CORRECTIONAL NOTE (Department of Corrections)

The fiscal impact of House Bill 1253 will be minimal (reduction).

JUDICIAL NOTE (Administrative Office of the Illinois Courts)

House Bill 1253 would neither increase nor decrease the number of judges needed in the state.

STATE DEBT IMPACT NOTE (Economic and Fiscal Commission)

HB 1253 would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

BALANCED BUDGET NOTE (Bureau of the Budget)

Section 10 of the Balanced Budget Note Act requires the preparation of a Balanced Budget Note for supplemental appropriation bills. Since this House Bill is not a supplemental appropriation bill, it is not possible to complete this Note as requested.

FISCAL NOTE (Department of Public Health)

The Department estimates the cost of developing, printing, and distributing education materials to pharmacists to provide to persons purchasing sterile syringes during the first year the bill is in effect to be \$93,800. Annual costs thereafter are estimated at \$83,800.

HB-1254 FEIGENHOLTZ-OSTERMAN-MAY-HOLBROOK-MCKEON, KELLY, RITA, TURNER AND GILES.

20 ILCS 105/4.02 from Ch. 23, par. 6104.02

Amends the Illinois Act on the Aging. In provisions for a community care program of services to prevent unnecessary institutionalization of persons age 60 and older, provides that the Department on Aging's eligibility standards for the services must include a provision that, to be eligible for services, a person may not have assets totaling more than \$20,000 if (i) the person is unmarried or (ii) the person is married and the person or the person's spouse meets certain criteria. Provides that if the person is married and the person's spouse does not receive community care services, the person may not have assets totaling more than the asset disregard amount used by the Department of Public Aid in determining eligibility for medical assistance under the Illinois Public Aid Code. Effective January 1, 2004.

FISCAL NOTE (Department on Aging)

House Bill 1254 amends the Illinois Act on the Aging to provide that the Community Care Program (CCP) non-exempt asset eligibility standard be increased from the current \$10,000 limit to a \$20,000 limit in non-exempt assets. Non-exempt assets are assets that are not specifically exempt per administrative rule. Exempt assets include such things as homestead property, household furnishings, clothing and personal effects. Utilizing census data for individuals 60-years and older, current CCP participation rates, and data on household financial assets, the Department estimates that between 3,500 and 5,800 individuals, with non-exempt assets between \$10,000 and \$20,000, would be eligible for the CCP. Based on an estimated average monthly per client spending, multiplied by twelve months, and multiplied by the additional CCP clients, generates an estimated annual expenditure increase of between \$19.4 and \$32.6 million in state general revenue funds.

HB-1272 HOFFMAN-FRANKS-CHAPA LAVIA-HOLBROOK AND REITZ.

- 305 ILCS 5/5-5.5 from Ch. 23, par. 5-5.5

Amends the Illinois Public Aid Code. In provisions concerning Medicaid payment rates for nursing homes, provides that a nursing home must document its increased costs of providing services resulting from capital improvements made by the facility. Provides that the Department of Public Aid must verify this information promptly after receiving the facility's cost report. Provides that the Department must adjust the facility's payment rates promptly after verifying the facility's increased costs of providing services resulting from capital improvements made by the facility. Effective immediately.

HOUSE AMENDMENT NO. 1

Replaces the amendatory provisions of the bill concerning a nursing home's reporting of increased costs resulting from capital improvements. Provides that a nursing home may at any time submit information to the Department of Public Aid to supplement the facility's most recent cost report to document its increased allowable costs of providing services resulting from capital improvements made by the facility that have not been considered in the payment rates in effect for that facility for the current fiscal year. Requires prompt verification by the Department and prompt adjustment of the facility's payment rates. Makes implementation subject to appropriations.

FISCAL NOTE (Department of Public Aid)

The current code allows facilities to request a capital adjustment if a significant capital improvement has been made. This amendment to the current code mandates that the facility receives a capital adjustment regardless of the significance of the capital improvement. This amendment could cost the State as much as \$4 million annually.

- 30 ILCS 805/8.27 new

Amends the Illinois Municipal Retirement Fund (IMRF) Article of the Illinois Pension Code. Allows a sheriff's law enforcement employee (SLEP) to convert up to 10 years of non-SLEP service credit into SLEP credit by paying the difference in employee contributions, plus interest. Increases the SLEP retirement formula to 2.5% of the final rate of earnings for each year of SLEP service. Allows a person with at least 20 years of SLEP credit to have the pension based on his or her salary rate on the last day of SLEP service. Compounds the 3% annual increase in retirement annuities for SLEPs who retire on or after July 1, 2003; specifies that those retirees do not receive a supplemental benefit payment (13th check). Increases the basic disability benefit for a sheriff's law enforcement employee whose disability is the result of sickness, accident, or injury incurred in or resulting from the performance of an act of duty, from 50% to 65% of the final rate of earnings. Increases the SLEP surviving spouse benefit to 66% of the deceased SLEP's retirement annuity. Removes the 2-year service requirement for earning new benefits after a return to service as a SLEP. Increases the additional employee contribution paid by SLEPs to 3.1% of salary. Also eliminates the reduction in benefit imposed on a surviving spouse who is more than 5 years younger than the deceased member, for the surviving spouse of any member who dies on or after the effective date. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

PENSION NOTE (Pension Laws Commission)

According to IMRF, when calculated individually, the SLEP benefit increases contained in HB 1317 would increase the accrued liabilities of the Fund by \$126.5 million. The corresponding increase in average annual cost (including normal cost) is estimated to be 7.34% of payroll for SLEP employers, assuming amortization of the increase in accrued

liabilities over 30 years. This cost would be reduced by a savings of 0.62% of payroll from discontinuing the supplemental benefit payment and by 1.1% due to increased employee contributions. Therefore, when calculated individually, the total annual cost associated with the benefit increases provided in HB 1317 is estimated to be 5.62% of payroll for SLEP employers. If the cost of the benefits contained in HB 1317 were calculated together, the increase in the accrued liabilities of IMRF and the increase in annual employer cost may be significantly higher than those outlined above. The required contributions (as a percent of payroll) may vary widely among employers.

HB-1359 KURTZ-MATHIAS.

725 ILCS 120/4.5

730 ILCS 105/25 from Ch. 38, par. 1675

Amends the Rights of Crime Victims and Witnesses Act and the Open Parole Hearings Act. Requires the Prisoner Review Board to establish a toll-free number that may be accessed by the victim of a violent crime to present information for consideration by the Board at the parole hearing or at a proceeding on determining conditions of mandatory supervised release or at a hearing on revocation of mandatory supervised release of a person sentenced to a determinate sentence who committed the crime against the victim. Effective immediately.

FISCAL NOTE (Prisoner Review Board)

The Prisoner Review Board expects substantial calls on the toll-free line. The Board expects that the estimated annual cost to maintain the line to be \$18,738. The board also feels that the Prisoner Review Board would require an additional person to memorialize the victims considerations when considering the conditions of parole or mandatory supervised release and making sure the victims concerns were given to the Board prior to setting the conditions of Parole or mandatory supervised release. The Board estimates that the annual cost to have one person handle the extra phone calls to be \$33, 008. The combined cost of the additional person and the line charges is expected to be \$51, 746.

305 ILCS 5/12-4.11 from Ch. 23, par. 12-4.11

Amends the Illinois Public Aid Code. Requires the Department of Human Services to increase TANF grant amounts by 15% effective July 1, 2003 and to increase grant amounts on July 1, 2004 and each July 1 thereafter by an amount based on employment cost statistics compiled by the United States Department of Labor. Requires the Department thereafter to report to the Governor and the General Assembly concerning the adequacy of TANF grant amounts to meet families' subsistence needs. Effective July 1, 2003.

FISCAL NOTE (Department of Public Aid)

It is estimated that this could cost less than \$500,000 in FY 2004. If the standard continues to increase without a change in Department policy, eventually more people will become eligible for full Medicaid. Such an increase in eligibles could cost anywhere between \$14 million and \$20 million annually.

HOUSE AMENDMENT NO. 1

Provides that effective July 1, 2003, the Department of Human Services shall increase TANF grant amounts by no less than 5% (instead of 15%) above the amounts in effect on June 30, 2003.

HB-1361 MOLARO.

40 ILCS 5/9-219 from Ch. 108 1/2, par. 9-219
 30 ILCS 805/8.27 new

Amends the Cook County Article of the Pension Code. Allows a county correctional officer to establish credit for periods spent as an officer or employee of a labor organization that represents employees without paying the employer contributions if application is made on or after July 1, 2003 and before July 1, 2004. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

PENSION NOTE (Pension Laws Commission)

The fiscal impact of HB 1361 has not been calculated, but is estimated to be minor, as the window period eliminates the currently required employer contributions (and interest on those contributions) only if the application to purchase the service credit is received by the Fund between July 1, 2003 and July 1, 2004.

HB-1362 MOLARO.

40 ILCS 5/2-110 from Ch. 108 1/2, par. 2-110

Amends the General Assembly Article of the Illinois Pension Code. Allows former members who have not yet begun receiving a retirement annuity to establish credit for up to 2 years of prior military service. Extends to July 1, 2004 the period during which that credit may be established without payment of amounts representing employer contributions. Effective immediately.

PENSION NOTE (Pension Laws Commission)

The fiscal impact of HB 1362 cannot be calculated, as the amount of military service credit that would be established during the window is unknown. There would be a fiscal impact, as the employer contribution is waived if the military service is established prior to July 1, 2004.

 40 ILCS 5/5-148 from Ch. 108 1/2, par. 5-148
 30 ILCS 805/8.27 new

Amends the Chicago Police Article of the Illinois Pension Code to provide an increase in the retirement benefit formula. Changes the maximum annuity from 75% to 80% of average salary. Provides for 2.5% (rather than 2%) of average salary for each year of service beyond 20. Applies to persons withdrawing from service after December 31, 2003. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

PENSION NOTE (Pension Laws Commission)

According to an analysis prepared by the Fund's actuary (based on 12/31/98 membership data), the estimated increase in accrued liability due to HB 1363 is \$120.7 million. The increase in normal cost is estimated to be \$4.4 million and the payment needed to amortize the estimated increase in the accrued liability over 40 years is \$6.2 million. Therefore, the estimated 1st year cost of HB 1363 is \$10.5 million, or 1.46% of payroll. As payroll grows, the annual cost will increase commensurate with payroll.

PENSION NOTE (Pension Laws Commission)

According to an analysis prepared by the Fund's actuary (based on the December 31, 2002 membership data), the estimated increase in accrued liability due to HB 1363 is \$138.9 million. The increase in normal cost is estimated to be \$5.4 million and the payment needed to amortize the estimated increase in the accrued liability over 40 years is \$7.1 million. Therefore, the estimated 1st year cost of HB 1363 is \$12.5 million, or 1.44% of payroll. As payroll grows, the annual cost will increase commensurate with payroll.

Creates the Tax Delinquency Amnesty Act. Provides that the Department of Revenue shall establish a tax amnesty program for delinquent taxes required to be collected by the Department to run for a period from October 1, 2003 though November 30, 2003 and to cover any taxable period ending prior to July 1, 2002. The Department shall not collect any interest or penalties on those taxes or pursue the taxpayer either by civil suit or criminal prosecution for those taxes if amnesty is granted to the taxpayer. Excludes taxpayers who are a party to any criminal investigation or to any pending civil or criminal litigation concerning the tax liability. Requires the Department to adopt rules. Provides that the money collected under the amnesty program (except for personal property tax replacement income tax collected) shall be deposited as follows: (i) one-half into the Common School Fund; (ii) one-half into the General Revenue Fund. Amends the Uniform Penalty and Interest Act. Provides that, if a taxpayer eligible for the amnesty program fails to satisfy the tax liability during the amnesty period, then the interest or penalty or both imposed by the Department on that tax liability shall be imposed in an amount that is 200% of the amount that would otherwise be imposed. Effective immediately

FISCAL NOTE (Illinois Department of Revenue)

House Bill 1393 requires that from October 1, 2003 through November 30, 2003 the

Illinois Department of Revenue administer a tax amnesty program. The Department estimates that an amnesty program could bring in between \$120 million and \$230 million. Because of the extreme difficulty of predicting how taxpayers will react to amnesty, this estimate is an order of magnitude only. A large majority of the revenue will be an acceleration of the tax the Department would ultimately collect.

