19 (b) Observers may be appointed in accordance with the following:

20 (1) The chair of each political party in the county may designate two registered
21 voters of the county to serve as observers at each voting place in that county
22 in which the political party has a candidate appearing on the ballot.

23 (2) The chair of each political party in the county may designate up to 10
24 registered voters of the county to serve at any voting place in the county in
25 which the political party has a candidate appearing on the ballot.

26 (3) The chair of each political party in the State may designate up to 100 registered
27 voters of the State to serve at any voting place in the State in which the
28 political party has a candidate appearing on the ballot.

30 may designate two observers to serve at each voting place in which that
31 unaffiliated candidate appears on the ballot.

32 (c) The list of individuals appointed pursuant to this section shall be submitted

34 serve. Individuals appointed to serve at a particular voting place or countywide shall be submitted
35 to the director of the county board of elections for that county. Individuals appointed to serve
36 statewide shall be submitted to the Executive Director of the State Board, who shall submit a

40 observers.

41 (d) The chief judge at each voting place may use reasonable methods to verify the identity
42 of individuals appearing at the voting place to serve as an observer. The State Board may require
43 an observer to wear an identification tag or badge to make voters and election officials aware of
44 the observer's role in the voting place.

45 (e) No more than three observers from the same political party shall be in the voting
46 enclosure at any time. Observers appointed to serve at a particular voting place may be relieved
47 during the day after serving no less than four hours. Observers appointed to serve countywide or
48 statewide may be relieved anytime throughout the day. Observers shall not appear on the ballot
49 as a candidate or serve as an election official in the primary or election in which the observer is
50 serving as an observer. Observers shall take no oath of office.

1 (f) The county board of elections or a chief judge of a voting place shall only challenge
2 the appointment of an observer pursuant to this section for good cause, which shall include
3 evidence that the observer could impact the conduct of the election. The State Board shall develop
4 a form for challenges to the list of observers appointed pursuant to this section to be submitted
5 to the State Board. A county board of elections or a chief judge desiring to challenge the
6 appointment of an observer shall complete the challenge form and submit it to the State Board
7 no later than the time the polls open at that voting place on the day the observer is to serve.

8 (g) Election officials shall not prohibit an observer from doing any of the following,
9 provided that the observer does not interfere with the privacy of any voter or the conduct of the
10 election:

33 ballots, election equipment, or election results. The State Board shall adopt rules to implement
34 this subsection.

35 (j) A chief judge may remove an observer who engages in prohibited behavior under this
36 section. A chief judge may also remove an observer for good cause, which shall include evidence

38 shall first issue a verbal or written warning to the observer. The warning must include the time
39 and nature of the offense, and the chief judge must provide the observer a reasonable opportunity
40 to correct the behavior. If the chief judge determines the observer should be removed, the chief
41 judge must immediately notify the director of the county board of elections. The director of the
42 county board of elections must immediately notify the appointing authority so that a replacement
43 observer can be appointed. Nothing in this section prohibits a chief judge from reporting an
44 alleged violation of State or federal law to the appropriate authority.

46 section by a county board of elections or a chief judge shall have the right to appeal the denial.

50 of the denial.

1 (l) An observer may obtain copies of the list of persons who have voted at each voting
2 place during the times the voting place is open for voting. Counties using an "authorization to
3 vote document" instead of pollbooks to indicate which persons have voted are in compliance
4 with this requirement if they allow observers to inspect election records so that the observer can
5 create a list of who has voted at each voting place. The State Board shall determine the times at
6 which these lists may be obtained. However, observers must be able to obtain copies of the list
7 at least three times each day with at least one hour between obtaining the copies."

27 (e) of this section. ~~The application under this subsection shall be signed in the presence of the~~
28 ~~chair, member, director of elections of the board, or full-time employee, authorized by the board~~
29 ~~who shall sign the application and certificate as the witness and indicate the official title held by~~
30 ~~him or her. Notwithstanding G.S. 163-231(a), in the case of this subsection, only one witness~~
31 ~~shall be required on the certificate.~~

32 (d) Only the chairman, member, employee, or director of elections of the board shall keep
33 ~~the voter's application for absentee ballots in a safe place, separate and apart from other~~
34 ~~applications and container return envelopes. If the voter's application for absentee ballots is~~

36 ~~by first class mail addressed to the voter at that voter's residence address and at the address shown~~
37 ~~in the application for absentee ballots; and the board shall enter a challenge under G.S. 163-89.~~

38 (e) The voter shall vote that voter's ~~absentee ballot~~during early voting in a voting booth
39 in the office of the county board of elections, and the county board of elections shall provide a
40 voting booth for that purpose, provided however, that the county board of elections may in the
41 alternative provide a private room for the voter adjacent to the office of the board, in which case
42 the voter shall vote that voter's ~~absentee ballot~~ in that room. A voter at ~~a one-stop~~an early voting
43 site shall be entitled to the same assistance as a voter at a voting place on election day under
44 G.S. 163-166.8. The State Board shall, where appropriate, adapt the rules it adopts under
45 G.S. 163-166.8. to ~~one-stop~~early voting.

