

**TITLE:** Assistant Professor of Nursing, Tenure-Track  
**DEPARTMENT/DIVISION:** Health Sciences Division  
**REPORTS TO:** Nursing Program Director  
**CLASSIFICATION:** Full-Time, Tenure-Track Faculty

### **POSITION SUMMARY**

The Assistant Professor of Nursing is a full-time, tenure-track position within the Health Science Division. The position requires an innovative nursing educator who is committed to student success as shown through student engagement and completion. Within three calendar years of initial appointment, the employee must possess a minimum of a master's degree in Nursing, preferably Nursing Education. The employee will possess a minimum of a bachelor's degree in nursing, an active unencumbered registered nurse license, and two years of recent patient care experience. The employee will be expected to teach lecture, lab and clinical-based courses following the course syllabus, the mission of the college, and college policies and procedures while also maintaining attendance records, grading student work, and submitting student grades in a timely manner. The position typically requires at least a 35-hour work week which includes a course load of 15 hours per semester and a minimum of 10 office hours a week. In addition to these responsibilities, the instructor will be expected to perform related duties such as serving on campus committees, supervising student clinical rotations at hospitals, serving as an ambassador for the nursing degree program, and in time, mentoring other faculty members. Assignments may include day, night, and possibly weekend assignments in classrooms, on/off-site, using Zoom or online delivery systems. The position reports to the Nursing Program Director. Nursing faculty must clear a drug screen, submit to a criminal background check, present current immunizations, and CPR certification upon hire.