- 20 ILCS 105/4.02 from Ch. 23, par. 6104.02
- 20 ILCS 2405/3 from Ch. 23, par. 3434

Amends the Illinois Act on the Aging by providing that vendors of homemaker and chore housekeeper services shall receive a rate increase equal to the percent increase in the federal or State minimum wage each time the federal or State minimum wage is increased. Amends the Disabled Persons Rehabilitation Act by providing that personal care attendants shall receive a percentage increase in wages equal to the percent increase in the federal or State minimum wage each time the federal or State minimum wage is increased. Effective July 1, 2003.

FISCAL NOTE (Department on Aging)

Providing a cost estimate of this provision is difficult because the effective date of a federal or state minimum wage increase, and, the percentage increase of any future increase, are currently unknown. However, at this juncture, each 1% increase would result in an eleven-cent increase to the current CCP homemaker rate of \$11.06 per hour. Each eleven-cent increment would generate an estimated twelve month gross cost for state fiscal year 2004 of \$1.87 million. Based on recent Medicaid claiming data, the net cost is estimated at \$1.48 million. Net cost refers to the gross state general revenue fund expenditure less Medicaid federal financial participation revenues.

35 ILCS 200/4-20

Amends the Property Tax Code. Provides for an annual stipend of \$6,500 for each supervisor of assessments to be paid by the State. Deletes current provisions allowing a supervisor of assessments to receive additional compensation based on performance. Effective immediately.

FISCAL NOTE (Illinois Department of Revenue)

HB 1398 provides for an annual stipend of \$6,500 for the supervisor of assessments of each county. This annual stipend is to be paid for by the State out of the General Revenue Fund. It provides that the Department of Revenue shall distribute the stipends in annual lump sum payments to the supervisor of assessments of each county. In addition, it eliminates language allowing the supervisor of assessments to receive additional compensation based on performance. There are 100 counties with Supervisors of Assessments at a cost to the State of \$650,000 per year. However, the bill eliminates the performance bonus for supervisors of assessments, which currently costs \$192,000 based on 2001 payment records (64 eligible officials). This leaves a negative fiscal impact to the state of \$458,000 annually.

New Act

Creates the Civil No Contact Order Act. Sets forth procedures under which a victim of non-consensual sexual conduct or non-consensual sexual penetration may petition a court for a civil no contact order requiring the person who committed the non-consensual sexual conduct or non-consensual sexual penetration to stay away from the victim. Provides that violation of a civil no contact order is a Class A misdemeanor for a first offense and a Class 4 felony for a second or subsequent offense. Provides that a law enforcement officer may make an arrest without a warrant if the officer has probable cause to believe that a person has committed or is committing a violation of a civil no contact order. Provides that sheriffs shall furnish to the Department of State Police copies of no contact orders issued by the court and that civil no contact orders shall be entered in the LEADS system. Provides that the Department of State Police shall maintain a record and index of civil no contact orders.

HOUSE AMENDMENT NO. 1

Provides that an action for a civil no contact order may be commenced either: (1) independently, by filing a petition for a civil no contact order in any civil court; or (2) in conjunction with a delinquency petition or a criminal prosecution, by filing a petition for a civil no contact order under the same case number as the delinquency petition or criminal prosecution. Requires, in cases where the petition is filed in conjunction with a delinquency petition or a criminal prosecution, that (i) the violation be alleged in an information, complaint, indictment, or delinquency petition on file and the alleged victim be a person protected by the Civil No Contact Order Act and (ii) the petition, which is filed by the State's Attorney, name a victim of the alleged crime as a petitioner. Provides that the withdrawal or dismissal of any petition for a civil no contact order prior to adjudication where the petitioner is represented by the State shall operate as a dismissal without prejudice. Provides what a no contact order may require the respondent to do. Provides that no action for a civil no contact order shall be dismissed because the respondent is being prosecuted for a crime against the petitioner. Provides a time period during which a plenary civil no contact order shall stay in effect when entered in conjunction with a criminal prosecution.

65 ILCS 5/11-10-2 from Ch. 24, par. 11-10-2
70 ILCS 705/11h new

Amends the Illinois Municipal Code and the Fire Protection District Act. Provides for creation of a department foreign fire insurance board in fire protection districts. Makes creation of a department foreign fire insurance board automatic rather than dependent upon action by the municipality or fire protection district's corporate authorities. Adds additional audit provisions. Effective immediately.

FISCAL NOTE (Office of the Illinois State Fire Marshal)

House Bill 1416 amends the Illinois Municipal Code and the Fire Protection District Act by providing for the creation of a department Foreign Fire Insurance Board in fire protection districts and in municipalities of less than 250,000 inhabitants. The creation of such a board would not be dependent upon action by municipality or district's corporate authorities. These boards would then distribute foreign fire insurance tax revenue as appropriated for the maintenance, use and benefit of the fire department. Certain units of local governments are authorized to collect taxes on foreign fire insurance premiums (those premiums issued by insurance companies not domiciled within Illinois), with such receipts to be used for the fire departments.

Amends the Department of Veterans Affairs Act. Provides that subject to appropriation, the Department shall increase by at least 80 beds the capacity of the Illinois Veterans Home at LaSalle and shall request and expend federal grants for this Veterans Home addition. Effective immediately.

FISCAL NOTE (Department of Veterans' Affairs)

If there are phases of construction involving the kitchen area, it could create extra expenditures of the dietary needs of the residents such as contracting with outside vendors for food service. Once construction is complete, there would have to be an additional appropriation for one time costs to furnish and equip the facility as well as increase in our yearly appropriation for the additional operating expenses such as an increase in staff and maintenance. At this time, we have no figures of that additional expense.

 30 ILCS 805/8.27 new

Amends the IMRF Article of the Illinois Pension Code. Makes county probation officers eligible for the sheriff's law enforcement employee (SLEP) formula. Allows these probation officers to convert non-SLEP service as a probation officer into SLEP credit by paying the difference in employee contributions plus interest; requires an affirmative resolution by the employer. Includes provisions allowing the employee to have the contribution deducted from the retirement annuity in certain circumstances. Allows the employer to amortize over 5 years the

liability resulting from conversions occurring in the first year. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

PENSION NOTE (Pension Laws Commission)

The fiscal impact of HB 1428 cannot be determined, as the number of county probation officers is unknown. Including additional employees under the SLEP formula would increase IMRF costs for their employers.

New Act

30 ILCS 105/5.595 new

Creates the Energy Efficient Building Act. Establishes an Energy Efficient Building Code that shall apply to all new residential, commercial, and industrial buildings in this State. Provides for technical assistance to certain design professions to explain the requirements of the Code. Amends the State Finance Act to create the Energy Efficient Building Fund. Effective immediately.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

There is insufficient information to determine a fiscal impact.

FISCAL NOTE (Capital Development Board)

Due to the lack of experience with the particular code identified in HB 1468 relative to the Capital Development Board, no fiscal impact can be determined at this time. While additional staff or training on the code may be necessary, without further study an accurate estimate is not possible.

HOUSE AMENDMENT NO. 1

Changes the definition of "Code" to include the 2001 Supplement to the International Energy Conservation Code (rather than the 2002 Supplement). Provides that the 2001 Supplement to the 2000 International Energy Conservation Code is published (rather than adopted) by the International Code Council. Provides that the Illinois Building Commission, as directed by the Capital Development Board, may make available implementation materials concerning the Code. Provides that, when developing Code adaptations, rules, and procedures for compliance with the Code, the Capital Development Board, or the Illinois Building Commission as directed by the Board, shall seek input from representatives from the building trades, design professionals, construction professionals, code administrators, and other interested entities affected. Provides for concurrent regulation of energy efficient building standards by the State and units of local government (rather than exclusive regulation by the State). Effective one year after becoming law.

FISCAL NOTE (H-AM 1) (Capital Development Board)

Due to the lack of experience with the particular code identified in this bill relative to the Capital Development Board, no fiscal impact can be determined at this time. While additional staff or training on the code may be necessary by either the CDB or the Illinois Building Commission, without further study an accurate estimate is not possible.

HOUSING AFFORDABILITY IMPACT NOTE (H-AM 1) (Housing Development Authority)

While requiring stricter energy efficiency standards on new homes may initially increase construction costs and subsequent purchase prices, it is generally accepted in the building industry that this increase in cost would be paid back by energy bill savings over time. There is not, however, an accurate method to calculate the actual or average cost and subsequent savings without knowing the specifics of each building, local energy suppliers and costs, type of heat used (electric vs gas), et al. House Amendment #1 provides no further clarification on factors that will determine the bill's fiscal effect on constructing, purchasing, owning, or selling a single-family residence.

Amends the Chicago Teacher Article of the Pension Code. Provides that salary received on or after July 1, 2003 for overtime, summer school, and other optional service shall be included in the calculation of salary for pension purposes. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

PENSION NOTE (Pension Laws Commission)

According to an analysis prepared by the Fund's actuary (based on the 2002 actuarial valuation) the fiscal impact of HB 1476 depends on the average increase in annual pensionable salary. As the average increase in pensionable salary that would result from HB 1476 is unknown, the actual fiscal impact cannot be calculated, but would probably be within the \$9.6 to \$67.8 million range.

New Act

35 ILCS 200/18-167 new

Creates the Banking Development District Act. Creates a program to encourage the establishment of banking branches in locations where there is the greatest need for banking services. Requires the State Treasurer, in consultation with the Office of Banks and Real Estate, to adopt rules that set forth criteria for the establishment of banking development districts. Provides that a municipality or a county, in conjunction with a bank, may apply to the State Treasurer to have property designated as a banking development district. Amends the Property Tax Code. Provides that a taxing district may abate a portion of the property taxes on a banking branch in an area designated as a banking development district. Effective immediately.

FISCAL NOTE (Department of Revenue)

There is no fiscal impact to the State. Local taxing districts that authorize the abatement of any portion of property taxes under this Act will shoulder the burden of any fiscal impact created.

GOVERNOR AMENDATORY VETO MESSAGE

Recommends that the bill be amended to provide that the banking development district program be administered by the Office of Banks and Real Estate rather than the State Treasurer.

New Act
 225 ILCS 210/1003 from Ch. 96 1/2, par. 1-1003
 425 ILCS 35/2 from Ch. 127 1/2, par. 128

Creates the Fireworks Displayer Licensing Act. Provides that a person may not engage in

the business of publicly displaying fireworks unless licensed by the Office of the State Fire Marshal. Establishes qualifications for licenses, including an appropriate Bureau of Alcohol, Tobacco and Firearms license, general liability insurance of at least \$2,000,000, workers' compensation insurance for personnel lighting the fireworks, and other qualifications. Establishes procedures for suspending or revoking licenses for non-compliance with the provisions of the Act. Amends the Illinois Explosives Act to exclude from the definition of explosives fixed ammunition for small arms, safety fuses, matches, fireworks, theatrical pyrotechnics, and model rocket fuel. Amends the Fireworks Use Act to require a licensed pyrotechnic displayer and pyrotechnic operator to handle public displays of fireworks. Effective immediately.

