Dear Amzie:

Thanks for the money orders and for your note.

I am enclosing the \$500 money order for payment of the mortgage. Also a check made out to Mrs. Hayes for the payment on the truck and the \$23.00 house payment. Will you please ask her to sign the note, on all three items.

Mrs. Gray is our chairman in Hattiesburg. It shows that we have little communication between points. I should give the names of committee members in other places so they will know to whom to refer a request such as this one. I'm quite sure I met Mrs. Rodgers when we were there. Let me know what you think we should try to do in her situation.

I hope you had a good Thanksgiving.

As ever,

*Mac*
