Dear Amzie:

I was glad for your call the other night and very sorry that your asthma has been giving you so much trouble. I wouldn't recommend this cure but I ~~heard~~ <sup>read</sup> recently of a young boy who was stung by 6 yellow jackets. His asthma, which was bad, ~~is~~ <sup>was</sup> completely cured. I talked with a doctor who said that ~~are~~ <sup>they</sup> are working on the use of bee venom for asthma but as yet they don't know how much to use and they don't know whether what they ~~will~~ give will cure or kill. So I'm not recommending that you go out hunting for some yellow jackets.

I'm enclosing a money order for \$200.00 for Charles and one for \$10.00 to help defray the expenses on the call. Please, do my a favor, reverse the charges on calls you make on Operation Freedom business. It is not right for you to pay for them.

Ernie and I plan on coming down the second week in October, leaving here early the 9th. and arriving in Cleveland Tuesday. We could stay 2 or 3 days and be back here by Saturday. If you find this week is not possible for you, as soon as you know will you please let us know so we can figure on another time.

Enclosed is a letter from John Wilson which you can keep since anything would have to be done from your end anyway.

Enclosed also is a picture I took when you visited us in June.
