Dear Mr. Moore:

Jim Stein, Board member of ISHA, and Community Development Director of SHE will be in Mississippi beginning August 7 for a week or 10 days as a Consultant for ISHA. He will call you in the effort to meet with you and get your ideas on housing in Mississippi and offer you the benefit of his knowledge and experience in Self-Help housing. He is one of the most knowledgeable people in the country on self-help housing and I hope his visit can be mutually fruitful.

I hope to join him on the trip unless something intervenes.

Sincerely,

Clay L. Cochran
