## **FOREWORD**

The Digest is published by the Legislative Reference Bureau. It is prepared for print through the computer services of the Legislative Information System and is printed by the Legislative Printing Unit.

The format of the Digest includes synopses of bills and resolutions pending in the House of Representatives and the Senate and indices by statute reference, subject matter, and sponsor.

The Digest is published periodically during the time the General Assembly is in Session. It is available by subscription through the Legislative Reference Bureau for \$55.00 per calendar year.

A synopsis contained in the Digest does not purport to be an analysis of the bill described. It is intended to give only sufficient information concerning the subject matter so that the reader may determine whether he or she is interested in examining the bill to determine its full content and effect.

New Act

815 ILCS 505/2Z from Ch. 121 1/2, par. 262Z

815 ILCS 505/10a from Ch. 121 1/2, par. 270a

Creates the Consumer Protection Fuel Price Gouging Act. Provides that, upon a declaration of disaster by the Governor, it is unlawful for any motor-fuel vendor to sell or offer to sell motor fuel within the State at a price that is increased because of the vendor's knowledge of a perceived disruption in the motor-fuel market. An increase in the price of motor fuel during the period of a disaster declaration is rebuttably presumed to be based upon the vendor's knowledge of a perceived disruption in the motor-fuel market if: (1) the amount charged represents a gross disparity between the price at which the motor fuel was readily obtainable within the vendor's trade area during the 7 days immediately before the disaster declaration; and (2) the increase in the amount charged is not attributable to cost factors to the vendor, including replacement costs, taxes, and transportation costs incurred by the vendor. Provides that a violation of this Act constitutes a violation of the Consumer Fraud and Deceptive Business Practices Act, but nothing in this Act creates a private cause of action in favor of any person damaged by a violation of this Act, but individuals may complain to the Attorney General. Preempts home rule. Amends the Consumer Fraud and Deceptive Business Practices Act to make corresponding changes. Effective immediately.

Proposes to amend the Legislature Article of the Illinois Constitution. Provides that a Representative District (for election of a member of the House of Representatives) need not be entirely within a single Senatorial District (for election of a member of the Senate, now referred to as a Legislative District). Provides that (i) the Senate redistricts Senatorial Districts by resolution adopted by a record vote of three-fifths of the members elected and (ii) the House of Representatives redistricts Representative Districts by resolution adopted by a record vote of three-fifths of the members elected (now, redistricting is by law). Eliminates the Legislative

Redistricting Commission. Provides instead that if a Senatorial or Representative redistricting plan is not adopted by June 15 of the year following a federal decennial census year, then the State Board of Elections shall produce a redistricting plan using a computer program. Requires the State Board of Elections to designate its computer program by April 15. The computer program designated by the State Board of Elections must disregard specified data and must consider certain prioritized factors; the computer program shall otherwise produce districts in a random manner. Authorizes the House and Senate to designate different computer programs for their respective chambers; doing so requires adoption of a resolution by a three-fifths vote on or before June 15. Removes the requirement that actions concerning redistricting the House or Senate may be initiated only by the Attorney General. Increases the number of Representatives from 118 to 119. Proposes to amend the Legislature Article of the Illinois Constitution. Provides that a Representative District (for election of a member of the House of Representatives) need not be entirely within a single Senatorial District (for election of a member of the Senate, now referred to as a Legislative District). Provides that (i) the Senate redistricts Senatorial Districts by resolution adopted by a record vote of three-fifths of the members elected and (ii) the House of Representatives redistricts Representative Districts by resolution adopted by a record vote of three-fifths of the members elected (now, redistricting is by law). Eliminates the Legislative Redistricting Commission. Provides instead that if a Senatorial or Representative redistricting plan is not adopted by June 15 of the year following a federal decennial census year, then the State Board of Elections shall produce a redistricting plan using a computer program. Requires the State Board of Elections to designate its computer program by April 15. The computer program designated by the State Board of Elections must disregard specified data and must consider certain prioritized factors; the computer program shall otherwise produce districts in a random manner. Authorizes the House and Senate to designate different computer programs for their respective chambers; doing so requires adoption of a resolution by a three-fifths vote on or before June 15. Removes the requirement that actions concerning redistricting the House or Senate may be initiated only by the Attorney General. Increases the number of Representatives from 118 to 119. Proposes to amend the Constitutional Revision Article to make a change to conform nomenclature. Effective beginning with redistricting in 2011 and applies to members elected in 2012 and thereafter.

Directs the Department on Aging, in collaboration with the Departments of Children and Family Services, Public Aid, and Human Services and any other relevant agencies, to complete an assessment of existing State and federal assistance programs in relation to child care provided by grandparents for their grandchildren.

HOUSE AMENDMENT NO. 1

Replaces everything. Creates the Joint Task Force on Grandparents Raising their Grandchildren; requires the Department on Aging, in collaboration with the Departments of Children and Family Services, Public Aid, and Human Services and any other relevant agencies, to issue a report to the Joint Task Force no later than July 1, 2005 that assesses existing State and federal assistance programs; and requires the Joint Task Force to issue a report to the General Assembly no later than January 1, 2006.

SENATE COMMITTEE AMENDMENT NO. 1

Requires the Department on Aging and other agencies to report to the Joint Task Force on Grandparents Raising their Grandchildren by July 1, 2006 (instead of 2005), and requires the Joint Task Force to report to the General Assembly by January 1, 2007 (instead of 2006).

Resolves that the Auditor General shall conduct a management audit of the process followed in negotiating and entering into the contract with Ecosse Hospital Products Limited and in establishing and operating the I-SaveRx program.

FISCAL NOTE (Office of the Auditor General)

The Auditor General's Office estimates that the audit required by House Joint Resolution Number 40 will cost from \$42,500 to \$65,000 in non-reoccurring expenses. However, based on currently known workload, we believe this audit can be performed in-house with existing personnel and within existing budgeted line items.

#### **HJR-0052 CHAPA LAVIA AND MCGUIRE.**

Encourages the General Assembly to fully fund public summer school programs for the summer of 2005.

FISCAL NOTE (Ill. State Board of Education)

The Summer Bridges Program has had level state funding over the last three years at \$22,238,100. Other summer school programs that exist may be run through local or Title I funds, but the Illinois State Board of Education does not have the ability to separate out the data necessary to provide a dollar figure to fully fund these programs.