HOUSE AMENDMENT NO. 1

In the Fireworks Displayer Licensing Act, provides that after December 1, 2003, all pyrotechnic displays, both indoor and outdoor, must comply with the requirements set forth in the Act (instead of prohibiting a person from engaging in pyrotechnic display after that date without first submitting certain information to the Office of the State Fire Marshal and obtaining a license). Provides that after July 1, 2004, a pyrotechnic distributor may sell to anyone who presents a current BATF license (eliminates the presentation of a user permit as an alternative) and a local fireworks display permit from the local fire chief (instead of from the local authority having jurisdiction). In provisions amending the Fireworks Use Act with respect to the issuance of a public fireworks display permit, requires a site inspection to determine that the display will be in full compliance with the 2000 edition of the National Fire Protection Association 1123 Code for Fireworks Display or with the 2001 edition of the National Fire Protection Association Standard for the Use of Pyrotechnics before a Proximate Audience.

SENATE FLOOR AMENDMENT NO. 2

Deletes reference to:

225 ILCS 210/1003

Adds reference to:

225 ILCS 210/2001

from Ch. 96 1/2, par. 1-2001

Replaces everything after the enacting clause. Creates the Pyrotechnic Operator Licensing Act. Regulates lead pyrotechnic operators through licensure requirements. Provides requirements for persons assisting lead pyrotechnic operators. Amends the Illinois Explosives Act. Provides that no person shall possess, use, purchase, or transfer explosive material unless licensed under the Act or the Pyrotechnic Operator Licensing Act. Amends the Fireworks Use Act. Makes changes to provisions concerning who shall handle fireworks displays and permit requirements. Requires that indoor pyrotechnic displays be conducted in buildings protected by automatic sprinkler systems. Effective immediately.

SENATE FLOOR AMENDMENT NO. 3

Makes a change in the definition of "display fireworks".

SENATE FLOOR AMENDMENT NO. 4

Allows the Office of the State Fire Marshal to require applicants to (rather than requiring applicants to) file a fingerprint card and pay a fee for processing the fingerprint card. Makes technical corrections.

HB-1507 FLOWERS-DAVIS, MONIQUE-MCKEON-COLLINS-JONES, JAKOBSSON AND DUNKIN.

705 ILCS 405/2-13.2 new
 705 ILCS 405/13.2 new

Amends the Juvenile Court Act of 1987 and the Adoption Act. Provides that in any proceeding on a petition (1) seeking a finding that a minor is neglected, abused, or dependent or (2) seeking a finding that a parent is unfit and that it is in the best interest of the child to terminate parental rights, the parent may demand a trial by jury.

STATE MANDATES FISCAL NOTE (Dept of Commerce and Community Affairs)

Under the State Mandates Act, a "State mandate" means any State-initiated statutory or executive action that requires a unit of local government to establish, expand, or modify its activities in such a way as to necessitate additional expenditures from local revenues. HB 1507 relates to proceedings in court regarding parents of minors, and does not impose requirements on units of local government. Therefore, in the opinion of DCCA, HB 1507 does not create a State Mandate under the State Mandates Act.

JUDICIAL NOTE (Administrative Office of the Illinois Courts)

House Bill 1507 could significantly increase judicial workloads, however, because the number of cases in which jury trials would be required is unknown, it is not possible to determine whether additional judges would be needed.

FISCAL NOTE (Department of Children and Family Services)

The main fiscal impact of the proposed legislation will result from increased time in foster care for cases with jury trial petitions. It is estimated that this delay will cost the Department of Children and Family Services \$10.2 million annually

Deletes everything. Reinserts the original provisions of the bill with the following changes:

(1) Provides that in any conservation district (instead of "a conservation district in a county adjacent to a county with more than 3,000,000 inhabitants"), by ordinance (instead of resolution) of the county board or boards or by petition signed by 5% of the voters, a proposal to elect or appoint a 5 or 7 member board of trustees chosen at large or from single member subdistricts of the conservation district shall be submitted to the voters at the next general election; and (2) with respect to a 7-member board, no more than 3 members may be residents of the same (instead of "any") township or congressional township. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 1

FISCAL NOTE (H-AM1) (Illinois State Police)

HOME RULE NOTE (H-AM 1) (Dept of Commerce and Community Affairs)

HB 1518 (HA #1) contains language stating that a unit of local government, including a home rule unit, may not regulate the acquisition, possession, transportation, storage, purchase, sale, or other dealing in rifles and shotguns, and may not regulate ammunition, components, accessories, or accoutrements for rifles and shotguns in a manner other than that provided by the Criminal Code of 1961. This is a limitation of home rule powers and functions under Article VII, Section 6, subsection (i) of the Illinois Constitution of 1970. Therefore, in the opinion of DCCA, HB 1518 (HA #1) pre-empts home rule authority.

STATE MANDATES FISCAL NOTE (H-AM 1) (Dept of Commerce and Community Affairs)

The legislation does not require local governments to expend additional revenue. Therefore, in the opinion of DCCA, HB 1518 (HA #1) does not create a State Mandate under the State Mandates Act.

FISCAL NOTE (H-AM 1) (Department of Corrections)

House Bill 1518 as amended by House Amendment #1 voids any local ordinance or resolution that imposes restrictions on rifles and shotguns and their ammunition, components, and accessories that are not outlined in the Illinois Compiled Statutes. This legislation may result in an increase in the number of felony cases that could be prosecuted for unlawful possession of firearms and firearm ammunition, and possibly increase the number of offenders sentenced to a term of imprisonment. There are not enough available data to make an objective determination regarding the impact of this legislation. However, the impact on the Department is expected to be minimal.

CORRECTIONAL NOTE (H-AM 1) (Department of Corrections)

House Bill 1518, as amended by House Amendment #1, voids any local ordinance or resolution that imposes restrictions on rifles and shotguns and their ammunition, components, and accessories that are not outlined in the Illinois Compiled Statutes. This legislation may result in an increase in the number of felony cases that could be prosecuted for unlawful possession of firearms and firearm ammunition, and possible increase the number of offenders sentenced to a term of imprisonment. There is not enough available data to make an objective determination regarding the impact of this legislation. However, the impact on the Department is expected to be minimal.

HOUSE AMENDMENT NO. 2

Permits a unit of local government to establish zoning and security requirements for the retail sale of firearms by federally licensed firearms dealers.

PENSION NOTE (H-AM 1 & 2) (Pension Laws Commission)

As HB 1518, as amended by House Amendment 1 and 2, does not amend the Pension Code, it has no fiscal impact on any public pension fund or retirement system in Illinois.

BALANCED BUDGET NOTE (H-AM 2) (Bureau of the Budget)

Section 10 of the Balanced Budget Note Act requires the preparation of a Balanced Budget Note for supplemental appropriation bills. Since this House Bill is not a supplemental appropriation bill, it is not possible to complete this Note as requested.

LAND CONVEYANCE APPRAISAL NOTE (H-AM2) (Department of Transportation)

As there are no parcels of land being conveyed in this bill, there are no appraisals to be filed by the Dept. of Transportation.

FISCAL NOTE (H-AM 2) (Illinois State Police)

HB 1518 (HA #2) would have no fiscal impact on the Illinois State Police.

STATE DEBT IMPACT NOTE (H-AM 2) (Economic and Fiscal Commission)

HB 1518, as amended by House Floor Amendment 2, would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

HOME RULE NOTE (H-AM2) (Dept of Commerce and Community Affairs)

Does pre-empt home rule authority.

STATE MANDATES FISCAL NOTE (H-AM2) (Dept of Commerce and Community Affairs)

Does not create a state mandate under the States Mandates Act.

HOUSING AFFORDABILITY IMPACT NOTE (H-AM 2) (Housing Development Authority)

There will be no fiscal effect on the cost of constructing, purchasing, owning or selling a single-family residence.

JUDICIAL NOTE (H-AM 2) (Admin Office of the Illinois Courts)

Based on a review of HB 1518, it has been determined that the bill would neither increase nor decrease the number of judges needed in the state.

FISCAL NOTE (H-AM 2) (Department of Corrections)

House Bill 1518 as amended by House Amendment #2 voids any local ordinance or resolution that imposes restrictions on rifles and shotguns and their ammunition, components, and accessories that are not outlined in the Illinois Compiled Statutes, but allows local governments to establish zoning and security requirements for the retail sale of firearms by federally licensed firearms dealers. This legislation may result in an increase in the number of felony cases that could be prosecuted for unlawful possession of firearms and firearm ammunition, and possibly increase the number of offenders sentenced to a term of imprisonment. There are not enough available data to make an objective determination regarding the impact of this legislation. However, the impact on the Department is expected to be minimal.

HB-1549 SMITH-WASHINGTON.

40 ILCS 5/3-110 from Ch. 108 1/2, par. 3-110
 30 ILCS 805/8.27 new

Amends the Downstate Police Article of the Illinois Pension Code to allow purchase of service credit for up to 2 years of military service not immediately preceded by employment. Allows purchase at a reduced interest rate for 6 months. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

PENSION NOTE (Pension Laws Commission)

The impact of House Bill 1549 cannot be determined as the number of members who will purchase the military service credit is unknown. For some employees, the employee contributions required by House Bill 1549 may not cover the entire cost of the purchased military service credit.

 40 ILCS 5/7-132 from Ch. 108 1/2, par. 7-132
 30 ILCS 805/8.27 new

Amends the Illinois Municipal Retirement Fund (IMRF) Article of the Illinois Pension Code. Requires participation by all full-time municipal police officers who do not participate in an Article 3 police pension fund. Makes these police officers eligible for the sheriff's law enforcement (SLEP) formula. Excludes Chicago. Pre-empts home rule powers. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

PENSION NOTE (Pension Laws Commission)

The fiscal impact of HB 1550 cannot be determined and would vary among municipalities. If the employer does not currently participate in IMRF for their municipal employees or police officers, the cost of providing retirement benefits to police officers could be substantial. The cost would also increase for municipalities that currently offer police officers the IMRF regular formula, as HB 1550 requires all IMRF covered police

officers to be covered by the SLEP formula.

30 ILCS 805/8.27 new

Amends the Illinois Municipal (IMRF) Article of the Illinois Pension Code to remove language requiring an affirmative resolution from the employer before airport police may become eligible for the sheriff's law enforcement employee formula. Makes park police eligible for the sheriff's law enforcement employee formula. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

PENSION NOTE (Pension Laws Commission)

HB 1551 would require some airport authorities and park districts to make higher employer contributions, as some IMRF members that are currently covered by the regular IMRF formula would instead be eligible for the SLEP formula. As the SLEP formula provides higher benefits, higher employee and employer contributions are also required.

Amends the State Employee Article of the Illinois Pension Code. Allows certain persons to participate in the System while employed by a statewide labor organization that represents members of the System. Also allows purchase of credit for certain prior service. Effective immediately.

PENSION NOTE (Pension Laws Commission)

of employee and employer contributions, plus interest (to establish credit for past service). Also, the amount of service credit that would be established is estimated to be relatively small.

FISCAL NOTE (Department of Human Services)

program eligibility or other individuals in the State of Illinois. Also, there is no data available to estimate how many individuals would meet the other eligibility requirements if they met the new asset limit requirement. HB-1620 HOLBROOK.

- 20 ILCS 3410/20 new
- 30 ILCS 105/5.595 new

Amends the Illinois Historic Preservation Act and the State Finance Act. Authorizes the Historic Preservation Agency to develop and administer a pilot program of grants available in Madison, Monroe, St. Clair, and Clinton counties for various costs of identifying, acquiring, or restoring historic sites. Limits each grant to the lesser of 75% of a project's costs or \$75,000. Limits a grant recipient to one grant per site per fiscal year and requires matching funds. Authorizes the Historic Preservation Agency to adopt necessary rules and enter into necessary contracts. Creates a special fund in the State treasury to fund the grants. Requires the investment of excess funds. Requires that returns on fund investments be retained in the special fund.

