Dear Amzie:

As members of the board of Operation Freedom, we took up your situation there Saturday. It is possible they will be in touch with you about some funds to at least help pay off the indebtedness for the air conditioner.

It seems to us that any future purchases of this size should be discussed beforehand with the trustees for your mortgage on the station. Perhaps they could work out some way to be helpful. If you don't consult them there is always a chance that you will become overcommitted and unable to pay, with the result that you might lose the whole shebang.

Please let us know whenever we might be of help. Our warmest regards.

Carl & Anne
