

DRONE SURVEY OVER ECORSE CREEK

WHY?

Drones will be flying over Ecorse Creek. This aerial survey will help identify litter debris, access locations, invasive species (like knotweed), and failing infrastructure.

WHEN?

Flights are subject to change due to inclement weather. Additional dates may be required based on progress.

~~• April 2 & 4, 2024~~

• **April 8 & 9, 2024** (rescheduled dates, due to weather)

WHERE?

Over Ecorse Creek from John F. Kennedy Park to Pepper Park. Communities include: Allen Park, Melvindale, Lincoln Park and Ecorse.
