Dear Miss Green,

Your name was given to me by Fred Kushner's mother. We have sent remnants of drapery and slipcover fabrics to Holly Springs, Mississippi, where they are making quilt covers and other items from them. Before we consider sending them to you we want to know if this would be of use for your project. We would appreciate hearing from you about the work you do or any other pertinent information (such as, a community paper that you might be printing, similar to Freedom Train of Holly Springs.).

Good luck in your endeavors. Hope that we can be of help to you.

Sincerely yours,

Milton Herst
