Email: CSavant@oandidevelopment.com	5A31CR00534-025A1 The Ivy at Granite Bay Project	The project has been slightly revised to decrease the amount of wetland impacts. The footprint of the project has decreased from 153,500 square feet to 151,470 square feet which results in a reduction of impermeable surfaces from the originally proposed project. The updated project is still a 2-story, senior living community but it is now comprised of only 65 assisted living and 28 memory care units. Street frontage improvements along Douglas Boulevard remain the same as well as extensive landscaping and pathway connectivity to the adjoining retail center to the west. This senior living facility building is proposed to be a 99,109 square foot building with 56 total parking spaces.
