clarifications are proposed regarding possession and sales of hypodermic needles. Violations to provisions of this legislation are a Class A misdemeanor for the first such offense and a Class 4 felony for a second or subsequent offense. The technical changes and definition clarifications should reduce the number of potential admissions to the Department for offenses under this legislation. However, during FY02 there were no admissions for possession and sales of hypodermic needles offenses. For each less person sentenced to prison for a Class 4 felony, there would be \$12,632 in operational cost savings for the Department.

Deletes reference to:

220 ILCS 5/13-100

Adds reference to:

220 ILCS 5/13-408 new

220 ILCS 5/13-409 new

Deletes all. Amends the Public Utilities Act relating to incumbent local exchange carriers subject to an alternate regulation plan. Requires the Illinois Commerce Commission to set recurring rates affected incumbent local exchange carriers receive for unbundled loops based upon the proportion of a facility or element that will be filled with network usage that represents a reasonable projection of actual total usage of the elements in question in accordance with applicable federal law. Also requires the Commission to employ depreciation rates that are based on economic lives as reflected in the local exchange carriers' books of account. Provides that during the first 2 years following the effective date of the amendatory Act, for the first 35,000 voice grade equivalent access lines used by an individual carrier to provide local exchange service to end users, the monthly recurring rate for the unbundled network elements associated with lines and leased from an incumbent local exchange carrier shall be from the levels in effect immediately prior to the effective date of the amendatory Act. Effective immediately.

STATE DEBT IMPACT NOTE ((H-AM 1) (Illinois Commerce Commission)

SB 885, as amended by House Amendment 1, would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

FISCAL NOTE (Illinois Commerce Commission)

SB 885, as amended by House Amendment 1, would have no fiscal impact on the Illinois Commerce Commission.

CORRECTIONAL NOTE (H-AM 1) (Department of Corrections)

There is no corrections population or fiscal impact on the Department.

JUDICIAL NOTE (H-AM 1) (Admin. Office of the Illinois Courts)

Senate Bill 885, as amended by House Amendment No. 1, would neither increase nor decrease the number of judges needed in the state.

HOME RULE NOTE (H-AM 1) (Dept. of Commerce and Community Affairs)

Does not pre-empt home rule authority.

STATE MANDATES FISCAL NOTE (H-AM 1) (Dept. of Commerce & Community Affairs)

SB 885 (HA #1) pertains to telecommunications carriers, as well as the powers and duties of the ICC. The legislation does not impose requirements on units of local government. Therefore, in the opinion of DCCA, SB 885 (HA #1) does not create a State Mandate under the State Mandates Act.

JUDICIAL NOTE (H-AM1) (Administrative Office of the Ill. Courts)

Would neither increase nor decrease the number of judges needed in the state.

105 ILCS 5/21-2 from Ch. 122, par. 21-2

Amends the Teacher Certification Article of the School Code. In provisions concerning a special certification designation for foreign language, specifically includes Asian languages. Effective July 1, 2003.

SENATE COMMITTEE AMENDMENT NO. 1

Deletes reference to:

105 ILCS 5/21-2

Adds reference to:

105 ILCS 5/2-3.131 new

Deletes everything after the enacting clause. Amends the School Code. Requires the State Board of Education to establish a toll-free telephone hotline to provide assistance to parents in helping their children with their homework. Requires the State Board to provide information on its Internet web site regarding strategies that parents can use to assist their children in successfully completing homework assignments.

FISCAL NOTE (S-AM1) (State Board of Education)

SB 891, as amended, will cost the state for development and maintenance of a toll-free telephone homework hotline and a web site of homework information. The cost to develop and maintain such a site is likely to cost less than \$500 thousand. The cost to establish and maintain a toll-free telephone hotline is minimal (\$77 installation, \$1.50 per month, and \$0.07 per minute), but the real cost will be in the people necessary to answer the questions. If the goal is to immediately help parents and students without long delays, a minimum of 50 people will be necessary. Assuming the average teacher salary, including benefits, of approximately \$47,000, the total cost of staff would be approximately \$2.4 million. Assuming college and graduate students or other alternative staff, the cost might be less than \$1 million. It is unclear what support and resources this staff would need. If they merely talk on the phone using what they know, supplies will be minimal. The cost of the telephone hotline itself would be approximately \$10 thousand. In total, it may be possible to develop and maintain the web site and the telephone hotline for \$1.5 M to \$3 M.

SENATE FLOOR AMENDMENT NO. 2

Requires the State Board of Education to notify all school districts about the availability of the homework assistance information on the State Board of Education's Internet web site.

SENATE FLOOR AMENDMENT NO. 3

Removes the provision requiring the State Board of Education to establish a homework assistance hotline.

SB-0902 GARRETT-LIGHTFORD AND SANDOVAL.

105 ILCS 5/2-3.131 new

Amends the School Code. Creates a K-3 class size reduction grant program to be implemented and administered by the State Board of Education. Limits use of the grant funds to operating and maintaining classes in grades K-3 with a class size of no more than 20 pupils. Effective immediately.

FISCAL NOTE (State Board of Education)

Class size reduction is extremely difficult to analyze because every district is different for every grade and you must assume many local decisions. Assuming the average cost of a new 3rd grade teacher at approximately \$32,000, SB 902 would cost approximately \$25 million for the 3rd grade alone. Assuming grades K-2 are similar, the annual costs of SB 902 would be approximately \$100 Million for teachers only. It does not include the cost for new facilities, supplies, and equipment.

STATE DEBT IMPACT NOTE (Economic and Fiscal Commission)

This legislation would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

GOVERNOR AMENDATORY VETO MESSAGE

Recommends changing the grant criteria and how grants are used and applied.

SB 910 would significantly increase the annual employer contributions to the Fund. In FY 2000, the City of Chicago made employer contributions of approximately \$139.4 million, using a property tax multiplier of 2.00. If a property tax multiplier of 2.26 had been in effect that year, the employer contributions generated by the tax levy would have totaled approximately \$157.5 million, an increase of \$18.1 million.

FISCAL NOTE (Illinois Commerce Commission)

The ICC anticipates a substantial increase in investigations and hearings before the Commission. It is estimated that this will generate at least 20 cases a year at a cost of approximately \$2,500 a case, roughly \$50,000 a year. Further, SB 914 will also result in additional tracking, filing and enforcement costs. This will result in increased staff time to review each report, staff time to issue citations for failure to file, in addition to an increase in postage, storage space, and microfilming costs. It is estimated this portion would cost approximately \$10,000 a year.

