SB-0013 COLLINS-SANDOVAL-MARTINEZ-RAOUL-HUNTER.

Amends the State Prompt Payment Act. Requires a State official or agency responsible for administering a contract, when submitting a voucher to the Comptroller for payment to a contractor, to promptly make available electronically the voucher number, the date of the voucher, and the amount of the voucher. Provides that the State official or agency responsible for administering the contract shall provide subcontractors and material suppliers, known to the State official or agency, with instructions on how to access the electronic information. Provides that if a contractor, without reasonable cause, fails to make a full (now, any) payment of certain amounts due to his subcontractors and material supplier within 15 days after receipt of payment under a public construction contract, the contractor must pay the subcontractors and material suppliers 4% (now, 2%) interest each month in addition to the payments due until the amount is fully paid. Provides procedures for subcontractors and material suppliers to follow. Provides that if a State official or agency responsible for administering a contract determines, after notice to appropriate parties and a hearing, that a contractor has failed to make a payment in full within 45 days under a public construction contract, then that contractor must make payment within 15 days after the finding; if not, the contractor is barred from entering into a State public construction contract for one year.

FISCAL NOTE (Capital Development Board)

A staff person would need to be hired to collect information and review filings from the subcontractors. That cost would be about \$70,000. A hearing officer would need to be hired off the State master contract to hear cases that require the hearing. That cost would be about \$100,000. This penalty fee of 4% if placed on only 1% of the agency's construction spending could amount to as much as \$80,000 per fiscal year.

FISCAL NOTE (Illinois Department of Transportation)

If Senate Bill 13 was passed, additional expenses would be incurred by IDOT. Additional time and staffing would be required to track complaints and hold hearings for non-payment. These expenses are presently indeterminate.

FISCAL NOTE (Illinois Commerce Commission)

In the past 10 years, the ICC has only had 1 public construction contract under our direct jurisdiction, therefore, this amendment will likely affect us minimally. If the Comptroller's Office does not handle the access to the contract information on their website, we will need to add that information to the ICC website which will have minimal impact to our operations. If the Commission were required to hold hearings pursuant to Section 7(b)(2) of the bill, there would be some costs associated with this responsibility.

FISCAL NOTE (Department of Natural Resources)

Currently there are no systems in place to perform these functions. Systems and personnel costs will certainly be involved, but the amount cannot be determined at this time. It would take time to determine what systems would be needed to comply, how many people it would take to run those systems. Currently, the Department processes several thousand vouchers for contractors. The fiscal cost to DNR could be significant.

FISCAL NOTE (Department of Human Services)

Cost: Minimum \$200,000

HOUSE AMENDMENT NO. 1

Deletes everything after the enacting clause. Reinserts Senate Bill 13 with the following changes: Requires that the State official's or agency's hearing be convened by an administrative law judge and that the contractor, subcontractors, and material suppliers have the right to be represented by counsel and to cross-examine witnesses and challenge documents. Changes references from the State official's or agency's determinations to the administrative law judge's findings.

HOUSE AMENDMENT NO. 2

Deletes everything after the enacting clause. Reinserts Senate Bill 13 with the following changes: Restores the 2% interest penalty. Requires that the State official's or agency's hearing be convened by an administrative law judge and that the contractor, subcontractors, and material suppliers have the right to be represented by counsel and to cross-examine witnesses and challenge documents. Changes references from the State official's or agency's determinations to the administrative law judge's findings.

FISCAL NOTE (H-AM 1) (Admin. Office of the Ill. Courts)

No fiscal impact on the judicial branch.

JUDICIAL NOTE (H-AM 1) (Admin. Office of the Ill. Courts)

Would neither increase nor decrease the number of judges needed in the state.

625 ILCS 5/11-1426.1 new

Amends the Illinois Vehicle Code. Prohibits a person from driving or operating a neighborhood electric vehicle upon any street, highway, or roadway in the State, except under certain conditions. Provides that a person operating a neighborhood electric vehicle may not make a direct crossing upon or across any highway under the jurisdiction of the State, tollroad, interstate highway, or controlled access highway in the State. Permits a municipality, township, county, or other unit of local government to authorize, by ordinance or resolution, the operation of neighborhood electric vehicles on roadways under its jurisdiction. Permits the Department of Transportation to authorize the operation of neighborhood electric vehicles on the roadways under its jurisdiction. Establishes conditions under which the Department of Transportation or a unit of local government may authorize the operation of neighborhood electric vehicles on its roadways. Defines a "neighborhood electric vehicle" as a self-propelled, electronically powered four-wheeled motor vehicle which is capable of attaining in one mile a speed of more than 20 miles per hour, but not more than 25 miles per hour, and which conforms to federal regulations under Title 49 C.F.R. Part 571.500.

SENATE COMMITTEE AMENDMENT NO. 1

Deletes everything after the enacting clause. Reinserts the provisions of the bill as introduced with the following changes: (1) provides that if the operation of a neighborhood electric vehicle is authorized, the neighborhood electric vehicle may be operated only on streets where the posted speed limit is 35 miles per hour or less; (2) permits a neighborhood electric vehicle to cross a road or street at an intersection where the road or street has a posted speed limit of more than 35 miles per hour; and (3) provides that in determining whether to authorize the operation of a neighborhood electric vehicle, the unit of local government or the Department of Transportation must determine that public safety will not be jeopardized.

SENATE COMMITTEE AMENDMENT NO. 2

Provides that a person may not operate a neighborhood electric vehicle unless he or she has a valid Illinois driver's license.

Amends the Chicago Municipal Article of the Illinois Pension Code. Provides that if (1) a member has a spouse who would have qualified for a minimum annuity for widows at the time of the member's retirement, (2) the qualifying spouse dies, (3) the member subsequently remarries, and (4) the member does not receive a refund of widow's annuity deductions, then the member's widow shall be entitled to a widow's annuity if (i) the member dies after May 1, 2004 and before November 1, 2004 and (ii) the widow was married to the member for at least the last 10 years prior to the member's death. Provides that if a widow who is receiving a widow's annuity under the provisions of this amendatory Act of the 94th General Assembly remarries, that widow's annuity shall be terminated. Requires application on or before July 1, 2006. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

PENSION NOTE (Commission on Gov't Forecasting and Accountability)
 The fiscal impact of Senate Bill 27 cannot be calculated, but is estimated to be very minor as only a small number of widows would be affected by the bill.

BALANCED BUDGET NOTE (H-AM 1) (Gov. Office of Management & Budget)
 The Governor's Office of Management and Budget estimates that the sum certain contribution for FY06 is \$1.038 billion. In addition, the pension bond payment is also to be paid in FY06 in the amount of \$496 million, for a total pension contribution of \$1.534 billion.

FISCAL NOTE (H-AM 1) (Gov. Office of Management & Budget)
 The Governor's Office of Management and Budget estimates that the sum certain contribution for FY06 is \$1.038 billion. In addition, the pension bond payment is also to be paid in FY06 in the amount of \$496 million, for a total pension contribution of \$1.534 billion.

JUDICIAL NOTE (H-AM 1) (Admin. Office of the Illinois Courts)
 Would neither increase nor decrease the number of judges needed in the State.

STATE DEBT IMPACT NOTE (H-AM 1)(Comm on Gov't Forecasting & Accountability)
 Senate Bill 27 (H-AM 1) would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

PENSION NOTE (H-AM 1)(Comm on Gov't Forecasting & Accountability)
 Senate Bill 27 (H-AM 1) reduces the required State contributions to the retirement systems by \$1,077.9 million in FY 2006 and \$1,031.6 million in FY 2007. Reducing contributions in FY 2006 and FY 2007 will result in larger required employer

contributions for the remainder of the funding plan (FY 2008 - FY 2045). These increases in future required State contributions have not yet been calculated. The bill also makes several changes to the Pension Code which may reduce the growth in accrued liabilities. A reduction in the growth rate of the accrued liabilities will result in lower required annual State contributions over the life of the funding plan. The amount of the annual reductions has not been calculated.

HOME RULE NOTE (H-AM 1)(Dept. of Commerce and Economic Opportunity)

Senate Bill 27 (H-AM 1) does not pre-empt home rule authority.

STATE MANDATES FISCAL NOTE (H-AM 1)(Dept. of Commerce and Economic Opportunity)

Under the State Mandates Act, a "State mandate" means any State-initiated statutory or executive action that requires a unit of local government to establish, expand, or modify its activities in such a way as to necessitate additional expenditures from local revenues. Senate Bill 27 (H-AM 1) pertains to the various State pension systems. In the opinion of the Department of Commerce and Economic Opportunity, Senate Bill 27 (H-AM 1) does not create a State mandate in regard to units of local government that are not school districts. This note does not address provisions of the legislation pertaining to the Teachers' Retirement System. Because those provisions are related to school districts, they are therefore outside of DCEO's purview under the State Mandates Act.

Deletes everything. Amends the Illinois Pension Code. In the 5 State-funded retirement systems, places funding limitations on new benefit increases and sunsets them after 5 years. Also makes changes relating to the required State contributions. Specifies the required State contribution amounts for fiscal years 2006 and 2007. Recalculates the ramp for fiscal years 2008, 2009, and 2010. Requires recertification of the 2006 amounts. In the State Employee and Downstate Teacher Articles, deletes the accelerated amortization provisions for costs arising from the 2002 early retirement incentive program and rolls those costs into the calculation of the regular required State contribution. In the State Employee Article, makes changes relating to the eligibility of new employees of the Department of Corrections for the alternative formula. In the State Universities Article, provides for the State Comptroller (rather than the Board of the System) to determine the effective rate of interest for purposes of calculating the money-purchase formula. In the Downstate Teacher and State Universities Articles, in certain

cases where a retiring member's retirement annuity is based on a salary increase in excess of 6% per year, requires the employer that granted the excess salary increase to make an additional contribution to the System. Also, eliminates the money-purchase formula for persons who first become participants on or after July 1, 2005. In the Downstate Teacher Article, extends the early retirement without discount option (ERO), with certain changes, to persons who retire after June 30, 2005. Requires all active members to pay an additional employee contribution for ERO purposes, and provides for refund of that contribution if the ERO option is not exercised. Requires a periodic actuarial evaluation of ERO costs and funding; directs the Commission on Government Forecasting and Accountability to recommend to the General Assembly any necessary adjustments to the required ERO employer and member contributions; and terminates the ERO if the General Assembly fails to act in response to those recommendations. In the Chicago Teacher Article, extends the early retirement without discount option (ERO), with certain changes, to persons who retire after June 30, 2005 and on or before June 30, 2010. In the Article on regulation of pension funds, creates an Advisory Commission on Pension Benefits. Directs the Commission to consider changing the age and service requirements, automatic annual increase benefits, and employee contribution rates of the State-funded retirement systems. Authorizes the Commission to request actuarial data from those retirement systems. Amends the State Mandates Act to require implementation without reimbursement. Includes a separate severability provision. Effective immediately.

BALANCED BUDGET NOTE (H-AM 2) (Gov. Office of Management & Budget)

The Governor's Office of Management and Budget estimates that the sum certain contribution for FY06 is \$938 billion. In addition, the pension bond payment is also to be paid in FY06 in the amount of \$496 million, for a total pension contribution of \$1.434 billion.

FISCAL NOTE (H-AM 2) (Gov. Office of Management & Budget)

The Governor's Office of Management and Budget estimates that the sum certain contribution for FY06 is \$938 billion. In addition, the pension bond payment is also to be paid in FY06 in the amount of \$496 million, for a total pension contribution of \$1.434 billion.

JUDICIAL NOTE (H-AM 2) (Admin. Office of the Illinois Courts)

Would neither increase nor decrease the number of judges needed in the State.

STATE MANDATES FISCAL NOTE (H-AM 2)(Dept. of Commerce and Economic Opportunity)

Under the State Mandates Act, a "State mandate" means any State-initiated statutory or executive action that requires a unit of local government to establish, expand, or modify its activities in such a way as to necessitate additional expenditures from local revenues. Senate Bill 27 (H-AM 1) pertains to the various State pension systems. In the opinion of the Department of Commerce and Economic Opportunity, Senate Bill 27 (H-AM 1) does not create a State mandate in regard to units of local government that are not school districts. This note does not address provisions of the legislation pertaining to the Teachers' Retirement System. Because those provisions are related to school districts, they are therefore outside of DCEO's purview under the State Mandates Act.

HOME RULE NOTE (H-AM 2)(Dept. of Commerce and Economic Opportunity)

Senate Bill 27 (H-AM 2) does not pre-empt home rule authority.

HOUSING AFFORDABILITY IMPACT NOTE (H-AM 2)(Housing Development Authority)

SB 27 (H-AM 2) will have no effect on constructing, purchasing, owning, or selling a single-family residence.