FISCAL NOTE (Illinois Historic Preservation Agency)

It is not possible to estimate with any precision the fiscal impact of this bill, as no

amount for the appropriation is known. It appears that HB 1620 proposes \$500,000 for this program. The final amount, if any, is not known, nor is the average size of each grant. However, making some assumptions, the agency's likely cost to administer the proposed grants program can be assumed: 1. It is assumed that most of the administrative burden will come from the number of grants. In other words, the burden will be nearly as much for a small grant as for a larger one. 2. It is assumed that there will be no further reductions in division headcount; further reductions could affect our ability to carry out the new program without more resources. 3. Assuming that there would be no more than 15 grants per year, \$40,000 would be needed for miscellaneous expenses such as part-time archaeological services, part-time clerical services, travel for project inspections, postage, equipment, and telephone expense. 4. Assuming that there would be 16 to 35 grants per year, it would be necessary to hire a full-time archaeologist to administer the program for an annual cost of \$70,000 (salary and fringes + equipment, EDP, travel, etc.) 5. Assuming that there would be more than 35 grants per year, it would be necessary to hire a full-time archaeologist and a half-time grants assistant to administer the program for an annual cost of \$100,000 (salaries + equipment, EDP, travel, etc.).

35 ILCS 105/10 from Ch. 120, par. 439.10
35 ILCS 110/10 from Ch. 120, par. 439.40

Amends the Use Tax Act and the Service Use Tax Act. Provides that Department of Revenue is authorized to contract with credit card issuers to collect the tax imposed by these Acts on Internet sales, phone order sales, and direct-mail sales. If a credit card issuer enters

into such a contract with the Department, the issuer must state as a separate item on the monthly bill to customers the tax charged under these Acts. A credit card issuer is entitled to reduce the amount of the tax collected under these Acts that it remits to the Department by the amount of costs incurred by the company to collect the tax or 4% of the revenue generated from the sale on which the tax is collected, whichever is greater. Effective immediately.

FISCAL NOTE (Department of Revenue)

HB 1626 allows for the credit card company to keep 4% of the revenue generated by the sale or actual costs incurred to collect the tax (whichever is greater). In addition, there is no cap on the amount the credit card company may keep. This proposal could result in fiscal loss because the credit card companies' cost of collection allowance is significantly higher than the 1.75% amount currently allowed to in-state vendors. The credit card company could end up retaining more than half of the tax collected.

PENSION NOTE (Illinois Pension Laws Commission)

Amends the Illinois Income Tax Act with respect to the earned income tax credit. Extends the 5% credit through taxable years beginning on or before December 31, 2004 (now, ends with taxable years ending on or before December 31, 2002). Increases the credit from 5% of the federal credit to 10% in 2005, 15% in 2006, and 20% in 2007 and thereafter. Beginning in 2005, requires the excess credit to be refunded to the taxpayer, but not counted in determining eligibility for means-tested benefits. Deletes the repeal of the credit. Exempts the credit from the sunset provisions of the Act. Effective immediately.

FISCAL NOTE (Department of Revenue)

In tax year 2001, the Earned Income Tax Credit cost the State of Illinois approximately \$44 million in lost tax liability and in tax year 2002 it is expected to cost \$45 million. Extending the credit through 2004 will increase the amount by just under \$1 million each year. Beginning with tax year 2005, the bill begins to ramp up the percentage of the federal credit for Illinois Earned Income Tax Credit purposes from 5% of the federal credit to 10% of the federal credit. In addition, the bill requires that any excess credit be refunded to the taxpayer. In tax year 2005, the credit is expected to cost \$135.6 million. In tax year 2006, the credit is increased to 15% of the federal credit, and the excess is refundable. This is estimated to cost \$209.4 million. In 2007 and thereafter, the credit becomes 20% of the federal credit and is refundable. This will cost the State of Illinois approximately \$284 million per year.

HOUSE AMENDMENT NO. 1

Removes the language increasing the credit to more than 5% of the federal credit over a period of years. Requires any excess credit to be refunded to the taxpayer beginning with taxable year 2004 (2005 in underlying bill).

New Act
 30 ILCS 105/5.595 new
 55 ILCS 5/3-5018 from Ch. 34, par. 3-5018
 55 ILCS 5/4-12002 from Ch. 34, par. 4-12002

Creates the Rental Housing Support Program Act. Provides for grants from the Illinois Housing Development Authority to local administering agencies to provide subsidies to landlords to enable the landlords to charge rent affordable for low-income tenants. Also provides for grants from the Illinois Housing Development Authority to developers of new affordable rental housing. Sets forth criteria for the awarding of grants. Requires the Authority to establish an operating reserve for the program. Amends the State Finance Act to create the Rental Housing Support Program Fund, a special fund in the State treasury. Amends the Counties Code. Provides that the county recorder shall collect a \$10 surcharge over and above any other fees collected, one dollar of which shall be retained by the county and \$9 of which shall be deposited into the Rental Housing Support Program Fund.

FISCAL NOTE (Housing Development Authority)
 Insufficient information to determine a fiscal effect.
 HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)
 No fiscal effect on a single-family residence.

HOUSE AMENDMENT NO. 1

Makes changes concerning a geographic distribution formula for distribution of certain grants awarded by the Illinois Housing Development Authority. Provides that the Authority must use at least 10% (instead of just 10%) of its funds any given year for certain grants.

JUDICIAL NOTE (H-AM 1) (Admin. Office of the Illinois Courts)
 House Bill 2206, as amended by House Amendment No. 1, would neither increase nor decrease the number of judges needed in the state.

CORRECTIONAL NOTE (H-AM1) (Department of Corrections)
 No fiscal impact. No corrections population impact.

FISCAL NOTE (H-AM 1) (Housing Development Authority)
 This bill stipulates that "...the Authority (defined as IHDA) must use 10% of its funds in any given year on grants..." (for this new Rental Housing Program). While this proposes a redirection of IHDA resources (which have historically been primarily used for housing development financing, new construction and rehabilitation), it is uncertain which programs and resources are to be included. Some federal and State programs and funding sources restrict eligible activities and the uses of funds, and do not include rental assistance among them. Due to the uncertainty regarding the actual identified sources of this 10% commitment, there is not sufficient information available to determine the bill's fiscal impact on IHDA. House Amendment #1 provides no further classification on the sources of IHDA's 10% commitment.

STATE MANDATES FISCAL NOTE (H-AM 1) (Dept. of Commerce and Community Affairs)

In the opinion of DCCA, HB 2206 (HA #1) creates a local government organization and structure mandate for which reimbursement of the increased costs to units of local government is not required under the State Mandates Act. An estimate of the increased costs to units of local government, if any, is not available.

HOME RULE NOTE (H-AM 1) (Dept. of Commerce and Community Affairs)
 The legislation does not contain language indicating a pre-emption of home rule powers and functions. Therefore, in the opinion of the Department of Commerce and Community Affairs, HB 2206 (HA #1) does not pre-empt home rule authority.

HOUSE AMENDMENT NO. 4

Deletes reference to:
 30 ILCS 105/5.95 new
 55 ILCS 5/3-5018
 55 ILCS5/4-12002

Deletes everything. Creates the Rental Housing Support Program Act. Contains only a short title.

HB-2233 CURRIE-LANG.

35 ILCS 200/16-160

Amends the Property Tax Code. Provides that, in counties with 3,000,000 or more inhabitants, beginning with assessments made for the 1997 assessment year and ending with assessments made for the 2002 assessment year, in addition to the appeals for residential property of 6 units or less, the Property Tax Appeal Board shall hear appeals for all other property (now, there is no end date for when PTAB will hear appeals for property other than residential property of 6 units or less). Effective immediately.

FISCAL NOTE (Property Tax Appeal Board)

The fiscal impact is difficult to estimate because the number of residential appeals in Cook County, which the PTAB would continue to hear under this proposal, has risen each of the last three years. The PTAB expects yearly increases in residential appeals once commercial and industrial appeals are phased out in 2003.

 35 ILCS 200/16-170
 35 ILCS 200/16-185

Amends the Property Tax Code with respect to the Property Tax Appeal Board. In counties with 3,000,000 or more inhabitants, for assessment year 2003 and thereafter, for valuation appeals concerning commercial or industrial property requesting a change in assessed value of \$100,000 or more, requires the taxpayer to submit copies of all valuation reports within the party's possession or control concerning the property and performed within the 3 years prior to the tax year as well as certain documentation surrounding any sale of the subject property. Makes other changes concerning these appeals with respect to notice of hearing to parties by the Property Tax Appeal Board, disclosure of information, and opinion testimony. Establishes burdens of proof to rebut the presumed correctness of a board of review decision in matters of market value and uniformity. Effective immediately.

New Act

Creates the Health Care Justice Act. Provides that the State of Illinois shall implement a health care plan that provides access to a full range of preventive, acute, and long-term health care services. Establishes the Bipartisan Health Care Reform Commission with members appointed by the Governor and legislative leaders. Provides for public hearings and a report by the Commission. Requires a preliminary report by February 1, 2005 and a final report by February 1, 2006. Effective immediately.

FISCAL NOTE (Department on Aging)

No fiscal impact.

FISCAL NOTE (Department of Public Aid)

There could be substantial and prohibitive costs when the final report is released. The bill does not contain any estimate of the future costs of comprehensive health care in Illinois. Last year, we estimated the cost of this proposal could be between \$2.6 billion and \$4 billion annually. It is doubtful the Department could finance a comprehensive health care program without federal participation, especially given the current state of the States fiscal condition.

SENATE COMMITTEE AMENDMENT NO. 1

Provides that the Secretary of Human Services or his designee shall serve on the Health Care Reform Commission. Provides for the legislative leaders to each appoint one member, rather than 2, to the Commission. Provides for the Governor to appoint 21, rather than 15, members of the Commission. Provides that funding for a study by an independent research entity shall be subject to appropriation or availability of other funds. Provides that the Commission's recommendations shall be considered by the General Assembly as the basis for a health care access plan, rather than the recommendations forming the basis for a health care access plan.

SENATE FLOOR AMENDMENT NO. 2

Deletes everything after the enacting clause. Creates the Health Care Justice Act, containing provisions similar to those of House Bill 2268 but with changes that include the following: (1) provides that it is a policy goal (instead of the policy) of the State to ensure that all residents have access to quality health care at costs that are affordable; (2) provides that the State is strongly encouraged (instead of required) to implement a health care access plan, and change the contents of such a plan; (3) provides for an Adequate Health Care Task Force (instead of a Bipartisan Health Care Reform Commission) to seek public input on the development of the State's health care access plan; (4) requires a final report by March 15 (instead of February 1), 2006, and changes certain items required to be included in the recommendations accompanying the final report; and (5) provides that no later than December 31, 2006, the General Assembly is strongly encouraged to vote on legislation that either enacts the Task Force's recommendation or provides for another health care access plan. Effective July 1, 2004.

FISCAL NOTE (Department of Public Aid)

House Bill 2268, as amended by Senate Amendment No. 2, does not contain any estimate of the future costs of comprehensive health care in Illinois. If the Department were to implement a proposal of this magnitude, a conservative cost estimate is \$3-\$6 billion annually. Federal regulations still define which populations are eligible for Federal match. It is doubtful the Department could finance a comprehensive health care program without Federal match, especially given the State's current fiscal condition.

SENATE FLOOR AMENDMENT NO. 4

Deletes certain findings. Increases the number of voting members of the Task Force from 19 to 29 and provides that each of the 4 legislative leaders shall appoint 6 of the members and the Governor shall appoint 5 of the members. Provides that the Director of Public Health, the Director of Aging, the Director of Public Aid, the Director of Insurance, and the Secretary of Human Services or their designees shall represent their respective departments and shall be invited to attend Task Force meetings, but shall not

be members of the Task Force.

220 ILCS5/9-220.3 new

Amends the Public Utilities Act. Authorizes the Illinois Commerce Commission to allow gas and electric utilities to impose a surcharge to recover costs associated with asbestos. Effective immediately.