46 (f) At any site where ~~one-stop absentee~~early voting is conducted, there shall be a
47 curtained or otherwise private area where the voter may mark the ballot unobserved.

48 (g) A voter who has moved within the county more than 30 days before election day but
49 has not reported the move to the board of elections shall not be required on that account to vote
50 a provisional ballot at the ~~one-stop~~early voting site, as long as the ~~one-stop~~early voting site has
51 available all the information necessary to determine whether a voter is registered to vote in the

1 county and which ballot the voter is eligible to vote based on the voter's proper residence address.
 2 The voter with that kind of unreported move shall be allowed to vote the same kind of absentee
 3 ballot as other ~~one-stop voters.~~ voters voting a ballot during early voting.

4 (h) Notwithstanding the exception specified in G.S. 163-36, counties which operate a
 5 modified full-time office shall remain open five days each week during regular business hours
 6 consistent with daily hours presently observed by the county board of elections, commencing
 7 with the date prescribed in ~~G.S. 163-227.2(b)~~ subsection (b) of this section and continuing until
 8 5:00 P.M. on the Friday prior to that election and shall also be open on the last Saturday before
 9 the election. A county board may conduct ~~one-stop absentee-early~~ voting during evenings or on
 10 weekends, as long as the hours are part of a plan submitted and approved according to subsection
 11 (g) of this ~~section~~ section. The boards of county commissioners shall provide necessary funds for
 12 the additional operation of the office during that time.

13 (i) ~~Notwithstanding the provisions of G.S. 163-89(a) and (b), a challenge may be entered~~
 14 ~~against a voter at a one-stop site under subsection (g) of this section or during one-stop voting at~~

 16 ~~under G.S. 163-227.5 and G.S. 163-227.6 or by another registered voter who resides in the same~~
 17 ~~precinct as the voter being challenged. If challenged at the place where one-stop voting occurs,~~
 18 ~~the voter shall be allowed to cast a ballot in the same way as other voters. The challenge shall be~~
 19 ~~made on forms prescribed by the State Board. The challenge shall be heard by the county board~~
 20 ~~of elections in accordance with the procedures set forth in G.S. 163-89(e).~~

22 **"§ 163-166.45. Alternate procedures for requesting application for absentee ballot;**

24 If a county uses a voting system with retrievable ballots, that county's board of elections may
 25 by resolution elect to conduct ~~one-stop absentee-early~~ voting according to the provisions of this
 26 ~~section.~~ Part. In a county in which the board has opted to do so, a ~~one-stop voter~~ during early
 27 voting shall cast the ballot and then shall deposit the ballot in the ballot box or voting system in
 28 the same manner as if such box or system was in use in a precinct on election day. At the end of
 29 each business day, or at any time when there will be no employee or officer of the board of
 30 elections on the premises, the ballot box or system shall be secured in accordance with a plan
 31 approved by the State ~~Board of Elections,~~ Board, which shall include that no additional ballots
 32 have been placed in the box or system. Any county board desiring to conduct ~~one-stop-early~~

 34 Board. The State Board shall adopt standards for conducting ~~one-stop-early~~ voting under this
 35 section and shall approve any county plan that adheres to its standards. The county board shall
 36 adhere to its State Board-approved plan. The plan shall provide that each ~~one-stop ballot cast~~
 37 during early voting shall have a ballot number ~~on it in accordance with G.S. 163-230.1(e), or~~
 38 ~~shall have~~ an equivalent identifier to allow for retrievability. The ballot number or equivalent
 39 identifier shall not be a public record.

5 (c) The State Board may provide for the official register required by this section to be
6 kept by electronic data processing equipment. The State Board shall require the county board of
7 elections to transmit information in the official register provided for in this section to the State
8 Board.

9 (d) The State Board shall adopt rules to implement this section, including frequency of
10 transmittal and ensuring that each precinct has a list of voters from that precinct who voted prior
11 to the polls opening on election day."