725 ILCS 5/100-1

from Ch. 38, par. 100-1

Amends the Code of Criminal Procedure of 1963. Makes technical changes to the short title Section.

HOUSE AMENDMENT NO. 1

Deletes reference to:

725 ILCS 5/100-1

Adds reference to:

430 ILCS 65/3.5 new

Deletes all. Amends the Firearm Owners Identification Card Act. Provides that a person who is not a federally licensed firearm dealer who desires to transfer a firearm while that person is on the grounds of a gun show must do so only through a federally licensed firearm dealer. Provides that the dealer must follow the procedure under the dial up provision of the Act as if the dealer were the seller of the firearm. Defines a gun show as a place where 25 or more firearms are offered or exhibited for sale, transfer, or exchange or where not less than 3 gun show vendors exhibit, sell, offer for sale, transfer, or exchange firearms.

HOUSE AMENDMENT NO. 2

Deletes everything after the enacting clause. Amends the Firearm Owners Identification Card Act. Provides that a person, who is not a federally licensed firearm dealer, who desires to transfer or sell a firearm while that person is on the grounds of a gun show, must prior to the sale or transfer of the firearm: (1) request the Department of State Police to conduct a background check on the transferor and the prospective transferee of a firearm ; (2) provide certain information to the Department; and (3) receive an approval from the Department of State Police, that after a background check was conducted, nothing in the records accessed by the Department, shall prohibit based on State or federal law, the purchaser from purchasing or possessing a firearm. Provides that failure to comply with these requirements is a Class A misdemeanor. Provides that failure to comply with these requirements is a Class 2 felony if the person has 2 or more previous convictions for these violations.

PENSION NOTE (H-AM1, 2 & 3) (Pension Laws Commission)

No fiscal impact.

HOUSE AMENDMENT NO. 4

Provides that the Department of State Police fee for conducting a background check in connection with firearm sales at a gun show may not exceed \$2. Changes a reference to "dealer" to "transferor". Deletes a provision specifying the information to be provided to the Department of State Police in connection with a background check if there is not a valid FOID card number.

PENSION NOTE (H-AM 2) (Pension Laws Commission)

SB 947, as amended by HA #2, would not have a fiscal impact on any public pension fund or retirement system.

PENSION NOTE (H-AM 4) (Pension Laws Commission)

SB 947, as amended by HA #4, would not have a fiscal impact on any public pension fund or retirement system.

JUDICIAL NOTE (H-AM 2) (Admin Office of the Illinois Courts)

Senate Bill 947, as amended by HA #2, would neither increase nor decrease the number of judges in the State.

JUDICIAL NOTE (H-AM 4) (Admin Office of the Illinois Courts)

Senate Bill 947, as amended by HA #4, would neither increase nor decrease the number of judges in the State.

FISCAL NOTE (H-AM 2) (Illinois State Police)

The total needed to start and operate a manual system to perform private transfers of firearms at gun shows would be \$80,000 for the first year and \$55,000 annually thereafter.

FISCAL NOTE (H-AM 4) (Illinois State Police)

The total needed to start and operate a manual system to perform private transfers of firearms at gun shows would be \$80,000 for the first year and \$55,000 annually thereafter.

STATE DEBT IMPACT NOTE (H-AM2) (Economic and Fiscal Commission)

Would not affect the level of State indebtedness.

STATE DEBT IMPACT NOTE (H-AM4) (Economic and Fiscal Commission)

Would not affect the level of State indebtedness.

HOUSING AFFORDABILITY IMPACT NOTE (H-AM2) (Housing Development Authority)

No fiscal effect.

HOUSING AFFORDABILITY IMPACT NOTE (H-AM4) (Housing Development Authority)

No fiscal effect.

CORRECTIONAL NOTE (H-AM 2) (Dept of Corrections)

Because offenders convicted solely of misdemeanors cannot be admitted to the Department, there is no corrections population or fiscal impact on the Department for any misdemeanor violations. There were five inmates admitted for a Class 3 or Class 4 illegal firearms transaction-related felony during FY02, with an average sentence of 2.0 years. The average sentence imposed in FY02 for a Class 2 firearms violation was 3.8 years. Therefore, each inmate admitted to prison for a Class 2 violation under this amended legislation would serve an average of 18 months, with added operating costs of \$32,481 and requiring the construction of one additional prison bed at the cost of \$53,168.

CORRECTIONAL NOTE (H-AM 2) (Dept of Corrections)

Senate Bill 947, as amended by HA #2, would have a minimal corrections population impact and fiscal impact. The changes in this legislation would have no impact on the Department.

HOME RULE NOTE (H-AM 2) (Dept of Commerce and Community Affairs)

In the opinion of DCCA, HB 947 (HA #2) does not pre-empt home rule authority.

STATE MANDATES FISCAL NOTE (H-AM 2) (Dept of Commerce and Community Affairs)

In the opinion of DCCA, SB 947 (HA #2) does not create a State Mandate under the State Mandates Act.

HOME RULE NOTE (H-AM 4) (Dept of Commerce and Community Affairs)

In the opinion of DCCA, HB 947 (HA #4) does not pre-empt home rule authority.

STATE MANDATES FISCAL NOTE (H-AM 4) (Dept of Commerce and Community Affairs)

In the opinion of DCCA, SB 947 (HA #4) does not create a State Mandate under the State Mandates Act.

SENATE COMMITTEE AMENDMENT NO. 1

Deletes reference to:

415 ILCS 5/22.10

Adds reference to:

30 ILCS 105/5.595 new

415 ILCS 5/22.15

from Ch. 111 1/2, par. 1022.15

415 ILCS 90/6.5 new

Deletes everything. Amends the Environmental Protection Act to increase the State tipping fee for the disposal of nonhazardous solid waste. Amends the State Finance Act and the Household Hazardous Waste Collection Program Act to create the Household Hazardous Waste Fund. Provides for deposit of the tipping fee increase into the Fund. Contains provisions concerning the allocation of moneys from the Fund, by the Agency and the Legislature, to certain counties, to be used for matters related to the collection and disposal of household hazardous waste. Effective immediately.

FISCAL NOTE (S-AM1) (Environmental Protection Agency)

An increase by 50 cents per ton to the State's solid waste tipping fee would generate approximately \$6 million per year for the new Household Hazardous Waste Fund. Of the \$6 million per year, \$4.8 million would be distributed to the City of Chicago and counties with over 149,000 population on a per capita basis. The remaining \$1.2 million would be allocated to the EPA to conduct household hazardous waste collections in all the remaining counties with less than 149,000 population.

