

SNCC

February 3, 1964.

Mr. Howard Zinn
45 Chapin Road
Newton Center, Mass.

Dear Mr. Zinn:

Bill Higgs tells me that you are now setting up an Advisory Council to SNCC, and may want occasionally to meet in Washington. If you do, I would be glad to have you meet here -- at any time, of course, when this could be arranged without conflicting with Institute functions.

Sincerely,

Arthur I. Waskow
