FISCAL NOTE ANALYSIS

STATE OF ALASKA
2023 LEGISLATIVE SESSION

BILL NO. HB 95

Analysis

This bill revises AS 46.03, the statute providing for water, air, energy, and environmental conservation.

The bill requires state water to be designated as outstanding national resource water by statute only. It prohibits water of the state from being managed as outstanding national resource water unless the water has been designated as such by statute.

The Division of Mining, Land and Water does not anticipate any fiscal impact.
