P.O. Box 547

Shaw, Miss.

Dear Mary Sue:

Sorry not to have reported on this sooner. When I got your note that you had not received the \$50 ~~am~~, I was really surprised, because I had had the thing approved and turned over the check much sooner. I reminded Valita, though, and after some static, we got the thing reapproved, and it was supposed to have been delivered by Dennis Flannigan. If that has not happened, please let me know, or Andy Rust, and somebody will go to work on the matter again. I sincerely hope that you have the money and the damn thing is over with. Thanks for your patience. Have you heard anything more about the lady from WILPF, and the play?

Yours truly,

Lois