12 **SECTION 28.** G.S. 163-182.1(b) reads as rewritten:

13 "(b) Procedures and Standards. – The State Board of ~~Elections~~ shall adopt uniform and
14 nondiscriminatory procedures and standards for voting systems. The standards shall define what
15 constitutes a vote and what will be counted as a vote for each category of voting system used in
16 the State. The State Board shall adopt those procedures and standards at a meeting occurring not
17 earlier than 15 days after the State Board gives notice of the meeting. The procedures and
18 standards adopted shall apply to all elections occurring in the State and shall be subject to
19 amendment or repeal by the State Board acting at any meeting where notice that the action has
20 been proposed has been given at least 15 days before the meeting. These procedures and
21 standards shall not be considered to be rules subject to Article 2A of Chapter 150B of the General
22 Statutes. However, the State Board shall publish in the North Carolina Register the procedures
23 and standards and any changes to them after adoption, with that publication noted as information
24 helpful to the public under G.S. 150B-21.17(a)(6). Copies of those procedures and standards shall
25 be made available to the public upon request or otherwise by the State Board. For optical scan
26 and direct record electronic voting systems, and for any other voting systems in which ballots are
27 counted other than on paper by hand and eye, those procedures and standards shall do both of the
28 following:

- 29 (1) Provide for a sample hand-to-eye count of the paper ballots of a statewide
30 ballot item in every county. The presidential ballot item shall be the subject of
31 the sampling in a presidential election. If there is no statewide ballot item, the
32 State Board shall provide a process for selecting district or local ballot items
33 to adequately sample the electorate. The State Board shall approve in an open
34 meeting the procedure for randomly selecting the sample precincts for each
35 election. The random selection of precincts for any county shall be done
36 publicly after the initial count of election returns for that county is publicly
37 released or 24 hours after the polls close on election day, whichever is earlier.
38 The sample chosen by the State Board shall be of one or more full precincts,
39 full counts of mailed absentee ballots, full counts of one or more ~~one-stop~~
40 early voting sites, or a combination. The size of the sample of each category
41 shall be chosen to produce a statistically significant result and shall be chosen
42 after consultation with a statistician. The actual units shall be chosen at
43 random. In the event of a material discrepancy between the electronic or
44 mechanical count and a hand-to-eye count, the hand-to-eye count shall
45 control, except where paper ballots have been lost or destroyed or where there
46 is another reasonable basis to conclude that the hand-to-eye count is not the
47 true count. If the discrepancy between the hand-to-eye count and the
48 mechanical or electronic count is significant, a complete hand-to-eye count
49 shall be conducted.

- 1 (2) Provide that if the voter selects votes for more than the number of candidates
2 to be elected or proposals to be approved in a ballot item, the voting system
3 shall do all the following:
4 a. Notify the voter that the voter has selected more than the correct
5 number of candidates or proposals in the ballot item.
6 b. Notify the voter before the vote is accepted and counted of the effect
7 of casting overvotes in the ballot item.
8 c. Provide the voter with the opportunity to correct the official ballot
9 before it is accepted and counted."

10 **SECTION 29.** G.S. 163-182.2 reads as rewritten:

11 **"§ 163-182.2. Initial counting of official ballots.**

12 (a) The initial counting of official ballots cast on election day and under Part 5 of Article
13 14A of this Chapter shall be conducted according to the following principles:

- 14 (1) Vote counting of ballots cast at the precinct on election day shall occur
15 immediately after the polls close and shall be continuous until completed. If
16 ballots cast under Part 5 of Article 14A of this Chapter are counted
17 electronically, that count shall commence at the time the polls close. If ballots
18 cast under Part 5 of Article 14A of this Chapter are paper ballots counted
19 manually, that count shall commence at the same time as mail-in absentee
20 ballots cast under Article 20 or Article 21A of this Chapter are counted.

21 ...

22 (b) The State Board of Elections shall promulgate rules for the initial counting of all
23 official ballots. All election officials shall be governed by those rules. In promulgating those
24 rules, the State Board shall adhere to the following guidelines:

