30 ILCS 805/8.28 new

Amends the Illinois Municipal Retirement Fund (IMRF) Article of the Illinois Pension Code. Allows a sheriff's law enforcement employee (SLEP) to convert up to 10 years of non-SLEP service credit into SLEP credit by paying the difference in employee and employer contributions, plus interest. Increases the SLEP retirement formula to 2.5% of the final rate of earnings for each year of SLEP service. Increases the maximum pension payable to a SLEP from 75% to 80% of the final rate of earnings. Removes the 2-year service requirement for earning new benefits after a return to service as a SLEP. Increases the additional employee contribution paid by SLEPs to 2.5% of salary. Also eliminates the reduction in benefit imposed on a surviving spouse who is more than 5 years younger than the deceased member, for the surviving spouse of any member who dies on or after the effective date. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

PENSION NOTE (Economic and Fiscal Commission)

According to IMRF, the formula increase provided by House Bill 5189 would increase the average annual cost of SLEP employers by an estimated 2.56% of payroll, assuming an amortization period of 28 years. The cost would be reduced by an increase in employee contributions of 0.5% salary, resulting in an average annual employer cost of 2.06% of payroll for SLEP employers. The other provisions of House Bill 5189 would have a fiscal impact, but it has not been determined. The cost estimate is based on a modified retirement rate assumption, as the formula increase provided by House Bill 5168 reduces the number of years of service required to achieve the maximum annuity of 80% of final average salary.

HB-5789 HOWARD.

210 ILCS 3/10

Amends the Alternative Health Care Delivery Act. Makes a technical change in the Section concerning definitions.

FISCAL NOTE (Department of Children and Family Services)

The legislation does not cause a fiscal impact to DCFS.

FISCAL NOTE (Office of the Secretary of State)

Because it is not possible to determine at this time which Secretary of State facilities may ultimately be considered high-traffic facilities in high risk communities, the total fiscal impact on the Secretary of State's office cannot be estimated. However, the Secretary of State's office does not currently have excess space in its facilities for operations unrelated to the Secretary of State's office. If House Bill 5789, as amended by House Amendment 1, becomes law, the Secretary of State's office may be compelled to build, lease, or otherwise obtain additional space adjacent to any facility designated a high-traffic facility in a high risk community.

FISCAL NOTE (Department of Human Services)

Depending on how this bill is defined in rules and the impact to the facilities, this legislation is estimated to cost a minimum of \$950,000. The range of cost of this legislation in FY05 is \$950,000 to \$9 million.

Creates the Loan Repayment Assistance for Physicians Act. Requires that the Department of Public Health establish an educational loan repayment assistance program for physicians who practice in Illinois. Provides that for each year that a qualified applicant practices full-time as a physician, the Department shall, subject to appropriation, award a grant to that person in an amount equal to the amount in educational loans that the person must repay that year. Provides that the total amount in grants that a person may be awarded shall not exceed \$25,000. Amends the Department of Public Health Powers and Duties Law of the Civil Administrative Code of Illinois. Requires the Department of Public Health to award grants to all practicing physicians (instead of only to physicians offering obstetrical medical services in rural areas) for the purpose of reimbursing the costs of obtaining malpractice insurance. Requires the Department to establish reasonable conditions, standards, and duties relating to the grants. Amends the Illinois Public Aid Code. Provides for an increase in the rates paid to every vendor of goods or services under the Medicaid program so that those rates are equal to the rates paid to such vendors under Medicare. Provides for implementation of the rate increase over a 3-year period. Amends the Code of Civil Procedure. Limits attorney's fees in individual actions to \$1,000,000 including expenses. Changes the standards that the court shall apply to determine if a witness qualifies as an expert witness as follows: (i) requires the court to determine whether the witness is board certified or board eligible in the same medical specialties as the defendant and is familiar with the same medical problems or the type of treatment administered in the case (instead of the same relationship of the medical specialties of the witness to the medical problem and the type of treatment in the case); (ii) requires the court to determine whether the witness has devoted 75% (instead of a substantial portion) of his or her working hours to the practice of medicine, teaching, or university-based research in relation to the medical care and type of treatment at issue; and (iii) requires the court to determine whether the witness is licensed by any state or the District of Columbia (instead of just licensed). Amends the Illinois Good Samaritan Act. Provides that the immunity for civil damages provided for services performed without compensation at free medical clinics also applies to physicians and other health care professionals that provide medical treatment, diagnosis, or advice at federally qualified health care centers without fee or compensation. Makes various other changes in other Acts concerning health care. Effective immediately.