STATE DEBT IMPACT NOTE (H-AM 2)(Comm on Gov't Forecasting & Accountability)

Senate Bill 27 (H-AM 2) would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

PENSION NOTE (H-AM 2)(Comm on Gov't Forecasting & Accountability)

Senate Bill 27 (H-AM 2) reduces the required State contributions to the retirement systems by \$1,177.9 million in FY 2006 and \$1,131.6 million in FY 2007. Reducing contributions in FY 2006 and FY 2007 will also reduce contributions in FY 2008 and FY 2009, as those contributions are based in part on the FY 2007 contribution amounts. In addition, removing the separate ERI funding for SERS may result in lower contributions to SERS through FY 2015. Reducing contributions in the early years of a

funding plan increases the contributions that will be required in later years. The FY 2008 through FY 2045 required State contributions have not yet been calculated. The bill also makes several changes to the Pension Code which may reduce the growth in accrued liabilities. A reduction in the growth rate of the accrued liabilities will result in lower required annual State contributions over the life of the funding plan. The amount of the annual reductions has not been calculated.

Amends the IMRF Article of the Illinois Pension Code. Provides that the prohibition on return to service after accepting early retirement benefits applies only to (1) employment for which the person is required (or is allowed and has elected) to participate in the Fund and (2) contractual personal services which, if performed as an employee, would require the employee to participate in the Fund. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

PENSION NOTE (Commission on Gov't Forecasting and Accountability)

Senate Bill 36 would probably have little or no fiscal impact, as there are few ERI participants likely to forfeit the enhanced (ERI) annuity, as required by current law, by accepting employment with an employer who participates in IMRF. Persons returning to work under the provisions would not accrue any additional pension benefits under IMRF.

PENSION NOTE (Commission on Gov't Forecasting and Accountability)

Senate Bill 36 had little to no fiscal impact.

- 30 ILCS 105/5.640 new
- 55 ILCS 5/3-5018 from Ch. 34, par. 3-5018
- 55 ILCS 5/4-12002 from Ch. 34, par. 4-12002

Creates the Rental Housing Support Program Act. Provides for grants from the Illinois Housing Development Authority to local administering agencies to provide subsidies for landlords in order to allow them to charge rent that is affordable for low-income tenants. Also provides for grants from the Illinois Housing Development Authority to developers of affordable rental housing. Sets forth criteria for the awarding of grants. Requires the Authority to establish an operating reserve for the program. Amends the State Finance Act to create the Rental

Housing Support Program Fund, a special fund in the State treasury. Amends the Counties Code. Provides that the county recorder shall collect a \$10 surcharge for the recordation of any real estate-related document, one dollar of which shall be deposited into the county's general revenue fund and \$9 of which shall be deposited into the Rental Housing Support Program Fund. Sets forth the conditions upon which and purposes for which expenditures may be made from the Accounts. Effective July 1, 2005.

SENATE COMMITTEE AMENDMENT NO. 3

Deletes everything. Reinserts the provisions of the bill as introduced but makes the following changes. Provides that up to 20% of the funds allocated for rural areas may be awarded to one administering agency for distribution throughout the rural areas in the State. Amends the Counties Code. Provides that one dollar of the Rental Housing Support Program surcharge shall be deposited into the county's general revenue fund and fifty cents of that amount shall be used to administer the surcharge and pay any other lawful expenses of the recorder. Provides that the county shall not offset or reduce any appropriation to the recorder because of the surcharge funds received. Provides that units of local government and school districts shall not pay the surcharge. Effective July 1, 2005.

SENATE FLOOR AMENDMENT NO. 4

Provides that the recorder may not collect the Rental Housing Support Program State surcharge from any State agency.

FISCAL NOTE (Department of Revenue)

Senate Bill 75 imposes a \$10 surcharge for the recordation of any real estate-related document. The Illinois Dept. of Revenue records approximately 16,000 to 18,000 liens and lien releases each year. The surcharge would cost the Dept. of Revenue approximately \$160,000 to \$180,000 per year. Additionally, the Dept. of Revenue would incur a one-time cost of approximately \$30,000 to make system changes for the administration of the program and an annual cost of between \$13,000 and \$60,000 to print the receipts required under the program. The Dept. of Revenue would also incur payroll costs of approximately \$50,000 to \$100,000 per year to administer the program. The Dept. of Revenue cannot determine costs to other agencies because we do not know how many real estate-related documents they record. There would also be a fiscal impact to local governments and school districts, which the Dept. of Revenue cannot determine.

FISCAL NOTE (S-AM4) (Department of Revenue)

As amended, removes the requirement for the \$10 surcharge. Therefore there is no significant fiscal impact on the Department of Revenue.

210 ILCS 115/2.7a new

210 ILCS 115/2.7b new

210 ILCS 115/9.3

Replaces everything after the enacting clause. Amends the Mobile Home Park Act. Adds definitions of "existing site" and "new site". Provides that there must be an open space of 3 meters (10 feet) side-to-side, 2.4 meters (8 feet) end-to-side, or 1.8 meters (6 feet) end-to-end horizontally between mobile homes or community buildings, unless the exposed composite walls and roof of either structure are without openings and constructed of materials that will provide a one-hour fire resistance rating or the structures are separated by a one-hour fire-rated barrier (instead of requiring an open space of at least 10 feet adjacent to the sides of every mobile home and at least 5 feet adjacent to the ends of every mobile home). Provides that when a mobile home is removed from an existing site and then returned to the existing site or when a mobile home on an existing site is removed from the site and replaced by another mobile home on the existing site, the site shall not be deemed to be a new site and shall be governed by the standards in effect at the time the site was originally constructed. expands a concrete pad used to support a mobile home, installs a new mobile home, or replaces an existing mobile home on or after the effective date of this amendatory Act, the placement of the mobile home must comply with the setback requirements imposed by the bill; (3) provides that the space under a manufactured home may not be used for the storage of combustible materials or for the storage or placement of flammable liquids, gases, or liquid-fuel-powered or gas-fuel-powered equipment; and (4) provides that porches, accessory buildings, sheds, and other specified items shall be constructed of materials specified by regulations adopted by the Department of Public Health or by the municipality in which the mobile home park is located or, if the mobile home park is not located in a municipality, by the county in which the mobile home park is located. Effective immediately.

Amends the Illinois Marriage and Dissolution of Marriage Act. Provides that a guardian ad litem appointed in a child custody proceeding shall have completed 3 hours of training that relates to the functions and duties of a guardian ad litem and that includes training on the dynamics of domestic violence on partners and children. Requires a guardian ad litem in a child custody proceeding to investigate whether there is evidence that either partner engaged in domestic violence and to report to the court on the results of the investigation. Creates a rebuttable presumption that it is not in the best interest of the child for the court to grant sole or joint custody or visitation to a parent who: (i) has been adjudicated guilty of domestic violence as defined in the Illinois Domestic Violence Act of 1986 on multiple incidents of domestic violence or of a single incident of domestic violence that resulted in serious physical injury, as determined by the trier of fact, against the parent's partner or against the child; or (ii) has been convicted of violating an order of protection entered under the specified Sections of the Illinois Domestic Violence Act of 1986. Lists evidence that may be used to rebut the presumption. Provides that, in cases where the presumption is rebutted, the court shall state the evidence upon which the court determined that the presumption was rebutted and its findings relating to the reason that legal custody with that party is in the best interest of the child. Provides that, if there is a danger to the health or safety of a partner, joint mediation for custody shall not be required by the court. Requires that professional personnel, evaluators, and investigators, who advise the court concerning child interview or child custody, must have 3 hours of training in domestic violence and its effects on the partner and the child. Makes other changes. Effective immediately.

In the provision concerning the exemption from the Respiratory Care Practice Act of a person who is credentialed by the National Society for Cardiopulmonary Technology or the National Board for Respiratory Care who performs pulmonary function tests and respiratory care procedures related to the pulmonary function test, removes the requirement that appropriate competencies have been demonstrated regarding the tests. In the provision concerning the exemption from the Act of a supervised unlicensed practitioner in a licensed hospital, provides that the unlicensed practitioner must (i) have been trained to perform the basic respiratory care activities at the facility that employs or contracts with the individual and (ii) have annually received an evaluation of the unlicensed practitioner's performance of basic respiratory care activities documented by the facility. Removes the provision requiring the Respiratory Care Board to conduct a study and submit a report every 3 years on the effects of the Act on the access, quality, and cost of respiratory care services in the State. Provides that beginning 6 months after December 31, 2005, all individuals who provide satisfactory evidence to the Department of 3 years of experience, with a minimum of 400 hours per year, in the practice of respiratory care during the 5 years immediately preceding December 31, 2005 shall be issued a license, unless the license may be denied based on certain disciplinary grounds (rather than providing that beginning 6 months after December 31, 2005, all individuals who provide satisfactory evidence to the Department of 3 years of experience, with a minimum of 400 hours per year, in the practice of respiratory care during the 5 years immediately preceding December 31, 2005 shall be issued a license, without exception). Creates the Illinois Adverse Health Care Events Reporting Law of 2005. Requires hospitals and ambulatory surgical treatment centers to report to the Department of Public Health the following types of adverse health care events: surgical events; product or device events; patient protection events; care management events; environmental events; and physical security events. Requires the Department to appoint a Health Care Event Reporting Advisory Committee to make recommendations for potential quality improvement practices and modifications to the list of reportable adverse health care events consistent with national standards. Authorizes the Department to contract with an entity for receiving all adverse health care event reports, root cause analysis findings, and corrective action plans that must be reported to the Department. Amends the Ambulatory Surgical Treatment Center Act and the Hospital Licensing Act to require compliance with the Illinois Adverse Health Care Events Reporting Law of 2005. Amends the Illinois Public Aid Code in connection with hospital provider assessments. Adds a definition of "adjusted gross hospital revenue". Requires hospital providers to keep certain records. Provides for a clarification or correction of errors in the calculation of an assessment. Authorizes disbursements from the Hospital Provider Fund for State fiscal years 2006, 2007 and 2008 for making transfers to the Health and Human Services Medicaid Trust Fund of up to \$130,000,000 per year of the moneys received from hospital providers. Makes changes in the circumstances under which assessments shall not take effect or shall cease to be imposed. Provides for the following hospital access improvement payments for hospital services rendered on or after August 1, 2005: Medicaid eligibility payments; Medicaid high volume adjustments; intensive care adjustments; and other payments. For purposes of the Illinois Adverse Health Care Events Reporting Law of 2005, provides that the term "death" means patient death related to an adverse event and not related solely to the natural course of the patient's illness or underlying condition (instead of patient death that would not have occurred but for an event described in a Section of the Law concerning the disclosure requirements of a health care facility). Provides that the term "serious disability" means a physical or mental impairment, including loss of a body part, related to an adverse event and not related solely to the natural course of the patient's illness or underlying condition, that substantially limits one or more of the major life activities (instead of a physical or mental impairment that would not have occurred but for an event described in a Section of the Law concerning the disclosure requirements of a health care facility that substantially limits one or more of the major life activities) of an individual. New Act

Creates the Manufactured Home Installation Act. Provides that a manufactured home installed on private property that is not a mobile home park on or after the effective date of

this Act must be installed so that it rests wholly on a permanent foundation. Provides that the permanent foundation must meet or exceed the requirements for a permanent foundation as defined in the Act. Effective immediately.

FISCAL NOTE (Department of Revenue)

No fiscal impact on the Department of Revenue. SB 192 would create additional revenue for local governments because the manufactured homes would be taxed under the Property Tax Code rather than under the Mobile Home Local Services Tax Act. The Department cannot determine the amount of additional revenues that local governments would receive.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

While local zoning ordinances will provide further compliance requirements for such owners, it will make such housing subject to real property taxation (if not already taxed as real property). However there is insufficient information to calculate an actual cost.

 - 20 ILCS 1605/7.14 new
 - 20 ILCS 1605/7.15 new

Deletes everything after the enacting clause. Amends the Illinois Lottery Law. Provides that the Department of Revenue shall create a pilot program that allows the purchase of Illinois lottery tickets or shares on the Internet and that licenses agents to sell lottery tickets or shares on the Internet. Provides for the licensing of Internet agents. Contains provisions concerning the posting of Internet agent license numbers and notices, verification of age, retailer fees, residency restrictions, limits on purchases, and Internet program games. Amends the Criminal Code of 1961. Provides that the exemption from conviction of gambling for lotteries when conducted by the State of Illinois in accordance with the Illinois Lottery Law includes any activity conducted by the Department of Revenue to sell lottery tickets pursuant to the provisions of the Illinois Lottery Law and its rules. Provides that persons who purchase lottery tickets through the Internet in connection with the Department of Revenue's pilot program shall not be convicted of gambling. Effective immediately.

