Dear Lois,

Will it be necessary for me to get license to run the day care center?

I will appreciate any information you can get for me concerning the day care center.

we have been organized for a period of three weeks. my enrollment have increase from 10 to around 15 children per day and steadily increasing.

I'm also keeping record on what they do and enjoy. this is done everyday there are so many things. that I wouldn't dare put them on paper.

Oh, "yes if I have to get license how much will they cost?"

How is everything in Jackson? we are all o.k up here, we are hoping to get the majority of people to vote in the freedom elections.
