Dear Sir: *Communications staff*

Enclosed you will find 3 copies of the Holly Springs Freedom School newspaper. This is intended as a bi-weekly publication or more frequent when possible. "The Freedom News" is the first of two papers, the second of which we hope to begin soon in Benton County. Copies of the paper will be sent to all freedom schools. As a result of our newspaper the Rust College students, impressed with the work, are planning one of their own.

Yours in freedom,

Carl Young

P.S. The copies enclosed are the first and second publication and with this mail we are also sending the first edition to the other 4 freedom schools which opened, as did we, on July 2nd.
