Miss Annal Ponder.

Dear, this comes to let you here from me. This leaves me feeling O.K. hope you are fine yes i have met friend ~~Milton~~ Milton and he is fine i am taking lessons under fine now so i will be able to teach when he is gone also i am taking other lessons so we have no many teachers right now i think i will begin in Aug. and teach through the fall i have got overwinded with all of the students they are so very nice it is not enough people attending to have 2 classes of the same so i am taking lessons. right now so i can keep the Community Center steady going i have all of the material except a small black board i would like to have one so i can begin in Aug i think some of them will be leaving then i will start working. i think the school is great. so you will know when i start work again your citizen ship teacher

Mrs. Mary Tucker

P.S. We have a nice Center here