FISCAL NOTE (Department of Revenue)

It is difficult to determine a revenue estimate for Illinois lottery sales because no U.S. jurisdiction has implemented an Internet lottery. However, an Internet lottery program in

the United Kingdom increased sales by approximately 2%. This percentage is consistent with the percentage of retail sales over the Internet in the United States. Sales of Lotto, Mega-Million, and other on-line ticket offerings are approximately \$900 million per year. If Illinois ticket sales experienced a 2% increase, ticket sales would increase approximately by \$18 million. Although this estimate is subject to a high degree of uncertainty, net profits from this on-line Internet program, after costs for software and staff, commissions, and prizes to winners is anticipated to be approximately \$6 million per year.

FISCAL NOTE (H-AM 1)(Department of Revenue)

No change from previous fiscal note

JUDICIAL NOTE (H-AM 1) (Admin Office of the Illinois Courts)

Would neither increase nor decrease the number of judges needed in the state.

 210 ILCS 85/10.9 new
 210 ILCS 86/25

Amends the Hospital Licensing Act and the Hospital Report Card Act. Provides that a nurse or unlicensed hospital worker may not be required to work overtime except in the case of an unforeseen emergent situation. Provides that a nurse or unlicensed worker may not be disciplined, discriminated against, dismissed, discharged, or retaliated against or made subject to any other adverse employment decision for refusing to work overtime. Provides that a nurse may not be required to work more than 12 consecutive hours in a 24-hour period. SENATE FLOOR AMENDMENT NO. 1

Deletes reference to:
 210 ILCS 85/7
 210 ILCS 86/25

Replaces everything after the enacting clause with provisions similar to those of Senate Bill 201, amending the Hospital Licensing Act, but with changes that include the following: (1) provides a definition of "mandated overtime" (instead of "overtime"); (2) provides that the nurse overtime provisions do not apply to a certified registered nurse anesthetist who is primarily engaged in performing the duties of a nurse anesthetist, and eliminates the application of the overtime provisions to unlicensed hospital employees; (3) provides that mandated overtime shall not exceed 4 hours beyond an agreed-to, predetermined work shift, and eliminates a provision that a nurse may not be required to work more than 12 consecutive hours in a 24-hour period; (4) provides that a complaint alleging a violation of the overtime provisions must be filed with the Department of Public Health within 45 (instead of 30) days following the occurrence of the incident giving rise to the alleged violation; (5) provides that upon receiving a complaint of a

violation, the Department may take any action authorized under provisions of the Act concerning denial, suspension, or revocation of a hospital's permit or license or inspections and investigations by the Department (eliminates provisions concerning imposition of a monetary penalty); (6) provides that a violation of the overtime provisions, or the existence of an unforeseen emergent circumstance requiring overtime work, must be proved by clear and convincing evidence; (7) eliminates provisions requiring that a hospital post a summary of the overtime provisions; and (8) eliminates provisions amending the Hospital Report Card Act. Effective immediately.

40 ILCS 5/17-142.1 from Ch. 108 1/2, par. 17-142.1

Amends the Chicago Teacher Article of the Illinois Pension Code. Limits what the Board may reimburse for the cost of health care insurance coverage to 75% of the cost for recipients of a service retirement, disability retirement, or survivor's pension and removes other provisions limiting the reimbursement. Effective immediately.

PENSION NOTE (Commission on Gov't Forecasting and Accountability)

Senate Bill 222 would have a fiscal impact, as it requires the Fund to reimburse retirees for 75% of the cost of health insurance, rather than up to 75%. In addition, the bill removes the Fund's current \$65 million annual spending authorization for health insurance. Taken together, these changes may increase the amount paid by the Fund for retiree health insurance. This in turn will decrease the amount of assets held by the Fund for pension benefits and will require larger employer contributions in the future. It should be noted that the State is required to contribute 0.544% of payroll in years when the funded ratio of the Chicago Teachers' Pension Fund falls below 90%. The Fund has fallen below 90%, and current statute calls for the State to contribute \$9.9 million to the Fund in FY 2006. As the amount of State contribution depends only on the size of payroll, increasing benefits (health insurance or retirement) does not increase the amount of the State contribution. But, if benefit increases (health insurance or retirement) cause the funded ratio of the Fund to be less than 90% in years when it otherwise would be above 90%, the State contribution of 0.544% of payroll would be triggered.

 105 ILCS 5/14A-65 new

Deletes everything after the enacting clause. Reinserts the contents of the bill with the following changes. Provides that the Article applies beginning with the 2006-2007 school year, rather than the 2005-2006 school year. Provides that school districts shall continue to have the authority and flexibility to design (rather than the authority and responsibility to develop) education programs for gifted and talented children in response to community needs and that these programs must comply with the requirements established in the Article by no later than September 1, 2006 in order to merit recognition by the State Board of Education and to qualify for State funding for the education of gifted and talented children, should such funding become available. Provides that a child shall be considered gifted and talented in any area of aptitude and, specifically, in language arts and mathematics, by scoring in the top 5% locally in that area of aptitude. Removes the provisions concerning early identification, eligibility, State supervision, monitoring, and oversight, annual reports, school improvement plans, and teacher certification and professional development. Sets forth minimum requirements that must be met by local programs for the education of gifted and talented children in order for the programs to be recognized by the State Board of Education and to qualify for State funding and requires the local educational agency operating the program to submit a written program description to the State Board demonstrating the fulfillment of the requirements. Sets forth the administrative functions of the State Board, including the designation of a staff person who shall be in charge of educational programs for gifted and talented children. Makes other changes. Effective immediately.

HOUSE AMENDMENT NO. 1

Provides that a local program for the education of gifted and talented children must use a minimum of 3 assessment measures used to identify gifted and talented children in each area in which a program for gifted and talented children is established (rather than in each area of aptitude) and provide a fair and impartial appeal process within the school, school district, or cooperative of school districts operating a program (rather than within the local educational agency) for parents or guardians of aggrieved children. Provides that a local program for the education of gifted and talented children must provide a description of how gifted and talented children will be grouped and instructed in order to maximize the educational benefits the children derive from participation in the program (rather than a description of how the children will be grouped and instructed in language arts and in mathematics in order to maximize the educational benefits they derive from participation in a program addressing those areas of aptitude) and a showing that the certified teachers who are assigned to teach gifted and talented children understand the characteristics and educational needs of the children and are able to differentiate the curriculum (rather than are qualified to address the educational needs of the children and to differentiate the curriculum). Provides that initially, 4 members of the Advisory Council shall serve terms through January 1, 2007 and 3 members will serve terms through January 1, 2009. Makes other changes.

Amends the Environmental Protection Act and Groundwater Protection Act. Authorizes the Director of the Environmental Protection Agency to issue orders requiring an appropriate response from a potentially responsible party in the event of the release or substantial threat of release of a hazardous substance into the environment. Provides that a person may not use, cause the use of, or allow the use of (instead of "use") any site, for which a land use limitation has been imposed, in a manner that is inconsistent with that limitation unless certain conditions have been met. Establishes an internal Agency committee to recommend appropriate action for suspected or confirmed groundwater contamination and, among other things, requires the Agency to give notice of the actual or potential impact of the contamination to property owners served by the affected water system. Creates the Right-to-Know Committee to provide notice to the public about releases or suspected releases of contaminants in the State. Makes other changes. Effective immediately.

SENATE FLOOR AMENDMENT NO. 3

Deletes everything after the enacting clause. Reinserts the substantive provisions of the bill as introduced with the following changes. Further amends the Environmental Protection Act. Provides that the Director's orders requiring appropriate response actions may be issued unilaterally or on consent. Provides that the Director may issue orders for persons potentially liable under the Act for the release or substantial threat of the release of contaminants (previously, issued to parties potentially responsible for the release or substantial threat of release). Provides that the remediation objectives for response actions ordered under this Section shall be determined in accordance with the risk-based remediation objectives adopted by the Board under Title XVII of the Environmental Protection Act. Sets forth that, to obtain reimbursement for the reasonable costs of compliance with the Director's order, the petitioner must establish by a preponderance of the evidence that they are not liable under the Act for the release or the threat of the release to which the relevant order applies (previously, had to establish that they are not a responsible party with respect to the release or threat of release for which the relevant order was issued to obtain the reimbursement). Provides that a person who has complied with a Director's order and has resolved their liability under the Act with respect to the release or threat of a release is not liable for claims for contribution relating to the release or the threat of a release. Provides that the evaluations by the contaminant evaluation committee shall be performed whenever the Agency determines that the extent of soil or groundwater contamination may extend beyond the boundary of the site where the release occurred (previously, evaluations authorized when the Agency suspects or confirms actual or modeled contamination that extends beyond the boundary of the property). Provides that any moneys received by the Agency for the costs of giving notice under this Title shall be deposited in and used for purposes consistent with the Hazardous Waste Fund, except that costs associated with notices related to the release of petroleum from underground storage tanks must be deposited in and used for purposes consistent with the Underground Storage Tank Fund. Requires a person receiving an Agency information demand letter for information necessary to give notices due under this Title to give the required information within 30 days. Makes other changes. Effective immediately.

HOUSE AMENDMENT NO. 1

Deletes reference to:

415 ILCS 55/4

from Ch. 111 1/2, par. 7454

415 ILCS 5/25d-10 new

Deletes everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes. Provides that for any release or substantial threat of release for which the Agency is required to give notice (rather than when the Director determines that there may be an imminent and substantial endangerment to the public health or welfare or the environment as a result of a release or substantial threat of release of a certain hazardous substances) the Director may issue orders to any person who is potentially liable under the Act for the release or substantial threat of release any order that may be necessary to protect the public health and welfare and the environment. Provides that Special Notice Letters shall contain a period of time of not less than 30 days (instead of not to exceed 30 days) from the date of issuance during which the Agency is ready to negotiate with the recipient regarding the recipient's response to the release or threat of release. Prohibits the issuance of a unilateral Director's order during the 30 days immediately following the date of issuance of the Special Notice Letter. Provides that the recipient of a unilateral order issued by the Director may petition the Board for a hearing on the order within 35 days after being served with the order. Requires the Board to take final action on this petition within 60 days after the petition is filed unless all parties to the proceeding agree to the extension. Sets forth that the Agency shall

have the burden of proof to establish that the petitioner is liable under the Act for the release or threat of release and that the actions required by the order are consistent with certain regulations. Sets forth other provisions for the conduct of Board hearings on these orders. Sets forth conditions for obtaining a stay of the Director's order and for obtaining judicial review following final action by the Board. Authorizes reimbursement for the costs, fees, and expenses, including attorneys fees, of the recipients of these orders under certain conditions. Deletes certain provisions relating to the previous scheme of obtaining reimbursement for the costs of these orders. Provides that no court, nor the Board, has jurisdiction to review any Director's order or any administrative or judicial action relating to the order except as provided under the Act. Provides that any person who, without sufficient cause, willfully violates or fails or refuses to comply with any order issued is in violation of the Act. Deletes a requirement that the Agency consult with affected members of the community during the development of rules necessary for the implementation of the Section. Authorizes the Agency to evaluate the release of contaminants whenever the Agency determines that the soil or groundwater contamination extends beyond the boundary of the site where the release occurred (previously this evaluation was to be conducted by the contaminant evaluation committee within the Agency). Provides that the persons to whom the Agency must give notice when certain contamination related events occur are the persons owning property within 2,500 feet of the subject contamination or any other closer or farther distance that the Agency deems appropriate under the circumstances (instead of property owners within 2,500 feet). Provides that the methods by which the Agency gives the notices required under the Section shall be determined in consultation with members of the public and appropriate members of the regulated community. Specifies certain methods by which the Agency shall give these notices, including, but not limited to, personal notification, public meetings, signs, electronic notification, and print media. Eliminates the Right-to-Know Committee. Removes changes to the Illinois Groundwater Protection Act. Effective immediately.

20 ILCS 3105/3 from Ch. 127, par. 773

20 ILCS 3105/10.04 from Ch. 127, par. 780.04

Amends the Capital Development Board Act. Requires the Board to implement the LEED green building rating system. Requires any new building, repair, or retrofit construction work authorized by the Board to meet the requirements for LEED certification. Defines "LEED" and "LEED green building rating system". Effective January 1, 2006.

