Dear Lois,

I am glad that the adopt-a-Center plan is being used. I think it is the best way to raise money. Should you not write a special letter to each group of volunteers, telling them of the situation in the area they worked?

As to the pictures it is my judgement and the judgement of those I have consulted that the pictures (with one exception in the group you sent) don't really stand on their own feet as desirable pieces of art. I'm sorry. I wish the kids, and the movement generally, produced writing, pictures etc. of a higher order. Should I send 'em back?

I'm interested in money for the Jackson office, also for Laurel. But I don't seem to be doing much fund-raising, what with everything else.

Love,

Staughton