HOME RULE NOTE (Dept of Commerce and Community Affairs)

The legislation does not contain language indicating a pre-emption of home rule powers and functions. Therefore, in the opinion of DCCA, HB 2313 does not pre-empt home rule authority.

STATE MANDATES FISCAL NOTE (Dept of Commerce and Community Affairs)

The legislation is permissive in nature and does not impose requirements on local government-administered utilities. Therefore, in the opinion of DCCA, HB 2313 does not create a State Mandate under the State Mandates Act.

FISCAL NOTE (Illinois Commerce Commission)

This bill would result in the need for the equivalent of 2 full-time staff as a result of an increase in accounting workload, attorney work, and administrative hearings. The cost for the 2 staff for their salary, fringe benefits, and miscellaneous expenses would be approximately \$190,000 a year.

Amends the Clerks of Courts Act. Provides that no fee provided for in the circuit clerks' fee provisions may be charged in connection with the filing of any commitment petition or petition for an order authorizing the administration of authorized involuntary treatment in the form of medication under the Mental Health and Developmental Disabilities Code. Effective immediately.

FISCAL NOTE (Administrative Office of the Illinois Courts)

Based on a review of HB 2319, it has been determined that it would have no fiscal impact on the judicial branch of State governments. HB 2319 would have a fiscal impact on the circuit courts, because it would reduce the amount of fees collected by the circuit clerks. The fiscal impact will be greatest in counties where large mental health facilities are located. In all counties, the fiscal impact will be limited by the fact that a substantial proportion of mental health petitions are filed by State's Attorneys, in which case no fee is charged. A dollar estimate of the fiscal impact of the bill is not possible, because the total number of cases subject to fees cannot be determined and varies from county to county.

HB-2330 FRITCHEY-MILLER-DELGADO-LANG-COLVIN, SOTO AND DUNKIN.

New Act

Creates the Illinois Civil Rights Act of 2003. Prohibits any unit of State, county, or local government from excluding a person from participation in, denying a person the benefits of, or subjecting a person to discrimination under any program or activity on the grounds of his or her race, color, or national origin and from using criteria or methods of administration that have the effect of subjecting individuals to discrimination because of their race, color, or national origin. Authorizes a person to bring a lawsuit for a violation of the Act in State or federal court.

HOUSE AMENDMENT NO. 2

Amends the Illinois Civil Rights Act of 2003. Provides that a suit brought under the Act must be brought in State circuit court (rather than in State or federal court). Removes the provision authorizing a court to award damages for a violation that is about to occur. Limits the class of violations for which a plaintiff may receive punitive damages. Changes the definition of the term "prevailing party".

In provisions allowing a physician to notify the spouse of the test subject if the test result is positive and has been confirmed, deletes a requirement that the confirmation must be by a Western Blot Assay or more reliable test. In provisions providing that a health care provider who ordered the test of a minor under 18 years of age shall make a reasonable effort to notify the minor's parent or legal guardian under specified circumstances if the minor's test result is positive and has been confirmed, deletes a requirement that the confirmation must be by a Western Blot Assay or more reliable test.

HOUSE AMENDMENT NO. 1

Deletes everything after the enacting clause. Amends the AIDS Confidentiality Act. New Act

Creates the Illinois Housing Initiative Act of 2003. Requires that a task force, composed of all key State agencies with functions related to housing and other experts in housing, develop an annual comprehensive housing plan that prioritizes the development of a range of permanent housing for certain underserved populations, including low-income and homeless persons. Creates the Illinois Housing Initiative, to be in effect through December 31, 2008, to coordinate and streamline the allocation of available housing resources to make it possible to prioritize the development of housing for underserved populations in accordance with the annual comprehensive housing plan. Provides for funding for housing construction and rehabilitation and supportive services. Requires every municipality to create a local housing development plan.

FISCAL NOTE (Housing Development Authority)

Insufficient information to determine a fiscal effect.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

Insufficient information to determine a fiscal effect.

HOUSE AMENDMENT NO. 1

Provides that provisions concerning State-municipal partnerships do not apply to a municipality under 5,000, but that a county under 25,000 may develop a housing development plan for unincorporated areas and municipalities under 5,000 and thereby become eligible for tax and other preferences.

SENATE FLOOR AMENDMENT NO. 1

Adds reference to:

20 ILCS 3805/7

20 ILCS 3805/7.30 new

Deletes provisions for State-municipal housing partnerships. Amends the Illinois Housing Development Act. Provides that the Illinois Housing Development Authority may develop and implement a program of financial assistance for new teachers (employed by school districts that are financially needy or experiencing a shortage of teachers) purchasing a first home. Makes these provisions effective July 1, 2003.

SENATE FLOOR AMENDMENT NO. 2

Changes the composition of the task force charged with developing the annual comprehensive housing plan; names the State agencies to be represented, and adds the Lieutenant Governor and the State Treasurer, legislative appointments, and 12 housing experts appointed by the Governor. Requires the task force to recommend (instead of identify) State actions that promote the construction of affordable housing, and requires a report annually (instead of at 6-month intervals). With respect to a request for proposals or qualifications in connection with the Illinois Housing Initiative, provides for recommendations for funding decisions (instead of funding decisions themselves) by a subcommittee of the task force, or as designated by the Governor (instead of by a committee of qualified staff from certain agencies). Changes references to "priority" populations to "underserved" populations. Deletes references to the closing of vacant long-term nursing facility beds in connection with the funding pool for supportive services. Makes other changes.

430 ILCS 65/3.5 new

Amends the Firearm Owners Identification Card Act. Provides that a person who is not a federally licensed firearm dealer who desires to transfer a firearm while that person is on the grounds of a gun show must do so only through a federally licensed firearm dealer. Provides that the dealer must follow the procedure under the dial up provision of the Act as if the dealer were the seller of the firearm.

PENSION NOTE (H-AM1) (Department of Transportation)

No fiscal impact.

STATE DEBT IMPACT NOTE (Economic and Fiscal Commission)

No affect on the level of state indebtedness.

BALANCED BUDGET NOTE (Bureau of the Budget)

Since this House Bill is not a supplemental appropriation bill, it is not possible to complete this note as requested.

FISCAL NOTE (Administrative Office of the Illinois Courts)

House Bill 2356 would have no fiscal impact on the judicial branch.

JUDICIAL NOTE (Administrative Office of the Illinois Courts)

House Bill 2356 would neither increase nor decrease the number of judges needed in the state.

LAND CONVEYANCE APPRAISAL NOTE (Department of Transportation)

As there are no parcels of land being conveyed in this bill, there are no appraisals to be filed by the Department of Transportation.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

There will be no fiscal impact on the cost of constructing, purchasing, owning or selling a single family residence.

FISCAL NOTE (Illinois State Police)

HB 2356 has no fiscal impact to the Illinois State Police.

CORRECTIONAL NOTE (Department of Corrections)

House Bill 2356 proposes that a non-federally licensed firearm dealer who desires to transfer a firearm while on the grounds of a gun show must do so only through a person who is a federally licensed firearm dealer as outlined in the Firearm Owner's Identification (FOID) Card Act. A violation would be a Class A misdemeanor or a Class 3 or Class 4 felony. There is no available data related to illegal firearm purchases that take place at gun shows so that an objective determination regarding the number of persons who would be impacted by this legislation can be made, although the impact is expected to be minimal. Because offenders convicted solely of misdemeanors cannot be admitted to the Department, there is no corrections population or fiscal impact on the Department for any misdemeanor violations. There were five inmates admitted during FY02 for an illegal firearms transaction-related felony, with an average sentence of 2 years. Each inmate admitted to prison would serve an average of seven months, with added operating costs of \$12,632 and requiring the construction of one additional prison bed at the cost of \$53,168.

HOUSE AMENDMENT NO. 1

Changes the definition of gun show to a place where 25 or more firearms are offered or exhibited for sale, transfer, or exchange or where not less than 3 gun show vendors exhibit, sell, offer for sale, transfer, or exchange firearms.

HOME RULE NOTE (Dept of Commerce and Community Affairs)

The legislation does not pertain to home rule units of local government.

STATE MANDATES FISCAL NOTE (Dept of Commerce and Community Affairs)

The legislation does not impose requirements on units of local government.

PENSION NOTE (H-AM 1) (Pension Laws Commission)

As HB 2356, as amended by House Amendment 1, does not amend the Pension Code, it has no fiscal impact on any public pension or retirement system in Illinois.

JUDICIAL NOTE (H-AM 1) (Admin Office of the Illinois Courts)

House Bill 2356 would neither increase nor decrease the number of judges needed in

the state.

CORRECTIONAL NOTE (H-AM 1) (Department of Corrections)

There are no available data related to illegal firearms purchases that take place at gun shows so than an objective determination regarding the number of persons who would be impacted by this legislation can be made, although the impact is expected to be minimal. Because offenders convicted solely of misdemeanors cannot be admitted to the Department, there is no corrections population or fiscal impact on the Department for any misdemeanor violations. There were five inmates admitted during FY02 for an illegal firearms transaction-related felony, with an average sentence of 2.0 years. Each inmate admitted to prison would serve an average of seven months, with added operating costs of \$12,632 and requiring the construction of one additional prison bed at the cost of \$53,168.

HOUSING AFFORDABILITY IMPACT NOTE (H-AM 1) (Housing Development Authority)

There will be no fiscal effect on the cost of constructing, purchasing, owning or selling a single family residence.

STATE DEBT IMPACT NOTE (H-AM 1) (Economic and Fiscal Commission)

HB 2356, as amended by House Floor Amendment 1, would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

LAND CONVEYANCE APPRAISAL NOTE (H-AM1) (Department of Transportation)

As there are no parcels of land being conveyed in this bill, there are no appraisals to be filled by the Department of Transportation.

HOME RULE NOTE (H-AM 1) (Dept of Commerce and Community Affairs)

HB 2356 (HA #1) relates to the transfer of firearms at gun shows. The legislation does not pertain to home rule units of local government.

STATE MANDATES FISCAL NOTE (H-AM 1) (Dept of Commerce and Community Affairs)

HB 2356 (HA #1) relates to the transfer of firearms at gun shows. The legislation does not impose requirements on units of local government.

BALANCED BUDGET NOTE (H-AM 1) (Bureau of the Budget)

Section 10 of the Balanced Budget Note Act requires the preparation of a Balanced Budget Note for supplemental appropriation bills. Since this House Bill is not a supplemental appropriation bill, it is not possible to complete this Note as requested.

HOUSING AFFORDABILITY IMPACT NOTE (H-AM1) (Housing Development Authority)

No fiscal effect on a single-family residence.

HB-2363 MCKEON.

820 ILCS 405/237 from Ch. 48, par. 347

Amends the Unemployment Insurance Act. Provides that certain wages "shall not be included in the base period". Makes changes in the definition of "base period" for certain employees. Makes other changes in provisions concerning the definition of "base period".

Effective immediately.

FISCAL NOTE (Illinois Department of Employment Security)

Currently, the vast majority of claimants in Illinois already qualify monetarily under the current base period definition. Based on historical data, this change would increase the number of first payments for UI by approximately 2.7%. For calendar year 2002, that would have represented 12,600 individuals. Because these individuals tend to have less earnings than other claimants, their corresponding UI benefit amounts tend to be below average. Therefore, historical data suggests that the overall increase in benefit payments would be approximately 1.5%. For calendar year 2002, that would have represented \$37 million (out of a total statewide benefit payout of nearly \$2.5 billion). Illinois' unemployment trust fund is currently insolvent, so any increase in outlays will add to the amount of funds needed to restore the fund's solvency.

HB-2374 RYG-FEIGENHOLTZ-BOLAND-YOUNGE.

