Dear: *Judy Richardson*

The phone bill from 412 Chestnut Street has not been paid and I am therefore unable to get my deposit back from the phone company. I am asking you to pay me what you owe on long distance calls as follows:

*none*

I am also asking that everyone contribute \$1 for each month he or she lived in the apartment while the phone was connected to ~~pay~~ help pay the monthly service charges. You lived in the apartment, I believe, for 2 month(s).

You therefore owe me a total of \$ 2.00. Please pay as soon as possible. Thank you.

Together in freedom,

*Dinky Romilly*
