Dear George:

Thanks for the letter. It clarified a few things, and I was glad to get your opinion of the group. I wish there was some way to stimulate contact with them, because reading your letter I felt like I wanted to take out a nice peaceful week with them.

Greenwood is still in bad shape. Nobody there to figure it out, or to do things. I myself really don't know what the situation is. I promise, though, that we won't leave Greenwood out, if I'm around when the stuff comes in.

Thanks again for writing. Do keep in touch. Things are in a crisis stage right now. I'm too close to it to describe it analytically, or to think of something else to talk about, so I think I'll just stick to business.

For some reason those pictures about South Africa appealed to me very much. I pasted the better one up on my cubby-hole, regardless of the stares. Thanks very much.

Yours truly,

Lois Chaffee