FISCAL NOTE (S-AM1) (Dept of Commerce and Community Affairs)

No fiscal impact.

Amends the Toll Highway Act. Requires the Governor to appoint an Inspector General to investigate waste, fraud, or financial mismanagement in Authority operations involving Authority employees or contractors. Provides that after the effective date of this amendatory Act and through June 30, 2004, the Illinois State Toll Highway Authority may not charge or collect tolls at a rate higher than the tolls in effect on March 21, 2002. Provides that with respect to a proposed increase in toll rates, the Authority may not hold more than one hearing on the same day, and imposes other requirements concerning such hearings. Requires the Auditor General to conduct a management audit of the State's toll highway operations and management. Provides that all other expenses, including ordinary and contingent expenses, are subject to annual appropriation. Provides that, before bonds may be issued for or construction may be commenced on any new segment of toll highway, the issuance of bonds for or the commencement of construction of that particular segment must be approved by law (rather than authorized by joint resolution of the General Assembly). Prohibits directors of the Illinois State Toll Highway Authority, their employees, and agents from receiving direct or indirect financial benefit from the letting of Authority contracts during their terms of service and for a period of one year following termination of their positions or employment with the Authority. Requires the Authority to maintain a debt service fund with respect to revenue bonds outstanding on the effective date of this amendatory Act. Makes other changes. Effective immediately.

from Ch. 121, par. 9-113

765 ILCS 5/7a

from Ch. 30, par. 6a

Amends the Illinois Highway Code and the Conveyances Act. Provides that a public water service or public sanitary service utility must pay for any physical damage it causes to improvements lawfully located in a road or highway right-of-way. Provides that property that includes a portion of a highway or road but is subject to the highway or road shall not be considered to "end" at the highway or road. Provides that a utility must obtain consent to use a road or highway for public utility purposes from a lawful owner of the roadway or highway property (i.e. a person whose deed of conveyance lawfully includes the property, whether or not made subject to the highway or road) who does not pay taxes by reason of the farmland assessment provisions of the Property Tax Code. Provides that the term "conveyance" expressly excludes a road, street, highway, or alley if the legal description expressly states that the road, street, highway, or alley is excepted from the property being conveyed. Provides that the rights accruing to the abutting property owner shall be subject to all existing uses and easements located within the right-of-way and shall also be subject to such future uses and easements as may be permitted to be located within the right-of-way under the provisions of the Illinois Highway Code. Makes other changes.

SENATE FLOOR AMENDMENT NO. 1

Provides that, when consent to install or maintain service is obtained from a highway authority, the entity obtaining the consent still must obtain the rights or the consent of the owner of the land over or under which the highway is located, except when no owner has paid real estate taxes on the property for 2 years prior to the grant of consent.

SENATE COMMITTEE AMENDMENT NO. 1

Includes as a "student" a graduate student being compensated for research on his or her dissertation or thesis topic as approved by his or her graduate department.

SENATE FLOOR AMENDMENT NO. 2

Removes the provision defining "student". FISCAL NOTE (Illinois Board of Higher Education)

Any effect the enactment of this legislation may have on state expenditures would be subject to future negotiations with higher education institutions. At this time, it is not possible to determine the effect this legislation would have on state revenues or the expenditure of state funds.

STATE MANDATES FISCAL NOTE (Illinois Community College System)

There is no fiscal impact for community colleges or the ICCB.

FISCAL NOTE (Educational Labor Relations Board)

Although we cannot accurately calculate the total cost to implement this legislation, it will impose an additional cost on agency operations. In light of future budget cuts and the Board's current strain of its limited resources, these additional responsibilities will impose a greater financial burden upon the Board.

HOUSE AMENDMENT NO. 1

Deletes everything after the enacting clause. Amends the Illinois Educational Labor Relations Act. Makes a technical change in a Section concerning definitions.

35 ILCS 636/5-50

Amends the Simplified Municipal Telecommunications Tax Act. Provides that the Department of Revenue may not require a retailer to furnish information in its return that is not specifically

required by the Act to be reported and is not required in order to ascertain the amount of taxes that are due and payable on the return. Effective immediately.

FISCAL NOTE (Department of Revenue)

The Department doesn't think this legislation will cause any serious disruption in the collection and distribution of this tax. However, its possible that as new municipalities adopt ordinances to impose the tax, we may not have all information regarding which telecommunications companies are providing service in the area, which could slow down collection of the tax.

Provides that prior to January 1, 2004 (now June 1, 2003) any apportionment method consistent with the provisions governing apportionment shall be accepted as a reasonable method to determine charges. Adds provisions concerning the prevention of multi-municipal taxation of certain telecommunications. Makes other changes. Effective January 1, 2004, except that the changes in the Simplified Municipal Telecommunications Tax Act concerning returns to the Department of Revenue and the authority to tax under the Act effective immediately.

SB-1102 JACOBS-PETERSON.

35 ILCS 636/5-20

Amends the Simplified Municipal Telecommunications Tax Act. Establishes procedures for the Department of Revenue to certify an ordinance passed by a municipality to impose a tax under the Act or to amend or repeal a tax imposed under the Act and to notify telecommunications retailers of the certification of the ordinance by the Department (now, municipalities are required to file the ordinance with the Department pursuant to rules adopted by the Department). Imposes time frames for Department certification and notification of retailers. Effective immediately.

FISCAL NOTE (Department of Revenue)

Because the language in the bill may cause some confusion among municipalities as to when the deadline for submitting ordinances is, there will most likely be some administrative impact on the Department, of an unknown amount, due to the increase in the volume of calls regarding implementation of the tax.

SENATE FLOOR AMENDMENT NO. 1

Provides that the Department must determine whether the ordinance imposing, amending, or repealing the tax meets the criteria under the Act within 10 days (30 days in the underlying bill) after receipt of the ordinance submitted by the municipal clerk of the municipality adopting the ordinance.

SENATE FLOOR AMENDMENT NO. 2

Adds reference to:

35 ILCS 630/2

from Ch. 120, par. 2002

35 ILCS 635/10

35 ILCS 636/5-7

Amends the Telecommunications Excise Tax Act and the Telecommunications Infrastructure Maintenance Fee Act, and further amends the Simplified Municipal Telecommunications Tax Act. In the definition of "gross charge", with respect to charges for the portion of the interstate inter-office channel provided in Illinois, provides that, prior to January 1, 2004 (now, prior to June 1, 2003), any apportionment method consistent with the provisions set forth shall be accepted as a reasonable method to determine the charges. Adds an immediate effective date.

