Dear Alicia Kaplow.

I'm writing you to let you know of the experience I had you send my mail to the Snick office on ~~Av~~ Avenue N. A fellow Coe worker cashed the money order in some one else name and I happened to find out today now he said he was going to pay me back, now this is something I had hoped not to happen but it did I want you to send the money from now on to my address

710 Ave ^{avenue} J Street, now I don't like this at all Alicia because what we are, we are suppose to be the hand of brother's with a

circle of trust, I don't want to ~~make~~
make it bad for him. I only want you
to use my home address. He likes
promise to have the money by monday
so I don't know what to do, I'll let you
know if anything else happens.

Yours in the African
Struggle