305 ILCS 5/5-5.23 new

Amends the Illinois Public Aid Code. Provides that on and after July 1, 2003, the Department of Public Aid shall reimburse providers of home health services under the Medicaid program at the same rates at which the federal government reimburses providers of those services under the Medicare program, using the Low Utilization Payment Adjustment (LUPA) national-average rate structure. Requires that the Department adjust those rates annually to reflect changes in the LUPA national-average rate structure. Effective immediately.

FISCAL NOTE (Department of Public Aid)

The implementation of a PPS for home health services, similar to Medicare's, would cost the State \$13 million to \$20 million annually. It is assumed that federal matching funds would continue to apply to these services, pending approval of a State Plan Amendment.

FISCAL NOTE (Department of Public Aid)

This bill requires the Department to pay per visit rates equal to the national rate for Medicare's low utilization payment adjustment (LUPA). This amount is updated annually and published in the Federal Register. Implementing these rates will cost the Department an estimated \$6.3 million in FY 2004. This is calculated at the current

LUPA rates.

- 35 ILCS 105/10 from Ch. 120, par. 439.10
- 35 ILCS 110/10 from Ch. 120, par. 439.40

Amends the Use Tax Act and the Service Use Tax Act. Provides that Department of Revenue is authorized to contract with credit card issuers to collect the tax imposed by these Acts on Internet sales, phone order sales, and direct-mail sales. If a credit card issuer enters into such a contract with the Department, the issuer must state as a separate item on the monthly bill to customers the tax charged under these Acts. A credit card issuer is entitled to reduce the amount of the tax collected under these Acts that it remits to the Department by the amount of costs incurred by the company to collect the tax or 4% of the revenue generated from the sale on which the tax is collected, whichever is greater. Effective immediately.

FISCAL NOTE (Department of Revenue)

HB 2388 allows for the credit card company to keep 4% of the revenue generated by the sale or actual costs incurred to collect the tax (whichever is greater). In addition, there is no cap on the amount the credit card company may keep. This proposal could result in fiscal loss because the credit card companies' cost of collection allowance is significantly higher than the 1.75% amount currently allowed to in-state vendors. The credit card company could end up retaining more than half of the tax collected.

Amends the Metropolitan Water Reclamation District Article of the Illinois Pension Code. Authorizes certain persons to purchase up to 2 years of service credit for certain military service not following employment. Requires payment of an amount representing both employee contributions and the employer's normal cost, plus interest. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

PENSION NOTE (Pension Laws Commission)

The fiscal impact of HB 2434 cannot be determined, as the number of members who will purchase the military service credit is unknown. As the bill requires the employee to make the employee and employer (normal cost) contributions, plus interest (3%

annually), the fiscal impact is estimated to be relatively minor. Any fiscal impact would be the result of the interest rate being set at only 3% annually.

HB-2459 MORROW AND DAVIS, WILLIAM-MCGUIRE-YOUNGE.

New Act

Creates the Apprentice Equity Act. Provides that, in counties with a population over 110,000, certain State contracts designated by the Capital Development Board and the Department of Transportation shall be subject to a plan under which specified goals for the employment of minority and female apprentices shall be met. Provides for administration of the plan and submission of reports concerning the plan. Effective January 1, 2004.

FISCAL NOTE (Capital Development Board)

Administrative Budget Impact:	\$47,700	first year
\$43,200 per year in following years	Construction	Impact:
\$25,000 for each \$1 million in contracts		

HOUSE AMENDMENT NO. 1

Deletes everything and inserts similar provisions, with these changes: changes the short title to the Apprentice/Training Equity Act; replaces references to apprentices with "apprentices/trainees" and references to apprenticeship with "apprenticeship/training"; provides that the Act applies to construction contracts funded in whole with State funds (rather than State construction contracts); and adds and changes provisions concerning contents of plans under the Act, waivers of plan requirements, sanctions, subcontractors, reimbursement, definitions, and other matters. Effective January 1, 2004.

FISCAL NOTE (H-AM1) (Department of Transportation)

Increased training costs to the Department would be approximately \$100,000. It would likely increase administrative costs due to the increased duties involved in tracking compliance with the contents of this bill.

New Act

Creates the Transportation and Toll Highway Property Transaction Act. Requires the Department of Transportation and the Illinois State Toll Highway Authority to disclose to the Department of Central Management Services information concerning the acquisition of real property using State moneys, including the identity of the owners, the fair market value, the purchase price, the bidding method, and the State use. Requires that the price at which the Department of Transportation sells real property to the Toll Highway Authority be within 5% of its fair market value. Requires that the fair market values of real properties exchanged by the Department and the Authority be within 5% of each other.

FISCAL NOTE (Department of Transportation)

The reporting requirements imposed by this legislation will necessitate changes in the Department's computer program to provide the appropriate data. It is estimated that it will take six months and cost \$50,000 to complete the conversion. There will also be an increase in labor costs. The staff costs cannot be estimated at this time. The cost of properties acquired by the Illinois Department of Transportation associated with ongoing toll highway projects is approximately \$51 million. Until the parcels have been appraised for the current fair market value, there is no way of determining the true fiscal impact of this legislation.

HB-2487 CAPPARELLI-BURKE-MCAULIFFE, BERRIOS, BRADLEY, RICHARD, LYONS, JOSEPH, MENDOZA, SAVIANO, LANG, JOYCE, PHELPS, SMITH, FORBY, JAKOBSSON AND BOLAND.

20 ILCS 1805/100.5 new
 35 ILCS 5/213 new

Amends the Military Code of Illinois. Provides that a person who is a member of the Illinois National Guard or the federal military and who is on active duty shall be accorded all of the relief and benefits under the laws of this State that are accorded to federal military personnel on active duty under the Soldiers' and Sailors' Civil Relief Act of 1940 if the person provides written notice of his or her active duty in the same manner that notice is provided under the Soldiers' and Sailors' Civil Relief Act of 1940. Requires notice of termination of active duty within 30 days after that termination. Amends the Illinois Income Tax Act. Provides that, for taxable years ending on or after December 31, 2003, each taxpayer is entitled to an income tax credit in the amount of \$1,000 per taxable year if, at any time during the taxable year, the taxpayer's spouse served on active duty in the Illinois National Guard or a reserve component of the armed forces of the United States. Allows the credit to be carried forward for 10 years and exempts the credit from the sunset provisions of the Act. Effective immediately.

FISCAL NOTE (Illinois Department of Revenue)

It is not possible to accurately predict when someone will be called up to active duty. However, an upper limit can be estimated using the Illinois military pay deduction data. For tax year 2001, over 40,000 military pay deductions were claimed reducing income tax liabilities by over \$20 million. If 40,000 taxpayers were to claim the armed service support credit, then tax liabilities could be reduced by \$40 million per year.

- 20 ILCS 2310/2310-106 new

Amends the Department of Public Health Powers and Duties Law of the Civil Administrative Code of Illinois. Provides that the Department of Public Health, in cooperation with the Illinois Association of Public Health Administrators, must revise the methodology governing the purpose and distribution of local health protection grants. Contains provisions concerning the considerations the Department must take into account in revising the methodology. Provides that the revised methodology must include criteria, standards, and procedures for allocating local health protection grants on a regional basis. Provides that the revised methodology must be published in the Illinois Register as a proposed rule on a timely basis so that the rule will be adopted and effective July 1, 2004.

PENSION NOTE (Pension Laws Commission)

No fiscal impact.

BALANCED BUDGET NOTE (Bureau of the Budget)

Since this House Bill is not a supplemental appropriation bill, it is not possible to complete this note as requested.

CORRECTIONAL NOTE (Department of Corrections)

No fiscal impact. No corrections population impact.

LAND CONVEYANCE APPRAISAL NOTE (Department of Transportation)

As there are no parcels of land being conveyed in this bill, there are no appraisals to be filed by the Department of Transportation.

STATE DEBT IMPACT NOTE (Economic and Fiscal Commission)

HB 2501 would not change the amount of authorization for any type of State-issued or State-supported bond, and therefore, would not affect the level of State indebtedness.

JUDICIAL NOTE (Administrative Office of the Illinois Courts)

House Bill 2501 would neither increase nor decrease the number of judges needed in the state.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

There will be no fiscal impact on the cost of constructing, purchasing, owning or selling a single family residence.

STATE MANDATES FISCAL NOTE (Dept. of Commerce and Community Affairs)

While HB 2501 relates to the methodology governing the intent and awarding of local health protection grants by DPH, the legislation does not impose requirements on units of local government. Therefore, in the opinion of DCCA, HB 2501 does not create a State Mandate under the State Mandates Act.

HOME RULE NOTE (Dept. of Commerce and Community Affairs)

HB 2501 relates to the methodology governing the intent and awarding of local health protection grants by DPH. The legislation does not contain language indicating a pre-emption of home rule powers and functions. Therefore, in the opinion of the Department of Commerce and Community Affairs, HB 2501 does not pre-empt home rule authority.

FISCAL NOTE (Department of Public Health)

While the direct fiscal impact to the Department as a result of the bill are reflected in this fiscal note, the impact to local health agencies across is not. A change in the formula to this minimum funding program will have a direct impact on agencies and services provided at existing local health agencies. Unless the line increases, there will be an effect from some agencies with a redistribution of the dollars. Personal Services Office of Health Protection Public Service Administrator \$4,225 X 6 = \$25,350; Office of Health Protection Fiscal Unit Accountant \$3,500 X 6 = \$21,000; Total Salaries \$46, 350; Fringe Benefits Social Security- 7.65% \$3,545; Retirement- 10.4% \$4,820; Insurance- \$8,400 per person/yr. \$16,800; Total Fringes \$25,165; Travel \$1,500; Mailing \$1,000; TOTAL \$74,105

305 ILCS 5/5-2.05 new

Amends the Illinois Public Aid Code. Provides that persons who fail to qualify for basic maintenance under the AABD program under the Code on the basis of need because of excess income or assets, or both, may establish prospective eligibility for that basic maintenance by prepaying their monthly Medicaid spend-down amount to the Department of Public Aid or by having a third party pay that amount to the Department. Effective immediately.

HOUSE AMENDMENT NO. 1

Deletes the provision for an immediate effective date for the bill.

FISCAL NOTE (Department of Public Aid)

The estimated cost of implementing the spenddown prepayment program presented in HR 865 is \$876,000 the first year and \$177,000 a year thereafter. This includes one-time system modifications of \$699,000 (\$225,000 for DPA and \$444,000 for DHS) and ongoing DPA staff expenses of \$177,000. The cost of system modifications could probably be absorbed in the base appropriation if the Department was allowed more time to implement.

820 ILCS 405/601 from Ch. 48, par. 431

Amends the Unemployment Insurance Act. In provisions making an individual ineligible for benefits for leaving work voluntarily without good cause, creates an exception if the individual left work to protect his or her children or himself or herself from domestic violence.

FISCAL NOTE (Illinois Department of Employment Security)

It is difficult to quantify the number of occurrences that would fall into this category, but it is presumed to be relatively small and the impact on the unemployment trust fund would likewise be small. Benefits paid under the new section would be charged back to the employer as part of the annual tax rate calculations. Illinois' unemployment trust fund is currently insolvent, so any increase in outlays will add to the amount of funds needed to restore the fund's solvency. There would also be some minimal costs in regards to retraining staff on the new exception. Overall, the costs to both the trust fund and the agency's administrative budget are expected to be relatively insignificant.

HB-2531 MCCARTHY-LANG.

5 ILCS 375/6 from Ch. 127, par. 526

Amends the State Employees Group Insurance Act of 1971. Provides that the program of health benefits must include coverage for hearing evaluations, hearing aids, and the dispensing and fitting of hearing aids. Effective July 1, 2003.