Provides that a reviewing health professional that provides frivolous or improper review of a case shall be liable to each of the parties for the reasonable costs and attorneys' fees expended in resolving the case. Provides that a review shall be found frivolous if it is substantially lacking in factual support, is based upon a standard of care or practice that lacks substantial use in the relevant specialty or field of practice, or is made for an improper purpose, such as to harass or cause needless increase in the cost of litigation. Limits the extension to one 90-day extension for a pro se plaintiff who was unable to obtain a reviewing physician's reports and who has not previously voluntarily dismissed an action based upon the same or substantially the same acts, omissions, or occurrences.

FISCAL NOTE (Illinois State Board of Education)

The State Board of Education is unable to make a reasonable estimate of the cost of House Bill 6632. Currently adjustments equal approximately \$20 to \$30 million. It is likely that House Bill 6632 will increase adjustments to the \$30 million cap every year. Thus, the cost will be the increase in adjustments from the current level to the \$30 million cap. In FY04, adjustments were over \$28 million and the cost would have been approximately \$2 million.

STATE MANDATES FISCAL NOTE (Illinois State Board of Education)

The State Board of Education is unable to make a reasonable estimate of the cost of House Bill 6632. Currently adjustments equal approximately \$20 to \$30 million. It is likely that House Bill 6632 will increase adjustments to the \$30 million cap every year. Thus, the cost will be the increase in adjustments from the current level to the \$30 million cap. In FY04, adjustments were over \$28 million and the cost would have been approximately \$2 million. House Bill 6632 does not appear to establish a state reimbursable mandate.

HOUSE AMENDMENT NO. 3

Deletes everything after the enacting clause. Reinserts the contents of the bill with the following changes. Changes the date that an amendatory provision applies from June 30, 2004 to June 30, 2003. Changes the maximum adjustments amount from \$30 million to \$25 million. Effective immediately.

JUDICIAL NOTE (Admin Office of the Illinois Courts)

Based on a review of the bill, it has been determined that House Bill 6632, as amended by House Amendment 3, would neither increase nor decrease the number of judges needed for the State.

STATE DEBT IMPACT NOTE (Economic and Fiscal Commission)

House Bill 6632, as amended by House Amendment 3, would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

PENSION NOTE (Economic and Fiscal Commission)

House Bill 6632, as amended by House Amendment 3, would not impact any public pension fund or retirement system in Illinois.

HOME RULE NOTE (Department of Commerce and Economic Opportunity)

As amended by HA3, this bill does not pre-empt home rule authority.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

This legislation will have no effect on constructing, purchasing, owning, or selling a single-family residence.

CORRECTIONAL NOTE (Dept of Corrections)

775 ILCS 5/7-112.5 new

Amends the Illinois Human Rights Act. Authorizes the Department of Human Rights to charge fees to private companies for training offered by the Department's Institute for Training and Development. Provides that the fees shall be paid into the Department of Human Rights Training and Development Fund, a new special fund in the State treasury (and amends the State Finance Act to list the new fund as a special fund). Provides that moneys in the Fund shall be used to enhance the quality of the Department's training services, make training available at no cost to agency employees, other State agencies and instrumentalities of the State, community organizations, colleges and universities, and other groups and organizations in Illinois, and make training available to private companies for a fee. Effective January 1, 2005.

FISCAL NOTE (Department of Human Rights)

Total fiscal impact per year of \$102,260. This amount, however, will be offset if the Department is allowed to generate additional funding by charging training fees to private companies. The institute could potentially generate approximately \$180,000 from these

training fees. The additional money would be used to develop and update training materials, fund reproduction of materials, and to enhance media and equipment.