SENATE COMMITTEE AMENDMENT NO. 2

Deletes everything after the enacting clause. Reinserts the bill as introduced with the following changes. Removes language requiring the Board to implement the LEED green building rating system and requiring certain construction work authorized by the Board to meet

the requirements for LEED certification. Provides that the Board shall initiate training workshops across the State to increase awareness and understanding of green building techniques and the LEED green building rating system. Requires the Board to identify between 3 and 5 construction projects to serve as case studies for using the LEED green building system and for the Board to report its findings from these case studies to the General Assembly. Provides that the Board shall establish a Green Building Advisory Committee to assist the Board in determining guidelines for which State construction projects should be developed to LEED green building standards (or a hybrid version thereof). Requires the Board to approve or adopt the guidelines within 3 years after the effective date and sets forth certain considerations for these guidelines. Provides an internal repealer such that the workshops, case studies, and Green Building Advisory Committee provided by this amendatory Act expire on January 1, 2009. Effective January 1, 2006.

SENATE FLOOR AMENDMENT NO. 3

Deletes reference to:

20 ILCS 3105/3

from Ch. 127, par. 773

Further amends the Capital Development Board Act. Deletes all references to LEED, the LEED green building rating system, or a hybrid version of LEED. Provides that the Board training workshops are to increase awareness and understanding of green building rating systems (rather than the LEED green building rating system). Sets forth that the Board shall conduct case studies of construction projects using a consensus-based green building rating system (instead of the LEED green building system). Provides that the Green Building Advisory Committee shall (i) determine guidelines for which State construction projects should be developed to green building standards (instead of LEED green building standards or a hybrid thereof), and (ii) consider the feasibility of requiring State construction projects to be certified by a consensus-based green building rating system (instead of LEED certified).

FISCAL NOTE (Capital Development Board)

The costs of LEED certification is approximately 6% more per project for the additional work necessary for design, supplier and construction services to be provided for a State project. The amount will vary with the base value of the project. The pilot of 3 to 5 construction projects will refine this number and possibly reduce if green design and construction requirements become a standard requirement in the next several years. The basic LEED training required could be accomplished with CDB staff with donated time from green advocates, design professionals, construction suppliers and contractors at public sites for an estimated \$20,000. Cost data gathered from a report on The Costs and Financial Benefits of Green Building on 33 individual LEED registered projects (25 office building and 8 school buildings) determined that financial benefits of green design are estimated to be almost \$50/ft for Certified and Silver level green buildings, and over \$75/ft for Gold and Platinum level buildings. The financial benefits of green buildings include lower energy, waste, and water costs, lower environmental and emissions costs, and lower operations and maintenance costs and savings from increased productivity and health. These benefits range from being fairly predictable (energy, waste, and water savings) to relatively uncertain (productivity/health benefits). Energy and water savings can be predicted with reasonable precision, measured, and monitored over time, so much so that commercial firms contract to buy streams of future energy and water savings. The commonly higher initial cost of green design and construction can be expected to drop as designers and builders gain experience in building green.

HOUSE AMENDMENT NO. 1

Deletes everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes. Provides that the Board shall identify no less than 3 construction projects (instead of no less than 3 and no more than 5 construction projects) to serve as case studies for achieving certification using nationally recognized and accepted green building guidelines, standards, or systems approved by the State (instead of a consensus-based green building rating system). Provides that the Committee shall consider the feasibility of requiring certain State construction projects to be certified using a green building rating system (instead of using a consensus-based green building rating system). Effective January 1, 2006.

SB-0252 JACOBS.

40 ILCS 5/14-103.05 from Ch. 108 1/2, par. 14-103.05

Amends the State Employee Article of the Illinois Pension Code. Allows certain persons to participate in the System while employed by a statewide labor organization that represents members of the System. Also allows purchase of credit for certain prior service. Effective immediately.

PENSION NOTE (Commission on Gov't Forecasting and Accountability)
The fiscal impact of Senate Bill 252 is estimated to be minor, as the bill requires payment of employee and employer contributions, plus interest (if credit for past service is purchased). Also the amount of service credit that would be established is estimated to be relatively small.

NOTE(S) THAT MAY APPLY: Fiscal; Pension

Amends the Illinois Pension Code. Provides that the maximum value of the investment portfolio that an emerging investment manager manages is \$2,000,000,000 (was, \$400,000,000). Effective immediately.

PENSION NOTE (Commission on Gov't Forecasting and Accountability)
Senate Bill 253 would not have a fiscal impact, as it merely expands the definition of "emerging investment manager".

Also provides that a hate crime is committed when for the prohibited reasons a person interrupts, with the intent to harass, the telephone service or electronic communication service of a person.

210 ILCS 110/13A from Ch. 111 1/2, par. 185.13A
 230 ILCS 5/32 from Ch. 8, par. 37-32

Amends the Illinois Migrant Labor Camp Law. Includes living quarters for backstretch employees or backstretch workers at Illinois horse race tracks within the definition of "migrant labor camp", so that such facilities are subject to licensure and inspection by the Department of Public Health. Requires those camps to meet minimum housing guidelines specified by OSHA. Prescribes features of housing for backstretch worker families with children, and limits the concurrent exercise of home rule powers with respect to the regulation of such housing. Authorizes the Department of Public Health to designate a federal, State, or municipal or other local agency or entity to conduct inspections related to protecting the health, safety, and welfare of laborers, backstretch employees, or backstretch workers. Authorizes the Department or the Department's designated agent to conduct an inspection of a migrant labor camp providing living quarters for backstretch employees or backstretch workers at any time during the horse racing season. Adds representatives of the Department's designated agents to the membership of the advisory committee. Makes other changes. Amends the Illinois Horse Racing Act of 1975. Makes a technical change in a Section concerning the Illinois Race Track Improvement Fund. Effective immediately.

FISCAL NOTE (Department of Revenue)

The Illinois Racing Board does not have anybody on its staff with the technical expertise to perform these functions and would have to contract out or hire a new full-time employee to comply with these provisions. A contractual employee would cost the Racing Board approximately \$25,000 per year and a newly hired employee would cost the Racing Board approximately \$60,000 per year. Additionally, SB 289 requires the Illinois Racing Board to construct housing for backstretch workers. The Department of Revenue cannot currently estimate the cost of this new construction, but it is expected to be substantial.

SENATE FLOOR AMENDMENT NO. 1

Provides that before the Department of Public Health may issue a license for a migrant labor camp on a backstretch, the organization licensee conducting horse racing at the race track (instead of the Illinois Racing Board) must certify to the Department that the proposed construction meets certain standards. Provides that each holder of an organization license under the Illinois Horse Racing Act of 1975 (instead of the Illinois Racing Board) must prepare and submit to the Department a backstretch worker housing plan; if an organization licensee fails to submit a plan by June 15, 2006, the Department shall deny a license for the migrant labor camp. Provides that if an organization licensee (instead of the Illinois Racing Board) fails to construct new backstretch housing by April 15, 2008, the Department shall deny a license for the migrant labor camp.

FISCAL NOTE (Department of Public Health)

Senate Bill 289 will result in additional licensure and inspection responsibilities for the Department of Public Health that will result in an estimated fiscal impact of \$150,000.

SB-0334 SANDOVAL.

New Act

Creates the Access to Governmental Services Act. Requires each constitutional officer, State agency, circuit court clerk, and State program to provide equal access to public services for individuals with limited English proficiency. Provides definitions of "equal access", "limited English proficiency", "oral language services", and "important documents". Reasonable steps to provide equal access to public service includes, but is not limited to: in-house oral language services for individuals with limited English proficiency if the agency or officer has contact at least weekly with individuals with limited English proficiency; translation of important documents ordinarily provided to the public must be provided in any language spoken by at least 3% of the population within the geographic area served by a local office of a State agency, constitutional officer, or county as measured by the U.S. Census; and additional methods necessary to achieve equal access.

SENATE COMMITTEE AMENDMENT NO. 1

Amends the Access to Governmental Services Act. Provides that each State agency, constitutional officer, circuit court clerk, and State program shall adopt rules concerning the Act not less than 6 months after the Act takes effect (now, at least 6 months prior to when Act takes effect).

SENATE COMMITTEE AMENDMENT NO. 2

Defines "State program" to mean any program administered by a State agency, but not including any program administered in whole or in part by a unit of local government or school district, regardless of whether State funds are expanded under the program.

FISCAL NOTE (Illinois Commerce Commission)

The agency will likely have to hire at least five employees with extensive language expertise. The agency estimates that at a minimum it will incur an estimated annual increase in costs of \$372,000 to implement this legislation were it to become law. This estimate includes salaries, fringe benefits, equipment, and commodities for agency staff members.

SENATE FLOOR AMENDMENT NO. 3

Deletes everything after the enacting clause. Creates the Access to Governmental Services Act. Requires each constitutional officer, State agency, circuit court clerk, and State program to take reasonable steps to provide equal access to public services for individuals with limited English proficiency, including: (i) having a sufficient number of qualified bilingual persons in public contact positions or as interpreters and (ii) translation of important documents ordinarily provided to the public into any language spoken by at least 3% of the overall population of the State, as measured by the U.S. Census. Requires the Illinois Human Rights Commission to implement a process to address disputes arising under the Act.

FISCAL NOTE (S-AM 1 & 2) (Dept. of Children & Family Services)

This legislation could require the Department to provide translation of documents for 3 or 4 additional languages than the Department already provides. The cost of these

translation services could cost between \$120,000 and \$600,000 depending upon the number of languages and the scope of documents. This would be a one-time expense, with smaller ongoing costs to update the documents in future years.

FISCAL NOTE (Department of Public Health)

Senate Bill 334, at a minimum it will incur an estimated annual increase in cost of \$433,000 to implement this legislation were it to become law. This estimate includes salaries, fringe benefits, equipment, and commodities for agency staff members. As well as additional contractual costs as a result of increased usage of translator services.

FISCAL NOTE (Illinois Arts Council)

The Illinois Arts Council does not have weekly contact with their constituents. In the past year the Illinois Arts Council had two instances where they hired translators for interpretation purposes. The cost was approximately \$2,500 each time.

FISCAL NOTE (Department of Central Management Services)

CMS anticipates that the fiscal impact of Senate Bill 334 is approximately \$1,500,000.

FISCAL NOTE (Department of Public Aid)

The exact fiscal impact is not known, but could include some additional costs. The Agency already has bilingual staff and also prints forms in foreign languages. Additional costs could result if interpreters and forms are required for a language not currently accommodated.

HOUSE AMENDMENT NO. 1

Deletes everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes: Provides that the Act applies to executive branch State agencies created under the Civil Administrative Code of Illinois (instead of to each constitutional officer, State agency, circuit court clerk, and State program). Redefines terms. Requires language access in an office in each county where the number of residents in a single language group is more than 5% of all county residents. Provides that the Illinois Human Rights Commission's process to address disputes must address disputes concerning agency determinations of the offices where the services are provided. Makes other changes.

- 40 ILCS 5/3-145 from Ch. 108 1/2, par. 3-145

Amends the Downstate Police Article of the Illinois Pension Code. Provides that a city, village, or incorporated town of less than 5,000 inhabitants that is regulated by the Property Tax Extension Limitation Law may elect to adopt the provisions of the Article by the passage of a resolution or ordinance by the governing board of that city, village, or incorporated town, but that city, village, or incorporated town shall not levy a separate tax without approval by referendum. Effective immediately.

PENSION NOTE (Commission on Gov't Forecasting and Accountability)

Senate Bill 336 would not impact the accrued liabilities or annual costs of any current Downstate Police pension fund. Municipalities that choose to establish a Downstate Police pension fund per Senate Bill 336 would have to begin making the employer contributions required by Article 3 of the Pension Code. The amount of those employer contributions would depend on the size of the municipality's police force.

According to an analysis prepared by the Fund's actuary (based on 12/31/02 membership data), the estimated increase in accrued liability due to Senate Bill 362 is \$138.9 million. The increase in normal cost estimated to be \$5.4 million and the payment needed to amortize the estimated increase in the accrued liability over 40 years is \$7.1 million. Therefore, the estimated 1st year cost of Senate Bill 362 is \$12.5 million, or 1.44% of payroll. As payroll grows, the annual cost will increase with payroll.

Effective immediately.

PENSION NOTE (Commission on Gov't Forecasting and Accountability)

Amends the Illinois Municipal Retirement Fund Article of the Illinois Pension Code. Provides that the alternative annuity that is available to certain county officers is available to members of a board of commissioners of a forest preserve district who are elected to serve on a forest preserve district that is located in a county having a population of more than 800,000 but fewer than 3,000,000 inhabitants. Amends the Downstate Forest Preserve District Act. Provides that, in addition to property owned by a forest preserve district, property in which a forest preserve district is the grantee of a conservation easement or the grantee of a conservation right, as defined in the Real Property Conservation Rights Act, shall not be subject to eminent domain or condemnation proceedings, except as otherwise specifically provided. Deletes a provision that requires that the compensation for the president of the board of commissioners in certain counties shall be an amount equal to 85% of the annual salary of the county board chairman. Provides that the compensation of the president and the forest preserve commissioners shall be established by the board of commissioners of the forest preserve district (now, the compensation of the forest preserve commissioners is the same as that of county board members in the county with which the forest preserve is co-extensive). Amends the State Mandates Act to require implementation without reimbursement.