FISCAL NOTE (Department of Central Management Services)

HB 2531 would require the State of Illinois' Quality Care Health Plan (QCHP) to include coverage for hearing aids. The state would realize an additional \$5.6 million in costs with passage of this bill. In addition, if extended to members of the managed care plans, according to our managed care vendors, this change in the benefit plan would increase the cost to the state by approximately \$5.2 million. The total increase in costs for adding hearing aid coverage to the state's health plans would be \$10.8 million.

HOUSE AMENDMENT NO. 1

Provides that coverage for hearing evaluations, hearing aids, and the dispensing and fitting of hearing aids may, rather than must, be included in the program of health benefits.

HB-2545 CURRIE-BELLOCK-HAMOS-FEIGENHOLTZ-LYONS, EILEEN, JONES, LINDNER, COLLINS, GRAHAM, COULSON AND MORROW.

730 ILCS 110/16.1 new

Amends the Probation and Probation Officers Act. Creates the Redeploy Illinois Program. Permits pilot projects in which a county or group of counties may develop an agreement with the Supreme Court to reduce their number of commitments of juvenile offenders to the Department of Corrections, and then use the savings to develop local programming for youth who would otherwise have been committed to the Department of Corrections. Provides that the county or group of counties shall agree to limit their commitments to 75% of the level of commitments from the average number of juvenile commitments for the past 3 years, and shall receive the savings to redeploy for local programming for juveniles who would otherwise be held in confinement.

JUDICIAL NOTE (Administrative Office of the Illinois Courts)

House Bill 2545 would neither increase nor decrease the number of judges needed in the state.

FISCAL NOTE (Department of Corrections)

House Bill 2545 allows for the creation of county or multi-county pilot projects to reduce the number of juvenile delinquent commitments to the Department of Corrections. Each county or group of counties would be required to limit their juvenile commitments to 75% of the average number of juvenile commitments for the previous three years. Savings would then be redeployed to the counties for local program services for youth who would otherwise have been committed. This legislation would result in a decrease of 325 youth with \$235,785,300 in cost savings over the first ten years after enactment.

HOUSE AMENDMENT NO. 1

Deletes all. Reinserts the provisions of the bill but provides that the local plan shall be submitted to the Department of Human Services rather than the Supreme Court. Excludes minors sentenced based upon a finding of first degree murder. Creates an inter-agency oversight board to develop plans for a pilot Redeploy Illinois program. Adds an immediate effective date to the bill.

SENATE FLOOR AMENDMENT NO. 1

Excludes from the Redeploy Illinois Program a person guilty of a Class X forcible felony. Includes on the Redeploy Illinois Oversight Board designees from the Cook County State's Attorney's Office and a State's Attorney selected by the Illinois State's Attorney's Association.

GOVERNOR AMENDATORY VETO MESSAGE

Recommends that the provision that requires each county to receive, maintain, and appropriate the Redeploy Illinois Program allocations in a separate line item account of the probation department budget be deleted from the bill. Also recommends that the provision that requires the Department of Human Services, upon approval of the annual plan, to forward 20% of the approved Redeploy Illinois Program allocations to the State treasurer to be deposited in the line item account be deleted from the bill.

- 40 ILCS 5/14-133 from Ch. 108 1/2, par. 14-133

Amends the State Employee Article of the Illinois Pension Code. Increases the retirement formula for certain regular coordinated members from 1.67% to 2.0% of final average compensation per year of service. Increases the employee contribution rate for those members from 4.0% to 5.03%. Effective immediately.

PENSION NOTE (Pension Laws Commission)

Accrued liability of the System increased by an estimated \$663.9 million. The contributions required to amortize this increase in accrued liability have not been calculated, but would be substantial. The normal cost (benefits earned in a year) is expected to be 1.03% of payroll, which would be offset by the 1.03% of salary increase in employee contributions. If members of SERS start to retire earlier, the costs of HB2546 would be higher than outlined above.

Amends the Code of Civil Procedure. Exempts from the application of the statutes of limitation and repose governing civil actions arising out of acts or omissions in the design, planning, supervision, observation, management, and construction of or improvement to real property those actions that are based on personal injury, bodily harm, or death resulting from the discharge into the environment of any pollutant, including any waste, hazardous substance, irritant, or contaminant. Effective immediately.

HOUSE AMENDMENT NO. 1

Provides that language prohibiting an action based on an act or omission in the design, planning, supervision, observation or management of construction, or construction of an improvement to real property after 10 years have elapsed (rather than all language limiting civil actions relating to design, planning, supervision, observation or management of construction, or construction of an improvement to real property) does not apply to actions that are based on personal injury, bodily harm, or death resulting from specified environmental discharges. Amends the Illinois Municipal Retirement Fund (IMRF) Article of the Illinois Pension Code.

Provides for participation by noncertificated employees of the regional office of education serving suburban Cook County, beginning July 1, 2004. Includes provisions relating to credit for prior service with that employer and the payment of liabilities if the regional office is abolished. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

PENSION NOTE (Pension Laws Commission)

Employees of employers joining IMRF receive credit (without making contributions) for 5 years or 20% of service with the employer, whichever is less. Upon joining IMRF, the Suburban Cook County Regional Office of Education would be required to make annual contributions to amortize the unfunded liability (over 10 years) created by employees' past service credit. The resulting increase in unfunded liability and associated annual costs cannot be determined, as the amount of outstanding service that would be granted to current employees of the Suburban Cook County Regional Office of Education is unknown. Allowing the Suburban Cook County Regional Office of Education into IMRF would not affect the accrued liability or annual cost of any other IMRF employer.

According to an analysis prepared by the Fund's actuary (based on the 2002 actuarial valuation) the fiscal impact of HB 2645 depends on the average increase in annual pensionable salary. 40 ILCS 5/18-140 from Ch. 108 1/2, par. 18-140

Deletes everything. Amends the State Finance Act and the General Obligation Bond Act. Authorizes the issuance of an additional \$10,000,000,000 in general obligation bonds. Provides for the proceeds of those bonds to be used to reduce the unfunded liabilities of the 5 state-funded retirement systems. Reserves a portion of those proceeds to replace certain moneys used to pay required State contributions to those systems in FY 2004 and a portion of FY 2003. Specifies that these and future issues of general obligation bonds may provide for capitalization of up to 12 month's interest. Makes other changes. Amends the Illinois Pension Code to make corresponding changes in provisions relating to the calculation and certification of required State contributions. Provides that the required State contribution for State fiscal year 2005 and each fiscal year thereafter shall not exceed an amount equal to (i) the amount of the required State contribution that would have been calculated for that fiscal year if the System had not received any payments under this amendatory Act, minus (ii) the amount of the State's debt service payments for that fiscal year on the bonds issued for that purpose that is attributable to the

System. Effective immediately.

FISCAL NOTE (H-AM 1) (Bureau of the Budget)

There is no fiscal impact for HB 2660 (HA #1).

BALANCED BUDGET NOTE (H-AM 1) (Bureau of the Budget)

Since HB 2660 (HA #1) is not a supplemental appropriation bill, there is no Balanced Budget Note impact.

JUDICIAL NOTE (H-AM 1) (Admin Office of the Illinois Courts)

House Bill 2660, as amended by House Amendment No. 1, would neither increase nor decrease the number of judges needed in the state.

STATE MANDATES FISCAL NOTE (H-AM 1) (Dept of Commerce and Community Affairs)

The legislation does not impose requirements on units of local government. Therefore, in the opinion of DCCA, HB 2660 (HA #1) does not create a State Mandate under the State Mandates Act.

HOME RULE NOTE (H-AM 1) (Dept of Commerce and Community Affairs)

HB 2660 (HA #1) pertains to bond funds used for various State retirement systems. The legislation does not contain language indicating a pre-emption of home rule powers and functions. Therefore, in the opinion of DCCA, HB 2660 (HA #1) does not pre-empt home rule authority.

LAND CONVEYANCE APPRAISAL NOTE (H-AM 1) (Department of Transportation)

As there are no parcels of land being conveyed in HB 2660 (HA #1), there are no appraisals to be filed by the Department of Transportation

CORRECTIONAL NOTE (H-AM 1) (Department of Corrections)

The fiscal impact is an unknown reduction for the Department because altering conditions within the State Pension Contribution Fund through different investment strategies may result in reduced contributions made by the Department.

PENSION NOTE (H-AM 1) (Pension Laws Commission)

HB 2660, as amended by House Amendment 1, provides that a portion of the proceeds of a \$10 billion bond issuance will be added to the assets of the State retirement systems, in proportion to their current assets. In effect, this action would substantially increase the FY 2004 State contributions to the State-funded retirement systems. These additional FY 2004 contributions could substantially decrease required annual employer contributions to the systems in FY 2005 and beyond. The estimated changes in the annual employer contributions have not yet been calculated.

STATE DEBT IMPACT NOTE (H-AM 1) (Economic and Fiscal Commission)

HB 2660, as amended by House Floor Amendment 1, would increase: General Obligation principal by \$10.0 billion, Potential General Obligation debt by \$23.0 billion, and Annual debt service by an average \$0.6-\$1.3 billion.

HOUSING AFFORDABILITY IMPACT NOTE (H-AM1) (Housing Development Authority)

No fiscal impact.

- 40 ILCS 5/7-132 from Ch. 108 1/2, par. 7-132

Amends the Illinois Municipal Retirement Fund Article of the Illinois Pension Code to authorize participation by employees of the United Counties Council of Illinois. Effective immediately.

PENSION NOTE (Pension Laws Commission)

Employees of employers joining IMRF receive credit (without making contributions) for 5 years or 20% of service with the employer, whichever is less. Upon joining IMRF, the United Counties Council of Illinois would be required to make annual contributions to amortize the unfunded liability (over 10 years) created by employees' past service credit. The resulting increase in unfunded liability and associated annual costs cannot be determined, as the amount of outstanding service that would be granted to current employees of the United Counties Council of Illinois is unknown. Allowing the United Counties Council of Illinois into IMRF would not affect the accrued liability or annual cost of any other IMRF employer.

 320 ILCS 25/3.15 from Ch. 67 1/2, par. 403.15
 320 ILCS 25/4.5 new

Amends the State Finance Act and the Senior Citizens and Disabled Persons Property Tax Relief and Pharmaceutical Assistance Act. Provides that beginning July 1, 2004, the Department of Revenue shall by rule expand the classes of drugs covered under the pharmaceutical assistance program beyond those covered as of January 1, 2003, subject to appropriations. Requires the Department to negotiate and enter into agreements with drug manufacturers for rebates in excess of those received by the State as a result of contracts with third parties on January 1, 2003. Provides for the deposit of those rebates and other moneys into the Prescription Drug Assistance Fund, which is created as a special fund in the State treasury, and for the appropriation of moneys in the fund for the purpose of expanding the classes of drugs covered under the pharmaceutical assistance program beyond those covered as of January 1, 2003. Effective immediately.

FISCAL NOTE (Department of Public Aid)

There will be no additional appropriated cost to the Department of Public Aid. Assuming rebates for prescriptions paid by Medicaid will continue to be deposited into the Drug Rebate Fund, the only potential impact IDPA could be a reduction of the "Best Price" charged by a manufacturer which could reduce the level of federal rebates. There will be administrative costs associated with operating this program. Either a complicated tracking system will need to be developed and staffed, or an outside entity will need to be hired. Additionally, IDOR will pay all but \$1.00 for generic and \$4.00 for name brand drug prescriptions. Without knowing the number of rule additions or the rebate agreements negotiated, the additional cost of the legislation could not be defined.

Amends the Children and Family Services Act. Provides that any grandparent of a child whose parents no longer have custody of the child and who is also acting as the foster parent of that child is entitled to full financial assistance for foster care, whether or not the grandparent has been licensed as a foster parent. Effective July 1, 2003.

FISCAL NOTE (Department of Children and Family Services)

The Department of Children and Family Services cannot state a maximum cost, but can calculate the minimum anticipated costs. The actual cost will definitely be greater. The increased cost to the Department is at least \$137,491,776 per year. The net increase to the state is \$121,363,452, because the cost decreases when current TANF payments are netted out.

