Dear Mr. Moore:

I talked today with Lois Chaffee, the COFO Coordinator in Jackson, Mississippi, on the telephone. I told her our organization here in Camden County, N.J. had gathered together, packed and have ready for shipment about 27 cartons of clothing for the Project in Shaw, Mississippi. I could not determine the exact shipping address in Shaw, so Miss Chaffee told me to have the shipper deliver it to you. I hope that you will be able to receive this shipment and take it by truck to Mary Sue Gallatly in Shaw.

We expect the shipper (Acme Fast Freight) to pick this shipment up tomorrow (Dec. 1) and it would probably be a couple of days arriving in Cleveland. Since we do not know the exact weight of the shipment, and since the cost to cover it cannot be determined ~~xxxx~~ unless the weight is known, I am sending you a U.S. Money Order for \$50, which should more than cover this expense.

Would you therefore be kind enough to personally see to it that this shipment is received from the shipper, and arrives in Shaw as soon as conveniently possible after that. This is a great deal to ask, but if you friends in Mississippi are like some we have already met from working in that State, then we feel less strange in asking such a large favor.

If more money is due than what I have sent, will you kindly let me know and I will forward same to you. If, on the other hand there is a balance, will you please transfer the amount to Mary Sue Gallatly.

With greatest appreciation for your kind services and help,
I am

Sincerely,

Lillian Talbot