PENSION NOTE (Commission on Gov't Forecasting and Accountability)

Senate Bill 420 would not affect the annual costs of accrued liabilities of any current IMRF employer. For forest preserve districts with an elected board of commissioners there would be a fiscal impact, as the required employee contributions only pay a portion of the cost of the optional benefits. An exact fiscal impact cannot be determined at this time as it is unknown how many board members would participate. This Pension Impact Note only applies to the sections of Senate Bill 420 that amend the Illinois Pension Code.

Amends the Illinois Public Aid Code, the Code of Civil Procedure, the Illinois Marriage and Dissolution of Marriage Act, the Non-Support Punishment Act, the Income Withholding for Support Act, and the Illinois Parentage Act of 1984. Replaces the provisions concerning interest on child support judgments. Provides for the accrual of interest on a child support obligation that becomes due and remains unpaid as of the end of each month (instead of for 30 days or

more). Provides that the interest on child support judgments shall be calculated by applying one-twelfth of the current statutory interest rate as provided in the Code of Civil Procedure to the unpaid child support balance as of the end of each calendar month. Provides that monthly child support payments shall be applied first to the current monthly child support obligation, then to any unpaid child support balance owed from previous months, and finally to the accrued interest on the unpaid child support balance. Provides that interest on child support obligations may be collected by any means available under federal or State law or rules. Effective January 1, 2006.

SENATE FLOOR AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts provisions substantially similar to those of Senate Bill 452, except provides that interest shall accrue on the amount of a child support obligation that remains unpaid at the end of each month, excluding the child support that was due for that month to the extent that it was not paid in that month (instead of simply the amount remaining unpaid at the end of each month). Effective January 1, 2006.

Amends the Metropolitan Water Reclamation District Article of the Illinois Pension Code. Provides that a child's annuity is payable to a child who is over 18 years of age, but less than 23 years of age, if he or she is a full-time student. Eliminates the 3-day waiting period for the payment of a duty disability benefit for certain persons. Provides a minimum annuity for certain retirees and surviving spouses. Authorizes employer pickup and tax-deferred status for contributions made toward the alternative plan for commissioners. With respect to the 5 years of service needed to establish eligibility for a disability retirement annuity, excludes service credit earned while on disability for new employees. Clarifies the calculation of service with respect to the Optional Plan. Allows an employee who has returned to service to repay a prior refund within the 90 days following his or her final withdrawal from service. Allows payment of a refund to certain nonvested employees who are under age 55 (rather than 50). Makes changes concerning eligibility for a surviving spouse's annuity. Provides that certain early retirement discounts apply to the calculation of a surviving spouse's annuity. Provides that an employee may establish service credit for voluntary military service that commences after commencement of service with the Metropolitan Water Reclamation District. Adds to the powers and duties of the Board, the power to assess and collect interest on amounts due to the Fund using the annual rate as shall from time to time be determined by the Board, compounded annually from the date of notification to the date of payment. Makes other changes. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

PENSION NOTE (Commission on Gov't Forecasting and Accountability)

The fiscal impact of Senate Bill 455 is expected to be minimal. The Metropolitan Reclamation District estimates that Senate Bill 455 would increase actuarial liabilities by less than \$87,000. Changes to the alternative plan would generate an annual cost of \$4,700.

Amends the State Universities Article of the Illinois Pension Code. Provides that, for an employee whose final rate of earnings period includes March 2005, the final rate of earnings means the average annual earnings during the 48 consecutive calendar month period ending with the last day of final termination of employment or the 4 consecutive academic years of service in which the employee's earnings were the highest, whichever is greater. In provisions concerning service for employment in public schools and service for other public employment, removes references to payment of 50% of the actuarial value of the increase in the retirement annuity provided by the service. In provisions concerning retirement annuities, provides that any retirement benefit accrued but unpaid on the death of an annuitant shall be paid to the annuitant's beneficiary. Makes changes concerning annuitants who return to employment for an employer. Provides that the 5 or more years of service after which a participant shall also be entitled to a distribution of employer contributions in a specified amount may include service for unused sick leave or reciprocal service from the participant's election to retire and apply the reciprocal provisions contained in the Code. Provides that certain military service shall be counted in determining when a self-managed plan becomes vested. Removes the requirement that, with respect to payment of benefits to persons under legal disability or minors, the receipt of payment be written for the purpose of the absolute discharge of the system's liability. 220 ILCS 5/13-714 new

Amends the Telecommunications Article of the Public Utilities Act. Provides terms and conditions for a crossing of railroad right-of-way. Allows the Illinois Commerce Commission to adopt rules prescribing additional terms and conditions to ensure that any crossing be consistent with the public convenience and necessity and reasonable service to the public. Provides that telecommunications carriers that locate their facilities within the railroad right-of-way for a crossing shall pay the railroad a one-time standard crossing fee of \$750 for each crossing. Provides special circumstances under which the standard crossing fee is not imposed. Provides that, pending Commission resolution of a claim of special circumstances raised in a petition, a telecommunications carrier may, upon securing the payment of any damages and upon submission of completed engineering specifications to the railroad, proceed with a crossing in accordance with the rules adopted by the Commission, unless the Commission, upon application for emergency relief, determines that there is a reasonable likelihood that the proposed crossing either (i) involves a significant and imminent likelihood of danger to the public health or safety or (ii) is a serious threat to the safe operations of the railroad or to the current use of the railroad right-of-way.

SENATE FLOOR AMENDMENT NO. 3

Deletes everything after the enacting clause. Reinserts the provisions of the bill as introduced but makes the following changes. Defines "railroad" and "railroad corporation" to include a "transportation system", as defined in the Metropolitan Transit Authority Act. Makes changes in the definitions of "railroad right-of-way", "crossing", and "facilities" (was, "facility"). Deletes provisions (i) providing that a telecommunications carrier is responsible for any bodily injury or property damage with regard to property of the carrier within a railroad right-of-way that typically would be covered under a standard railroad protective liability insurance policy; (ii) including in a one-time standard crossing fee costs associated with modifications to existing insurance contracts of the carrier and the railroad; (iii) providing that a determination by the Illinois Commerce Commission on the issue of damages for the rights granted to a carrier with respect to a crossing is not final agency action; and (iv) authorizing a railroad or telecommunications carrier to seek judicial review if it claims to be aggrieved by a determination of the Commission concerning damages for the rights granted to a telecommunications carrier with respect to a crossing. Requires (rather than authorizes) the Commission to adopt rules prescribing additional terms and conditions. Increases the one-time standard crossing fee to \$2,000 (rather than \$750) for each crossing. Provides that a final determination by the Illinois Commerce Commission on the issue of special circumstances shall be considered final agency action subject to judicial review under the Administrative Review Law. Provides that payment by a telecommunications carrier of a standard fee (now, any damages) is required in order for the carrier to proceed with a crossing pending Commission resolution of a claim of special circumstances. Makes other changes.

Amends the Illinois Public Aid Code. In provisions concerning the Aid to the Aged, Blind or Disabled (AABD) program, provides that "disabled person", for purposes of qualifying for aid under the program, means a person who satisfies the disability standard used by the Social Security Administration (instead of a person age 18 or over who has a physical or mental impairment, disease, or loss which is of a permanent nature and which substantially impairs his ability to perform labor or services or to engage in useful occupations for which he is qualified, as determined by rule and regulation of the Department of Human Services). Sets forth procedures that the Department of Human Services must follow when it makes its own determinations of disability instead of accepting a determination made by the Social Security Administration. Provides that any division of the Department that provides or funds medical services that would be reimbursable under Medicaid may make disability determinations for purposes of determining eligibility for Medicaid, so long as the determinations are made using the rules, regulations, and other regulatory guidance materials that are relied upon by the Illinois Bureau of Disability Determination Services in the Department's Division of Rehabilitation Services in determining disability. 35 ILCS 515/3 from Ch. 120, par. 1203

Amends the Mobile Home Local Services Tax Act. Provides that the owner of each mobile home (now, "inhabited mobile home") shall pay an annual tax to the county treasurer. Effective immediately.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

Senate Bill 485 represents an increased cost on unoccupied units, however there is insufficient information to determine the actual cost increase to the owner.

SENATE FLOOR AMENDMENT NO. 1

Provides that the owner of a mobile home is not required to pay the tax under the Act if the owner notifies the local assessing authority, by sworn affidavit, that the mobile home is uninhabited and will no longer be used for human habitation.

FISCAL NOTE (S-AM 1) (Department of Revenue)

As amended by Senate Amendment 1, SB 485 would increase revenues realized by local taxing districts. However, the Department of Revenue cannot determine the number of mobile homeowners who would provide the notification to their local assessing authorities and, therefore, the Department of Revenue cannot determine the amount of the revenue increase.

35 ILCS 5/203

from Ch. 120, par. 2-203

Deletes everything after the enacting clause. Amends the State Treasurer Act. Removes the requirement that the State Treasurer adjust each account at least annually to ensure compliance with the requirements of the College Savings Pool. Provides that the Treasurer shall limit the contributions that may be made on behalf of a designated College Savings Pool beneficiary based on the limitations established by the Internal Revenue Service (now, based on an actuarial estimate of what is required to pay tuition, fees, and room and board for 5 undergraduate years at the highest cost eligible educational institution). Amends the Illinois Income Tax Act. Provides that for taxable years beginning on or after January 1, 2006, distributions from certain qualified tuition programs under the Internal Revenue Code that are administered by other states are exempt from the requirement that a distribution from an Internal Revenue Code qualified tuition program be included when determining adjusted gross income for purposes of determining base income. Requires taxpayers to add to their base income an amount equal to the amount previously deducted for deposits into a qualified tuition program if the moneys are transferred from a qualified tuition program that is administered by the State to an out-of-state program. SENATE COMMITTEE AMENDMENT NO. 1

Deletes reference to:

30 ILCS 105/5.640 new

Adds reference to:

430 ILCS 125/26 new

Replaces everything after the enacting clause. Amends the Children's Product Safety Act with provisions substantially similar to those of Senate Bill 526, but with changes that include the following: (1) provides that a "children's product" is one designed or intended for children under age 9 (instead of 12); (2) requires a manufacturer, importer, distributor, or wholesaler to place on its web site a link to recall or warning information that contains the specific recall notice or warning that was issued for the product in question (instead of a link to www.recalls.gov); (3) provides that the posting of a recall or warning notice by a retailer must be in each retail store; (4) provides that a commercial dealer, manufacturer, importer, distributor, wholesaler, or retailer shall not be found in violation of the provisions concerning unsafe children's products if the specific recalled product sold was not included on the Department of Public Health's list of unsafe children's products on the day before the sale (instead of providing that such a person who exercises reasonable care in acting pursuant to the Children's Product Safety Act is not in violation of any provision of the Act); (5) provides that nothing in the Children's Product Safety Act shall be interpreted to allow a unit of State or local government or any other entity within the State to issue recalls; (6) provides that nothing in the Children's Product Safety Act relieves a manufacturer, importer, distributor, wholesaler, or retailer (in addition to a commercial dealer) from compliance with stricter requirements that may be imposed by a federal agency; and (7) in provisions concerning enforcement of the Children's Product Safety Act by the Attorney General, (i) removes references to a person being "about to engage in" a practice in violation of the Act and (ii) removes provisions concerning the powers a court may exercise. Effective immediately, except provides that the changes in connection with penalties for violating the Children's Product Safety Act and in connection with enforcement of the Act take effect January 1, 2006.

FISCAL NOTE (S-AM1) (Department of Revenue)

This would increase State revenues. However, the Illinois Department of Revenue cannot predict the number of violations of the Act that will subject persons to the civil penalty and cannot determine the fiscal impact of this bill.

FISCAL NOTE (S-AM 1)(Department of Public Health)

Senate Bill 526 will have a minimal fiscal impact on the Illinois Department of Public Health.

Amends the Code of Civil Procedure. Deletes language allowing civilian personnel to serve process in counties with a population of less than 1,000,000. Provides that process may be served in any county without special appointment by a person who is licensed or registered as a private detective under the Private Detective, Private Alarm, Private Security, and Locksmith Act of 2004 or by a registered employee of a private detective agency certified under that Act (instead of just in counties with a population of less than 1,000,000).

