

Dear Alicia,

Finl.

In progress is a dramatic opus for the social actioneers -- inebriated memoirs, reflections and parables and such -- for which they have paid on the installment plan.

If there are to be any more ten dollars in the future, I would reccomend one Dave Dogget, of the FIS, as a recipient. Dave is one of the things that the movement is all about, a native white Mississippian. He's a struggling student of about 19 - 20, born and raised in the state. When I last talked to him his plans regarding school were indefinite; he may drop out for awhile to work with poor whites through SOCC, or stay in school and split his time between the poor folks and the student milieu. Dave desperatly needs assistance, either to defray his traveling expenses or to get drunk once a week. He would be as worthy a recipient as anyone, and I think the prospect of getting letters from a native white boy active in the movement would delight Unitarians. He can be contacted through FIS, Box 120, Tougaloo, Miss. 39174. Let me know if there is any chance of Dave getting funded and I will tell him what is expected of a welfare recipient.

Should you ever be coming east and find yourself tired, hungry or thirsty in the Philadelphia area, take note of pertinent data following closing salutation.

best comradely regards,
