Lois:

Received your letter---

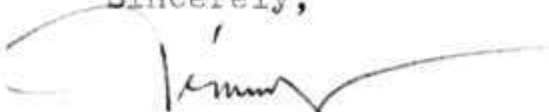

Last Saturday evening the MISSISSIPPI REPORT DINNER was held here in Chicago---great gathering of people

There was one guy at the dinner who is interested in adopting Mrs. Hamer (wow) and there is a possibility that he will or is willing to adopt a Freedom School or Community Center. I'm expecting a call from him on Thursday (of this week)-- If he agrees to take a Community center along with Mrs. Hamer I shall let you know.-----

Also--Lucy Montgomery (RICH RICH RICH---indoor swimming pool--marble floors---tropical birds flying around the house, etc.,) has an interest in the Community Centers----She is an adict supporter of SNCC---This summer she was in Mississippi and had an opportunity of visity some community center (don't know the exact one) anyway she is interested and possibly I'll be able to get here to adopt a community center (oh yes, she is sending seven 7, african students to school, plus she has built a giantic library in Africa) --so you see there is a chance

Will write and give you definate details of this guy who is going to adopt Mrs. Hamer (and possibly a Community Center or Freedom School)

Sincerely,

J. E. H. Bolton
