Merigold, Mississippi

Dear Mr. and Mrs. Carter:

You have probably received a letter inviting you to the school desegregation conference in Jackson on the 16th of April. We would like Mrs. Carter to participate on a panel in the afternoon and discuss the problems you have had as a result of sending your children to desegregated schools. I would also like very much to have all of your children come. We will pay for transportation.

Would you drop me a note to let me know whether Mrs. Carter would be willing to speak.

Sincerely yours,

*Marian Wright*
