Dear Mr. Moore:

While at the meeting we heard of the plight of Mrs. Sefronia Conway. What a heroic, brave stand she has taken. We are sending a check to her for \$572.43 to prevent foreclosure on her household goods. I'll send it air mail with the hope that you will get it by Monday. If ever you are afraid a foreclosure is immediately threatened and you call us we could wire the money, if it is available.

I hope you and your family are well and that there is not too much suffering from the cold weather.

Most sincerely yours,

Maurice Kelso
