Dear Lois,

Surprised at the return address? I'm here for two weeks of "rest"? (33 speeches in 2 wks).

Anyway, your letter was forwarded to me about the \$50.00. Everything's O.K. We got the money.

The WILPF seems to be enthusiastic about helping us. They've had a couple of good articles in their paper in Wisc. and have a major amount of clothes for us which should come soon. It may come through Jackson, but I hope not, so it won't be extra work for you there. I'll keep you posted about how much stuff we have in Shaw so you'll know our needs. One of the WILPF ladies may come to Shaw for a short visit to bring us some books which we requested.

Nothing new on the play.

I'll be back to Shaw at the end of the month or very first of Dec.

Freedom,

Mary Sue