FISCAL NOTE (S-AM1) (Dept of Commerce and Community Affairs)

No fiscal impact on DCCA. The extent of impact on local governments is not available.
HOUSE AMENDMENT NO. 1

Adds reference to:
35 ILCS 636/5-10

Deletes everything after the enacting clause. Reinserts the provisions amending the Simplified Municipal Telecommunications Tax Act concerning procedures for imposing the tax. Replaces the other changes in the bill as follows. Amends the Telecommunications Excise Tax Act and the Telecommunications Infrastructure Maintenance Fee Act. Provides that prior to January 1, 2004 (now, June 1, 2003) any apportionment method consistent with the provisions governing apportionment of charges shall be accepted as a reasonable method to determine charges for that portion of the interstate inter-office channels provided within Illinois. Amends the Simplified Municipal Telecommunications Tax Act. Makes changes with respect to the calculation of gross charges for private line service in a municipality that has imposed a tax under the Act. Provides that prior to January 1, 2004 (now June 1, 2003) any apportionment method consistent with the provisions governing apportionment shall be accepted as a reasonable method to determine charges. Adds provisions concerning the prevention of multi-municipal taxation of certain telecommunications. Makes other changes. Effective January 1, 2004, except that the changes in the Simplified Municipal Telecommunications Tax Act concerning returns to the Department of Revenue and the authority to tax under the Act effective immediately.

HOUSE AMENDMENT NO. 2

In the Simplified Municipal Telecommunications Tax Act replaces the changes concerning the certification by the Department of Revenue of an ordinance adopted by a municipality to impose the tax and notification of telecommunications retailers. Provides that on and after April 1, 2003, any certified copy of an ordinance filed with the Department on or before September 20 or March 20 shall be effective with respect to gross charges billed by telecommunications retailers on or after the following January 1 or July 1, respectively. SB-1119 ROSKAM.

40 ILCS 5/7-145.1

30 ILCS 805/8.27 new

Deletes everything. Amends the Illinois Municipal Retirement Fund Article of the Illinois Pension Code. Provides that the alternative annuity that is available to certain county officers is available to members of a board of commissioners of a forest preserve district who are elected to serve on a forest preserve district that is located in a county having a population of more than 800,000 but fewer than 3,000,000 inhabitants. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

PENSION NOTE (Pension Laws Commission)

The fiscal impact cannot be determined. For forest preserve districts with an elected board of commissioners, there would be a fiscal impact, as the required employee contributions only pay a portion of the cost of the optional benefits. SB 1119 would not affect the annual costs of accrued liabilities of any current IMRF employer.

 Adds reference to:
 410 ILCS 305/5.5 new

Deletes everything after the enacting clause. Amends the AIDS Confidentiality Act. Provides that no health care provider (rather than no physician) may order an HIV test without making available, to the person tested, information about the meaning of test results and about the availability of additional testing and referrals. Requires the Department of Public Health to adopt rules to allow for the implementation of HIV/AIDS rapid testing; provides that the rules must include, but need not be limited to, standards for testing and counseling and dissemination of test results. In provisions concerning disclosure of test subjects and results, provides for notice by a physician or other health care provider if a positive test result is confirmed pursuant to guidelines set by the Department of Public Health (instead of confirmed by a Western Blot Assay or more reliable test). Effective immediately.

HOUSE AMENDMENT NO. 2

Adds reference to:

410 ILCS 305/3

Further amends the AIDS Confidentiality Act. In the definition of "health care provider", replaces "physician" with "health care professional"; defines "health care professional" to include a physician, physician assistant, advanced practice registered nurse, dentist, or podiatrist, an individual certified to provide HIV testing and counseling. Makes the requirements concerning ordering of an HIV test applicable to health care professionals instead of health care providers. Provides that Department of Public Health rules concerning HIV/AIDS rapid testing must include standards for ordering and administration of testing and counseling (instead of simply for testing and counseling). Requires confirmation of test results pursuant to rules adopted (instead of guidelines set) by the Department.

10 ILCS 5/28-3.1 new

SENATE COMMITTEE AMENDMENT NO. 1

Requires that the State Board of Elections maintain a complete set of petition forms on its web site in a downloadable format.

FISCAL NOTE (S-AM1) (State Board of Elections)

SB 1164 would have major fiscal impacts on the operations of the State Board of Elections. We would need additional appropriations in our budget to accommodate the hiring of at least 3 full-time attorneys who do nothing but write petition forms for interested citizens. In addition, we would need additional appropriation to: (1) hire an additional computer person to oversee and install the forms on our website and (2) to purchase additional hardware and software to maintain downloadable petitions and provide petitions that have been used in the past.

 210 ILCS 115/19 from Ch. 111 1/2, par. 729

Amends the Mobile Home Park Act. Provides that the funds and fines received under the Act shall be deposited into the Facility Licensing Fund and shall be used for the enforcement of the Act. Provides that the Department of Public Health may assess administrative fines against a person who operates a mobile home park in violation of the Act or its rules. Provides that the Department must provide written notification of the violations and allow a minimum of 10 days for correction before imposing the administrative fine. Effective immediately.

FISCAL NOTE (Department of Public Health)

The Department does not intend to hire additional staff as a result of the proposed amendments that would specify that all fees collected be deposited into the Facility Licensing Fund. This would provide better assurance that the Department can continue to conduct the minimum of one inspection per year of the manufactured home communities. In fiscal year 2002, the Department received \$243,376 in annual license fees and plan review fees. The proposed legislation would allow the Department to assess administrative fines by rule. Without knowing the actual dollar amount of the fees, it is estimated that at least \$7,000 would be collected annually, for an annual revenue of \$250,000. The expense of administering the program in FY02 was \$273,230 which was paid entirely from the general revenue fund.

SB-1208 HARMON-JACOBS.

40 ILCS 5/14-108 from Ch. 108 1/2, par. 14-108
 40 ILCS 5/14-133 from Ch. 108 1/2, par. 14-133

Amends the State Employee Article of the Illinois Pension Code. Increases the retirement formula for certain regular coordinated members from 1.67% to 2.0% of final average compensation per year of service. Increases the employee contribution rate for those members from 4% to 5%. Effective immediately.

FISCAL NOTE (State Retirement Systems)

Based on our analysis, as of June 30, 2001, 57,558 active members and 5,032 deferred members would be affected by the change.

The increase for active members is estimated to be \$624.6 million or 1.03% of payroll and deferred members is estimated to be \$39.3 million.

