Mr. McCorkin

Dear Sir,

I am trying to get help with my bills. I have been out of work three months. There are four of us in family.

I have been unable to find work. I believe it's because I participated in the 1964-65 Civil Right movement.

I am a Practical Nurse. I worked three years at Tabernis Hospital. one year as ass. laboratory tech. and two years in Operation Room. I worked at this place which is (all negro Hospital). during time I participated in this movement. I am not at this place ^{now} and haven't been able to find employment else where.

I have applications at East Belwin County Hospital, Cleveland Convalescent & Nursing Home and Botter Laboratory. All of these places are receiving Federal Funds. I have been tired and

and time.

I do believe my participation
in 1964-65 Civil Right Movement
is why I am not employed.

I would appreciate if you will
give this letter of such carefully
consideration,

Enclose you will find a list
of my monthly bills.
Thanks.

Yours truly
Bertha Alice Nelson
