Application for Permanent Proxy Vote - Disability

If you have a disability and are unable to go to your Polling Station to vote at elections, you can use this form to apply for a **permanent proxy vote**. This is where you appoint someone to vote on your behalf at your Polling Station on election day.

You must be registered to vote to apply for a proxy vote. If you are unsure if you are registered to vote, go online and check at www.eoni.org.uk/can-i-vote

1 Complete your personal details. You can get your National Insurance Number online at www.gov.uk/lost-national-insurance-number. Providing contact information is optional – either a telephone number or an email address.

Your information will be checked with the electoral register and, if inaccurate your application will be rejected.

2 If you went online to register to vote, then you **MUST** provide your **Digital Registration Number (DRN)**. Most people register in this way - you should check your DRN at www.eoni.org.uk/DRN

If you do not know your DRN, you can request it online at www.eoni.org.uk/DRN or find it on your letter of electoral registration confirmation.

If your application is rejected on these grounds, we will treat it as a request for your DRN and send it to you.

3 Provide details of the person you wish to appoint as your proxy. Your proxy must be registered & entitled to vote at the election and will need to attend your Polling Station to vote for you. A person can only be appointed as a proxy for 2 electors living in Northern Ireland at the election.

4 Sign & date the form to verify the information you provided is correct. If you cannot sign the form due to a disability or an inability to read/write, someone else must witness and sign your application.

5a If you are in receipt of certain benefits (listed) or are registered blind with a Health & Care Trust, please tick the relevant box.

If applying under this section **you must provide written evidence** with your application - such as a copy of an official letter. If this is not included your application will be refused.

5b If you do not meet any of the conditions in 5a then you must have section 5b completed instead. Your application must be attested – this is where someone confirms the information is true.

Only a

- registered nurse,
- registered medical practitioner (doctor),
- Christian science practitioner,
- registered social worker or
- person in charge of a nursing/residential Care Home or Fold

can complete this for you.

That person must have seen or cared for you in connection with your disability.