PENSION NOTE (Pension Laws Commission)

SB 1208 would increase the accrued liability of the System by an estimated \$663.9 million. The contributions required to amortize this increase in accrued liability have not been calculated, but would be substantial. In addition, the increase in normal cost (benefits earned in a year) is expected to be 1.03% of payroll, which would be offset by the 1.03% of salary increase in employee contributions. It should be noted that these cost estimates assume a change in the formula would not change the timing of retirement decisions. If members of SERS start to retire earlier, the costs of SB 1208 would be higher than outlined above.

Amends the Counties Code. Provides that the Supreme Court shall establish a Lengthy Trial Fund that shall be used to provide full wage replacement or wage supplementation to jurors who serve on petit juries in civil litigation, for which a jury trial has been requested, after the 10th day of jury service. Provides that payment shall be limited to the actual amount of wages a juror earns, up to \$500 per day, minus any amount the juror actually receives from the employer during the same time period. Provides that each trial court shall collect from each attorney who files a civil case, other than an attorney exempted from payment, a fee of \$20 per case to be paid into the Lengthy Trial Fund. Amends the Jury Act. Provides that service of prospective petit jurors shall be for no more than one court day in actual attendance. Provides that an individual may apply to be excused from jury service for a period of up to 24 months, instead of seeking a postponement when either: (1) the prospective juror has a mental or physical condition that causes him or her to be incapable of performing jury service or (2) jury service would otherwise cause "undue or extreme physical or financial hardship" to the prospective juror or a person under his or her care or supervision. Establishes procedures for verifying information that would justify granting excuse from jury service. Makes failure to appear for jury service a Class A misdemeanor rather than contempt of court. Effective July 1, 2003.

SENATE COMMITTEE AMENDMENT NO. 1

Provides that the court may pay replacement or supplemental wages of up to \$300 per day per juror beginning on the 11th day of jury service. Provides that the failure to appear for jury service is a Class C (rather than a Class A) misdemeanor with a fine of up to \$500. Provides that a person summoned for jury service shall not be required or requested to use annual, vacation, or sick leave

for time spent responding to a summons for jury duty, time spent in the jury selection process, or for time spent actually serving on a jury.

SENATE FLOOR AMENDMENT NO. 3

Deletes reference to:

55 ILCS 5/4-11003 new

705 ILCS 305/4.1

Deletes all. Amends the Jury Act. Provides that a person summoned for jury service shall not be required or requested to use annual, vacation, or sick leave for time spent responding to a summons for jury duty, time spent participating in the jury selection process, or time spent actually serving on a jury. Provides that a court shall automatically postpone and reschedule jury service of a juror employed by an employer with 5 or fewer full-time employees if another employee of that employer is summoned to appear during the same period. Provides that in counties with populations greater than 100,000, service of prospective petit jurors shall be for no more than one court day in actual attendance, unless a prospective juror is selected to serve on a jury or is under consideration to serve on a jury and the consideration covers a period of 2 or more days. Provides that an individual may apply to be excused from jury service for a period of up to 24 months when either the prospective juror has a mental or physical condition that causes him or her to be incapable of performing jury service or jury service would cause undue or extreme physical or financial hardship to the prospective juror or a person under the person's care or supervision. Provides that a person scheduled to appear for jury service has the right to postpone the date of his or her initial appearance for jury service one time only if with the concurrence of the clerk of the court, the prospective juror fixes a date certain on which the person will appear for jury service that is not more than 6 months after the prospective juror originally was called to serve. Provides that a person who is called for juror service and fails to attend without having obtained an excuse or postponement is guilty of a Class C misdemeanor and subject to imprisonment or fine of up to \$500. Provides that the provisions of the Act are severable. Effective July 1, 2003

Replaces the title and everything after the enacting clause with the engrossed bill with the following changes. Amends the Illinois Health Facilities Planning Act. Defines "change of ownership" and "related person". Abolishes the term of office of each member of the State Board as of the effective date of the amendatory Act. Removes a provision that the State Board shall consist of 15 members and provides that, upon the effective date of the amendatory Act, the State Board shall consist of 9 members. Contains provisions concerning the term of office of the 9 members appointed under the amendatory Act. Provides that no more than 5 (now, 8) of the appointments shall be of the same political party. Removes provisions concerning certain recommendations that the Governor must consider in making appointments to the State Board and concerning the term of office for original appointments to the State Board by the Governor. Precludes appointment of any person to the Health Facilities Planning Board on or after January 1, 2004, if that person has served after January 1, 2004 more than 2 consecutive 3-year terms as a board member, except for ex-

officio, non-voting members. Provides that a majority (now, 8) of the members of the board who currently hold office constitutes a quorum and that the affirmative vote of a majority (now, 8) of the voting members who currently hold office is required for action requiring a vote by the board. Provides for disqualification of a board member from consideration of an application under certain circumstances. Provides that an exemption shall be approved when information required by the board by rule is submitted. Provides that certain projects are eligible for an exemption, rather than a permit. Provides that the Director of the Department (now, the State Board) shall appoint a hearing officer within 30 days after the Director (now, the Chairman of the Illinois Health Facilities Planning Board) schedules a hearing to appeal an action by the board. Makes changes concerning the length of the hearing and the time in which the Board's final determinations must be made. Requires the Department of Public Health to issue a permit where the application receives positive findings on all of the Board's review criteria and the application is not objected to by any member of the public. Makes changes concerning data collection from health care facilities by the Department of Public Health and the way in which rules, standards, criteria, and state norms are reviewed, revised, promulgated, and posted. Extends the repeal date to January 1, 2008 (now, January 1, 2003). Further amends the Hospital Licensing Act. Provides that the Department of Public Health shall not issue a violation to a facility if specified criteria are met. Provides that the Department shall conduct an on-site inspection of the completed project no later than 15 (rather than 10) business days after notification from the applicant that the project has been completed and all certifications have been received and accepted by the Department. Provides that the Department may extend this deadline only if a federally mandated survey time frame takes precedence. Provides that the Department may grant or renew an alternative compliance methodology with a rule or standard. Removes a provision requiring the Department to offer an opportunity for informal dispute resolution concerning the application of building codes for new and existing construction. Removes provisions concerning status and exit briefings and changes to provisions concerning disclosure. Makes other changes. Effective immediately.

