Dear Amzie:

It is very good news that you will be able to be with us on Saturday. We very much hope that you can stay with us at 932 Dayton. Come as early as you can and stay as late as you are able. If you will let me know what plane you will be coming on I'll meet you if I possibly can. If I'm not there you can take a limousine and taxi out from town. It is only a couple of miles.

We have been enjoying Ruth Carter. She is visiting her family in Toledo and will be back through Cincinnati in a few days.

Hope your health is under control in all departments.

We've been looking for the application form to come back for McLaurin or do you plan on bringing it with you?

So, I'll see you soon!

As ever,

Mac