SENATE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Amends the Code of Civil Procedure. Provides that in counties with a population of more than 1,000,000 (instead of in any county) when process is to be served in a case in which a party is receiving child support enforcement services under Article X of the Illinois Public Aid Code, process may be served, without special appointment, by a person who is licensed or registered as a private detective under the Private Detective, Private Alarm, and Private Security, and Locksmith Act of 1993 or by a registered employee of a private detective agency certified under that Act.

SENATE FLOOR AMENDMENT NO. 2

Amends the Code of Civil Procedure; provides that after unsuccessful service by the sheriff in a county with a population of 1,000,000 or more, process may be served, without special appointment, by a person who is licensed or registered as a private detective under the Private Detective, Private Alarm, Private Security, and Locksmith Act of 2004 or by a registered employee of a private detective agency certified under that Act, in cases in which a party is receiving child support enforcement services under Article X of the Illinois Public Aid Code.

Also provides for service of such a notice in counties with a population of less than 2,000,000 by any method provided by law for service of summons. Effective immediately.

New Act

Creates the Truth in Pumping Act. Provides that, within 3 months after the effective date of the Act, each retailer of motor fuel shall post a notice in a prominently visible place on each retail dispensing device that is used to dispense motor fuel in Illinois itemizing each federal, State, and local tax imposed on motor fuel at that location. Provides that, for taxes that are imposed on a per-gallon basis, the notice shall state how many cents per gallon are imposed in taxes, broken down by each tax imposed, and that, for taxes that are imposed on gross receipts, the notice shall state how many cents per dollar are imposed in taxes, broken down by each tax imposed. Provides that, in addition, the notice shall give an estimate of the total cost in federal, State, and local taxes for the purchase of 5, 10, and 15 gallons of motor fuel at that location. Preempts home rule. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 1

Requires that the notice be posted in a prominently visible place at each location in the

State where the retail sale of motor fuel is offered to the public (instead of being posted on each retail dispensing device). Provides that for taxes imposed on gross receipts, the notice must state the applicable rate of each such tax (instead of stating how many cents per dollar are imposed in taxes, broken down by each tax imposed). Deletes a provision requiring the notice to give an estimate of the total cost in federal, State, and local taxes for the purchase of 5, 10, and 15 gallons of motor fuel at that location. Amends the Illinois Health Facilities Planning Act. Provides that "capital expenditure

minimum" means \$10,000,000 (now, \$6,000,000) and "non-clinical service area" includes research facilities, auditoriums, and medical office buildings. Provides that permits are not required for the establishment of swing-beds authorized under Title XVIII of the federal Social Security Act, or for the modification of a hospital's bed capacity. Provides that the Illinois Health Facilities Planning Act is repealed on July 1, 2011 (now, July 1, 2006). Effective immediately.

SENATE FLOOR AMENDMENT NO. 1

Further amends the Illinois Health Facilities Planning Act. Restores \$6,000,000 as the capital expenditure minimum providing that when a capital expenditure is by a hospital, "capital expenditure minimum" means \$8,500,000, or this amount as annually adjusted to reflect inflation. Deletes a provision adding medical office buildings to the facilities provided under the definition of "non-clinical service areas". Eliminates a provision that authorizes the modification of a hospital's bed capacity without a State Board permit. Increases the minimum number of beds that can be added in a health care facility without a permit to 20 (now, 10) within a 2 year period so long as this does not represent a greater than 10% increase in the total bed capacity of the health care facility.

SB-0581 RAOUL-TROTTER-COLLINS.

625 ILCS 5/11-212

Amends the Illinois Vehicle Code provision regarding a traffic stop statistical study currently in progress. Provides that from January 1, 2006 until December 31, 2007, whenever a State or local law enforcement officer stops a pedestrian on the basis of reasonable suspicion of criminal activity, the officer must record certain information, including the officer's subjective determination of the stopped person's race. Requires law enforcement agencies to collect and transmit the recorded data to the Department of Transportation. Requires the Department to

analyze the data for evidence of statistically significant aberrations concerning the race of stopped pedestrians and to make annual reports.

SENATE COMMITTEE AMENDMENT NO. 1

Provides that only officers of the Chicago Police Department (rather than every State or local law enforcement officer) must record the required information. Provides that only the Chicago Police Department (rather than every law enforcement agency) is required to collect the recorded information and transmit it to the Department of Transportation.

SENATE FLOOR AMENDMENT NO. 2

Deletes everything after the enacting clause. Reinserts the provisions of the amended bill with changes and deletions. Deletes provisions requiring collection of the information by individual officers on a uniform stop card. Deletes language imposing on the Chicago Police Department a duty to collect the information. Provides that, in regard to cases where the officer does not arrest the person, the Chicago Police Department shall transmit the specified information to the Department of Transportation, to the extent that the Chicago Police Department has collected that information from individual officers who noted the information on any form completed in the course of the stop.

65 ILCS 5/11-12-9 from Ch. 24, par. 11-12-9

Amends the Illinois Municipal Code. Prohibits the corporate authorities of a municipality from entering into a jurisdictional boundary line agreement unless written notice is provided to the owners of all property affected by the proposed agreement.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

This legislation will have no effect on constructing, purchasing, owning, or selling a single-family residence.

FISCAL NOTE (Dept of Commerce and Economic Opportunity)

Senate Bill 611 does not incur a fiscal impact on the Department of Commerce and

Economic Opportunity. Assessing the fiscal impact on municipalities will involve factors such as the number of municipalities affected, the number of property owners, and the cost of providing written notice to the property owners regarding proposed boundary line agreements. Therefore, based on these factors, to the extent that SB 611 (Engrossed) imposes a comprehensive impact of local revenue, an estimate cannot be determined at this time.

Effective immediately.

SENATE FLOOR AMENDMENT NO. 3

HOUSE AMENDMENT NO. 1 (HOUSE RECEDES MAY 31, 2005)

Further amends the Community Mental Health and Developmental Disabilities Administrative

Act and the State Finance Act. Provides that on April 1, 2005, or as soon thereafter as practicable (previously at the direction of the Director of Public Aid), the Comptroller shall direct and the State Treasurer shall transfer amounts not to exceed \$14,000,000 into the Community Health Medicaid Fund from the General Revenue Fund (instead of from the Public Aid Recoveries Trust Fund). Provides for repayment to the General Revenue Fund (rather than the Public Aid Recoveries Trust Fund) of this amount in State fiscal year 2006, and in subsequent years until repayment occurs, from certain funds paid to the State by the federal government under Title XIX or Title XXI of the Social Security Act for services delivered by community mental health services providers. Amends the State Finance Act to similarly direct the \$14,000,000 transfer from the General Revenue Fund to the Community Mental Health Medicaid Trust Fund.

Creates the Cell Phone Recycling Act. Requires that every retailer selling cell phones in this State must have a system in place for the acceptance and collection of used cell phones for reuse, recycling, or proper disposal. Provides that these collection systems must at a minimum provide for: (i) the retailer to take-back, at no cost to the consumer, any used cell phone that the retailer sold to the consumer, (ii) the retailer to take-back any used cell phone from a consumer who is purchasing a new cell phone, at no cost to that consumer, (iii) some mechanism, at the time of delivery, for the return of a used cell phone if the retailer delivers a cell phone directly to a consumer in this State, and (iv) information about cell phone recycling opportunities provided by the retailer that encourages the consumer to take advantage of cell phone recycling. 75 ILCS 16/1-1

Adds reference to:

75 ILCS 16/15-82 new

Requires the circuit court, after a hearing, to revise the limits and boundaries of the district and set forth the liability, if any, of the property owners of the disconnected territory. Provides that the property owners of the disconnected territory are continually liable for any excess liability of the district until its full and final payment and are responsible for all costs and expenses associated with a disconnection election. New Act

Creates the Designation of Person to Exercise Parental Rights Act. Provides that a parent of a minor may designate another person to exercise parental rights in relationship to the minor child. Lists the requirements for a designation. Provides that a parent may revoke a designation by notifying, either verbally or in writing, the designee or a school, health care provider, or health plan to which the designation has been presented, or by any other act evidencing a specific intent to revoke. Provides that a designation is revoked by the execution of a subsequent designation by the parent. Limits the liability of a person who acts based upon the consent of a designee and who reasonably and in good faith believes that the parent has in fact authorized the designee to provide the consent. Provides that a person may be deemed to have acted negligently, unreasonably, or improperly if he or she has knowledge of facts indicating that the designation was never given, did not extend to act or acts in question, or was revoked. Effective immediately.

225 ILCS 227/90

Deletes everything after the enacting clause. Amends the Pyrotechnic Operator Licensing Act by changing the short title to the Pyrotechnic Distributor and Operator Licensing Act and amends the Illinois Explosives Act to reflect that change. Defines "1.3G fireworks", "BATFE", "consumer fireworks", "facility", "flame effect", "pyrotechnic distributor", and "special effects fireworks". Provides that "display fireworks" means 1.3G or special effects fireworks (rather than any substance or article defined as a Division 1.3G or 1.4 explosive by the United States Department of Transportation). Provides for licensure requirements and rules for a pyrotechnic distributor (in addition to a lead pyrotechnic operator). Provides that the rules of the State Fire Marshal shall be based on nationally recognized standards, such as those of the National Fire Protection Association (NFPA) 1126 guidelines for proximate audience displays (rather than indoor displays) and NFPA 160 guidelines for flame effect displays. Provides that the State Fire Marshal shall conduct the training and examination of pyrotechnic operators and pyrotechnic distributors or may delegate the responsibility to train and examine pyrotechnic distributors and operators to the Department of Natural Resources. Provides that after January 1, 2006, all pyrotechnic displays must comply with the requirements set forth in the Act and no person may engage in pyrotechnic distribution or act as a lead operator in a pyrotechnic display without first applying for and obtaining a license (now, after April 1, 2005, no individual may act as a lead operator in a pyrotechnic display without applying for and obtaining a license). Provides that applicants for a license must submit to the Office of the State Fire Marshal a license fee

set by the Office and proof of having the requisite knowledge, either through training, examination, or continuing education, as established by Office rule. Removes the requirement that applicants for a lead pyrotechnic operator's license pass the examination presented by the Office. Provides that in order to be qualified to receive a license under the Act, a person must have, or have applied for, a BATFE explosives license or a Letter of Clearance from the BATFE. Provides that no pyrotechnic distributor shall allow any person in the pyrotechnic distributor's employ to act as a lead pyrotechnic operator until the person has obtained a lead pyrotechnic operator's license from the Office of the State Fire Marshal. Makes other changes. Effective immediately.

Replaces everything after the enacting clause. Amends the Counties Code, the Illinois Municipal Code, and the Affordable Housing Planning and Appeal Act. Provides that counties and municipalities may use their zoning powers to promote the creation and preservation of affordable housing. In the Affordable Housing Planning and Appeal Act: (1) provides that upon recalculation of the non-exempt list of local governments using new decennial census data, any local government determined for the first time to be non-exempt by the Illinois Housing Development Authority shall have 18 months from the date of notification of its non-exempt status to approve an affordable housing plan; (2) authorizes local governments to adopt certain measures to promote the goals of the Act and to maximize the creation of affordable housing throughout the State, including (i) creation of a housing trust fund, (ii) creation of a community land trust, and (iii) acceptance of donations of money or land; (3) provides that a non-exempt local government may enter into intergovernmental agreements with local governments within 10 miles of its corporate boundaries in order to create affordable housing units to meet the goals of the Act, and provides that these provisions are inoperative on and after January 1, 2010; (4) makes changes in connection with appeals to the State Housing Appeals Board, including providing that (A) if a developer proves by a preponderance of the evidence that the local government's decision was based on an intent to prohibit or render infeasible the development of affordable housing, then the local government's decision will be deemed to be arbitrary and unreasonable and without substantial relation to the public health, safety, or welfare and (B) an appeal to the Appellate Court of a final ruling by the State Housing Appeals Board may be heard only in the Appellate Court for the District in which the local government involved in the appeal is located; (5) provides that a Housing Appeals Board must be created before January 1, 2008 (instead of July 1, 2006); and (6) changes the provisions concerning the adoption of rules by the Illinois Housing Development Authority. Makes other changes. Effective immediately.