HOUSE AMENDMENT NO. 3

Provides that no person shall be appointed as a Health Facilities Planning Board member if that person has served, after the effective date of the amendatory Act, 2 3-year terms (rather than 2 consecutive 3-year terms), except for ex officio non-voting members. Provides that a Board member may not receive a per diem, but may be paid a hardship allowance as determined by and subject to the approval of the Governor's Travel Control Board. Provides that the Governor shall designate one of the members to serve as Chairman (rather than allowing the Board to provide for its own organization). Provides that 5 members (rather than a majority) constitute a quorum and that the affirmative vote of 5 members (rather than a majority) shall be necessary for any action requiring a vote to be taken by the Board.

- 40 ILCS 5/13-403 from Ch. 108 1/2, par. 13-403
- 30 ILCS 805/8.27 new

Amends the Metropolitan Water Reclamation District Article of the Illinois Pension Code. Authorizes certain persons to purchase up to 2 years of service credit for certain military service not following employment. Requires payment of an amount representing both employee contributions and the employer's normal cost, plus interest. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

PENSION NOTE (Pension Laws Commission)

The fiscal impact of SB 1358 cannot be determined, as the number of members who will purchase the military service credit is unknown. As the bill requires the employee to make the employee and employer (normal cost) contributions, plus interest (3% annually), the fiscal impact is estimated to be relatively minor. Any fiscal impact would be the result of the interest rate being set at only 3% annually.

FISCAL NOTE (Dept of Commerce and Community Affairs)

No fiscal impact on DCCA. The extent of fiscal impact on local governments cannot be determined.

SB-1360 MALONEY-BOMKE.

115 ILCS 5/7

from Ch. 48, par. 1707

Amends the Illinois Educational Labor Relations Act. Removes a provision that provides that: (i) the sole appropriate bargaining unit for academic faculty at the University of Illinois shall be a unit that is comprised of non-supervisory academic faculty employed more than half-time and that includes all tenured, tenure-track, and nontenure-track faculty employed by the University's board of trustees; and (ii) any decision, rule, or regulation promulgated by the Illinois Educational Labor Relations Board to the contrary is null and void.

SENATE FLOOR AMENDMENT NO. 1

Restores current law concerning the sole appropriate bargaining unit for academic faculty at the University of Illinois. Provides, however, that the bargaining unit is for tenured and tenure-track academic faculty and that each campus of the University as well as the college of medicine, the college of pharmacy, the college of dentistry, the college of law, and the college of veterinary medicine shall have a separate bargaining unit.

FISCAL NOTE (Illinois Board of Higher Education)

Any effect the enactment of this legislation may have on state expenditures would be subject to future faculty negotiations with the University. At this time, it is not possible to determine the effect this legislation would have on state revenues or the expenditure of state funds.

SB-1361 LAUZEN.

605 ILCS 5/4-510 from Ch. 121, par. 4-510

Amends the Illinois Highway Code. Requires the Illinois Department of Transportation to establish exact (rather than approximate) locations and widths of rights of way for future additions to the State highway system and to hold a public hearing whenever exact (rather than approximate) locations and widths of rights of way are to be established. Requires the Department to prepare a map showing the exact location and widths of the rights of way. Requires the filing of an environmental impact study along with a notice of approval of the map and a copy of the map in the office of the recorder for all counties where the land needed for future additions is located. Requires the Department to hold public hearings to discuss the viability and feasibility of each protected corridor not more than 10 years after the protected corridor is established in accordance with the provisions of the Code, and not later than the expiration of each 10-year period after the establishment of the protected corridor. Requires the Department to give due consideration to the information obtained at that hearing and to abolish the protected corridor if construction of the roadway is no longer feasible. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 1

Deletes amendatory language requiring the Department to establish exact locations and widths and to hold public hearings when those widths and locations are established.

FISCAL NOTE (Department of Transportation)

The provisions in this bill could lead to a lack of corridor protection. While this would have no immediate fiscal impact on the Department, the lack of corridor protection may lead to an inability to expand highways in rapidly growing and developing communities. This lack of expanded highway development will lead to traffic congestion which cannot be relieved because of the lack of area to build new highways. This congestion and lack of expanded highway development can cost communities and regions billions of dollars and stifle long term economic development.

20 ILCS 3405/20 new

Amends the Historic Preservation Agency Act. Creates the Freedom Trail Commission. Contains provisions concerning the membership and duties of the commission. Provides that the commission must prepare a master plan to promote and preserve the history of the freedom trail and underground railroad in the State; work in conjunction with State and federal authorities to sponsor commemorations, linkages, seminars, and public forums on the freedom trail and underground railroad in the State and in neighboring states; assist and promote the making of applications for inclusion in the national and State register of historic places for significant historic places related to the freedom trail and the underground railroad in the State; assist and develop partnerships to seek public and private funds to carry out activities to protect, preserve, and promote the legacy of the freedom trail and underground railroad in the State; and work with the Illinois State Board of Education to evaluate, conduct research concerning, and develop a curriculum for use in Illinois public schools regarding the underground railroad, with emphasis on the activities of the underground railroad within this State. Provides that the commission must report its activities and findings to the General Assembly by February 1, 2004. Effective immediately.

FISCAL NOTE (Illinois Historic Preservation Agency)

The costs that would be created by SB 1363 are estimated to total \$215,000 and would fall into three areas:

(1) Travel and administrative costs for the Commission members and staff - \$20,000

(2) Staff and consultant costs - \$135,000

(3) Publications, promotion, and sponsorships - \$60,000

FISCAL NOTE (State Board of Education)

The costs for the Illinois State Board of Education would be to evaluate, conduct research concerning underground railroads and develop a curriculum for use in the schools regarding the underground railroad. It is not clear what is being evaluated or if a curriculum is being evaluated. This agency generally doesn't conduct research but what is intended may be researching curriculum, and that would be done in the course of curriculum development. The actual development of curriculum would be the single cost-estimate of \$15,000 for a team of teachers/editor/staff contact here.

Amends the Illinois Public Aid Code. Requires the Department of Human Services to file an annual report with the Governor and the General Assembly that details the disparate impact of various provisions of the TANF program on Whites, Blacks/African Americans, and Latinos. Sets forth matters to be included in the report. Effective immediately.

SENATE FLOOR AMENDMENT NO. 1

Provides that the Department of Human Services must submit its report to the Governor and the General Assembly on January 1 of each even-numbered year (instead of annually on January 1).

HOUSE AMENDMENT NO. 1

In provisions concerning a Department of Human Services report on the disparate impact of various provisions of the TANF program on certain population groups, changes a reference to "Whites" to "Caucasians".

