Dear *R. Pronough*

This letter is to acknowledge the clothings that were sent to the needy people in Mississippi.

This fall we are having a Welfare Relief Committee meeting to try and get much more food and clothing into the Delta area. Clothings and such should go to the Jackson, Mississippi office, 1017 Lynch St., c/o Mr. Jessie Morris, earmarked for this project.

Keep the food and clothings coming into Mississippi, we need it.

Yours for freedom,

Mary Lane
