Dear Mrs. Lukas:

Thank you so much for the pre-Christmas gift. I was a surprise to come across this little sign of civilization in Mississippi. I really don't know how long it's been since we saw a lacy handkerchief. It was very refreshing. Thank you again for your thoughtfulness, and if it wasn't to be opened, until . . ., so sorry, but we're a curious type down here.

Thanks again.

Yours truly,

Lois Chaffee