HOUSE AMENDMENT NO. 2

Requires the Department of Human Services to report on the TANF program's impact on people of different racial or ethnic groups who identify themselves in an application for benefits as (i) White, not of Hispanic origin, (ii) Black, not of Hispanic origin, (iii) Asian or Pacific Islander, (iv) Hispanic (includes Mexican, Puerto Rican, Cuban, Dominican, or other South or Central American culture, regardless of race), (v) other, or (vi) racial or ethnic group not available (instead of reporting on the program's impact on Whites, Blacks/African Americans, and Latinos).

GOVERNOR AMENDATORY VETO MESSAGE

105 ILCS 125/5

from Ch. 122, par. 712.5

Creates the Childhood Hunger Relief Act and amends the School Breakfast and Lunch Program Act. Requires the board of education for certain school districts to utilize available federal funding to establish a school breakfast program and a summer food service program. Provides that applications for participation in the school food programs shall be filed with the State Board of Education and information about the child's status shall be provided by the Department of Human Services upon written request. Makes changes concerning the breakfast incentive program. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 1

Makes changes concerning which schools are to have school breakfast programs. Removes provisions requiring school districts and schools to develop written plans to administer the breakfast programs. Makes changes concerning summer food service programs. Further amends the School Breakfast and Lunch Program Act. Removes the requirement that applications be filed through the regional superintendent of schools. Removes the amendatory provisions that require a school district to certify children as eligible for free meals and require the Department of Human Services to provide information about a child's status. Provides instead that the Department of Human Services shall work with the State Board of Education to certify all children that are eligible for participation.

SENATE FLOOR AMENDMENT NO. 3

Deletes everything after the enacting clause. Reinserts the contents of the bill as amended by Senate amendment No. 1 with the following changes. Requires a board of education to implement a school breakfast program in each school within its district only if at least 40% or more students are eligible for free or reduced-price lunches. Removes the requirement that a board of education operate a summer food service program, identify a non-profit or private agency to sponsor a program, or collaborate with a non-profit or private agency to provide the program (instead, strongly encourages a board to operate a program or identify an agency to sponsor a program). Provides that a summer food service program may (instead of shall) be supported by federal funds and commodities and other available State and local resources. Effective immediately.

New Act

Creates the Ephedra Prohibition Act. Prohibits the sale of any dietary supplement containing any quantity of ephedra or ephedrine alkaloids. Exempts from that prohibition the sale of any product that receives explicit approval by the Secretary of Health and Human Services as safe and effective for its intended use or is lawfully marketed under an over-the-counter monograph issued by the United States Food and Drug Administration. Provides that a person is guilty of a Class A misdemeanor for a first-time violation of the Act and a Class 3 felony for a subsequent violation. Effective immediately.

CORRECTIONAL NOTE (Department of Corrections)

The impact of this legislation is expected to be minimal. Because the penalty associated with a first violation is a Class A misdemeanor, and offenders convicted solely of a misdemeanor cannot be admitted to the Department, there would be no corrections population or fiscal impact on the Department. Each person sentenced to prison for a subsequent violation, a Class 3 felony, would serve an average of 12 months at a cost of \$21,654 and would require the construction of one additional prison bed at the cost of \$53,168.

FISCAL NOTE (Department of Public Health)

No fiscal impact.

35 ILCS 5/208.2 new

Amends the Illinois Income Tax Act. Provides that, beginning with taxable years ending on or after December 31, 2003, every individual taxpayer who owns property in an active adult planned unit development community is entitled to a tax credit equal to 50% of the real property taxes extended on behalf of the school district and paid by the taxpayer during the taxable year on the principal residence of the taxpayer. Provides that if the credit exceeds the tax liability of the taxpayer, the taxpayer shall receive a refund for the amount of the excess. Provides that the Department of Revenue shall adopt rules defining "active adult planned unit development community". Exempts the credit from the sunset provisions of the Act. Effective immediately.

FISCAL NOTE (Department of Revenue)

From available data, we know that there were 690,000 seniors in Illinois who claimed a senior homestead exemption in 2001. The property tax credits for those 65 and over indicated that average property taxes were \$2,365 per year. If ten percent of this population took the tax advantage and moved to an active adult retirement setting, that would equal 69,000 people and would cost the State approximately \$49 million. The average tax bill multiplied by 10% of seniors equals \$163 million. School districts share of property taxes averages approximately sixty percent, which gives you \$97.9 million. The bill allows a refundable credit of 50% of the real property taxes extended on behalf of a school district and paid by the taxpayer. Fifty percent of \$97.9 million is \$49 million.

STATE MANDATES FISCAL NOTE (Illinois State Board of Education)

Senate Bill 1446 does not impose any additional mandate on local school districts.

New Act

35 ILCS 200/18-20

35 ILCS 200/23-35

65 ILCS 5/1-5-1

from Ch. 24, par. 1-5-1

Creates the Taxing District Tax Levy Validation (2003) Act to validate certain annual appropriation ordinances and tax levy ordinances adopted by taxing districts from 1989 through 2002 together with the taxes assessed, levied, and extended thereon. Amends the Property Tax Code. Allows (now requires) a taxing district to adopt a resolution or ordinance to reduce its tax levy if the district receives a surplus of funds under the State Revenue Sharing Act. Provides that, for the purposes of tax objections based on budget or appropriation ordinances, "municipality" means all municipal corporations in, and political subdivisions of, this State (now, excepts out from this definition a number of units of local government) and eliminates a basis on which a taxpayer may file an objection under these provisions. Applies these changes retroactively. Amends the Illinois Municipal Code to authorize the recovery of costs and attorney fees incurred by a prevailing taxpayer who brings suit on behalf of a municipality to recover certain money or property belonging to the municipality. Effective immediately.

40 ILCS 5/16-106

105 ILCS 5/10-20.7

from Ch. 108 1/2, par. 16-106

from Ch. 122, par. 10-20.7

Amends the Downstate Teacher Article of the Illinois Pension Code. Provides that a person who is employed by a private business enterprise engaged in the business of providing schools with temporary substitute teachers is not a "teacher" and is neither entitled to service credit nor required to make employee contributions with respect to that employment. Amends the School Code. Provides that a school board may contract with a private business entity to train and provide qualified temporary substitute teachers, and that those qualified temporary substitute teachers may be employees of the private business entity rather than employees of the school board. Effective July 1, 2003.

PENSION NOTE (Pension Laws Commission)

The fiscal impact cannot be determined. There would be a fiscal impact as substitute teachers who are now required to participate in TRS would not be required to become TRS members.

FISCAL NOTE (State Board of Education)

No fiscal impact.

