TOOLEVILLE MUTUAL NON-PROFIT WATER ASSOCIATION (TOOLEVILLE) ON **DECEMBER 7, 2021 AT 6:00 PM**

## WHAT THIS MEANS TO YOU

The State Water Resources Control Board (State Water Board) invites you to attend a meeting to learn about the potential for the City of Exeter to provide drinking water to persons now served by Tooleville through consolidation.

This meeting is part of the Safe and Affordable Funding for Equity and Resilience (SAFER) program. The SAFER program was designed to ensure Californians who lack safe and affordable drinking water receive it as quickly as possible. The SAFER program is helping water systems achieve this goal through a set of tools, funding sources, and regulatory authorities.