HOUSE AMENDMENT NO. 1

In provisions amending the Counties Code and the Illinois Municipal Code: (i) provides that zoning powers may be used to require (instead of promote) the creation and preservation of affordable housing and (ii) authorizes incentives to developers who are creating, establishing, or preserving (instead of building) affordable housing. In provisions amending the Affordable Housing Planning and Appeal Act: (1) makes changes in the definitions of "development" and "housing trust fund"; (2) authorizes local governments to individually or jointly create or participate in a housing trust fund or otherwise provide funding or support for the purpose of supporting affordable housing (instead of simply authorizing a local government to create a housing trust fund); (3) authorizes loans (as well as grants) to not-for-profit organizations that are engaged (instead of actively engaged) in addressing affordable housing needs; (4) provides that all intergovernmental agreements entered into to create affordable housing units to meet the goals of the Act must also specify the anticipated number of newly created affordable housing units that are to be credited to each local government participating in the agreement for

purposes of complying with the Act; (5) deletes a statement that amendatory provisions concerning intergovernmental agreements between local governments are inoperative on and after January 1, 2010; (6) in references to a determination of a local government's non-exempt status for the first time based on a recalculation of decennial census data, adds "after 2010"; (7) provides that in a proceeding before the State Housing Appeals Board, the affordable housing developer bears the burden of demonstrating that the proposed affordable housing development (i) has been unfairly denied or (ii) has had unreasonable conditions placed upon it by the decision of the local government (instead of demonstrating that the decision of the local government was arbitrary and unreasonable and without substantial relation to the public health, safety, or welfare); and (8) makes other changes.

Replaces everything after the enacting clause. Amends the Senior Citizens and Disabled Persons Property Tax Relief and Pharmaceutical Assistance Act. Replaces the provisions concerning the pharmaceutical assistance program. Effective January 1, 2006, provides for a new program of pharmaceutical assistance to the aged and disabled, entitled the Illinois Seniors and Disabled Drug Coverage Program ("the new program"), which shall be administered by the Department of Healthcare and Family Services and the Department on Aging. Provides that to become a beneficiary under the new program, a person must (1) be either age 65 or older or disabled, (2) be domiciled in this State, (3) enroll with a qualified Medicare Part D Prescription Drug Plan if eligible, and (4) have a maximum household income of less than specified amounts depending on household size. Provides that all individuals enrolled as of December 31, 2005, in the pharmaceutical assistance program under the Senior Citizens and Disabled Persons Property Tax Relief and Pharmaceutical Assistance Act and all individuals enrolled as of December 31, 2005, in the SeniorCare Medicaid waiver program operated under the Illinois Public Aid Code shall be automatically enrolled in the new program. Divides the new program beneficiaries into 4 "eligibility groups". Provides that the program shall cover the cost of covered prescription drugs in excess of the beneficiary co-payments (\$2 for each prescription of a generic drug and \$5 for each prescription of a brand-name drug) that are not covered by Medicare. Provides a new definition of "covered prescription drug" for purposes of the new program. Provides that any person otherwise eligible for pharmaceutical assistance under the new program whose covered drugs are covered by any other public program is ineligible for assistance under the new program to the extent that the cost of those drugs is covered by the other program. Sets forth conditions of participation in the new program for pharmacies. Amends the Senior Citizens and Disabled Persons Prescription Drug Discount Program Act. Changes the short title of the Act to the Illinois Prescription Drug Discount Program Act. Makes changes in the legislative findings. Provides that the prescription drug discount program is for "Illinois residents" instead of only senior citizens and disabled persons. Provides for administration of the Act by the Department of Healthcare and Family Services (successor agency to the Department of Public Aid) instead of the Department of Central Management Services. Changes the requirements that a proposal for administering the program must meet, including requirements that a proposal specify (i) the amount of the discount based on the

average wholesale price of the covered medications and (ii) administrative fees charged by the administering entity. Eliminates provisions (i) setting forth limits on the amounts paid for medications by persons enrolled in the program and (ii) specifying the formula for calculating the amounts paid by the program administrator to pharmacies. Provides for a program enrollment fee to be determined by the Director of Healthcare and Family Services (instead of \$25), and makes changes concerning collection of the enrollment fee. Provides that to be eligible to participate in the program, a person must be a resident of Illinois and must have household income equal to or less than 300% of the Federal Poverty Level. Eliminates a provision that any person who is eligible for pharmaceutical assistance under the Senior Citizens and Disabled Persons Property Tax Relief and Pharmaceutical Assistance Act is presumed to be eligible for this program. Makes other changes. Amends the State Finance Act; changes the name of the Senior Citizens and Disabled Persons Prescription Drug Discount Program Fund to the Illinois Prescription Drug Discount Program Fund. Effective January 1, 2006.

Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 1

Deletes everything after the enacting clause. Amends the Motor Fuel Tax Law. In a provision concerning refunds, allows claims for taxes paid for undyed diesel fuel used by tugs and spotter equipment that is owned by a taxpayer and that is used for shifting vehicles or parcels on private or airport property. SB-1325 CROTTY AND W. JONES-SANDOVAL.

405 ILCS 30/4.4 new

405 ILCS 30/4.5 new

Amends the Community Services Act. Provides that whenever any appropriation, or any portion of an appropriation, for any fiscal year relating to the funding of any State-operated facility operated by the Office of Developmental Disabilities within the Department of Human Services or any mental health facility operated by the Office of Mental Health within the Department is reduced because of any of the following reasons, those moneys must be directed toward providing other services and supports for persons with developmental disabilities or mental health needs: (1) closing of a State-operated facility; (2) reduction of the number of units or available beds in a State-operated facility; or (3) reduction in the number of staff at a State-operated facility. Provides that in determining whether any savings are realized from closure of a State-operated facility or a reduction in the number of units, available beds, or

staff, sufficient moneys shall be made available to ensure that there is an appropriate level of staffing and that life, safety, and care concerns are addressed so as to provide for the remaining persons with developmental disabilities or mental illness at State-operated facilities. Provides that the plan for using any savings realized from such a closure or reduction must be shared and discussed with advocates, advocacy organizations, labor organizations, and advisory groups whose mission includes advocacy for persons with developmental disabilities or persons with mental illness. Effective immediately.

FISCAL NOTE (Department of Human Services)

Under the bill, no overall savings would accrue as a result of any policy change regarding the DHS State Operated Facilities, regardless of the reason for the change. \$565,821,500 or 15% of the General Revenue Revenue FY 2006 Budget Request is related directly to the State Operated Facilities. The entire amount of the State Operated Facilities Budget Request would be unavailable for any savings opportunities, regardless of the reason for the savings. For example, the FY 2006 Budget Request assumes \$16,804,400 in savings attributable to the reduction of headcount and efficiency savings related CMS procurement efficiencies, facilities management, and IT procurement. This amount would no longer be a savings to the state, but be re-directed immediately to the appropriate community funding.

HOUSE AMENDMENT NO. 1

Deletes everything after the enacting clause. Reinserts the provisions of the engrossed bill. Further amends the Department of Commerce and Economic Opportunity Law. Creates the Interagency Military Base Support and Economic Development Committee within the Department of Commerce and Economic Opportunity to coordinate the State's activities on and to act as a communications center for issues relating to military base closures in the State. Provides that membership on the Committee shall be composed of 18 members (instead of 13) with representatives from the Department of Commerce and Economic Opportunity, the Department of Transportation, the Department of Natural Resources, the Environmental Protection Agency, the Department of Revenue, and the Department of Military Affairs serving on the Committee (removes the Lieutenant Governor from the Committee). Authorizes an election authority to prohibit in-person absentee voting in municipal, township, and road district clerk's offices. With respect to early voting, requires that a voter's signature must be verified and requires that early voters using optical scan technology voting equipment must be permitted to request and vote another ballot if the voter's first ballot is not accepted by the voting equipment. Requires that an election authority transmit early voter information to the State Board of Elections for posting on its website accessible to local and State political committees. Effective immediately.

JUDICIAL NOTE (H-AM 1)(Admin Office of the Illinois Courts)

Senate Bill 1445 (H-AM 1) would neither increase nor decrease the number of judges needed in the State.

FISCAL NOTE (State Board of Elections)

As indicated in Senate Bill 1445, the fiscal impact of such a program would be contingent upon funds being appropriated in next year's fiscal budget (FY07). At this point, it is not possible to determine the cost of a statewide program that would include print and electronic media service announcements, informational workshops and forums and other educational public service materials.

STATE MANDATES FISCAL NOTE (H-AM 1) (Dept. of Commerce & Econ Opportunity)

Does create a local government organization and structure mandate for which reimbursement of the increased costs to units of local government is not required under the State Mandates Act.

HOME RULE NOTE (H-AM 1) (Dept. of Commerce & Econ Opportunity)

Does not pre-empt home rule authority.

FISCAL NOTE (State Board of Elections)

As indicated in Senate Bill 1445, the fiscal impact of such a program would be contingent upon funds being appropriated in next year's fiscal budget (FY07). At this

point, it is not possible to determine the cost of a statewide program that would include print and electronic media service announcements, informational workshops and forums and other educational public service materials.

JUDICIAL NOTE (H-AM 1)(Admin Office of the Illinois Courts)

5 ILCS 375/3 from Ch. 127, par. 523

Amends the State Employees Group Insurance Act of 1971. Permits human service providers who receive at least 51% of their operating funds from the State to opt for coverage of their employees as State employees.

SENATE FLOOR AMENDMENT NO. 1

Deletes everything after the enacting clause. Reinserts the contents of the bill as introduced with the following changes. Permits human service providers who receive an average of at least 51% of their operating funds from the State for the 3 years prior to the provider's application for coverage (rather than providers who receive at least 51% of their operating funds from the State) to opt for coverage of their employees as State employees. Provides that providers opting for inclusion of their employees within the term "employee" are responsible for paying the employer share of premiums under the program. Provides that the amendatory provisions are inoperable after December 31, 2009. Effective January 1, 2006.

FISCAL NOTE (Department of Central Management Services)

Preliminary estimates provided by the Department of Human Services place the number of eligible employees between 60,000 and 70,000. Assuming those enrollment figures and the current projections of FY 2006 liabilities for the State Employees Group Insurance Program, CMS projects the annual fiscal impact to be between \$572.0 million and \$667.4 million.

Provides that a licensed child welfare agency that places children for the purposes of adoption may not include in any published advertisement for the agency language that offers free medical care, housing, clothing, or transportation or any other offer of services, unless the advertisement also indicates that these services are provided with no obligation on the part of the birth parent to make an adoption plan. Provides that nothing in the advertisement shall include any information that the Department may reasonably construe to be an inducement or offer for compensation in return for making a child available for placement with a child welfare agency.

New Act

Creates the Consular Identification Document Act. Defines "consular identification document" as an official identification card issued by a foreign government through its consular offices to identify a foreign national who is living outside of that nation. Provides that each State agency and officer and unit of local government, when requiring members of the public to provide identification, shall accept a consular identification document as valid identification of a person, with specified exceptions. Provides that a State agency or officer or a unit of local government is not prohibited from requiring additional information from persons in order to verify a current address or other facts that would enable the State agency or officer or unit of local government to fulfill its responsibilities, with specified exceptions; fingerprints for identification purposes under circumstances where the State agency or officer or unit of local government also requires fingerprints from persons who have a driver's license or Illinois Identification Card; or additional evidence of identification if the State agency or officer or unit of local government reasonably believes that the consular identification document is forged, fraudulent, or altered, or the holder does not appear to be the same person on the consular identification document. Provides that the use by a State agency or officer or a unit of local government of information collected from, or appearing on, a consular identification document is subject to the same privacy and disclosure limitations that apply to the Illinois Identification Card.

SENATE FLOOR AMENDMENT NO. 1

Deletes everything and re-inserts similar provisions with these additions: provides, in the definition of "consular identification document", that a foreign government must require an individual to provide proof of nationality, proof of identity, and proof of residence in the consular district to obtain a consular identification document and that a foreign government must include specified security features and data in the consular identification document; requires an issuing consulate to file with the Department of State Police a copy of the issuing consulate's consular identification document and a certification of the procedures used to comply with specified requirements; provides that a consular identification document shall be accepted for purposes of identification only and does not convey an independent right to receive benefits of any type; provides that a consular identification document may not be accepted as identification for obtaining a driver's license or registering to vote; and provides that a consular identification document does not establish or indicate lawful immigration status and may not be viewed as valid for that purpose, nor does a consular identification document establish a foreign national's right to be in the United States or remain in the United States.

Amends the State Officials and Employees Ethics Act. Creates the Higher Education Inspector General, appointed by the Illinois Board of Higher Education, for the public institutions of higher education (now, under the Executive Inspector General appointed by the Governor).

SENATE COMMITTEE AMENDMENT NO. 1

Adds reference to:

- 5 ILCS 430/1-5

Changes references from a public institution of higher learning as defined in the Higher Education Cooperation Act to a public institution of higher education as defined in that Act.

