

CALIFORNIA REGIONAL WATER QUALITY CONTROL BOARD
CENTRAL VALLEY REGION

RESOLUTION NO. R5-2002-0137

APPROVING INITIAL STUDY
AND
ADOPTING A MITIGATED NEGATIVE DECLARATION
FOR
TEICHERT AGGREGATES
HALLWOOD FACILITY
YUBA COUNTY

WHEREAS, the Regional Board proposes to adopt Waste Discharge Requirements for the disposal of wastewater to land in Yuba County; and

WHEREAS, the Regional Board is the lead agency for this project under the California Environmental Quality Act and has conducted an Initial Study in accordance with Title 14, California Code of Regulations, Section 15063, entitled *Guidelines for the Implementation of the California Environmental Quality Act*; and

WHEREAS, mitigation measures included in the proposed Waste Discharge Requirements Order and identified in the Mitigated Negative Declaration will avoid the project's potential significant effects or will reduce such effects to a less than significant impact; and

WHEREAS, copies of the Initial Study and proposed Mitigated Negative Declaration were transmitted to or made available to all agencies and persons known to be interested in these matters; and

WHEREAS, the Regional Board received no comments regarding the proposed project, Initial Study, or proposed Mitigated Negative Declaration. The Regional Board received comments from the Discharger on the tentative Waste Discharge Requirements. These comments have been considered and addressed; and

WHEREAS, the Regional Board considered all testimony and evidence at a public hearing held on 7 June 2002 in Sacramento, California and good cause was found to approve the Initial Study and adopt a Negative Declaration;

NOW, before the California Regional Water Quality Control Board, Central Valley Region,
BE IT RESOLVED as follows:

1. The Regional Board approves the Initial Study and adopts the Negative Declaration for the *Teichert Aggregates Hallwood Facility*.

2. The record before the Regional Board contains no substantial evidence that a fair argument had been made that the project may have a significant effect on the environment.

I, THOMAS R. PINKOS, Acting Executive Officer, do hereby certify the foregoing is a full, true, and correct copy of a Resolution adopted by the California Regional Water Quality Control Board, Central Valley Region, on 19 July 2002.

THOMAS R. PINKOS, Acting Executive Officer