FISCAL NOTE (Teachers' Retirement System)

There will be no change in the state contributions to the Teachers' Retirement System as a result of this legislation. However, increased state contributions to TRS will be required if teachers that are employed with a temporary employment agency seek to purchase the credit at a later date. Contributions that are required for the purchase of optional service credit covers seventy-nine cents for every dollar of actual cost. Approximately 3,500 substitute teachers become full-time teachers every year.

Provides that the additional license renewal fee moneys shall be paid to a compulsive gambling program administered by the Department of Human Services. New Act

Creates the Illinois Hunting Heritage Protection Act. Provides that, subject to limitations, State public lands shall be open to access and use for recreational hunting. Provides that State public land management decisions and actions should, to the greatest practical extent, result in no net loss of land area available for hunting opportunities on State public lands. Provides that by October 1 of each year, the Governor shall submit a report pertaining to areas that have been closed to recreational hunting, the reasons for the closures, and areas that were opened to recreational hunting to compensate for those areas that were closed. Provides that no withdrawal, change of classification, or change of management status that effectively closes 100 or more acres of State public land to access or use for recreational hunting may take effect, unless the Governor has submitted written notice of the withdrawal or change to the General Assembly. Effective immediately.

SENATE FLOOR AMENDMENT NO. 3

Deletes everything. Reinserts provisions of the bill as introduced with the following changes: Defines "Department" as the Department of Natural Resources. Provides that the Act applies and "Department-managed lands". Provides that Department land management decisions and actions may not (instead of "should not"), to the greatest practical extent, result in any net loss of acreage available for hunting. Provides that the Governor must submit a written report (instead of "report") to the General Assembly concerning Department-managed lands used for recreational hunting. Deletes the provision that certain actions that effectively close 100 or more acres of State public land to access or use for recreational hunting may not take effect unless the Governor has submitted at least a 30-day advance written notice of the action. Effective immediately.

HOUSE AMENDMENT NO. 1

In the Illinois Hunting Heritage Protection Act, provides that "recreational hunting" does not include the intentional capture, trapping, or dispatching of dogs and cats, which are under the sole jurisdiction of the Department of Agriculture.

HOUSE AMENDMENT NO. 2

Provides that "recreational hunting" does not include the intentional capture, trapping, or dispatching of any species of dog that is commonly kept as a household pet or aid animal (instead of "dogs") or any member of the family Felidae (instead of "cats"). Deletes the provision stating that dogs and cats are under the sole jurisdiction of the Department of Agriculture.

SB-1535 J. SULLIVAN-SCHOENBERG-OBAMA.

New Act

35 ILCS 5/213 new

Creates the Rural Technology Enterprise Zone Act. Allows the Illinois Commerce Commission to designate rural areas in the State as rural technology enterprise zones. Provides that the Illinois Commerce Commission shall submit a report to the General Assembly outlining the progress in improving Internet access within rural technology enterprise zones. Amends the Illinois Income Tax

Act to provide a tax credit for investments in technology infrastructure required to provide Internet access in rural technology enterprise zones. Effective immediately.

FISCAL NOTE (Illinois Commerce Commission)

In order to establish accurate and precise boundaries for these zones, the Commission would have to undertake a substantial rule making effort once this bill became law. Due to the January 1, 2004 start of this program, this process would likely involve several members of the ICC Staff and take at least a year of workshops and Commission proceedings, costing approximately \$45,000. Further, GIS software to establish and track "Rural Technology Enterprise Zones" would cost approximately \$5,600. Ongoing administration to handle things such as petitions and challenges is estimated to cost approximately \$30,000 a year.

FISCAL NOTE (Department of Revenue)

Since the ICC has yet to write rules for the zones, investments and other matters, we are unable to determine how much the credit will reduce income tax liabilities. However, if there are a couple hundred of these zones and taxpayers invest close to \$1 million in each of these zones, the credit has the potential to cause a substantial revenue loss, especially since excess credit may be carried forward 10 years.

FISCAL NOTE (Dept of Commerce and Community Affairs)

SB 1535 will not incur a fiscal impact on DCCA, cities, towns, and incorporated villages. The impact of the legislation on rural townships cannot be determined.

SENATE FLOOR AMENDMENT NO. 1

Deletes everything. Reinserts the provisions of the bill as introduced but (1) changes the title of the Act to the Rural Technology Development Zone Act; (2) provides that the Department of Commerce and Community Affairs shall administer the Act rather than the Illinois Commerce Commission; and (3) provides that the program shall consist of a pilot program with 3 areas designated by DCCA as rural technology development zones in consultation with the Illinois Commerce Commission. Effective immediately.

New Act

- 5 ILCS 120/2 from Ch. 102, par. 42
- 5 ILCS 140/7 from Ch. 116, par. 207

Creates the Residential Health Care Facility Resident Sexual Assault and Death Review Team Act. Requires the Director of Public Health to appoint a residential health care facility resident sexual assault and death review team in each of the Department's administrative regions outside Cook County and at least one such team in Cook County. Provides that a team shall review every sexual assault of a nursing home resident and every death of a nursing home resident occurring in its region. Requires the teams to perform functions that include (i) evaluation of means by which the assault or death might have been prevented, (ii) promotion of continuing education for professionals involved in investigating, treating, and preventing nursing home resident abuse and neglect, and (iii) making recommendations to the Director of Public Health concerning prevention and investigation of nursing home resident assaults and deaths. Creates the Illinois Residential Health Care Facility

Resident Sexual Assault and Death Review Teams Executive Council to oversee the review teams. Amends the Open Meetings Act to exempt meetings of the review teams and the Executive Council from the open meeting requirements of that Act. Amends the Freedom of Information Act to exempt records of the review teams and the Executive Council from the public access requirements of that Act. Effective immediately.

SENATE FLOOR AMENDMENT NO. 1

Requires the review of every reported case of sexual assault of a nursing home resident that is confirmed (instead of a review of every sexual assault of a nursing home resident).

SENATE FLOOR AMENDMENT NO. 2

Requires review of a nursing home resident's death if the deceased is a person whose care the Department of Public Health found violated federal or State standards in the 6 (instead of 12) months preceding the resident's death. Adds a provision repealing the Residential Health Care Facility Resident Sexual Assault and Death Review Team Act on July 1, 2006.

HOUSE AMENDMENT NO. 1

Changes the short title of the new Act to the Abuse Prevention Review Team Act (instead of the Residential Health Care Facility Resident Sexual Assault and Death Review Team Act). Provides that nothing in the Act is intended to conflict with or duplicate provisions of other Acts or rules implementing other Acts.
