Dear Amzie:

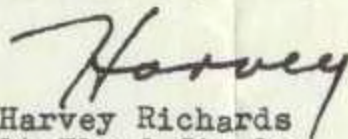

I am sending four tapes to you by parcel post. These are the tapes done by yourself, Bob Moses, Curtis Hayes and Hollis Watkins.

Please let me know if the recorder arrived that I sent by railway express.

Several ~~m~~ duplications of the tapes have been made and the reception has been excellent. I will give you a detailed report on this later on.

The work on the film is proceeding but I can't give you a final date yet.

Sincerely yours,

Harvey Richards