Provides that the deduction may be claimed only once and for only unreimbursed travel and lodging expenses and lost wages incurred by the claimant and related to the claimant's organ donation. Effective immediately.

FISCAL NOTE (Economic and Fiscal Commission)

House Bill 6806 would reduce State individual income tax revenue by an amount that cannot be determined. However, the impact is assumed to be minimal.

FISCAL NOTE (Department of Revenue)

House Bill 6806 creates an income tax deduction up to \$10,000 for donating an organ to another human being for transplantation. There were 6,607 organ donations nationwide last year. We estimate approximately 330 of those were in Illinois. If all of those were able to take the maximum \$10,000 deduction, that would have resulted in a revenue loss to the State of approximately \$100,000.

HOUSE AMENDMENT NO. 1

Eliminates the provision that the offense had to have been committed on or after January 1, 1986. Also provides that a person required to register as a sex offender who intends (rather than desires) to establish a residence or employment outside the State of Illinois must inform the law enforcement agency which he or she last registered of his or her out-of-state residence or employment.

FISCAL NOTE (State Police)

Amends the Children with Disabilities Article of the School Code. Provides that a parent or guardian who is a prevailing party in an impartial due process hearing or a civil action may recover reasonable attorney's fees and costs from an opposing party (now, the school district is liable for attorney's fees only if the district willfully disregards applicable regulations or statutes and that disregard is detrimental to the child). Effective immediately.

HOUSE AMENDMENT NO. 1

Removes the provision that requires an action to recover attorney's fees and costs to be brought within 30 days.

HOUSE AMENDMENT NO. 2

Adds reference to:

30 ILCS 805/8.28 new

Amends the State Mandates Act to require implementation without reimbursement.

FISCAL NOTE (State Board of Education)

House Bill 6813 may significantly shift the cost of due process hearings to school districts, may cause school districts to merely give up legitimate efforts to assert their position to avoid due process and the possibility of this additional liability, may cause school districts that participate in due process to avoid settlements, and may increase the cost of providing services to children. The State Board of Education does not have sufficient data to make a reasonable estimate of the costs of these potential outcomes. Currently approximately 450 cases go to due process annually, of which approximately 100 drop out of due process for various reasons prior to their conclusion, 260 end in some form of settlement or mediation, and 90 end in a final hearing decision. Currently school districts prevail in approximately 70% of the 90 cases ending in a final hearing decision. If HB 6813 reduces this percentage to 50% (45 cases) and assuming average legal fees of approximately \$50,000, the cost to school districts will be approximately \$2.25 million. For the 260 cases that end prior to a full hearing, assuming 50% are settled or mediated in favor of the school district at an average legal cost of \$5,000, the cost to school districts would be approximately \$650,000. House Bill 6813 would cost school districts in aggregate nearly \$3 million.

STATE MANDATES FISCAL NOTE (State Board of Education)

HB6813 appears to establish a due process mandate. Due process mandates are exempt from state reimbursement. Moreover, the legislation is specifically exempt from the State Mandates Act, and any cost incurred by school districts is not reimbursable from the state.

HOUSE AMENDMENT NO. 5

Deletes a provision requiring the Task Force to develop a preference for grants to local communities.

FISCAL NOTE (Department of Commerce and Economic Opportunity)

House Bill 6848 with House Amendments 3, 4, and 5 would have a fiscal impact on the Department of Commerce and Economic Opportunity for costs associated with producing reports, reimbursing committee members for their expenses, administering grants to priority funding areas, and reviewing and commenting on plans and priorities of Intergovernmental Cooperation Councils. Because information on the report documents the number of meetings, the amount of funding provided for grants, and the number of plan and priority documents to be reviewed is not currently known, a reliable cost estimate cannot be made at this time. This fiscal note does not address the impact of this legislation on any other agency.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

No fiscal effect on a single-family residence.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

Assuming the State planning programs cited refer to those providing direct funding to regional or local planning efforts, House Bill 6848, as amended by House Amendments 3, 4, and 5, will have no fiscal impact on the costs of constructing, purchasing, owning, or selling a single family residence.

