Dear Miss Kaplow:

Please find enclosed the third check
which I have received from you.

Let me say again that I appreciate the
interest which the Friends of SNCC
group in Madison, Wisconsin, has shown
in me. However, since I am no longer
in Mississippi and do not plan to return
at any time in the near future, I can
not ethically accept funds from the group.

~~Thank you once again.~~

~~Sincerely yours,~~