- 25 (1) For each voting system used, the rules shall specify the role of precinct
26 officials and of the county board of elections in the initial counting of official
27 ballots.
- 28 (2) For optical scan and direct record electronic voting systems, and for any other
29 voting systems in which ballots are counted other than on paper by hand and
30 eye, those rules shall provide for a sample hand-to-eye count of the paper
31 ballots of a sampling of a statewide ballot item in every county. The
32 presidential ballot item shall be the subject of the sampling in a presidential
33 election. If there is no statewide ballot item, the State Board shall provide a
34 process for selecting district or local ballot items to adequately sample the
35 electorate. The State Board shall approve in an open meeting the procedure
36 for ~~randomly selecting the sample precincts~~ random sampling for each
37 election. The random ~~selection of precincts~~ sampling for any county shall be
38 done publicly after the initial count of election returns for that county is
39 publicly released or 24 hours after the polls close on election day, whichever
40 is earlier. The sample chosen by the State Board shall be of one or more full
41 precincts, full counts of mailed absentee ballots, and full counts of one or more
42 ~~one-stop~~ early voting sites. The size of the sample of each category shall be
43 chosen to produce a statistically significant result and shall be chosen after
44 consultation with a statistician. The actual units shall be chosen at random. In
45 the event of a material discrepancy between the electronic or mechanical count
46 and a hand-to-eye count, the hand-to-eye count shall control, except where
47 paper ballots have been lost or destroyed or where there is another reasonable
48 basis to conclude that the hand-to-eye count is not the true count. If the
49 discrepancy between the hand-to-eye count and the mechanical or electronic
50 count is significant, a complete hand-to-eye count shall be conducted. The
51 sample count need not be done on election night.

- 1 (3) The rules shall provide for accurate unofficial reporting of the results from the
2 precinct to the county board of elections with reasonable speed on the night
3 of the election.
4 (4) The rules shall provide for the prompt and secure transmission of official
5 ballots from the voting place to the county board of elections.
6 The State Board shall direct the county boards of elections in the application of the principles
7 and rules in individual circumstances."

8 **SECTION 30.** G.S. 163-182.4(a)(3) reads as rewritten:

- 9 "(3) Offices of ~~municipalities, unless the municipality has a valid board of~~
10 ~~election municipalities.~~ Where voters in more than one county cast ballots for
11 a municipal office, the State Board shall prepare a composite abstract upon
12 the completion of the canvass by the county boards and deliver that abstract
13 to all county boards responsible for canvassing votes for the contest, and each
14 of those county boards shall issue a certificate of nomination or election."

15 **SECTION 31.** G.S. 163-182.6(a) reads as rewritten:

- 16 "(a) Abstracts to Be Prepared by County Board of Elections. – As soon as the county
17 canvass has been completed, the county board of elections shall prepare abstracts of all the ballot
18 items in a form prescribed by the State ~~Board of Elections.~~ Board. The county board of elections
19 shall have a separate count on the abstract for ballots cast under Part 5 of Article 14A of this
20 Chapter. The county board shall prepare those abstracts in triplicate originals. The county board
21 shall retain one of the triplicate originals, and shall distribute one each to the clerk of superior
22 court for the county and the State ~~Board of Elections.~~ Board. The State Highway Patrol may,
23 upon request of the State ~~Board of Elections,~~ Board, be responsible for the delivery of the
24 abstracts from each county to the State ~~Board of Elections.~~ Board. The State Board of Elections
25 shall forward the original abstract it receives to the Secretary of State."

26 **SECTION 32.** G.S. 163-182.7A reads as rewritten:

27 **"§ 163-182.7A. Additional provisions for hand-to-eye recounts.**

- 28 (a) The rules promulgated by the State Board ~~of Elections~~ for recounts shall provide that
29 if the initial recount is not hand-to-eye, and if the recount does not reverse the results, the
30 candidate who had originally been entitled to a recount may, within 24 hours of the completion
31 of the first recount, demand a second recount on a hand-to-eye basis in a sample of precincts. If
32 the initial recount was not hand-to-eye and it reversed the results, the candidate who had initially
33 been the winner shall have the same right to ask for a hand-to-eye recount in a sample of
34 precincts.

35 That sample shall be all the ballots in three percent (3%) of the precincts casting ballots in
36 each county in the jurisdiction of the office, rounded up to the next whole number of precincts.
37 For the purpose of that calculation, each ~~one-stop (early) early~~ early voting site under Part 5 of Article
38 14A of this Chapter shall be considered to be a precinct. The precincts to be recounted by a
39 hand-to-eye count shall be chosen at random within each county. If the results of the hand-to-eye
40 recount differ from the previous results within those precincts to the extent that extrapolating the
41 amount of the change to the entire jurisdiction (based on the proportion of ballots recounted to
42 the total votes cast for that office) would result in the reversing of the results, then the State Board
43 ~~of Elections~~ shall order a hand-to-eye recount of the entire jurisdiction in which the election is
44 held. There shall be no cost to the candidate for that recount in the entire jurisdiction.

- 45 (b) Recounts under this section shall be governed by rules adopted under
46 G.S. 163-182.7(d).

- 47 (c) No complete hand-to-eye recount shall be conducted under this section if one has
48 already been done under another provision of law."