325 ILCS 5/4

from Ch. 23, par. 2054

720 ILCS 5/26-1

from Ch. 38, par. 26-1

Amends the Abused and Neglected Child Reporting Act and the Criminal Code of 1961. Provides that a person is guilty of a Class 4 felony (instead of a Class A misdemeanor) if he or she knowingly transmits a false report of child abuse or neglect to DCFS or knowingly and willfully commits another violation of the Abused and Neglected Child Reporting Act's mandated reporting provisions. Provides that a person is guilty of a Class 3 (instead of Class 4) felony for a second or subsequent violation. Effective immediately.

SENATE FLOOR AMENDMENT NO. 1

Restores the provisions of current law concerning the penalties for a person who knowingly and willfully violates the "mandated reporter" provisions of the Abused and Neglected Child Reporting Act other than a second or subsequent offense of transmitting a false report (that is, a Class A misdemeanor (instead of a Class 4 felony) for a first violation and a Class 4 (instead of Class 3) felony for a second or subsequent violation). Provides, however, that if the person acted as part of a plan or scheme having as its object the prevention of discovery of an

abused or neglected child by lawful authorities for the purpose of protecting or insulating any person or entity from arrest or prosecution, the person is guilty of a Class 4 felony for a first offense and a Class 3 felony for a second or subsequent offense (regardless of whether the second or subsequent offense involves any of the same facts or persons as the first or other prior offense).

305 ILCS 5/5-5.12b new

Amends the Illinois Public Aid Code in relation to Medicaid. Provides for differential dispensing fees for pharmacies in connection with prescriptions for adult care homes and differential ingredient cost reimbursement of generic and brand name pharmaceuticals. Provides for limiting reimbursement for a prescription to the multisource generic equivalent drug. Prohibits prior authorization requirements for medications used to treat mental illnesses. Authorizes the Department of Public Aid to establish a statewide advisory committee to advise the Department in the development of a preferred formulary listing of drugs covered by the State's Medicaid program. Requires the Department to evaluate drugs and drug classes for inclusion in the State Medicaid preferred drug formulary based on safety, effectiveness, and clinical outcomes of treatments. Makes other changes. Effective immediately.

FISCAL NOTE (Department of Public Aid)

The differential dispensing fee for adult care homes will cost the department \$450,000 annually for each 10 cents dispensing fee is increased. The "Dispense As Written" provision will circumvent the Prior Approval process and Preferred Drug List/ Supplemental Rebates and make the process ineffective. This will result in a loss of savings that will cost the Department \$150 million annually.

 40 ILCS 5/8-152.1 new
 30 ILCS 805/8.27 new

Amends the Chicago Municipal Article of the Illinois Pension Code. Provides that if a member (1) was married for at least one year at the time of termination of service, (2) subsequently became widowed, (3) was subsequently remarried, and (4) has not received a refund under Section 8-169, then that member's widow shall be entitled to a widow's annuity if the widow was married to the member for at least the last 3 years prior to the member's death. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

PENSION NOTE (Pension Laws Commission)

The fiscal impact of HB 2986 cannot be determined, as the additional number of widows who would qualify for a widow's annuity is unknown. The number of additional qualifying widows is expected to be small, therefore the fiscal impact is expected to be minor.

305 ILCS 5/4-1.6

from Ch. 23, par. 4-1.6

305 ILCS 5/4-2

from Ch. 23, par. 4-2

Amends the Illinois Public Aid Code. Provides that TANF may be paid for no more than 6 months on behalf of a person under 18 who has never married and who has a child or is pregnant, unless the person resides with a parent or in another specified living arrangement (instead of providing that no aid may be paid on behalf of such a person). Eliminates a provision authorizing the Department of Human Services to adopt rules setting forth criteria under which an assistance unit is ineligible for TANF for a specified number of months due to the receipt of a lump sum payment. Eliminates provisions concerning a prohibition on an increase in TANF aid solely on account of the birth of a child. Effective immediately.

HOUSE AMENDMENT NO. 1

Deletes reference to:

305 ILCS 5/4-1.2c

305 ILCS 5/4-1.6

Deletes everything. Amends the Illinois Public Aid Code. In provisions concerning the amount and nature of financial aid under the TANF program, eliminates provisions concerning a prohibition on an increase in TANF aid solely on account of the birth of a child. Effective immediately.

FISCAL NOTE (Department of Human Services)

Based on the actual assistance the children who are currently ineligible would have received, the projected caseload estimates that this change in policy will cost an estimated \$5.6 million in 2004. DHS would also have to be committed to providing for children in future years that would be excluded.

HOUSE AMENDMENT NO. 2

Restores provisions of current law providing that a family receiving TANF shall not receive any increase in the amount of aid solely on account of the birth of a child. Provides that those provisions do not apply to affect the monthly assistance amount of any family as a result of the birth of a child on or after January 1, 2004. Provides that as resources permit after January 1, 2004, the Department of Human Services may cease applying those provisions to limit assistance to families receiving TANF assistance on January 1, 2004, with respect to children born prior to that date. Provides that in any event, those provisions limiting assistance shall be completely inoperative on and after July 1, 2007.

FISCAL NOTE (H-AM 1) (Department of Human Services)

Based on the actual assistance the children who are currently ineligible would have received, the projected caseload estimates that this change in policy will cost an estimated \$5.6 million in 2004.

- 305 ILCS 5/9A-9 from Ch. 23, par. 9A-9

Amends the Illinois Public Aid Code in relation to education, training, and employment programs for TANF recipients. Provides that an individual who is exempt from participating in such programs but who volunteers to participate may not be sanctioned for not meeting program requirements. Makes changes concerning good cause for failure to participate in such programs, and provides that the Department of Human Services may not require corroboration of a client's assertion of good cause unless the Department has information that is inconsistent with that assertion. Provides that an individual may decline literacy testing or a determination of language proficiency. Requires the Department of Human Services to annually evaluate its procedures and written materials. Adds a provision concerning transitional jobs and removes a provision concerning community service. Makes other changes. Effective immediately.

HOUSE AMENDMENT NO. 1

Deletes reference to:
305 ILCS 5/9A-8.1

Deletes everything. Reinserts provisions substantially similar to those of the bill as introduced, amending the Illinois Public Aid Code, but with changes that include the following: (1) removes an amendatory provision that the Department of Human Services may not require corroboration of a client's assertion of good cause for failure to participate in education, training, and employment programs unless the Department has information that is inconsistent with the client's assertion; (2) removes an amendatory provision authorizing assignment of a client to an education, training, or employment activity if the client was already engaged in such an activity at the point of entry; (3) provides that in the assessment process, the Department of Human Services shall offer to include standard literary testing and a determination of English language proficiency and shall provide it for those who accept the offer (instead of requiring the Department to include such testing and such a determination in the assessment unless declined by the individual); (4) removes amendatory provisions for an annual evaluation of the Department's procedures and written materials; and (5) provides that community service includes unpaid work that a client performs in his or her community, such as for a school, church, government agency, or nonprofit organization (instead of deleting all provisions concerning community service). Effective immediately.

FISCAL NOTE (Department of Human Services)

The Transitional Jobs Program will be the most problematic provision to implement. If DHS is responsible for the wages of clients required to work a minimum amount of 30

hours/week, the annual cost per client for wages only will be \$8,031. Additionally, the supportive services required will be additional costs. There are so many undetermined variables in this bill in which the definition must prelude as actual estimate of cost.

New Act

Creates the Community Self-Revitalization Act. Provides that a municipality, county, or any combination of municipalities and counties that are certified as an economically distressed community by the Department of Commerce and Community Affairs, in order to receive the assistance as provided under the Act, may appoint a Board of Economic Advisors. Provides that the Board shall consist of 12 members of the community, appointed by the corporate authorities of the community, representing the perspective of 12 sectors vital to community redevelopment, including families, businesses, and government. Provides that the Board shall create a 3-year to 5-year revitalization plan for the community containing distinct, measurable objectives for revitalization. Provides that the Department of Commerce and Community Affairs shall, subject to appropriation, make grants to communities that create a Board of Economic Advisors under the Act for the operational expenses of the Board. Provides that Boards shall seek funding

sources to enhance economic development. Further provides that the Department of Commerce and Community Affairs shall advise Boards of available funding and assist Boards in securing this funding. Effective immediately.

STATE DEBT IMPACT NOTE (Economic and Fiscal Commission)

HB 3045 would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

FISCAL NOTE (Dept of Commerce and Community Affairs)

A reasonable estimate of the fiscal impact cannot be made at this time because the number of communities that may appoint a Board of Economic Advisors, and the potential source and amount of grant funding is unknown.

HB-3049 CURRIE.

20 ILCS 3805/7.28
 35 ILCS 5/214

Amends the Illinois Housing Development Act. Makes changes in the definitions of "affordable housing project" and "sponsor". Defines "project" to mean an affordable housing project, an employer-assisted affordable housing project, general operating support, or technical assistance. Defines "tax credit" as a tax credit allowed under Section 214 of the Illinois Income Tax Act. Provides that a sponsor must apply to an administrative housing agency for approval of a project (now, must apply to the agency that administers the program). Provides that the agency must reserve a specific amount of tax credits for each approved project (now, must reserve the credits for each approved affordable housing project for 24 months after it is approved and the sponsor must receive an eligible donation within that time in order to receive the credit). Provides that tax credits for general operating support can only be reserved as part of a reservation of tax credits for another type of project. Allows tax credits only where an administrative housing agency has reserved tax credits for the project. Limits tax credits for general operating support to 10% of the total tax credit reservation for the related project (now, limited to 10% of the total tax credit allocation for the project). Allows an administrative housing agency to reserve tax credits for any approved projects if the agency is unable to reserve the tax credits set-aside for employer-assisted housing projects and general operating support. Amends the Illinois Income Tax Act. Provides that persons or entities not subject to the tax and who make a donation under the Illinois Housing Development Act are entitled to receive and to transfer a tax credit for affordable housing donations. Makes other changes. Effective immediately.

Amends the State Employees Group Insurance Act of 1971, the Counties Code, the Illinois Municipal Code, the Health Maintenance Organization Act, and the Voluntary Health Services Plans Act to require the same coverage under those Acts. Amends the State Mandates Act to require implementation without reimbursement.

FISCAL NOTE (Central Management Services)

This bill will affect each of our managed care plans, but our Quality Care Health Plan typically covers these costs subject to medical necessity and until improvement and progress is no longer evident. According to our managed care vendors, this change would increase costs to the state by approximately \$2.7 million, which would be passed on to employees in the form of rate increases.

HOUSE AMENDMENT NO. 1

Adds reference to:

20 ILCS 1405/1405-35 new

Amends the Department of Insurance Law of the Civil Administrative Code of Illinois. Requires the Department of Insurance to conduct a study of the costs and benefits of insurance coverage requirements for the treatment of brain injuries. Requires the Department to report its findings to the General Assembly and the Governor on or before March 1, 2007. Abolishes the coverage requirements for brain injury treatment on January 1, 2008.

FISCAL NOTE (H-AM 1) (Dept. of Central Management Services)

This bill will affect each of the Illinois Department of Central Management Services managed care plans, but our Quality Care Health Plan (QCHP) typically covers these

costs subject to medical necessity and until improvement and progress is no longer evident. According to our managed care vendors, this change would increase costs to the state by approximately \$2.7 million, which would be passed on to employees in the form of rate increases. CMS does not anticipate any significant fiscal impact as a result of the amendment.

FISCAL NOTE (H-AM 1) (Department of Insurance)

House Bill 3060 will require the Department to hire staff or contract out services to conduct the surveys. This staff person or contractor will have to be an expert in the brain injury field. The Department estimates the cost to be approximately \$50,000.