Amends the Illinois Vehicle Code. Authorizes and establishes procedures for the statutory summary suspension of driver's licenses of persons who are stopped for DUI and who refuse to

submit to preliminary breath or field sobriety tests. Provides that any person in control of a motor vehicle in this State shall be deemed to have given consent to performing field sobriety tests and to providing a breath sample for testing. Provides that the results of a preliminary breath screening or field sobriety test may be used by the defendant in any DUI administrative or court proceeding and may be used by the State in rebuttal to an assertion that the test did not accurately reflect a person's alcohol concentration. Permits temporary impounding of vehicles in certain cases. Provides that after a statutory summary suspension has been imposed on a person who previously has never been convicted of or received a disposition of supervision for a DUI offense, the court may immediately grant the person a judicial driving permit, if the person also submitted to field sobriety tests before failing the test of breath or blood alcohol. Provides for a hearing and procedures for a person who has had his or her license suspended for a failure to submit to having a breath screening or field sobriety test. Authorizes the Secretary of State to issue a restricted driving permit to a person who has had his or her license suspended for specified reasons if the person consents to a breath-alcohol ignition interlock device installed in his or her car. Amends the Unified Code of Corrections. Prohibits the court from assigning supervision to a defendant charged with driving a motor vehicle on a revoked or suspended license when the suspension or revocation was for violating the field sobriety test provision of the Vehicle Code if the defendant was convicted or assigned supervision within the last 10 years for driving on a revoked or suspended license. Makes other changes. Effective January 1, 2005.

Amends the Nursing and Advanced Practice Nursing Act. Increases the amount of moneys in the Nursing Dedicated and Professional Fund to be appropriated to the Department of Public Health for nursing scholarships awarded pursuant to the Nursing Education Scholarship Law from \$750,000 to \$1,500,000 for the fiscal year beginning July 1, 2004 and each fiscal year

thereafter. Effective immediately.

HOUSE AMENDMENT NO. 1

Changes the amount of moneys in the Nursing Dedicated and Professional Fund to be appropriated to the Department of Public Health for nursing scholarships from \$1,500,000 to \$1,200,000.

FISCAL NOTE ((H-AM 1) Department of Professional Regulation)

At the present time, \$750,000 is appropriated each year from the Nursing Dedicated and Professional Fund to the Department of Public Health for nursing scholarships. HB7029 would increase this total to \$1.2 million. This is an increase of \$450,000. Based on department projections, the Fund will encounter deficits beginning September 2005. DPR introduced an emergency rule change to JCAR last month. The emergency rule resulted in an increase in RN and LPN renewal fees. This will generate \$3.5 million in new revenue for the Fund. With approval of the fee increase, the \$450,000 of new scholarships can be covered. Without approval, the additional expenditure for the new scholarships would exhaust the Fund in August 2005.

SENATE FLOOR AMENDMENT NO. 1

Adds reference to:

30 ILCS 105/8h

Replaces everything after the enacting clause with the engrossed bill with the following changes. Amends the State Finance Act and the Nursing and Advanced Practice Nursing Act to exempt funds set aside for nursing scholarships from being transferred to the General Revenue Fund. Effective immediately.

Amends the Unified Code of Corrections. Provides that any offender who is sentenced to probation or conditional discharge for a felony sex offense as defined in the Sex Offender Management Board Act or any offense that the court or probation department has determined to be sexually motivated as defined in the Sex Offender Management Board Act or placed on supervision for any offense that the court or probation department has determined to be sexually motivated as defined in the Sex Offender Management Board Act shall be required to refrain from any contact, directly or indirectly, with any persons specified by the court and shall be available for all evaluations and treatment programs required by the court or the probation department.

SENATE COMMITTEE AMENDMENT NO. 1

Deletes provisions added by Public Act 93-616, which imposed a \$10 increase in the general probation fee for deposit into the Sex Offender Management Board Fund, and specifies that this deletion is intended to control over any other Act of the 93rd General Assembly that includes that fee increase. Provides that (i) the Senate redistricts Senatorial Districts by resolution adopted by a record vote of three-fifths of the members elected and (ii) the House of