49 **SECTION 33.** G.S. 163-182.15 is amended by adding a new subsection to read:

- 50 "(b1) Report on Revisions to Elections Records After Certification. – The State Board shall
51 submit an annual report on any revisions made to any voter's voter history records other than

1 routine updates following each election, including the rationale for and timing of the revisions,
2 to the Joint Legislative Elections Oversight Committee and the Joint Legislative Oversight
3 Committee on General Government no later than October 1 of each year."

4 **SECTION 34.(a)** G.S. 163-210 reads as rewritten:

5 **"§ 163-210. Governor to proclaim results; casting State's vote for President and**

10 Vice-President of the United States as stated in the abstracts of the State Board of Elections.
11 Board. Thereupon, the Governor shall immediately issue a proclamation setting forth the names
12 of the electors and instructing them to be present in the old Hall of the House of Representatives
13 in the State Capitol in the City of Raleigh at noon on the first ~~Monday~~ Tuesday after the second
14 Wednesday in December next after their election, at which time the electors shall meet and vote
15 on behalf of the State for President and Vice-President of the United States. The Governor shall
16 cause this proclamation to be published in the daily newspapers published in the City of Raleigh.
17 Notice may additionally be made on a radio or television station or both, but such notice shall be
18 in addition to the newspaper and other required notice. The Secretary of State is responsible for
19 making the actual arrangements for the meeting, preparing the agenda, and inviting guests.

20 Before the date fixed for the meeting of the electors, the Governor shall send by ~~registered~~
21 ~~mail~~ the most expeditious method available to the Archivist of the United States, either three
22 duplicate original certificates, or one original certificate and two authenticated copies of the
23 Certificates of Ascertainment, under the great seal of the State setting forth the names of the
24 persons chosen as presidential electors for this State and the number of votes cast for each. These
25 Certificates of Ascertainment shall contain a security feature for purposes of verifying their
26 authenticity and should be sent as soon as possible after the election, but must be received before
27 the Electoral College meeting. At the same time the Governor shall deliver to the electors six
28 duplicate originals of the same certificate, each bearing the great seal of the State. At any time
29 prior to receipt of the certificate of the Governor or within 48 hours thereafter, any person elected
30 to the office of elector may resign by submitting his resignation, written and duly verified, to the
31 Governor. Failure to so resign shall signify consent to serve and to cast his vote for the candidate
32 of the political party which nominated such elector.

33 In case of the absence, ineligibility or resignation of any elector chosen, or if the proper
34 number of electors shall for any cause be deficient, the first and second alternates, respectively,
35 who were nominated under G.S. 163-1(c), shall fill the first two vacancies. If the alternates are
36 absent, ineligible, resign, or were not chosen, or if there are more than two vacancies, then the
37 electors present at the required meeting shall forthwith elect from the citizens of the State a
38 sufficient number of persons to fill the deficiency, and the persons chosen shall be deemed
39 qualified electors to vote for President and Vice-President of the United States."

40 **SECTION 34.(b)** G.S. 163-213(d) reads as rewritten:

41 "(d) Proclamation Before Electors' Meeting Day Controls. – If the proclamation of any
42 Presidential Elector under G.S. 163-210 is made any time before ~~noon on~~ the day set for the

44 appointment made by the General Assembly or the Governor. This section does not preclude
45 litigation otherwise provided by law to challenge the validity of the proclamation or the
46 procedures that resulted in that proclamation."

47 **SECTION 35.** Article 20 of Chapter 163 of the General Statutes reads as rewritten:

21 section.

22 The identification of the two persons witnessing the casting of the absentee ballot in
23 accordance with G.S. 163-231(a) is not a curable deficiency. Any container-return envelope with
24 a curable deficiency that is transmitted to the county board shall be considered timely if cure

26 conducted by the county board of elections held pursuant to G.S. 163-182.5. Cure documentation

36 purpose of action on applications for absentee ballots. At these meetings, the county board of
37 elections shall pass upon applications for absentee ballots.

39 additional meetings in accordance with the terms of this subsection, notice of the change in hour
40 and notice of the schedule of additional meetings, if any, shall be published in a newspaper
41 circulated in the county at least 30 days prior to the election.

42 At the time the county board of elections makes its decision on an application for absentee

44 applications, and ballots issued opposite the name of the applicant a notation of whether the
45 applicant's application was "Approved" or "Disapproved".

46 The decision of the board on the validity of an application for absentee ballots shall be final
47 subject only to such review as may be necessary in the event of an election contest. The county
48 board of elections shall constitute the proper official body to pass upon the validity of all
49 applications for absentee ballots received in the county; this function shall not be performed by
50 the chair or any other member of the board individually.