FISCAL NOTE (Office of Executive Inspector General)

This bill creates an independent office, the Office of Higher Education Inspector General, by removing the institutions of higher learning from under the jurisdiction of the Office of Executive Inspector General for the Agencies for the Illinois Governor ("OEIG") to the Office of Higher Education Inspector General. It is estimated that this Office will require a staff of four to five employees: a Higher Education Inspector General, an Attorney, one or two Investigators, and an Administrative staff member. The estimated budget will be \$450,000. This budget estimation is based upon an analysis of the Governor's Office of Management and Budget of the past experiences of the creation of the five Offices of Executive Inspector General. The funding for this new Office of Higher Education Inspector General will come from a line item in the budget for the OEIG that is designated for Higher Education issues and investigations. That specific line item is for \$450,000 and will be moved out of the budget for the OEIG to create the budget for the Office of Higher Education Inspector General.

30 ILCS 540/3-2 from Ch. 127, par. 132.403-2

Amends the State Prompt Payment Act. Provides that State agencies are prohibited from delaying the review of bills or the submission of bills to the Comptroller unless a defect in the bill is identified.

FISCAL NOTE (Treasurer of the State of Illinois.)

Senate Bill 1654 will have no fiscal impact on the State.

GOVERNOR AMENDATORY VETO MESSAGE

Recommends that the rate of the interest penalty for late payments be based upon the weighted average of the rates on the overnight Federal funds transactions with member banks of the Federal Reserve System (now, the interest penalty rate is 1%). Recommends that a State agency be prohibited from "unnecessarily delaying" (instead of "delaying") the review of a bill or its submission to the Comptroller. Recommends procedures under which an agency is not considered to be delaying the review of a bill or its submission to the Comptroller.

30 ILCS 105/8j

Amends the State Finance Act. Provides that the Governor may, through June 30, 2005 (now, June 30, 2007), direct the State Treasurer and Comptroller to transfer a specified sum from any fund held by the State Treasurer to the General Revenue Fund in order to help defray the State's operating costs for the fiscal year. Provides that no transfers may be made in this manner after June 30, 2005. On January 1, 2006, or as soon as may be practical after that date, the State Treasurer and the Comptroller shall reverse all transfers previously made under this authority unless the General Assembly has specifically authorized the transfers prior to that date. Amends the Property Tax Extension Limitation Law of the Property Tax Code. Sets forth procedures that taxing districts must follow when seeking referendum approval after April 5, 2005 to increase (i) the maximum authorized tax rate for any fund for which the taxing district is authorized by statute to levy taxes and which rate is limited by prior referendum or statutory authorization and which rate is authorized by statute to be increased for a limited or unlimited number of years by direct (and not back door) referendum, except for increases that require an equal corresponding tax rate decrease for another fund or (ii) the maximum extended tax rate applicable only to the next taxes to be either levied or extended for any fund notwithstanding the limiting rate that would otherwise be applicable for such taxing district, which maximum extended tax rate applicable to the next taxes shall not exceed the tax rate for such fund. Sets forth requirements for form of ballot propositions and referendum notices. Sets forth procedures for setting the new tax rates. Provides that a taxing district is limited to an extension limitation (instead of "extension increase") of 5% or the percentage increase in the Consumer Price Index during the 12-month calendar year preceding the levy year, whichever is less.

Amends the Election Code. Provides that casting a provisional ballot in the incorrect precinct does not invalidate that ballot's votes. Requires the State Board of Elections to adopt rules for the counting of those votes. Provides that the provisional voter's affidavit serves as a change of address request for registration purposes if it bears an address different from the election authority's record. With respect to electronic voting systems, removes the requirement that a vendor's computer codes must be kept confidential. Makes those codes public records but permits a vendor to retain copyrights. With respect to reviewing the computer codes of electronic voting systems, requires that the State Board of Elections shall provide sufficiently qualified human and capital resources for conducting reviews and that the resources shall have no affiliation with voting systems vendors. With respect to audit trails of direct recording electronic voting systems, requires that all test results, documentation, and other records used to plan, execute, and review the results of testing and verification shall be public records. With respect to direct recording electronic voting systems, removes the option that the permanent paper record of a vote may be self-contained within the voting device and requires that the paper record be printed in a clear and readily readable format that can be easily reviewed by the voter.

SENATE FLOOR AMENDMENT NO. 2

Adds reference to:

10 ILCS 5/18A-5

10 ILCS 5/24C-2.5 new

Deletes everything after the enacting clause. Reinserts Senate Bill 1683 with the following changes: Requires that computer codes of commercial, off the shelf software be placed in escrow with the State Board and that all codes placed in escrow also be available via the Internet. With respect to direct recording electronic voting systems, requires that a voter-verifiable paper ballot be produced and that the paper ballot is the official ballot that must be counted by means other than the equipment that produces it. Requires a random audit of the system consisting of a recount of the ballots in 5% of an election authority's precincts. Requires that the test plans, as well as the test results, pertaining to the system are public records and must be available on the Internet. Redefines a "computer program" to include displays of information or graphics. With respect to provisional ballots, removes the bill's provisions that the State Board of Elections must adopt rules for counting ballots cast in the incorrect precinct. Requires that a person cast a provisional ballot if the person (i) registered by mail and (ii) is required by law to produce identification when voting but fails to do so. Provides that the first procedure for a person to obtain and cast a provisional ballot is verification by an election judge that the person's address is within the precinct's boundaries. If the address is outside the precinct boundaries, requires that the judge (i) inform the person of that fact, (ii) provide the person with the election authority's telephone number to determine the proper polling place, and (iii) instruct the person to go to that polling place to vote. Specifies that a provisional voter's affidavit must include only those items of requires information that are available. Changes the form of the provisional voter's affidavit. Requires that provisional ballots cast after 7 p.m. by court order must be kept separate from other provisional ballots. When an election authority is determining the validity of a provisional ballot, provides that the affidavit must include at least the voter's (i) first and last names, (ii) house number and street name, and (iii) signature or mark. Provides that when an election authority determines that one of the specified source of information yields relevant information, the election authority need not obtain information from all the other sources but may obtain information until satisfied that the provisional voter is registered and entitled to vote. Adds an immediate effective date.

FISCAL NOTE (State Board of Elections)

The fiscal impact of this bill is difficult to estimate. The way the bill is currently written, it mandates that the SBE test every voting machine (NOT the program that is loaded on to these machines. For example, in Cook County and Chicago alone, there are over 5,000 machines; we would need over 100 people working around the clock for years, not just prior to an election, to satisfy this mandate.

30 ILCS 805/8.29 new

Amends the Illinois Municipal Retirement Fund (IMRF) Article of the Pension Code. Requires participation by all full-time municipal police officers who do not participate in an Article 3 police pension fund. Makes these police officers eligible for the sheriff's law enforcement (SLEP) formula. Excludes Chicago. Pre-empt's home rule powers. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

PENSION NOTE (Government Forecasting & Accountability)

The fiscal impact would vary among municipalities. If the employer does not currently participate in IMRF, the cost of providing retirement benefits to police could be

substantial. Would also increase the cost for municipalities that currently offer police officers the IMRF regular formula, as this bill requires all IMRF-covered police officers to be covered by SLEP formula.

Amends the Illinois Municipal Retirement Fund (IMRF) Article of the Illinois Pension Code. Increases the retirement formula for sheriff's law enforcement employees (SLEPs) to 2.5% of the final rate of earnings for each year of SLEP service. Increases the maximum pension payable to a SLEP from 75% to 80% of the final rate of earnings. Removes the 2-year service requirement for earning new benefits after a return to service as a SLEP. Makes these changes apply to persons in service on or after July 1, 2004. Also increases the additional employee contribution paid by SLEPs to 2.5% of salary. Eliminates the reduction in benefit imposed on a surviving spouse who is more than 5 years younger than the deceased member, for the surviving spouse of any member who dies on or after the effective date. Allows a SLEP to convert up to 10 years of non-SLEP service credit into SLEP credit by paying the difference in employee and employer contributions, plus interest. Makes the additional unfunded liability for all changes subject to a full 30-year amortization period. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

PENSION NOTE (Government Forecasting & Accountability)

The Fund's actuaries have not yet determined the fiscal impact. Similar legislation in March 2004 would have increased accrued liabilities of the Fund by \$36.2 Million and increased average annual costs by 1.18% of payroll when the benefit increases are calculated individually.

HOUSE AMENDMENT NO. 3

Replaces everything after the enacting clause with the engrossed bill with the following changes: (i) allows the employer, by resolution or ordinance, to provide for amortization of the additional unfunded liability over a 35-year or 40-year period; (ii) increases the additional employee contribution paid by SLEPS to 3%; and (iii) removes the effective date provision.

Amends the Illinois Optometric Practice Act of 1987. Provides that surgical comanagement of patients by eye care providers is permitted in certain circumstances. Provides that no comanaging eye care provider may receive a percentage of the global surgical fee that exceeds the relative value of services provided to the comanaged patient. Requires each eye care provider to be licensed or certified and qualified for the services provided to the patient. 820 ILCS 405/2103.1 from Ch. 48, par. 663.1

Amends the Unemployment Insurance Act. Provides that all remaining funds in the Employment Security Administrative Fund shall be transferred to the clearing account on July 1, 2005 or as soon thereafter as is reasonably practicable, and, upon the transfer of the funds, the Employment Security Administrative Fund is abolished. Provides that the provisions establishing the Employment Security Administrative Fund are repealed on January 1, 2006. Effective July 1, 2005.

FISCAL NOTE (Department of Employment Security)

SB 1770 eliminates the Employment Security Administrative Fund, which was established in 1990 from a one-time revenue source and used for initiatives designed to decrease and prevent unemployment. At one point the fund held over \$11 million, but it has now been virtually exhausted and there are no prospects of replenishing it. The only fiscal impact of the bill is that the remaining balance in ESAF (\$3,268.05 as of May 5, 2005) would be transferred to the Unemployment Trust Fund, which is dedicated to paying unemployment benefits to jobless workers.

Amends the Unemployment Insurance Act. Provides that, on July 1, 2005 or as soon thereafter as may be reasonably practicable, all remaining funds in the State Employees' Unemployment Benefit Fund shall be transferred to the clearing account, and provides that the State Employees' Unemployment Benefit Fund is abolished upon the transfer of those funds. Provides that, on and after July 1, 2005, transfers to the clearing account for payment of benefits to individuals with respect to whom the State or its wholly owned instrumentalities is the last employer shall be made directly from such funds and accounts as the appropriations to the Department of Employment Security authorize, as designated by the Director of Employment Security. Eliminates certain language regarding transfers in 1989 and earlier years, and makes other changes. Effective July 1, 2005.

FISCAL NOTE (Department of Employment Security)

SB 1771 has no impact on state employees' or former state employees' rights to unemployment benefits. It simply reduces a two-step process to a one-step process. The only fiscal impact of the bill is that the remaining balance in the State Employees' Unemployment Benefit Fund (\$36,568.29 as of May 5, 2005) would be transferred to the Unemployment Trust Fund.

FISCAL NOTE (S-AM 1)(Dept. of Commerce and Economic Opportunity)

The fiscal impact of Senate Bill 1815 (S-AM 1) on the Department of Commerce and Economic Opportunity is estimated to be \$1 million for ten new headcount to: adopt rules necessary and appropriate for the administration of this Act; develop forms for application, notifications, contracts, etc.; assist applicants under the provisions of the Act; gather information and conduct inquiries; review and approve applications for accredited plan certificates; approve trustees, custodians, and fiduciaries; collect and monitor penalties for nonqualified withdrawals; and produce a program evaluation by January 30, 2007. This fiscal note does not address the impact of this legislation on any other agency, or on state tax collections.

FISCAL NOTE (S-AM 1) Department of Revenue)

The Department of Revenue cannot determine a fiscal impact regarding the deduction except that it would have a negative impact on income revenues. Additionally, Senate Bill 1815 would impose minimal processing costs on the Department of Revenue.

SENATE FLOOR AMENDMENT NO. 2

Requires employers to file a report concerning their lifelong learning plans with the Department. Sets forth conditions under which the Department may revoke an Accredited Lifelong Learning Plan Certificate. Provides that applicants for an accredited

Provides that the Department may cease providing the accident data to the person or entity if the Department concludes that the person or entity has failed to use the accident data in the prescribed manner. Provides that the person or entity shall have 90 days to

cure the failure.

FISCAL NOTE (Department of Revenue)

The Department of Revenue cannot determine the fiscal impact of this legislation on the Department of Transportation.

FISCAL NOTE (Department of Transportation)

The additional increase to IDOT's expenditures would be substantial in that a system would need to be created to verify the correctness of the VIN submitted to IDOT. Currently, IDOT has no need for such an accurate VIN. Development of a system that would be useful in this VIN program would be costly. Computer programming costs range from \$60 for two hours to \$120 for four hours depending on data parameters requested, \$200 to \$250 to run the job on the CMS mainframe, and \$5 to produce on electronic media formats (CD's, magnetic tape, etc.).
